## REPORT OF INDEPENDENT AUDITORS

To the Plan Administrator of the  
MoneyGram International, Inc. 401(k) Plan

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of MoneyGram International, Inc. 401(k) Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan’s financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (“investment information”) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (“qualified institution”).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor’s Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor’s Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

#### **Other Matter — Supplemental Schedules Required by ERISA**

The supplemental schedules of Form 5500, Schedule H, Line 4a – Schedule of Delinquent Participant Contributions and Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024, are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **MONEYGRAM INTERNATIONAL, INC. 401(k) PLAN**

### **NOTES TO FINANCIAL STATEMENTS**

**December 31, 2024 and 2023**

#### **A. Description of the Plan**

##### **General**

The following brief description of the MoneyGram International, Inc. 401(k) Plan (the “Plan”) is provided for general information purposes only. The Plan is sponsored by MoneyGram International, Inc. (the “Company” or “MoneyGram”). Participants should refer to the Plan document for more complete information. The Company’s corporate offices are located in Dallas, Texas.

The Plan was effective July 1, 2004, and restated January 1, 2015, and is a defined contribution plan available to all employees of the Company except: (1) those who are a member of a collective bargaining unit as to which there is evidence that retirement benefits were the subject of good faith collective bargaining unless a collective bargaining agreement covering such employee provides for the employee’s participation in the Plan; (2) a leased employee; (3) a non-resident alien; (4) an employee not included on a United States payroll; and (5) an employee assigned to work permanently or for an indefinite period outside of the United States. Eligible full-time and part-time employees may enter the Plan as soon as administratively possible following their date of hire. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The purpose of the Plan is to encourage the Company’s employees to save and invest, systematically, a portion of their current eligible compensation so that they and their families may have a source of additional income upon their retirement, or in the event of death.

The Benefit Plan Administrative Committee and the Benefit Plan Investment Committee, collectively referred to as the Committee, supervise and monitor the administrative and financial aspects, respectively, for the Plan. The Committee members are appointed by the Human Resources and Nominating Committee of the Board of Directors.

##### **Contributions**

Participants may contribute up to 50% of their eligible compensation, as defined in the Plan, subject to certain Internal Revenue Code (the “Code”) limitations. The Company matches 100% of the first 3% of eligible compensation and 50% of the next 2% of eligible compensation deferred by an eligible employee per payroll period. Employees who became eligible on or after January 1, 2007, who fail to make an affirmative election to enroll or opt out of the Plan within 31 days of becoming an eligible employee are automatically enrolled. Such employees will be deemed to have elected to contribute the automatic enrollment percentage, which is currently 10% of eligible compensation. For each subsequent Plan year, any participant who is not contributing or is contributing at a rate of less than 10% of their eligible compensation, shall be deemed to have made a contribution election that increases pre-tax contributions by 1% of eligible compensation.

## MONEYGRAM INTERNATIONAL, INC. 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS *(continued)*

#### A. Description of the Plan – continued

##### Contributions – continued

In addition, profit-sharing amounts may be contributed at the discretion of the Company's board of directors. There were no discretionary profit-sharing contributions granted for the years ended December 31, 2024 and 2023. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants may make Roth 401(k) contributions to the Plan.

##### Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of: (a) the Company's safe harbor, matching and discretionary contributions; (b) Plan earnings, (c) withdrawals, and, (d) Plan losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

##### Vesting

Participants are immediately vested in their voluntary contributions, Company safe harbor matching contributions, and Company discretionary contributions plus actual earnings thereon. As participant vesting in contributions is immediate, there are no forfeitures in the Plan.

##### Participant Loans

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of \$50,000 or 50% of their account balance minus the highest outstanding loan balance during the last year. Loan terms range up to five years or up to 15 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1%. As of December 31, 2024 and 2023, interest rates range from 4.25% to 9.50%. Principal and interest is paid ratably through payroll deductions. Participant loans are classified as notes receivable from participants in the Plan's financial statements.

##### Benefit Payments

Participants withdrawing during the year for reasons of service or disability, retirement, death, or termination are entitled to their vested account balance. Benefits are distributed in the form of rollovers or lump sum payments. If the participant's account balance is less than \$1,000 and the participant does not elect a distribution within a reasonable period of time after employment ends, the entire amount will be automatically distributed in a single-sum cash payment. If the account balance is less than \$5,000, but greater than \$1,000, and the participant does not elect a distribution within a reasonable period of time after the employment ends, the entire amount will automatically roll over directly to an individual retirement account established in the participant's name.

