INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
Baer's Furniture Co., Inc. Cash or Deferred Profit Sharing Plan

Opinion

We have audited the accompanying financial statements of Baer's Furniture Co., Inc. Cash or Deferred Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Baer's Furniture Co., Inc. Cash or Deferred Profit Sharing Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Baer's Furniture Co., Inc. Cash or Deferred Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Baer's Furniture Co., Inc. Cash or Deferred Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Baer's Furniture Co., Inc. Cash or Deferred Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Baer's Furniture Co., Inc. Cash or Deferred Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule(s) Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Assets (Held at End of Year), is presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Baer's Furniture Co., Inc. ("Company") Cash or Deferred Profit Sharing Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A) GENERAL

The Plan is a cash or deferred profit sharing plan ("401k") covering all employees. The Plan is subject to the provisions of The Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan automatically enrolls full time employees who are twenty-one and older and have two consecutive months of service (the default is 3% of salary pre-tax) into the Plan. The Plan entry date is the first day of the month following Plan eligibility. In addition, the Plan has the option for Roth (post-tax) accounts.

B) CONTRIBUTIONS

Each year the Company may make discretionary employer contributions. For the years ended 2024 and 2023, the employer discretionary match per participant was \$500. Employees may contribute up to Internal Revenue Service ("IRS") limits of their pretax annual salary to the Plan. Any excess contributions by employees over IRS limits will be refunded. Participants may also contribute rollover distributions from other qualified retirement plans.

C) PARTICIPANT ACCOUNTS

Each Participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution, if any, and (b) Plan earnings/losses. Allocations are based on participant's earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account. In the event forfeitures occur, they will reduce the Company's matching contributions or non-elective contributions. In addition, the Company may also request that the forfeiture's pay plan expenses. During the year ended December 31, 2024, forfeitures totaling \$30,698 were kept in the plan, until 2025, at which time they were used to reduce employer contributions. During the year ended December 31, 2023, forfeitures totaling \$12,863 were kept in the plan, until 2024, at which time they were used to reduce employer contributions.

D) VESTING

Voluntary salary deferral contributions that are made by employees are immediately 100% vested.

Employer matching contributions vest 20% after two years of service, 40% after three

D) VESTING (CONTINUED)

years of service, 60% after four years of service, 80% after five years of service and 100% after six years of service.

In the case of non-elective employer contributions, employees vest 33% after one year of services, 67% after two years of service, and 100% after three years of service.

In addition, employees vest 100% in any employer contribution in the following cases; reaching normal retirement age, or termination because of disability or death.

E) PAYMENT OF BENEFITS

The Plan allows for distributions upon retirement, disability, death, termination of employment, or termination of the Plan. The Plan also allows for in-service distributions if a participant attains the age of 59 1/2 and is 100% vested. In addition, hardship distributions may also be requested and are subject to Plan provisions.

F) PLAN EXPENSES

The Plan pays 100% of the administration fees charged by the third-party administrator and the advisory fees charged by the various investment companies. However, the annual audit fee is paid 100% by the Company.

G) PARTICIPANT LOANS

The Plan permits loans to participants, their beneficiaries, and alternate payees pursuant to a written loan policy. The Plan Administrator does not investigate the borrowing participants' creditworthiness before making loans. Participant loans are classified as notes receivable and measured at unpaid principal balance plus accrued but unpaid interest. Individual loans may not exceed 50% of a participant's vested balance or \$50,000. The loans bear interest at commercially reasonable rates, are for terms of no greater than five years and require payments on at least a quarterly basis.

H) RISKS AND UNCERTAINTIES

The Plan maintains various investment options including money market funds, mutual funds, common collective trusts, and common stocks. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk and overall market volatility.

Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and those potential changes could materially affect the amounts reported in the financial statements.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A) BASIS OF ACCOUNTING

The financial statements of the Plan are prepared under the accrual method of accounting. The investments are held by security dealers or banks and are valued at quoted market prices or using valuation methodologies with inputs that are observable for the asset or liability, either directly or indirectly through corroboration with observable market data.

B) USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

C) PAYMENT OF BENEFITS

Benefits are recorded when processed. As of December 31, 2024, there are \$2,743 of benefits payable.

D) SUBSEQUENT EVENTS

Subsequent events were evaluated through October 8, 2025 which was the date the financial statements were available for issue.

E) FAIR VALUE

Financial Accounting Standards Board Accounting Standards Codification *Topic 820 Fair Value Measurement* defines fair value, establishes a framework for measuring fair value and requires disclosures about fair value measurements. Under this standard, fair value refers to the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants in the market in which the reporting entity transacts. The standard clarifies that fair value should be based on the assumptions market participants would use when pricing the asset or liability.

To increase consistency and comparability in fair value measurements, this standard establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three levels. The level in the fair value hierarchy disclosed is based on the lowest level of input that is significant to the fair value measurement. The three levels of the fair value hierarchy are as follows:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Company has the ability to access as of the reporting date.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

E) FAIR VALUE (CONTINUED)

- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly through corroboration with observable market data.

- Level 3 inputs are unobservable inputs, such as internally developed pricing models for the asset or liability due to little or no market activity for the asset or liability.

The Company records its investments at fair value using levels of the fair value hierarchy as of December 31, 2024 and 2023 as follows:

NOTE 3 – INVESTMENTS

A) INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are stated at fair value. Shares of registered investment companies and common stock are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end. The fair value of the collective trust fund was determined by reference to quotation services approved by the trustee of the funds.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

B) COMMON COLLECTIVE TRUST

As of December 31, 2024 and 2023, the collective trust fund was invested entirely in the Morley Stable Value Fund. The fund invests primarily in Stable Value Investment Contracts, cash and cash equivalents. The Stable Value Investment Contracts are invested in high quality fixed income securities. The funds objective is low volatility and the preservation of capital. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Participants may withdraw, transfer or contribute to their investment. The fair value of the trust as of December 31, 2024 and 2023 was \$132,097 and \$124,738, respectively.

NOTE 4 – PARTY-IN-INTEREST TRANSACTIONS

ERISA defines a parties-in-interest to include, among others, plan sponsor, third-party administrators, plan asset custodians, plan counsel, the independent auditor, plan trustees, fund managers and certain shareholders of the plan sponsor.

Certain Plan investments are managed by Fidelity Investments and Charles Schwab. They are the custodians of the accounts; therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$4,023 and \$3,394 for the years ended December 31, 2024 and 2023, respectively.

Ingham Retirement Group is the third-party administrator for the Plan; therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for third-party administration, investment advising and recordkeeping services were \$130,020 and \$109,220 for the years ended December 31, 2024 and 2023, respectively.

Reliance Trust Company is the third-party benefit payer for the Plan; therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the third-party benefit payer services were \$5,988 and \$149 for the years ended December 31, 2024 and 2023, respectively.

Benefits paid to participants per Schedule H of Form 5500	\$1,433,564	\$1,174,746

NOTE 7 – TAX STATUS

The IRS has determined, and informed the Company by a letter dated July 22, 1992, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. The Plan has been amended several times since receiving this initial determination letter. The latest IRS letter the Plan obtained is an opinion letter on January 25, 2021, which indicated that the Plan is qualified under Section 401 of the Internal Revenue Code and is, therefore, not subject to tax under current income tax law.

The Plan administrator and the Plan's tax counsel believe that the Plan and related trust are currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 7 – TAX STATUS (CONTINUED)

The Company has analyzed tax positions taken for filing with the IRS and all state jurisdictions where it operates. The Company believes that income tax filing positions will be sustained upon examinations and does not anticipate any adjustment that would result in a material adverse effect on the Company's financial condition, results of operations or cash flows. Accordingly, the Company has not recorded any reserves, or related accruals for interest and penalties for uncertain income tax positions as of December 31, 2024.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Company believes the Plan is no longer subject to income tax examinations for years prior to 2021. The Company's policy is to classify income tax-related interest and penalties as interest expense and other expenses, respectively.
