## **INDEPENDENT AUDITOR'S REPORT**

To the Administrative Committee of  
403(b) Thrift Plan of Lone Star Legal Aid  
Houston, Texas

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of 403(b) Thrift Plan of Lone Star Legal Aid (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of 403(b) Thrift Plan of Lone Star Legal Aid's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of 403(b) Thrift Plan of Lone Star Legal Aid and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedule Required by ERISA**

The supplemental schedule of Schedule H, Line 4(i) – Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **403(b) Thrift Plan of Lone Star Legal Aid**

### **Notes to Financial Statements**

#### **Note 1: DESCRIPTION OF THE PLAN**

The following description of the 403(b) Thrift Plan of Lone Star Legal Aid (the Plan) provides only general information. Refer to the Plan agreement for a more complete description of the Plan's provisions.

#### ***General***

The Plan is sponsored by Lone Star Legal Aid (the Organization, Employer or Plan Administrator) for the benefit of its employees. The Plan was adopted effective May 1, 1988 and is a defined contribution plan covering substantially all employees of the Organization. The Plan is subject to the provisions of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). The Administrative Committee is responsible for oversight of the Plan, and determines the appropriateness of the Plan's investment offerings, monitors investment performance.

Some administrative functions are performed by employees of the Organization. No compensation is remitted to the Organization for these services.

Plan assets are held and managed by Mutual of America Life Insurance Company, the custodian and the qualified institution for the Plan, which invests contributions and Plan earnings, makes investment transactions as directed by the Administrative Committee and provides certain recordkeeping services, and performs certain Plan administration and annual ERISA compliance testing.

#### ***Eligibility***

Under the terms of the Plan, substantially all employees become eligible to make salary deferral contributions on the first day of the month coinciding with or immediately following the date of hire. However, employees must be at least 21 years of age and have completed one year and 1,000 hours of service to be eligible for Employer contributions.

#### ***Contributions***

Each year, participants may contribute from 1% to 100% of their pretax annual compensation as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants with at least 15 years of service with the Organization are permitted to make special catch-up contributions up to the lower of (i), (ii) or (iii) below:

- (i) \$3,000; or
- (ii) The excess of \$15,000 over the total special 403(b) catch-up elective deferrals made for the qualified employee by the qualified organization for prior years, or
- (iii) The excess of \$5,000 multiplied by the number of years of service of the qualified employee with the qualified organization, over the total salary reduction contributions made for the employee by the qualified organization.

## **403(b) Thrift Plan of Lone Star Legal Aid Notes to Financial Statements**

### **Note 1: DESCRIPTION OF THE PLAN (Continued)**

Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers).

The Organization makes contributions equal to 6% of eligible participants' compensation each year. For the year ended December 31, 2024, the Organization made contributions totaling \$1,571,956. For 2024, total contributions on behalf of a participant should not exceed \$69,000 or 100% of the participant's compensation for the year, and no contributions for any employee exceeded this amount for the year ended December 31, 2024. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

#### ***Participant Accounts***

Individual accounts are maintained for each participant. Each participant account is credited with the participant's contributions, an allocation of the Organization's contributions, and Plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### ***Vesting***

Participants are immediately vested in all contributions (employee and employer contributions) plus actual earnings thereon.

#### ***Plan Loans***

Participants may borrow amounts directly from Mutual of America Life Insurance Company (the Custodian). Loans may be requested by participants using their accounts as collateral for the loan. The amount collateralizing the loan is transferred to, or held in, the general account maintained by the Custodian. A loan is not treated as a distribution from the Plan and is not considered a Plan asset. Therefore, loans are not reported on the statements of net asset available for benefits. Loans are issued directly from the funds owned by the Custodian and loan proceeds are not removed from a participant's account balance. However, a portion of a participant's account balance is reserved, or held in collateral, to cover the outstanding loan amount for the period of time the loan is outstanding. For active loans, investments equal to 120% of the outstanding loan amount serve as collateral for the loan.

## **403(b) Thrift Plan of Lone Star Legal Aid**

### **Notes to Financial Statements**

#### **Note 1: DESCRIPTION OF THE PLAN (Continued)**

Participants may borrow amounts of \$1,000 up to a maximum equal to the lesser of \$50,000, or 50% of their vested account balance. Loan terms range from 1-5 years or up to 10 years for the purchase of a primary residence. The Plan does not have a limit on the number of loans outstanding at one time. Loan repayments are made by check or payroll deduction.

