d The opinion of an independent qualified public accountant is **not attached** as part of Schedule H because:

(1) ☐ This form is filed for a CCT, PSA, DCG or MTIA. (2) ☐ It will be attached to the next Form 5500 pursuant to 29 CFR 2520.104-50.

Part IV Compliance Questions

4 CCTs and PSAs do not complete Part IV. MTIAs, 103-12 IEs, and GIAs do not complete lines 4a, 4e, 4f, 4g, 4h, 4k, 4m, 4n, or 5. 103-12 IEs also do not complete lines 4j and 4l. MTIAs also do not complete line 4l. DCGs do not complete lines 4e, 4f, 4k, 4l, and 5, and DCGs generally complete the rest of Part IV collectively for all plans in the DCG, except as otherwise provided (see instructions).

During the plan year:

	Yes	No	Amount
a Was there a failure to transmit to the plan any participant contributions within the time period described in 29 CFR 2510.3-102? Continue to answer "Yes" for any prior year failures until fully corrected. (See instructions and DOL's Voluntary Fiduciary Correction Program.)		☒	
b Were any loans by the plan or fixed income obligations due the plan in default as of the close of the plan year or classified during the year as uncollectible? Disregard participant loans secured by participant's account balance. (Attach Schedule G (Form 5500) Part I if "Yes" is checked.)		☒	
c Were any leases to which the plan was a party in default or classified during the year as uncollectible? (Attach Schedule G (Form 5500) Part II if "Yes" is checked.)		☒	
d Were there any nonexempt transactions with any party-in-interest? (Do not include transactions reported on line 4a. Attach Schedule G (Form 5500) Part III if "Yes" is checked.)		☒	
e Was this plan covered by a fidelity bond?	☒		10000000
f Did the plan have a loss, whether or not reimbursed by the plan's fidelity bond, that was caused by fraud or dishonesty?		☒	
g Did the plan hold any assets whose current value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
h Did the plan receive any noncash contributions whose value was neither readily determinable on an established market nor set by an independent third party appraiser?		☒	
i Did the plan have assets held for investment? (Attach schedule(s) of assets if "Yes" is checked, and see instructions for format requirements.)	☒		
j Were any plan transactions or series of transactions in excess of 5% of the current value of plan assets? (Attach schedule of transactions if "Yes" is checked and see instructions for format requirements.)	☒		
k Were all the plan assets either distributed to participants or beneficiaries, transferred to another plan, or brought under the control of the PBGC?		☒	
l Has the plan failed to provide any benefit when due under the plan?		☒	
m If this is an individual account plan, was there a blackout period? (See instructions and 29 CFR 2520.101-3.)		☒

Report of Independent Auditors

To the Administrative Committee and Participants of
First American Bank Corporation
Employee Stock Ownership Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of First American Bank Corporation Employee Stock Ownership Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023 and for the years then ended, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America; and
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

Auditors' Responsibilities for the Audit of the Financial Statements (continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit;
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed;
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements; and
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

First American Bank Corporation Employee Stock Ownership Plan

Notes to Financial Statements

December 31, 2024 and 2023

Note 1. Description of the Plan

The following brief description of First American Bank Corporation Employee Stock Ownership Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan document for more complete information.

General - The Plan was established as of January 1, 2006. The Plan is an employee stock ownership plan, as defined in the Internal Revenue Code. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Benefits under the Plan are not insured by the Pension Benefit Guaranty Corporation. The Sponsor and Plan Administrator of the Plan is First American Bank Corporation (the Company).

Eligibility - An employee who has completed one year of employment, with at least 1,000 hours of service and is at least 21 years of age, will be eligible for participation in the Plan on the next Plan entry date. Plan entry dates are January 1, April 1, July 1, and October 1.

Contributions - The Company makes contributions to the Plan at the discretion of the Board of Directors. Company contributions may be made in cash or shares of Company stock. Participants are not permitted to make contributions under the Plan. Under the provisions of First American Bank Corporation Profit Sharing Plan, a safe harbor matching contribution is made to the Plan. For the years ended December 31, 2024 and 2023, the Company made cash contributions of \$3,329,298 and \$3,147,713 respectively. The Company elected not to make discretionary contributions to the Plan for the years ended December 31, 2024 and 2023.

For any year during which an employee stock ownership plan (ESOP) loan is outstanding, the Company is obligated to make contributions in cash to the Plan which, when aggregated with the Plan's dividends and interest earnings, equal the amount necessary to enable the Plan to make its regularly scheduled payments of principal and interest due on its term loan.

