## INDEPENDENT AUDITORS' REPORT

Board of Trustees  
Michigan Community Services, Inc.  
401(k) Profit Sharing Plan and Trust  
Swartz Creek, Michigan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Michigan Community Services, Inc. 401(k) Profit Sharing Plan and Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of March 31, 2025, December 31, 2024 and 2023 and the related statement of changes in net assets available for benefits for the period and years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Michigan Community Services, Inc. 401(k) Profit Sharing Plan and Trust's financial statement performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2420.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the plan year ended December 31, 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Michigan Community Services, Inc. 401(k) Profit Sharing Plan and Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Michigan Community Services, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore it is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Michigan Community Services, Inc. 401(k) Profit Sharing Plan and Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events considered in the aggregate, that raise substantial doubt about Michigan Community Services, Inc. 401(k) Profit Sharing Plan and Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

The supplemental Schedule of Assets Held at End of Year is presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule other than the information in the supplemental schedule that agree to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(the "Employer"), who have one year of service, are age twenty-one or older and have worked at least 1,000 hours during the previous one year of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

*Contributions:* Each year, participants may contribute up to the maximum allowed by the Internal Revenue Service. Participants who have attained age 50 before the end of the Plan year are eligible to make catch up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. Under the Plan, the Employer has the right to make discretionary contributions. Currently, the employer matches 25% of every dollar the employee defers up to a maximum of 8% of the employee's annual salary. The employer's matching contributions are invested based on the same allocation as the participant's contributions. Additional profit sharing amounts may be contributed at the option of the employer's board of directors and are invested based on the same allocation as the participant's contributions. During the period ended March 31, 2025, and years ended December 31, 2024 and 2023, the employer did not make any profit sharing contributions to the Plan.

*Participant accounts:* Each participant's account is credited with the participant's contributions and Organization's matching contributions, as well as allocations of profit sharing contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants are allowed to modify salary deferrals on the first day of each plan quarter.

*Vesting:* Participants are immediately vested in their contributions plus actual earnings thereon. Participants vest proportionately over six years in the Employer's contributions.

*Forfeited Accounts:* As of January 1, 2010, the Plan was amended to allow forfeited amounts to be used for either Plan expenses or used to reduce employer contributions. For the period ended March 31, 2025 there were no forfeitures used to reduce Plan expenses. For the year ended December 31, 2024 there were forfeitures of \$1 used to reduce Plan expenses. For the year ended December 31, 2023 there were forfeitures of \$200 used to reduce Plan expenses.

*Participant Loans:* Participants may borrow from their fund accounts up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear a reasonable interest rate determined by the Administrator. Principal and interest is paid ratably through bi-weekly payroll deductions. Generally all loans must be repaid within five years, unless used to purchase a principal residence. A participant can have only one loan outstanding at any one time.

*Payment of Benefits:* Upon termination of service due to death, disability, retirement or obtaining age 65, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, installment payments or a life annuity not to exceed the participant or the participant's beneficiary's life expectancy. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. An early retirement option is available to those who have attained age 55 with a minimum of 15 years of service.

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Plan Amendments:* Although the Plan was terminated as of March 31, 2025, there were no other plan amendments in 2024.

*Date of Management's Review:* Management has considered subsequent events through September 16, 2025 which is the date the financial statements were available to be issued.

*Basis of Accounting:* The financial statements of the Plan are prepared using the accrual method of accounting.

*Estimates:* The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

*Notes Receivable from Participants:* Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and expensed when they are incurred. No allowances for credit losses were recorded as of March 31, 2025, December 31, 2024 or 2023.

*Investment Valuation and Income Recognition:* The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for a discussion of fair value measurements.

Appreciation (depreciation) represents the difference between the fair market values of the investments at the end of the Plan years plus any gains or losses from sales of investments during the Plan year.

*Payment of Benefits:* Benefits are recorded when paid.

*Operating Expenses:* All expenses of maintaining the Plan are paid by the Company or reduced by forfeitures.

**NOTE C - FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of inputs of the fair value hierarchy are: Level 1 - quoted prices in active markets for identical assets; Level 2 - significant other observable inputs; and Level 3 - significant unobservable inputs. As of March 31, 2025, December 31, 2024 and 2023, the Plan had no assets which were required to be measured using Level 2 or Level 3

Assets Measured at Fair Value on a Recurring Basis at March 31, 2025:

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ -	\$ -	\$ -	\$ -
	\$ -	\$ -	\$ -	\$ -

Assets Measured at Fair Value on a Recurring Basis at December 31, 2024:

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 4,671,789	\$ -	\$ -	\$ 4,671,789
	\$ 4,671,789	\$ -	\$ -	\$ 4,671,789

Assets Measured at Fair Value on a Recurring Basis at December 31, 2023:

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 4,458,563	\$ -	\$ -	\$ 4,458,563
	\$ 4,458,563	\$ -	\$ -	\$ 4,458,563

All amounts were certified as accurate and complete by American United Life Insurance Company pursuant to ERISA Section 103 (A)(2).

**NOTE D - INVESTMENT CONTRACT WITH INSURANCE COMPANY**

On January 1, 1995, the Plan entered into a investment contract with American United Life Insurance Company (AUL). AUL maintains the contributions in a pooled account. The account is credited with earnings on the underlying investments. The contract is included in the financial statements at contract value as reported to the Plan by AUL. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

All funds allocated to this option are placed in the AUL general account where they are invested in accordance with AUL's general account investment policy. AUL's general account assets are predominantly fixed-income investments (bonds, mortgages and private placements). AUL's management believes these investments to be of high quality and that the contract's value consists entirely of level 2 inputs.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The average yield and crediting interest rates were fixed at 0.00% for the period ended March 31, 2025, and 4.00% for each of the years ended December 31, 2024 and 2023, respectively. This minimum guaranteed rate on this account is 4.00%.

Beginning in January 2022 plan management elected to freeze the AUL Fixed Interest Account and utilized an AUL Stable Value Account. The AUL Stable Value Account received a minimum credited interest rate lock of 2.00% for 2024 and 1.25% for 2023.

**NOTE E - TAX STATUS**

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service or other applicable taxing authorities. Management has analyzed the tax positions taken by the Plan and has concluded that as of March 31, 2025, December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Tax returns generally remain subject to examination for three years.

**NOTE F - RELATED PARTY TRANSACTIONS**

The administrative fees recorded were for investment management and other fees charged by American United Life Insurance Company (AUL) who qualifies as a party-in-interest. AUL is the custodian as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions.

**NOTE G - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.