At December 31, 2024 and 2023, there were \$866,175 and \$716,160, respectively, held within participant accounts in the Contract with Insurance Company on the statements of net assets available for benefits, which served as collateral against outstanding loan balances. At December 31, 2024, the interest rates of loans were 3.50%-5.85% with maturity dates from January 2025 to August 2033.

#### ***Benefit Payments***

Upon termination of service due to death, disability or retirement, a participant or their beneficiary may elect to receive either a lump-sum distribution or payment in equal periodic installments based on the valuation of the participant's account as of the date of termination. For termination of services due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. Participants may make unrestricted withdrawals of their vested accounts on or after age 59½.

#### ***Hardship Withdrawals***

As permitted by the Internal Revenue Code ("IRC"), a participant may request a financial hardship withdrawal if they experience a severe financial hardship. The financial hardship withdrawal may not exceed the amount of the financial hardship or the value of the vested portion of the participant's balance, whichever is less.

#### **Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

##### ***Basis of Accounting***

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Financial Accounting Standards Board (FASB) provides authoritative guidance regarding U.S. GAAP through the Accounting Standards Codification (ASC) and related Accounting Standards Updates (ASUs).

##### ***Use of Estimates***

The preparation of U.S. GAAP financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

## 403(b) Thrift Plan of Lone Star Legal Aid Notes to Financial Statements

### **Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

#### ***Investment Valuation and Income Recognition***

Investments generally are reported at fair value, but may also be reported at net asset value (NAV). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Notes 4 and 5 for further discussion of fair value measurements and NAV.

The Plan's Administrative Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodian and insurance company.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### ***Payment of Benefits***

Distributions to participants are recorded when paid.

#### ***Administrative Expenses***

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments. During the year ended December 31, 2024, expenses of \$4,317 were paid by the Plan and allocated to participant accounts.

#### ***Risks and Uncertainties***

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in value of investment securities will occur in the near term and that these changes could materially affect amounts reported in the Plan's financial statements.

#### ***Subsequent Events***

Management has evaluated subsequent events through the date that the financial statements were available to be issued, October 7, 2025, and determined there were no events that occurred that require disclosure. No subsequent events occurring after this date have been evaluated for inclusion in these financial statements.

## 403(b) Thrift Plan of Lone Star Legal Aid Notes to Financial Statements

### Note 3: INFORMATION CERTIFIED BY THE QUALIFIED INSTITUTION

The Plan administrator has elected the method of compliance, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. The following financial information included in the Plan's financial statements was obtained by management and agreed to or derived from information certified as complete and accurate by Mutual of America Life Insurance Company, the qualified institution:

- a) Total investments, at fair value, included in the statements of net available for benefits at December 31, 2024 and 2023;
- b) Investment income and net appreciation in the value of investments information included in the statement of changes in net assets available for benefits for the year ended December 31, 2024;
- c) All amounts included in Note 4, *Fair Value Measurements*;
- d) All amounts included in Note 5, *Deposit Administration Contract*;
- e) All information included in the supplemental schedule of assets (held at end of year) as of December 31, 2024.

### Note 4: FAIR VALUE MEASUREMENTS

Fair value is the exchange price that would be received for an asset or paid to transfer a liability (exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. There are three levels of inputs that may be used to measure fair values:

*Level 1* - Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

*Level 2* - Significant other observable inputs other than Level 1 prices, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs, other than quoted prices, that are:
  - observable; or
  - can be corroborated by observable market data.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

## 403(b) Thrift Plan of Lone Star Legal Aid Notes to Financial Statements

### Note 4: FAIR VALUE MEASUREMENTS (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Pooled Separate Accounts:* Investments in pooled separate accounts are represented by a “unit of account” and per unit values whose value is the result of the accumulated values of the underlying investments. These underlying investments are public investment vehicles valued using the NAV provided by the administrator of the mutual fund investments. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The pooled separate accounts balance as of December 31, 2024 and 2023 of \$34,816,729 and \$27,955,385, respectively, are measured at fair value using the NAV per share (or its equivalent practical expedient); therefore they have not been classified in the fair value hierarchy in accordance with ASU 2015-17.

