Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of the Jackson Healthcare for Women, P.A. Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Jackson Healthcare for Women, P.A. Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

(Continued)

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section –

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Jackson Healthcare for Women, P.A. Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Jackson Healthcare for Women, P.A. Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

(Continued)

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Jackson Healthcare for Women, P.A. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Jackson Healthcare for Women, P.A. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

(Continued)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant auditing findings, and certain internal control-related matters that we identified during the audits.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at December 31, 2024, is presented for the purpose of additional analysis, and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

JACKSON HEALTHCARE FOR WOMEN, P.A.
PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE 1. Description of the Plan

The following description of the Jackson Healthcare for Women, P.A. Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

- a. General. The Plan is a defined contribution retirement plan covering all full-time employees of Jackson Healthcare for Women, P.A. (the Company) who have at least one year of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
- b. Contributions. Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Company makes Safe Harbor Contributions in the amount of 3% of each participant's eligible compensation. Additional profit sharing amounts may be contributed at the option of the Company's board of directors. Contributions are subject to certain statutory limitations.
- c. Participant Accounts. Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- d. Vesting. Participants are immediately vested in their contributions plus actual earnings thereon, as well as the Safe Harbor contributions made by the Company plus actual earnings thereon. Vesting in the Company profit sharing contribution portion of their accounts is graduated based on years of continuous service. A participant is 100% vested after six years of credited service.

NOTE 1. Description of the Plan – Continued

- e. **Payment of Benefits.** Upon retirement, termination of service, death or disability, a participant may elect to receive either a lump-sum amount equal to the value of his or her vested account balance or periodic installments over a period of time not to exceed his or her life expectancy and the life expectancy of his or her designated beneficiary.
- f. **Forfeited Accounts.** At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$7,392 and \$5,628, respectively. These accounts are used to reduce future employer contributions or pay Plan administrative expenses. During 2024, \$8,510 from forfeited nonvested accounts was utilized to reduce employer contributions.
- g. **Plan Termination.** Although it has not expressed any intent to do so, the Company has the right under the plan to discontinue its contributions at any time and to terminate the plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.
- h. **Income Taxes.** The Plan is a pre-approved plan developed by CCH Incorporated DBA ftwilliam.com. The Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. The Plan files a Form 5500 information return in the U.S. federal jurisdiction. The Plan administrator believes that the Plan is no longer subject to income tax examinations for the years prior to 2021.

NOTE 2. Summary of Significant Accounting Policies

- a. **Basis of Accounting.** The financial statements of the Plan are prepared on the accrual method of accounting.
- b. **Estimates.** The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (“GAAP”) requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

(Continued)

Notes to Financial Statements – Continued

NOTE 2. Summary of Significant Accounting Policies – Continued

- c. **Investment Valuation and Income Recognition.** Investments are reported at fair value except for the fully benefit-responsive group annuity contract, which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.
- d. **Administrative Costs.** Certain administrative expenses of the plan may be paid by the Company and, if so, are not included in these financial statements.
- e. **Payment of Benefits.** Benefits are recorded when paid.

NOTE 3. Fair Value Measurements

The Plan's investments, except for the fully benefit-responsive group annuity contract, are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes to Financial Statements – Continued

NOTE 3. Fair Value Measurements – Continued

	Total Fair Value	Fair Value Measurements Using: Quoted Prices in Active Markets for Identical Assets (Level 1)
<u>December 31, 2024</u>		
Cash	\$ 24,593	\$ 24,593
Mutual funds	32,839,174	32,839,174
Exchange traded funds	246,510	246,510
Common stocks	<u>374,644</u>	<u>374,644</u>
Total	<u>\$33,484,921</u>	<u>\$33,484,921</u>
<u>December 31, 2023</u>		
Cash	\$ 19,718	\$ 19,718
Mutual funds	28,547,052	28,547,052
Exchange traded funds	171,606	171,606
Common stocks	<u>405,710</u>	<u>405,710</u>
Total	<u>\$29,144,086</u>	<u>\$29,144,086</u>

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets. Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available.

(Continued)

Notes to Financial Statements – Continued

NOTE 3. Fair Value Measurements – Continued

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year end. The fair value of common stocks and exchange-traded funds is based on prices reported on the active market where the individual securities are traded.

NOTE 4. Group Annuity Contract

The Plan has a group annuity contract with Empower Annuity Insurance Company of America that invests contributions in the Key Guaranteed Portfolio Fund. The Key Guaranteed Portfolio Fund is an insurance company general account product. The methodology for calculating the interest crediting rate is based on the earnings of the underlying assets in the insurance company's entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions. The interest crediting rate is reset quarterly. The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals and administrative expenses.

Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Certain events limit the Plan's ability to transact at contract value with the insurance company. Such events include premature termination of the contract by the Plan, Plan termination, and bankruptcy of the Plan sponsor. Plan management believes that the occurrence of events that would cause the Plan to transact at less than contract value is not probable.

As of December 31, 2024 and 2023, the contract value of the Plan's group annuity contract was \$7,630,201 and \$6,710,902, respectively.

The average yield of the Key Guaranteed Portfolio Fund for 2024 was 1.41%, and the actual average yield earned by the Plan on the contract for 2024 was 1.47%.

(Continued)

Notes to Financial Statements – Continued

NOTE 5. Related Party and Party-in-Interest Transactions

The Plan's group annuity contract is with an affiliate of Empower Retirement, which provides administrative services to the Plan and receives compensation through revenue sharing, rather than a direct payment. Consequently, these transactions are party-in-interest transactions. Fees paid by the Plan for administrative services totaled \$90,203 for the year ended December 31, 2024.

Certain administrative functions and transactions are performed by the Company and its officers and employees, and these transactions qualify as party-in-interest transactions. Certain fees related to the Plan's operations are paid directly by the Company, and the Company's officers and employees do not receive any compensation from the Plan.

NOTE 6. Information Prepared and Certified by Recordkeeper/Custodian

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by Empower Retirement, the recordkeeper/custodian of the Plan.

	<u>2024</u>	<u>2023</u>
Investments	\$39,551,013	\$34,496,520
Net appreciation in fair value of investments	2,942,406	
Dividends and interest	1,407,105	

NOTE 7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 8. Subsequent Events

Subsequent events have been evaluated by management of the Plan through October 9, 2025, which is the date that the financial statements were available to be issued.
