INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of
The Newspaper Guild of New York -
The New York Times College Scholarship Fund

Opinion

We have audited the financial statements of The Newspaper Guild of New York - The New York Times College Scholarship Fund (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and benefit obligations as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits and benefit obligations for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits and benefit obligations of the Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits and benefit obligations for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedules of Administrative Expenses and Schedule of Assets Held at End of Year, together referred to as “supplemental information,” are presented for the purpose of additional analysis and are not a required part of the financial statements. The Schedule of Assets Held at End of Year represents supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Supplemental information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

NOTE 1. DESCRIPTION OF THE PLAN

The following brief description of The Newspaper Guild of New York - The New York Times College Scholarship Fund (the Plan) provides only general information. Participants should refer to the Summary Plan Description for a more complete description of the Plan's provisions.

The Plan is a scholarship benefit plan maintained under the terms of the Agreement and Declaration of Trust entered into as of March 5, 1965, as amended, by and between the Newspaper Guild of New York, Local 3, TNG, AFL-CIO, CLC (the Guild) and the New York Times Company, Inc (the Employer).

The Plan is administered and managed by the Trustees composed of six members: three appointed by the Employer and three appointed by the Guild. The purpose of the Plan is to provide college financial assistance to eligible children of bargaining unit members. To be eligible for a benefit, the student must be a dependent child of an employee who is employed by The Times, who is in the Guild's jurisdiction and has completed at least six months of service. Scholarships may also be awarded to children of domestic partners or children of members who died in service or members who are retired under the Pension Plan or died following such retirement. The Trustees designate a panel of three educators who select the winners of the awards. The Plan will provide scholarships to only those selected by the panel. The amount and number of awards is determined by the Trustees based on the available funds each year. Payments are made directly to the educational institution.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of Accounting - The financial statements are prepared using the accrual basis of accounting.

Investment Valuation and Income Recognition - Investments in common collective trust are valued at fair value as determined by the trust.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Employer Contributions Receivable - Employer contributions due and not paid prior to year end are recorded as contributions receivable. The Plan believes that the receivables are fully collectible; therefore, no allowance for credit losses is recorded.

Payment of Benefits - Benefit payments to participants are recorded when paid.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures in the financial statements. Actual results could differ from those estimates.

NOTE 3. FUNDING POLICY

The Plan is financed by employer contributions. The individual employer contribution rate is specified in the collective bargaining agreement. Employer contributions are accounted for as exchange transactions. The employer contribution rate in effect during the years ended December 31, 2024 and 2023 was 0.109 percent of the straight-time payroll.

NOTE 4. PRIORITIES UPON TERMINATION

It is the intent of the Trustees to continue the Plan in full force and effect. In order to safeguard against any unforeseen contingencies, the right to discontinue the Plan is reserved to the Trustees. In the event of termination, the Trustees shall first satisfy or make provisions to satisfy the obligations of the Plan. Any remaining Plan assets will be distributed in such manner as will in the opinion of the Trustees bring about the purpose of the Plan. Termination shall not permit any part of the Plan to be used for or diverted to purposes other than the exclusive benefit of the participants.

NOTE 5. TAX STATUS

The Internal Revenue Service has advised that the Plan qualifies under Section 501(c)(9) of the Internal Revenue and is, therefore, not subject to federal income taxes. The Plan has been amended since receiving the exemption letter. The Plan's administrator and the Plan's counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

NOTE 6. FAIR VALUE MEASUREMENTS

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the U.S. Federal, state, or local taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Typically, plan tax years will remain open for three years; however, this may differ depending upon the circumstances of the Plan.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

Basis of Fair Value Measurement:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the period.

For the years ended December 31, 2024 and 2023 there were no transfers in or out of levels 1, 2 or 3.

NOTE 6. FAIR VALUE MEASUREMENTS (continued)

The following tables set forth by level the fair value hierarchy, the major categories of investments measured at fair value at December 31, 2024 and 2023:

	Fair Value Measurements at December 31, 2024			
	Total	Level 1	Level 2	Level 3
Investments measured at fair value	\$ -	\$ -	\$ -	\$ -
Total assets in the fair value hierarchy	-			
Investment measured at NAV	539,580			
Total investments	\$ 539,580			

	Fair Value Measurements at December 31, 2023			
	Total	Level 1	Level 2	Level 3
Investments measured at fair value	\$ -	\$ -	\$ -	\$ -
Total assets in the fair value hierarchy	-			
Investment measured at NAV	514,859			
Total investments	\$ 514,859			

In accordance with Subtopic 820-10, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The following tables summarize investments measured at fair value based on net asset value (NAV) per share as of December 31, 2024 and 2023.

December 31, 2024	Fair Value	Unfunded Commitments	Redemption Frequency	Redemption Notice Period
Common collective trust:				
Longview Cash Management Fund	\$ 539,580	\$ -	Daily	Daily

Common collective trust:				
Longview Cash Management Fund	<u>\$ 514,859</u>	<u>\$ -</u>	Daily	Daily

NOTE 7. RISKS AND UNCERTAINTIES

The Plan invests in various investments. Investments are exposed to various risks such as interest rate, market, sector and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits and benefit obligations.

NOTE 8. RELATED PARTY TRANSACTIONS**Identification of Related Organizations**

The Plan has the following related entity with which it has transactions:

- Newspaper Guild of New York - The New York Times Benefits Fund

The above entity qualifies as a tax-exempt organization. The entity above shares common Trustees with this Plan.

Certain plan investments are shares of a common collective trust managed by Amalgamated Bank. Amalgamated Bank is the Custodian, as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. These transactions have been denoted as such on the supplemental Schedule of Assets Held at End of Year.

NOTE 9. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits as reported on the financial statements to Form 5500:

	<u>2024</u>	<u>2023</u>

Less - amounts payable at beginning of year	<u>(134,000)</u>
Benefits paid to or for the participants per Form 5500	<u>\$ 74,500</u>

NOTE 10. SCHOLARSHIP AWARDS OBLIGATION

The annual scholarship award payment is \$4,500 for all new and renewed awardees, payable in two installments of \$2,250.

It is anticipated that the scholarship obligation will be paid in the amounts shown in the schedule below:

<u>Year Ending December 31,</u>	<u>Amount</u>
2025	\$ 63,000
2026	31,500
2027	<u>18,000</u>
	<u>\$ 112,500</u>

NOTE 11. SUBSEQUENT EVENTS

The Board of Trustees and management have evaluated subsequent events through October 8, 2025, the date the financial statements were available to be issued, and they have been evaluated in accordance with relevant accounting standards.