*Contract with Insurance Company:* Stated at the Plan’s fair value equal to the contract’s proportionate share of the fair value of the net assets in the general account of the Custodian. The underlying assets of the general account are considered cash equivalents of the Custodian and comprise contributions and premiums from all lines of the Custodian’s business. This contract is not a fully benefit responsive insurance contract and is not actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan’s management believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value:

	Quoted Market Prices in Active Markets (Level 1)	Other Observable Inputs (Level 2)	Unobservable Inputs (Level 3)	Total
<b>December 31, 2024</b>				
Contract with insurance company	\$ -	\$ -	\$ 11,127,288	\$ 11,127,288
Pooled separate accounts (a)				34,816,729
Total investments at fair value				\$ 45,944,017
<b>December 31, 2023</b>				
Contract with insurance company	\$ -	\$ -	\$ 11,039,475	\$ 11,039,475
Pooled separate accounts (a)				27,955,385
Total investments at fair value				\$ 38,994,860

**Note 4: FAIR VALUE MEASUREMENTS (Continued)**

(a) - Investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in the table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

**LEVEL 3 INVESTMENTS**

***Changes in Fair Value of Level 3 Assets***

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another.

We evaluate the significance of transfers between levels based upon the nature of the financial instruments and size of the transfer relative to the total net assets available for benefits.

The following table sets forth a summary of changes in the fair value of the Plan's Level 3 assets:

<b><i>For the year ended December 31, 2024</i></b>	<b>Contract with Insurance Company</b>
Balance, beginning of year	\$ 11,039,475
Realized gains	302,827
Purchases	936,177
Sales	(617,817)
Transfers	(533,374)
Balance, end of year	\$ 11,127,288

**Note 4: FAIR VALUE MEASUREMENTS (Continued)**

***Quantitative Information about Significant Unobservable Inputs Used in Level 3 Fair Value Measurements***

The following table represents the Plan's Level 3 financial instrument, the valuation technique used to measure the fair value of those financial instruments as of December 31, 2024 and 2023, respectively, and the significant unobservable inputs and the ranges of value for those inputs.

Instrument	Fair Value at December 31, 2024	Fair Value at December 31, 2023	Principal Valuation Technique	Significant Unobservable Inputs	Range of Significant Input Values	Weighted Average
Deposit Administration Contract (See Note 5)	\$ 11,127,288	\$ 11,039,475	Redemption Value	Yield Rate Duration	N/A	N/A

In estimating fair value of the investments in Level 3, the Investment Committee may use the third-party pricing sources or appraisers.

***Fair Value of Investments that Calculate Net Asset Value***

The following table summarizes information related to the pooled separate accounts measured at fair value based on NAV per share as of December 31, 2024 and 2023, respectively. The pooled separate accounts are maintained by the insurance company and hold investments in accordance with a stated set of objectives.

Year-End	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
<b>December 31, 2024</b>	<b>\$ 34,816,729</b>	-	<b>Immediate</b>	<b>None</b>
December 31, 2023	\$ 27,955,385	-	Immediate	None

**Note 5: DEPOSIT ADMINISTRATION CONTRACT**

The non-fully benefit-responsive investment contract with Mutual of America Life Insurance Company represents a deposit administration contract (the Contract) entered into by the Plan with the Custodian. The Custodian maintains the contributions in an unallocated fund, whose assets are invested with other assets in the general account of the Custodian. The account is credited with earnings on the underlying investments and charged for Plan withdrawals and administrative expenses by the Custodian. Participants may direct the withdrawal or transfer of all or a portion of their investment at fair value.

## **403(b) Thrift Plan of Lone Star Legal Aid**

### **Notes to Financial Statements**

#### **Note 5: DEPOSIT ADMINISTRATION CONTRACT (Continued)**

The Contract crediting rate is the current rate. Because the crediting rate is the current rate, and not subject to reset, there is no difference in the current rate and fair value. The effective annual crediting rate was approximately 3% for the years ended December 31, 2024 and 2023.

Requests for withdrawal from the Contract are not subject to deferral by the Custodian. Withdrawal requests can be made at any time and are processed by the Custodian on the day that they are received. The Custodian may terminate the contract with 30 days advance written notice to the Plan. This contract is subject to certain restrictions, including liquidation restrictions.

#### **Note 6: TAX STATUS**

The IRS has determined and informed the Organization by a letter dated March 31, 2017, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Tax positions are recognized only if it is “more likely than not” that the tax position be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount that is greater than 50% likely of being realized on examinations. For tax positions not meeting the “more likely than not” test, no tax position is recorded. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **Note 7: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are managed by Mutual of America Life Insurance Company. Mutual of America Life Insurance Company is the Custodian and record-keeper for the Plan and, therefore, these transactions qualify as party in interest transactions.

#### **Note 8: PLAN TERMINATION**

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA.
