INDEPENDENT AUDITORS' REPORT

To the Plan Sponsor and Participants
Bojangles Restaurants, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2023 Financial Statements

We have performed an audit of the accompanying financial statements of the Bojangles Restaurants, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2023, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2023 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2023, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion on the 2023 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section—

- the amounts and disclosures in the 2023 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2023 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2023 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2023 Financial Statements section of our report. We are required to be independent of Bojangles Restaurants, Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2023 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bojangles Restaurants, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2023 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2023 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bojangles Restaurants, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Bojangles Restaurants, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2023 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matters

2023 Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2022 Financial Statements

The financial statements of the Bojangles Restaurants, Inc. 401(k) Plan as of and for the year ended December 31, 2022, were audited by predecessor auditors. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated October 12, 2023, indicated that in their opinion (a) the amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2022 supplemental schedule, other than the information in the 2022 supplemental schedules that agrees to or is derived from the certified investment information, were presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, and the information in the 2022 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

BOJANGLES RESTAURANTS, INC. 401(K) PLAN

Notes to Financial Statements
December 31, 2023 and 2022

Note 1 - Description of Plan

The following description of the Bojangles Restaurants, Inc. (the Company) 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of the Company who are 21 years of age or older and who have completed at least one year of service, as defined. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participant Accounts

Each participant's account is credited with the participant's contributions, any costs directly applicable to the participant, and allocations of (a) the Company's contributions, (b) Plan earnings (losses), and (c) any administrative expenses paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant Contributions

Each year, participants may elect to contribute up to 100% of their eligible compensation (subject to limits on elective deferrals and annual additions), as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans.

Upon completion of certain eligibility requirements, the Company will match 50% of participants' elective deferrals, up to a maximum of 5% of their eligible compensation.

The Company has the right to determine the amount of any employer matching and additional discretionary contributions made for a Plan year. The contribution is allocated based on the participant's eligible compensation, as defined in the Plan. The contributions are invested into the investment options elected by the participant. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and collective trust funds as investment options for participants. Contributions are subject to certain statutory limitations.

Note 1 - Description of Plan (continued)

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contributions and actual earnings thereon is based on a five-year graded schedule of 20% vesting per year of service. Participants also become fully vested upon death or total and permanent disability.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Notes receivable from participants are secured by the balance in the participant's account and bear interest at rates available for similar loans from commercial lending institutions. Principal and interest are generally paid ratably through payroll deductions over a period no longer than five years unless the loan is used to acquire a principal residence in which a longer term is allowed.

Payment of Benefits

On termination of service, a participant with a balance of \$5,000 or more may elect to receive a lump-sum amount of the vested interest in the account, including a rollover of the balance directly to a qualified retirement plan, or may remain in the Plan. For account balances greater than \$1,000 but less than \$5,000, the participant will receive a lump-sum distribution of the vested interest in the account and may elect to rollover the balance directly to a qualified retirement plan. For balances of \$1,000 or less, the participant will receive a lump-sum distribution of the vested interest in the account. Hardship distributions are available if a participant satisfies certain conditions.

Forfeitures

Forfeitures of participant nonvested account balances are used to reduce the Company's contributions to the Plan. The balance in the forfeiture account at December 31, 2023 and 2022 was \$44,523 and \$21,017, respectively. During the years ended December 31, 2023 and 2022, forfeitures of \$85,463 and \$33,403, respectively, were used to reduce employer contributions.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Note 2 - Summary of Significant Accounting Policies (continued)

Estimates

The preparation of financial statements in accordance with U.S. GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses as incurred. No allowance for credit losses has been recorded as of December 31, 2023 and 2022. If a participant does not make the required loan repayments, the loan balance is reduced and the delinquent participant notes receivable are recorded as deemed distributions based on the terms of the Plan document. Deemed distributions for the years ended December 31, 2023 and 2022, were \$13,709 and \$51,665, respectively, and are included in benefits paid to participants.

Excess Contributions Payable

The Plan is required to return contributions received in excess of the Internal Revenue Code (IRC) limits. Excess contributions payable at December 31, 2023 and 2022, were \$138,969 and \$137,381, respectively.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) in fair value of investments. Fees related to the administration of benefit payments are included in administrative expenses and charged directly to the participant's account.

