Independent Auditors' Report

Trustees
IPL US Holding Company 401(k) Retirement Plan
Lee's Summit, Missouri

Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of IPL US Holding Company 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities For The Audit Of The Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis For Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities For The Audit Of The Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities Of Management For The Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities For The Audit Of The Financial Statements

Except as described in the Scope And Nature Of The ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with auditing standards generally accepted in the United States of America, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required By ERISA

The supplemental schedules of assets held at end of year as of December 31, 2024 and delinquent participant contributions for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

IPL US HOLDING COMPANY 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 And 2023

1. Description Of The Plan

The following description of the IPL US Holding Company 401(k) Retirement Plan (the Plan) is provided for general information only. Plan participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan that provides retirement benefits for eligible employees of IPL USA, Inc., Encore Industries, Inc., Macro Plastics, Inc., Leaktite Corporation and IPL Dayton, Inc. (collectively, the Employers). The Plan was originally established effective January 1, 1984 for IPL USA, Inc. employees. On January 1, 2019, the Macro Plastics, Inc. 401(k) Profit Sharing Plan was merged into the Plan. On January 1, 2022, the Tech II, Inc. 401(k) Retirement Savings Plan related to IPL Dayton, Inc. was merged into the Plan.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan is administered by a Benefit Committee consisting of one or more members appointed by the Board of Directors of the Employers.

Eligibility

Employees who have reached the age of 18 and have completed three months of service for the Employers are eligible to make 401(k) salary deferrals and receive the Employer match contribution and nonelective discretionary contribution.

Contributions

Eligible employees may elect to defer up to the maximum allowed by law, as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. The Plan also allows Roth after-tax employee contributions. Participants may also contribute amounts representing distributions from other qualified defined contribution and defined benefit plans (rollover).

The Plan includes 401(k) safe harbor provisions. Under these provisions, the Employers make required contributions. During 2024 and 2023, the Employers made required contributions equal to 4.5% of compensation for each eligible employee. The safe harbor contributions for 2024 and 2023 were \$1,390,390 and \$1,464,592, respectively.

IPL US HOLDING COMPANY 401(k) RETIREMENT PLAN

Notes To Financial Statements (*Continued*)

The Board of Directors of the Employers may also elect to make discretionary contributions to the profit sharing portion of the Plan, which is allocated based on eligible compensation. Participants who are not employed on the last working day of a Plan year are not eligible for an allocation of profit sharing contributions for that Plan year. There was no profit sharing contribution made during 2024 or 2023.

Investments

Participants may direct their deferrals, rollover and employer contributions into various investment options maintained by Empower Trust Company, LLC and Empower Annuity Insurance Company of America (collectively, Empower).

Participant Accounts

Each participant's account is credited with the participant's contributions, the Employers' safe harbor and profit sharing contributions, forfeitures, and an allocation of Plan earnings (losses). Allocations are based on participant compensation or account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Vesting in the profit sharing discretionary contributions plus earnings thereon is based on years of service as follows:

Years Of Service	Vesting Percentage
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years	100%

Participants are immediately 100% vested in their contributions and Employers safe harbor contributions. A participant is 100% vested upon termination due to death, disability or retirement.

Forfeitures

Forfeitures of nonvested participant balances may be used to pay Plan expenses or reduce future Employers contributions. There were no forfeitures used to reduce Employers contributions during the years ended December 31, 2024 or 2023. Forfeitures used to pay Plan expenses for the years ended December 31, 2024 and 2023 were \$12,721 and \$23,663, respectively. At December 31, 2024 and 2023, unallocated forfeited nonvested accounts total \$13,737 and \$18,682, respectively.

IPL US HOLDING COMPANY 401(k) RETIREMENT PLAN

Notes To Financial Statements (*Continued*)

Plan Expense Reduction Account

The Plan utilizes a plan expense reduction account to pay Plan expenses; additionally, at certain times during the Plan year excess amounts from the plan expense reduction account are reallocated to Plan participants. During the years ended December 31, 2024 and 2023, \$55,738 and \$22,428, respectively, were utilized to pay Plan expenses. At December 31, 2024 and 2023, the Plan expense reduction account totaled \$14,764 and \$24,609, respectively.

Notes Receivable From Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is smaller. Loans are for a period not exceeding five years unless used to acquire a personal residence and bear interest at a reasonable fixed rate of interest based on prevailing market rates. Loans are secured by participants' vested account balances. The loans are repaid in semi-monthly payments, through payroll withholdings, including principal and interest at rates ranging from 4.25% to 9.50%. The final installments are due on various dates through December 2029. Participants may only have one outstanding loan at a time.

