INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of the
Drywall Tapers Annuity Fund

Opinion

We have audited the financial statements of the Drywall Tapers Annuity Fund (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule of Assets Held at End of Year, Schedule of Reportable Transactions, and Schedules of Administrative Expenses, together referred to as “supplemental information,” are presented for the purpose of additional analysis and are not a required part of the financial statements. The supplemental Schedule of Assets Held at End of Year and Schedule of Reportable Transactions are supplemental information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. The supplemental information is the responsibility of the Plan’s management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including their form and content, are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

DRYWALL TAPERS ANNUITY FUND

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Drywall Tapers Annuity Fund (the Plan) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

The Plan was adopted pursuant to the authority of the Board of Trustees granted under the Agreement and Declaration of Trust in 1989. The Plan is a multiemployer defined contribution profit sharing plan covering employees of the employers having collective bargaining agreements with the Drywall Tapers and Pointers of Greater New York Local Union 1974 of the International Union of Painters and Allied Trades, AFL-CIO and are required to make contributions to the Plan pursuant to those agreements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Vesting

Participants are immediately 100% vested in all contributions and related earnings credited to their individual accounts.

Participant Accounts

Individual accounts are maintained for each participant of the Plan. Each participant's account is credited with contributions made on his/her behalf. Individual accounts are valued every December 31st by adjusting the individual accounts to reflect earnings and additional contributions and expenses charged since the last valuation date. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account which is considered the participants accumulated share.

Benefits

The Plan provides retirement benefits to participants on whose behalf the employers are contributing into the Plan and who meet the eligibility requirements of the plan document. Benefit payments are made upon retirement and the absence of any employer contributions for 18 consecutive months and, total and permanent disability. If a participant dies, any remaining accumulated share will be paid to their beneficiary.

Hardship Withdrawals

Participants may take one hardship withdrawal for reasons permitted by the Plan during any 12 month period from contributions made to their account since January 1, 2009.

NOTE 1. DESCRIPTION OF THE PLAN (continued)

Participant Loans

Plan participants meeting certain eligibility requirements may borrow from their account to pay certain loan qualified expenses. Loans are limited to a maximum amount equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's accounts and interest is determined based on the prime rate of interest, plus 2%. In the event that a participant defaults on a loan, the entire balance and interest will be deemed a taxable distribution to the participant.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The financial statements are prepared using the accrual basis of accounting.

Investments and Income Recognition - Investments are carried at fair value which generally represents quoted market price or net asset value (NAV) of the fund as of the last business day of the year as provided by the investment custodian. The Plan holds investments in common collective trust (CCT). The NAV is used as a practical expedient to estimate fair value. The limited partnership are carried at estimated fair value as reported by the Partnership. The short term investment is valued at cost, which approximates fair value.

Purchases and sales of securities are recorded on a trade date basis. Interest and dividend income are recorded on the accrual basis. Net appreciation includes gains and losses on investments bought and sold as well as held during the year.

Loans to Participants Receivable - Loans to participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees, if any, are recorded as administrative fees and are expensed as incurred.

Employer Contributions - Employer contributions due and not paid prior to year end are recorded as contributions receivable. The Plan believes that the receivables are fully collectible; therefore, no allowance for credit losses is recorded.

Payment of Benefits - Benefit payments to participants are recorded when paid.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

NOTE 3. FUNDING POLICY

The participating employers contribute such amounts as specified in their collective bargaining agreements. Employer contributions are accounted for as exchange transactions.

NOTE 3. FUNDING POLICY (continued)

For the years ended December 31, 2024 and 2023, the contribution rate ranged from \$6.00 to \$6.81 per hour.

NOTE 4. PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect. In order to safeguard against any unforeseen contingencies, the right to discontinue the Plan is reserved to the Trustees. Termination shall not permit any part of the Plan to be used for or diverted to purposes other than the exclusive benefit of the participants and their beneficiaries. Provision may be made for the payment of necessary expenses resulting from the termination of the Plan.

NOTE 5. TAX STATUS

The Plan obtained its latest determination letter on August 29, 2012 in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements under Section 401(a) of the Internal Revenue Code and was, therefore, exempt from Federal income taxes under the provisions of Section 501(a). The Plan's administrator and the Plan's counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the U.S. Federal, state, or local taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Typically, plan tax years will remain open for three years; however, this may differ depending upon the circumstances of the Plan.

