Independent Auditors' Report

**To the Management of
Caribbean Cinemas
Savings and Retirement Plan**

Opinion

I have audited the accompanying financial statements of Caribbean Cinemas Savings and Retirement Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets for benefits for the year then ended, and the related notes to the financial statements.

In my opinion, the financial statements referred to above present fairly, in all materials respects, the net assets available for benefits of Caribbean Cinemas Savings Retirement Plan as of December 31, 2024, and the changes in net assets available for benefits for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of my report. I am required to be independent of Caribbean Cinemas Savings and Retirement Plan and to meet my other ethical responsibilities in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt Caribbean Cinemas Savings and Retirement Plan ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibility for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, I:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Caribbean Cinemas Savings and Retirement Plan., internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events considered in the aggregate that raise substantial doubt about Caribbean Cinemas Savings and Retirement Plan. ability to continue as a going concern for a reasonable period of time.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplementary Information

My audit was conducted for the purpose of forming an opinion statement as a whole. The supplementary information included in page 13 is presented for the purposes of additional analysis and is not a required part of the financial statement. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statement. The information has been subjected to the auditing procedures applied in the audit of the financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statement or to the financial statement themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America.

In my opinion, the information is fairly stated in all material respects in relation to the financial statement as a whole.

Notes to Financial Statements**

1. Description of the Plan

The following description of Caribbean Cinemas (the Company) Savings and Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of the Company who are aged twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Directors of the company oversees governance of the Plan. The Plan's Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan's Board of Directors.

Contributions

Each year, participants may contribute pretax annual compensation, as defined in the Plan. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company may match participant contributions on a discretionary basis. Additional profit-sharing amounts may be contributed by the Company at the option of the Company's board of directors and are invested in participants' accounts in the same manner that the participants' own contributions are invested. In 2024, the Company made a matching contribution equal to \$.25 for each dollar contributed by the participant up to 6% of Compensation, and participants are eligible to the Plan after six months of services to the Company.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Company's matching contribution, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested in their contributions. Vesting in the Company's contribution portion of their accounts is based on Elapsed Time Method, and if single vesting schedule is selected matching contribution will apply to the Company.

**Caribbean Cinemas Savings and Retirement Plan
Notes to Financial Statements**

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, partial withdrawals, payments over a period certain, or purchase of an annuity. For termination of service for other reasons, distribution of funds shall be made on the occurrence of an event that would result in the distribution had the terminated participant remained in the employ of the Company, or the participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Hardship distributions to employees are permitted from the participant's vested account balance if certain conditions are met. After withdrawal, participants may not make savings or other contributions to the Plan for at least twelve months after receipt of the hardship distribution.

Forfeited Accounts

At December 31, 2024, there were no forfeited non-vested accounts. Notwithstanding, whenever there is any balance on these accounts, they will be used to pay certain Plan expenses and then to reduce future employer contributions.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on an accrual basis of accounting and present the net assets available for benefits and changes in those net assets.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion on fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Caribbean Cinemas Savings and Retirement Plan
Notes to Financial Statements**

Payment of Benefits

Benefits are recorded when paid. There were no benefits payable to terminated participants as of December 31, 2024.

Employer and Participants' Receivables

Receivables from employer and participants are measured at their unpaid balance plus any accrued but unpaid interest.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company as defined in the Plan document. Administrative expenses reflected in the Statement of Changes in Net Assets Available for Benefits are related to maintaining fees.

3. Information Certified by the Plan Custodian

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-5(C) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the custodian has certified that the following data included in the financial report (Trustee Statement) prepared for the period from January 1, 2024, to December 31, 2024, relating to the Company's Plan is complete and accurate:

- Investments from participants, as shown in the statements of net assets available for benefits as of December 31, 2024.
- Investments income and interest income from participants, as shown in the state of changes in net assets available for benefits for the period ended December 31, 2024.
- Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024.

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820, Fair Value Measurement, are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**Caribbean Cinemas Savings and Retirement Plan
Notes to Financial Statements**

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Money market, exchange trade funds and mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The Plan investment assets at fair value as of December 31, 2024, as Level 1 is \$1,807,343.

5. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan Subject to the provisions of ERISA. In the event of Plan termination, participants would become fully vested in their accounts.

6. Income Tax Status

The Puerto Rico Treasure Department has determined and informed the Company by a letter dated March 29, 2021, that the Plan and related Banco Popular Master Plan, Master Defined Contribution Retirement Plan, as amended, after April 1, 2020, are in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator and Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with applicable requirements of the IRC and therefore believe that the Plan is qualified and tax exempt.

**Caribbean Cinemas Savings and Retirement Plan
Notes to Financial Statements**

7. Risks and Uncertainties.

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur.

in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. Subsequent Events.

The Plan evaluated its December 31, 2024, financial statements for subsequent events through July 11, 2025, the date these financial statements were available to be issued. The Plan is not aware of any other subsequent events which require recognition or disclosure in the financial statements.