## MONEYGRAM INTERNATIONAL, INC. 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS *(continued)*

#### **A. Description of the Plan – continued**

##### **Benefit Payments – continued**

A participant may receive a hardship distribution from salary reduction contributions if the distribution is: (1) on account of uninsured medical expenses incurred by the participant, their spouse, or dependents; (2) to purchase (excluding mortgage payments) a principal residence of the participant; (3) for the payment of post-secondary tuition expenses; (4) needed to prevent eviction of the participant from their principal residence or foreclosure upon the mortgage of the participant's principal residence; (5) payment for burial or funeral expenses; (6) expenses for the repair or damage to the participant's principal residence that would qualify for the casualty deduction under the Internal Revenue Service ("IRS") tax code; or (7) Expenses for disasters arising from federally declared disasters, provided your principal residence or place of employment was in an area FEMA designates as qualifying for individual assistance.

##### **Investment Options**

Upon enrollment in the Plan, a participant may direct their salary deferrals in 1% increments into any of the Plan's investment options. The Committee determines the general investment characteristics and objectives of each investment option or fund and shall either designate that the Committee, the trustee, or an investment manager has investment discretion over such investment fund or shall designate one or more selected pooled investment vehicles to constitute such investment fund. Transfers into the employer stock fund made by participants on or after January 1, 2009, are made with employer-sourced funds only, and after such transfer, no more than 10% of the participant's total 401(k) account can be invested in the Company's common stock. During 2023, the Company was acquired and at December 31, 2023, there was no longer an employer stock fund available for participants to contribute to. All assets held in the employer stock fund were transferred to other investment options.

##### **Plan Expenses**

Employees of the Company perform certain administrative functions with no compensation from the Plan. In accordance with Plan provisions, the Plan pays substantially all costs relating to asset charges. All significant administrative expenses are paid by the Company and are not reflected in the accompanying financial statements.

#### **B. Summary of Significant Accounting Policies**

##### **Basis of Accounting**

The financial statements of the Plan are presented on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

## MONEYGRAM INTERNATIONAL, INC. 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS *(continued)*

#### **B. Summary of Significant Accounting Policies – continued**

##### **Use of Estimates**

The preparation of the financial statements in conformity with U.S. GAAP requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

##### **Risks and Uncertainties**

The Plan utilizes various investment instruments, including common stock, common/collective trusts, and mutual funds. In general, investment securities are exposed to various risks, such as interest rate, credit, and overall market volatility. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

##### **Contributions**

Contributions from the Company and participants are accrued as they become obligations of the Company, as determined by the Plan's administrator, and in the period in which they are deducted, in accordance with salary deferral agreements.

##### **Investment Valuation and Income**

The investments of the Plan are stated at fair value as of the end of the year and are subject to market or credit risks customarily associated with equity investments. Fair value measurements are determined in accordance with U.S. GAAP, which defines fair value, establishes a framework for measuring fair value, and expands disclosures about investments measured at fair value. See Note C for information related to the Plan's valuation methodologies.

Investment gains and losses are accounted for using the average cost basis of the securities sold. The net realized and unrealized gains and losses on investments include realized gains and losses on sales of investments during the year and unrealized increases or decreases in the market value of investments held at year end. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Following is a description of the Plan's investments:

- *Common/Collective Trusts* – These investments in equity and fixed-income securities comprise the substantial portion of the Plan trust and are held in various common/collective trusts that are maintained by a bank, trust company or similar institution that is regulated, supervised and subject to periodic examination by a state or federal agency for the collective investment and reinvestment of assets contributed thereto from employee benefit plans maintained by more than one employer or a controlled group of corporations, as the term is used in Code Section 1563.

## MONEYGRAM INTERNATIONAL, INC. 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS *(continued)*

#### **B. Summary of Significant Accounting Policies – continued**

##### **Investment Valuation and Income – continued**

- *Mutual Funds* – These investments represent an investment in mutual funds, which are issued by companies registered under the Investment Company Act of 1940.

##### **Notes Receivable from Participants**

Notes receivable from participants are recorded at the unpaid principal balance.

