## INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator  
The Perficient, Inc. 401(k) Employee Savings Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements**

We have performed an audit of the accompanying financial statements of The Perficient, Inc. 401(k) Employee Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2024 The Perficient, Inc. 401(k) Employee Savings Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and for the year then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion on the 2024 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section:

- the amounts and disclosures in the 2024 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2024 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2024 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of The Perficient, Inc. 401(k) Employee Savings Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2024 Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Perficient, Inc. 401(k) Employee Savings Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2024 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2024 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Perficient, Inc. 401(k) Employee Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Perficient, Inc. 401(k) Employee Savings Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2024 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### **Other Matter - 2024 Supplemental Schedules Required by ERISA**

The supplemental schedules of assets (held at end of year) as of December 31, 2024 and delinquent participant contributions for the year then ended (collectively, "supplemental schedules") are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Auditor's Report on the 2023 Financial Statements**

We have audited the statement of net assets available for benefits of The Perficient, Inc. 401(k) Employee Savings Plan as of December 31, 2023 and the related statement of changes in net assets available for benefits for the year ended December 31, 2023 (not presented herein), and in our reported dated June 26, 2024, we expressed an unmodified opinion on those financial statements.

**The Perficient, Inc. 401(k) Employee Savings Plan  
Notes to Financial Statements**

**1. Description of Plan**

The following description of The Perficient, Inc. 401(k) Employee Savings Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan Document for a more complete description of the Plan’s provisions.

**General**

The Plan is a defined contribution plan covering all full-time United States (“U.S.”) employees of Perficient, Inc. (the “Company”) who are age 21 years old or older, except any employee that is a non-resident alien with no U.S. source of income. Employees may participate in the Plan on the first day of the month on or after they are determined to meet these conditions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Company’s current record keeper is Transamerica Retirement Services (“Transamerica”), which is a part of the Aegon group.

On October 2, 2024, Perficient, Inc. became a wholly owned subsidiary of Plano HoldCo, Inc. after a merger agreement signed in May with Plano BidCo, Inc., a subsidiary of Parent and affiliated with EQT Asia. As part of the deal, each outstanding share of Company common stock, excluding treasury shares and those with appraisal rights, was converted into \$76.00 in cash.

**Contributions**

For 2024, participants could contribute from a percentage of their pre-tax or post-tax annual compensation to any of the investment funds up to a maximum of \$23,000, subject to the Internal Revenue Code of 1986, as amended (the “Code”). Participants who had attained age 50 years old before the end of the year were also eligible to make catch-up contributions of an additional \$7,500. Participants could also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

The Company made matching contributions of 50% (prior to October 2, 2024, 25% in cash and 25% in Company common stock; subsequent to October 2, 2024, 50% in cash) of the first 6% of eligible compensation deferred by the participant. Prior to the sale, the Company made matching contributions of \$3.3 million in Company common stock during 2024. In the first quarter of 2025, the Company made a discretionary 2024 match true-up contribution of \$0.6 million, which is included within the employer contribution receivables as of December 31, 2024.

**Participant Accounts**

Each participant’s account is credited with the participant’s contribution, the Company’s matching contribution, and an allocation of the Plan earnings and administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**Vesting**

Participants are vested immediately in their contributions plus actual earnings thereon. The Company contributions plus earnings thereon vest based on years of service as follows:

<b>Years of Service</b>	<b>Non-Forfeitable Percentage</b>
Less than 1	0
1	33
2	66
3 or more	100

## **Notes Receivable from Participants**

Upon written application of a participant, the Plan may make a loan to the participant. Generally, participants may borrow no less than \$1,000 and no more than the lesser of (i) 50% of the participant's vested account balance, or (ii) \$50,000. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local rates for similar plans. Loans are amortized over a maximum of 60 months. Repayment is made through payroll deductions.