Note 3 - Fair Value Measurements and Disclosures

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

Collective investment trust funds are measured at the value of their capital account or net asset value (NAV) in accordance with, or in a manner consistent with, U.S. GAAP. NAV is used as a practical expedient to estimate fair value, without further adjustment, unless it is probable that all or a portion of the investment will be sold for an amount different from NAV. As of December 31, 2023 and 2022, the Plan has no intention to sell investments at amounts different from NAV. In accordance with U.S. GAAP, funds measured using NAV as a practical expedient to estimate fair value are not assigned a level within the fair value hierarchy.

The Plan applies U.S. GAAP authoritative guidance for fair value measurements and disclosures, which defines fair value, establishes a framework for measuring fair value, and requires certain disclosures about fair value measurements. The standard describes three levels of inputs to be used to measure fair value:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Assets and liabilities within the fair value hierarchy are based on the lowest (or least observable) input that is significant to the measurement. The Plan's assessment of the significance of an input requires judgement, which may affect the valuation and classification within the fair value hierarchy.

Note 3 - Fair Value Measurements and Disclosures (continued)

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds: valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds are required to publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Collective investment trust funds (CIT): investment portfolios which invest in a variety of retirement date targeted mutual funds. The investments are valued using NAV as a practical expedient to estimate fair value where NAV is based on the value of the underlying investments owned by the fund, minus its liabilities. Participant transactions (purchases and sales) may occur daily. If the Plan were to initiate a full redemption of the collective trust, the issuer reserves the right to temporarily delay withdrawal from the trust in order to ensure that security liquidations will be carried out in an orderly business manner. There are currently no redemption restrictions or unfunded commitments on these investments.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value:

<u>At December 31, 2023</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 5,394,881</u>	<u>\$ _____</u>	<u>\$ _____</u>	<u>\$ 5,394,881</u>

Investments measured at NAV as a practical expedient *				<u>10,917,050</u>
Total investments				<u>\$ 16,311,931</u>

Note 3 - Fair Value Measurements and Disclosures (continued)

At December 31, 2022

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	\$ 5,151,370	\$	\$	\$ 5,151,370

Investments measured at NAV as a practical expedient *				<u>10,368,051</u>
Total investments				<u>\$ 15,519,421</u>

* In accordance with U.S. GAAP, collective investment trust funds measured using NAV as a practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Note 4 - Related-Party and Party-in-Interest Transactions

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan, or an employer whose employees are covered by the Plan. Accordingly, loans to participants and transactions with investment funds managed and held by the custodian are considered party-in-interest transactions. For the years ended December 31, 2023 and 2022, fees paid by the Plan for investment management, recordkeeping, and administration services amounted to \$147,621 and \$155,392, respectively. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 5 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions. Any unallocated assets of the Plan would be allocated to participant accounts and distributed by the Company in accordance with Plan provisions.

Note 6 - Risks and Uncertainties

The Plan invests in various investment options. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 7 - Tax Status and Uncertain Tax Positions

The underlying prototype non-standardized plan has received an opinion letter from the Internal Revenue Service (IRS) dated November 14, 2022, stating that the form of the Plan is qualified under Section 401 of the IRC, and therefore, the related trust is tax-exempt. The Company has determined that it is eligible and has chosen to rely on the current IRS prototype plan opinion letter. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC.

U.S. GAAP requires Plan management to evaluate tax positions taken by the plan and recognize a tax liability (asset) for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to December 31, 2020.

Note 8 - Investment Information Certified by Plan's Custodian (cash basis)

The following is a summary of the information certified regarding the Plan as of December 31, 2023 and 2022, and for the years then ended, included in the Plan's financial statements and supplemental schedule that was derived from information provided by Empower, the custodian of the Plan.

Note 9 - Prohibited Transactions

The Company was delinquent in remitting \$900,668 in participant contributions and loan repayments during the year ended December 31, 2022, which are prohibited transactions as defined by the DOL's regulations. The Company corrected the contributions using the DOL's Voluntary Fiduciary Correction Program during the year ended December 31, 2023.

Note 10 - Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits and net increase (decrease) in net assets available for benefits per the financial statements to the Form 5500 for the years ended December 31, 2023 and 2022:

	<u>2023</u>	<u>2022</u>