##### **Payment of Benefits**

Benefits are recorded when paid.

#### **C. Fair Value Measurements**

U.S. GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and establishes a three-tier hierarchy that is used to identify assets and liabilities measured at fair value. The hierarchy focuses on the inputs used to measure fair value and requires that the lowest level input be used. The three levels defined are as follows:

- Level 1 – observable inputs that are based upon quoted market prices for identical assets or liabilities within active markets.
- Level 2 – observable inputs other than Level 1 that are based upon quoted market prices for similar assets or liabilities, based upon quoted prices within inactive markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the asset or liability.
- Level 3 – inputs that are unobservable for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability.

U.S. GAAP requires that we describe the methodologies used to measure the fair value of assets and liabilities. We have described below the methodology used to measure each major category of assets and liabilities. There have been no changes in the methodologies used at December 31, 2024 and 2023.

- Mutual funds are measured at quoted market prices on the day of valuation. Accordingly, these investments are classified as Level 1 financial instruments.

**MONEYGRAM INTERNATIONAL, INC. 401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS (continued)**

**C. Fair Value Measurements – continued**

- The fair values of the underlying funds in the common/collective trusts are valued based on the unit value established for each fund at each valuation date. The unit value of a collective investment fund is calculated by dividing the fund’s net asset value on the calculation date by the number of units of the fund that are outstanding on the calculation date, which is derived from observable purchase and redemption activity in the collective investment fund. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund sell the investment for an amount different from the reported net asset value.

The following table details the Plan’s investments at fair value by level, within the fair value hierarchy, as of December 31, 2024 and 2023. The Plan has no assets classified within Level 2 or 3 of the valuation hierarchy for the years ended December 31, 2024 and 2023.

**D. Certified Investments**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company.

**E. Tax Status**

The Internal Revenue Service (“IRS”) has determined and informed the Plan sponsor by a letter dated June 16, 2015, that the Plan and related trust are designed in accordance with applicable sections of the Code. Although the Plan has been amended since receiving the letter, the Plan Administrator and the Plan’s tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

## MONEYGRAM INTERNATIONAL, INC. 401(k) PLAN

### NOTES TO FINANCIAL STATEMENTS *(continued)*

#### **E. Tax Status – continued**

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions.

#### **F. Plan Termination**

Although it has not expressed any intention to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA.

#### **G. Parties-in-Interest Transactions**

Parties-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or relatives of such persons.

The Plan has certain service providers, including its trustee, that provide services to the Plan, which qualify as parties-in-interest transactions. As participant loans are processed through the trustee, these qualify as parties-in-interest transactions. Transactions in such investments qualify as parties-in-interest transactions, which are exempt from the prohibited transaction rules.

#### **H. Reconciliation of Financial Statements to Form 5500**

The following is a reconciliation of net assets available for benefits as of December 31, 2024 and 2023, per the accompanying financial statements to the Form 5500:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$193,734,148	\$179,163,220
Employer contributions receivable	<u>(514,419)</u>	<u>(450,517)</u>
Net assets available for benefits per the Form 5500	<u>\$193,219,729</u>	<u>\$178,712,703</u>

**MONEYGRAM INTERNATIONAL, INC. 401(k) PLAN**

**NOTES TO FINANCIAL STATEMENTS (continued)**

**H. Reconciliation of Financial Statements to Form 5500 – continued**

The following is a reconciliation of the net increase in assets available for benefits for the years ended December 31, 2024 and 2023, per the accompanying financial statements to the Form 5500:

	<u>2024</u>	<u>2023</u>
Net increase in assets available for benefits per the financial statements	\$ 14,567,928	\$ 21,843,217
Prior year employer contribution receivable	450,517	496,732
Current year employer contributions receivable	<u>(514,419)</u>	<u>(450,517)</u>
Net increase in assets available for benefits per the Form 5500	<u>\$ 14,504,026</u>	<u>\$ 21,889,432</u>

The reconciling items noted above are due to the difference in the method of accounting used in preparing the Form 5500 as compared to the Plan's financial statements.

**I. Subsequent Events**

In preparing the accompanying financial statements, management of the Company has evaluated all subsequent events and transactions for potential recognition or disclosure through October 8, 2025, the date the financial statements were available for issuance.