Note 1. Description of the Plan (continued)

Participant Accounts - The Plan is a defined contribution plan under which a separate individual account is established for each participant. As of the last day of each Plan year, participant accounts are credited with the following:

- Allocable shares of employer stock (including fractional shares) purchased and paid for by the Plan or contributed by the Company to the Plan;
- Allocable share of any contribution made by the Company in cash or in property other than Company stock;
- Any stock dividend distributions declared during that year on Company stock;
- Any cash dividends or distributions paid on Company stock, other than those used to repay an ESOP loan; and
- Allocation of earnings on other investment accounts.

Allocations are based on a participant's eligible compensation or account balance, as defined by the Plan.

Vesting - Vesting in a participant account is based on years of service. Participants have no vested interest in their accrued benefit until completion of two years of vesting service, at which point the account will vest ratably through six years of service, until 100% vested. Years prior to establishment of the Plan are excluded from vesting years of service. Employer safe harbor matching contributions are fully vested. A participant (or beneficiary) becomes 100% vested upon retirement, death or disability.

Forfeitures - Forfeitures may be used to reduce employer contributions. No forfeitures were incurred or used for the years ended December 31, 2024 and 2023.

Diversification - Upon attaining age 55 and completing at least ten years of participation in the Plan, participants may elect to transfer a portion of the balances credited to their Company Stock and Transfer Accounts to an account in their name in another tax-qualified plan maintained by the Company. For the years ended December 31, 2024 and 2023, diversifications totaled \$243,544 and \$115,237 respectively.

Put Option - Under federal income tax regulations, the employer stock that is held by the Plan and its participants and is not readily tradable on an established market or is subject to trading limitations includes a put option. The put option is a right to demand that the Company buy any shares of its stock distributed to participants for which there is no market. The put price is representative of the current value of the stock. The Company can pay for the purchase with interest over a period of five years. The purpose of the put option is to ensure that the participant has the ability to ultimately obtain cash.

Note 1. Description of the Plan (continued)

Payment of Benefits - Upon retirement, death, disability or termination of service, a participant is eligible to receive a lump sum cash distribution equal to the participant's vested account balance or a partial withdrawal. The amount to be distributed is based upon the account valuation immediately preceding the distribution.

Voting Rights - Participants are entitled to direct the Trustee as to how to vote the shares allocated to their account with respect to certain types of Company transactions. The Trustee is permitted to vote any allocated shares for which instructions have not been given by a participant. The Trustee is required to vote any unallocated shares on behalf of the collective best interest of participants and beneficiaries.

Note 2. Summary of Significant Accounting Policies

Method of Accounting - The accompanying financial statements have been prepared using the accrual basis of accounting.

Investments - The investments of the Plan are reported at fair value. The fair value of a financial instrument is the amount that would be received to sell that asset (or paid to transfer a liability) in an orderly transaction between market participants at the measurement date (the exit price). Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Purchases and sales of the investments are reflected on a trade-date basis.

Dividend income is recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

Allocations - Because the Plan is not considered to be a leveraged employee stock ownership plan, the financial statements of the Plan are not required to present separately the assets and liabilities and changes therein pertaining to (a) the accounts of employees with rights in allocated stock ("allocated") and (b) stock not yet allocated to employees ("unallocated"), including shares that are committed to be released.

Payment of Benefits - Benefit payments to participants are recorded upon distribution. There were no participants who elected to withdraw from the Plan but were not yet paid at either December 31, 2024 or 2023.

Expenses - As provided in the Plan agreement, administrative expenses may be paid either by the Plan or by the Company. The Company has historically paid most operating expenses for the Plan. Certain investment related expenses are included in net appreciation in fair value of investments.

Note 2. Summary of Significant Accounting Policies (continued)

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

Significant Estimates - At December 31, 2024 and 2023, the Trustee of the Plan had a valuation of the employer stock performed, which is deemed to be a significant estimate.

Subsequent Events - Subsequent events have been evaluated through October 8, 2025, which is the date the financial statements were available to be issued.

Note 3. Priorities upon Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 4. Tax Status

The Plan's latest determination letter is dated October 10, 2017, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements under Section 401(a) of the Internal Revenue Code and was, therefore, exempt from federal income taxes under the provisions of Section 501(a). The Plan has been amended since receiving the determination letter. The Plan Administrator and the Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. They therefore believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require the Plan to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would be sustained upon examination by tax authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 5. Fair Value Measurements

The *Fair Value Measurements and Disclosures* Topic of the FASB Accounting Standards Codification established a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The following describes the three levels of the fair value hierarchy:

Basis of Fair Value Measurement

Level 1	Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities
Level 2	Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly
Level 3	Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable

The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2024 and 2023. As required, assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

Level 1 Measurements

The fair values of the mutual funds are determined by reference to the funds' underlying assets, which are principally marketable equity and short-term fixed income securities. Shares held in mutual funds are traded on national securities exchanges and are valued at the net asset value as of the last business day of each period presented.