## **Payment of Benefits**

Participants are entitled to receive benefit payments at the normal retirement age of 59½, participant's death or disability, in the event of termination, or if the participant reaches age 70½ while still employed. Benefits may be paid in a lump-sum distribution or installment payments.

## **Forfeitures**

As of December 31, 2024 and 2023, all forfeitures were utilized to offset employer contributions, in accordance with the Plan provisions. During the year ended December 31, 2024, employer contributions were reduced by forfeitures of \$0.3 million, which included account balances forfeited during the year. There was an immaterial amount of unallocated forfeitures at December 31, 2024.

## **Participant-Directed Investments**

All assets of the Plan, with the exception of the Company contribution in stock, are participant-directed investments. Participants have the option of directing their account balance to one or more different investment options. The investment options include various mutual funds, collective trusts and Company common stock. See Note 3 for additional quantitative disclosures.

## **2. Summary of Significant Accounting Policies**

### **Basis of Accounting**

The financial statements of the Plan have been prepared on the accrual basis of accounting.

### **Use of Estimates**

The preparation of the accompanying financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

### **Investment Valuation and Income Recognition**

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's administrative committee determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians. See Note 3 for discussion of fair value measurement.

Purchases and sales of investments and realized gains and losses are accounted for on the trade date. Interest income is recorded as earned and dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

## **Notes Receivable from Participants**

Participant loans are measured at the unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred.

## **Payment of Benefits**

Benefits are recorded when paid.

## Expenses

Administrative expenses for participant-directed transactions and record-keeping fees are paid by the Plan. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

### 3. Fair Value Measurements

Accounting standards provide the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1 – Quoted prices in active markets for identical assets or liabilities.
- Level 2 – Inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3 – Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

#### *Cash and Temporary Investments*

The carrying value of cash equivalents approximates fair value as maturities are less than three months and measured at fair value using observable inputs in an active market and therefore are classified as Level 1.

#### *Mutual Funds*

Mutual funds available for investment in the Plan are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

#### *Collective Trusts*

The Plan's investment options are valued at the NAV of the units of the individual collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The Plan's collective trust investments may be redeemed on a daily basis. Irrespective of the underlying securities that comprise these collective funds, the funds themselves lack a formal listed market or publicly available quotes.

#### *Common Stock*

Company common stock is valued at the closing price reported on the Nasdaq Global Select Market and is classified within Level 1 of the valuation hierarchy. The stock was sold in 2024.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value (in thousands):

<b>As of December 31, 2024</b>				
	<b>Quoted Prices in Active Markets for Identical Assets (Level 1)</b>	<b>Significant Observable Inputs (Level 2)</b>	<b>Significant Unobservable Inputs (Level 3)</b>	<b>Total Fair Value</b>

- (a) Certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

#### Investments Measured at Fair Value Using Net Asset Value per Share

The following table summarizes investments valued at fair value based on NAV per unit as of December 31, 2024 and 2023 (in thousands):

Investment Type	<b>Fair Value</b>		Unfunded Commitments	Redemption Frequency	Redemption Notice Period
	2024	2023			
Collective Trusts	\$ 232,458	\$ 175,660	—	Daily	Less than 12 months

#### 4. Related Party Transactions

During the year ended December 31, 2024, the Plan had the following transactions involving Company common stock (in thousands, except share information):

	<b>Year Ended December 31, 2024</b>
Shares purchased	60,767
Shares sold	738,433
Cost of shares purchased	\$ 3,953
Proceeds of shares sold	\$ 55,199
Net gain from shares sold	\$ 26,067

**5. Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their employer contributions.

**6. Income Tax Status**

The Plan administrator has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions.

The Internal Revenue Service has determined and informed the Company by an opinion letter dated June 30, 2020, that the Plan is established in accordance with applicable sections of the Code, and therefore, the Plan qualifies as tax-exempt under Section 401(a) of the Code. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and operating in compliance with applicable Code requirements and, therefore, believes the Plan is qualified, and the related trust is tax-exempt.

**7. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.