NOTE 6. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Basis of Fair Value Measurement:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE 6. FAIR VALUE MEASUREMENTS (continued)

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other mean.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

For the years ended December 31, 2024 and 2023, there were no transfers in or out of levels 1, 2 or 3.

The following tables set forth by level the fair value hierarchy, the major categories of investments measured at fair value at December 31, 2024 and 2023:

	Fair Value Measurements at December 31, 2024			
	Total	Level 1	Level 2	Level 3
Short-term investment	\$ 7,150,274	\$ 7,150,274	\$ -	\$ -
Total assets in the fair value hierarchy	7,150,274	\$ 7,150,274	\$ -	\$ -
Investments measured at NAV*	<u>69,142,000</u>			
Total investments	<u>\$ 76,292,274</u>			

*One investment accounts for 89.4% of net assets available for benefits at December 31, 2024.

NOTE 6. FAIR VALUE MEASUREMENTS (continued)

	Fair Value Measurements at December 31, 2023			
	Total	Level 1	Level 2	Level 3
Short-term investment	\$ 8,768,676	\$ 8,768,676	\$ -	\$ -
Total assets in the fair value hierarchy	8,768,676	\$ 8,768,676	\$ -	\$ -
Investments measured at NAV*	60,885,149			
Total investments	\$ 69,653,825			

*One investment accounts for 37.0% of net assets available for benefits at December 31, 2023.

In accordance with subtopic 820-10, investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The unfunded commitments and redemption information are as follows at December 31, 2024 and 2023:

**The Crescent Credit Solutions VIII A-2, L.P. lock up period is the entire life of the fund (10 years) and does not allow redemptions.

(a) The overall objective of the Crescent Credit Solutions VIII A-2, L.P. is to provide current income and long-term capital appreciation by investing in a diversified portfolio of junior debt, unitranche debt, and equity securities.

(b) The Partnership assets are invested in units issued by Ullico Infrastructure Master Fund, L.P. The Master Fund makes investments on behalf of the Partnership with both minority and controlling interests in a diverse portfolio of quality infrastructure businesses.

NOTE 7. RELATED PARTY TRANSACTIONS**Identification of Related Organizations**

The Plan has the following related entities with which it has transactions:

- Drywall Tapers Insurance Fund
- Drywall Pension Fund and Subsidiary
- Drywall Taping Industry Board
- Local 1974 Drywall Tapers and Pointers of Greater New York, Local 1974, IUPAT, AFL-CIO (Local 1974)
- Metal Polishers Union Local 8A-28A Welfare Fund and Subsidiary

All of the above entities qualified as tax-exempt organizations. The entities above share common Trustees or officers with the Plan.

NOTE 7. RELATED PARTY TRANSACTIONS (continued)

Administrative Expenses

The Plan shares facilities and staff with related organizations. The Plan reimburses the Drywall Tapers Insurance Fund (Insurance Fund) for its allocated portion of shared administrative expenses, which includes salaries, payroll taxes and employee benefits. The shared administrative expenses are allocated on a basis approved by the Board of Trustees. The Plan's share of allocated expenses from the Insurance Fund totaled \$210,112 and \$229,957 for the years ended December 31, 2024 and 2023, respectively. As of December 31, 2024 and December 31, 2023, the Plan owed the Insurance Fund \$409,077 and \$428,921, respectively for shared administrative expenses.

The employers' contribution for all related entities above are initially deposited into a clearing account in the Insurance Fund and is then distributed to each related entity according to the Employers' remittance reports. As of December 31, 2024 and 2023, the Plan was due \$56,641 and \$90,597, respectively from the Insurance Fund for undistributed contributions.

Certain plan investments are shares of a short-term investment and common collective trust funds managed by Amalgamated Bank, the Trustee, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. These transactions have been denoted as such on the supplemental Schedule of Assets Held at End of Year and Schedule of Reportable Transactions.

The transactions above qualify as party-in-interest transactions which are exempt from the prohibited transaction rules of ERISA.

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investments. Investments are exposed to various risks such as interest rate, market, sector, and credit risks. Due to the level of risk associated with certain investments it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits

NOTE 9. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through September 16, 2025, the date the financial statements were available to be issued, and they have been evaluated in accordance with relevant accounting standards.