The money market fund represents shares held in a mutual fund.

Level 3 Measurements

The valuation process for the Plan's Level 3 investments involves the Trustee's selection of an independent appraiser typically on an annual basis. Plan management accumulates data for the appraisal which includes the audited financial statements of the Company. The appraiser prepares a preliminary report which Plan management, along with the Trustee, reviews in detail, discusses and approves. The results of this process are documented in minutes of Company meetings.

The fair value of the First American Bank Corporation common stock is based upon an independent appraisal. The valuation uses both discounted cash flow (income approach) and guideline public company (market approach) methodologies (each weighted 50%) to estimate fair value and also includes a marketability adjustment of 5%. The discounted cash flow method involves projecting free cash flows derived from normalized historical data, management insights and trend analysis and also utilizes a discount rate. The public company method assesses the attractiveness of the subject company as an investment relative to a group of similar, publicly traded companies and applies valuation multiples derived from the guideline companies to the subject company's earnings. For investments classified within Level 3, there has been no change in either valuation approach or valuation technique during the years ended December 31, 2024 and 2023. There were no purchases, sales or transfers in or out of Plan investments measured at fair value on a recurring basis using significant unobservable inputs (Level 3) during the years ended December 31, 2024 and 2023, except for the distribution of shares of Company stock described in Note 7.

Note 6. Information Certified by Trustee

The following information included in the accompanying financial statements and ERISA-required supplemental schedule as of December 31, 2024 and 2023 and for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by GreatBanc Trust Company (the Trustee), a qualified institution.

	<u>2024</u>	<u>2023</u>
Investments - at fair value		
First American Bank Corporation common stock	\$ 57,347,372	\$ 46,751,599
Mutual funds	\$ 28,596,168	\$ 17,803,502
Money market fund	\$ 238,120	\$ 141,896
Accrued interest and dividends	\$ 694	\$ 593
Investment income:		
Net appreciation in fair value of investments	\$ 14,247,755	\$ 13,905,617
Interest and dividends	\$ 6,020,146	\$ 2,147,875

Note 7. Investment in Company Stock

The following provides information regarding the Plan's investment in Company stock at December 31, 2024 and 2023:

	<u>2024</u>	<u>2023</u>
Number of shares	94,525	94,777
Cost	\$ 11,818,489	\$ 11,843,772
Fair value	\$ 57,347,372	\$ 46,751,599

The Plan distributed 252 share with a value of \$124,307 and 245 shares with a value of \$92,216 during the years ended December 31, 2024 and 2023 respectively.

Note 8. Party-in-Interest Transactions

The Plan's investments in First American Bank Corporation common stock qualify as party-in-interest transactions under ERISA.

Note 9. Risks and Uncertainties

The Plan's investments are exposed to various risks such as interest rate, market, and credit risks, as well as valuation assumptions based on earnings, cash flows and/or other such techniques. Due to the level of risk associated with the uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in the value of the investments will occur in the near term and that such changes could materially affect the participants' account balances and amounts reported in the statements of net assets available for benefits. The current economic environment has increased the degree of uncertainty.

Included in investments at December 31, 2024 and 2023 are shares of the Company's common stock amounting to \$57,347,372 and \$46,751,599 respectively. This investment represents approximately 64% and 69% of net assets available for benefits at December 31, 2024 and 2023, respectively. A significant decline in the fair value of the Company's stock would significantly affect participants' account balances and the net assets available for benefits.

Note 10. Administration of Plan Assets

The Plan's assets, which consist primarily of the Company's common stock, are held by the Trustee of the Plan.

Company contributions are held and managed by the Trustee, who invests cash received and interest and dividend income, and makes distributions to participants.

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

Supplemental Schedules

Report of Independent Auditors on Supplemental Schedules Required By ERISA

To the Administrative Committee and Participants of
First American Bank Corporation
Employee Stock Ownership Plan

We have audited the financial statements of First American Bank Corporation Employee Stock Ownership Plan (the Plan) as of and for the years ended December 31, 2024 and 2023, and our report thereon dated October 8, 2025, appears on pages 1 through 3. Our audits were conducted in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). Therefore, as permitted by ERISA Section 103(a)(3)(C), the audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution). For an ERISA Section 103(a)(3)(C) audit, the audit will not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirement of accounting principles generally accepted in the United States of America (GAAP).

The supplemental schedules are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by DOL Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).