Payment Of Benefits

Upon termination of service due to death, disability, retirement or other termination of employment, a participant's benefit can be distributed in a lump sum, or in substantially equal annual payments over a period not to exceed certain life expectancies, as defined. Certain distributions of accounts less than \$5,000 are limited to a lump sum form of distribution. In-service withdrawals are allowed for any reason upon reaching age 59½.

Hardship Withdrawals

A participant may make withdrawals from his or her participant deferral contributions account in the event of undue financial hardship, which includes payments for education expenses, medical or burial expenses, the purchase of a home or delinquent mortgage payments, and for the repair of damage to the participant's principal residence, as defined by the Plan Document.

Administrative Expenses

All significant expenses for Plan administration are paid by the Plan.

2. Summary Of Significant Accounting Policies

Basis Of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Estimates And Assumptions

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting period. Actual results could differ from those estimates.

Investment Valuation And Income Recognition

The Plan's investments, other than fully benefit-responsive investment contracts, are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Net change in fair value of investments includes the Plan's gains and losses on investments that were bought and sold as well as held during the year. Investment related expenses are included in net change in fair value of investments.

Empower Key Guaranteed Portfolio Fund

The Empower Key Guaranteed Portfolio Fund is a fully benefit-responsive investment contract issued by Empower Annuity Insurance Company of America. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents deposits made to the contract, plus earnings at guaranteed crediting rates, less withdrawals and fees.

IPL US HOLDING COMPANY 401(k) RETIREMENT PLAN

Notes To Financial Statements (*Continued*)

There are no specific securities that back the liability of this contract, and there is no applicable market value adjustment upon contract discontinuance. The crediting interest rate on the Key Guaranteed Portfolio Fund is based on a formula agreed upon with the issuer. The interest rate is reviewed on a semi-annual basis for resetting. The minimum crediting rate under the contract is 1.20%. Participants may direct the withdrawal or transfer of all or a portion of their investment at contract value under all circumstances including the termination of the Plan or contract discontinuance.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Interest income is recorded on an accrual basis. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan Document.

Contributions Receivable And Credit Loss Policy

Amounts due for contributions are stated at the amount that management expects to collect from outstanding balances less an allowance for expected credit losses. The expected credit losses amount reflects management's best estimate of amount that will not be collected. This assessment considers historical experience, current conditions and, when appropriate, reasonable and supportable forecasts.

The Plan has concluded that no allowance for current expected credit losses was necessary at December 31, 2024 or 2023.

Payment Of Benefits

Benefits are recorded when paid.

3. Certified Financial Information

Certain information related to investments held and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule of assets held at end of year, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net change in fair value of investments and interest and dividends and interest income on notes receivable from participants for the years ended December 31, 2024 and 2023, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Empower.

4. Fair Value Measurements

The Plan utilizes an established framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

IPL US HOLDING COMPANY 401(k) RETIREMENT PLAN

Notes To Financial Statements (*Continued*)

Following is a description of the valuation methodology used for assets measured at fair value:

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end investment companies that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded. All of the Plan's mutual funds are categorized in Level 1 of the fair value hierarchy.

The method described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There have been no changes in the methodology used at December 31, 2024 or 2023.

5. Plan Termination

The Employers have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

6. Income Tax Status

The Plan uses a pre-approved plan document sponsored by Pentegra Services Inc. Pentegra Services Inc. received an opinion letter from the IRS, dated June 30, 2020, which states that the pre-approved plan document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

IPL US HOLDING COMPANY 401(k) RETIREMENT PLAN

Notes To Financial Statements (*Continued*)

7. Transactions With Party In Interest

The Plan invests in the Empower Key Guaranteed Portfolio, which is managed by Empower Annuity Insurance Company of America, and therefore, qualifies as an exempt party in interest transaction.

Certain employees have outstanding loans with the Plan as of December 31, 2024 and 2023. These loans are considered allowable party in interest transactions.

8. Risks And Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

9. Reconciliation Of Financial Statements To Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500 as of December 31:

	<u>2024</u>	<u>2023</u>

IPL US HOLDING COMPANY 401(k) RETIREMENT PLAN

Notes To Financial Statements *(Continued)*

The following is a reconciliation of the net increase in the net assets available for benefits per the financial statements to Form 5500 for the year ended December 31, 2024:

Net increase per the financial statements	\$ 4,532,367
Change in deemed distributed loans	(109,175)
Change in participant contribution receivable	5,833
Change in employers contribution receivable	<u>3,937</u>
Net Income Per Form 5500	<u><u>\$ 4,432,962</u></u>

10. Subsequent Events

Management evaluates subsequent events through the date the financial statements are available for issue, which is the date of the Independent Auditors' Report.
