Independent Auditors' Report

To the Plan Administrator of Chelsea Groton Bank Savings Plan and the Audit Committee of the Board of Trustees of Chelsea Groton Bank Groton, Connecticut

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit

We have performed audits of the accompanying financial statements of Chelsea Groton Savings Bank Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan’s internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF THE PLAN

The following description of the Chelsea Groton Bank Savings Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan established effective January 1, 1991, under the provisions of Section 401(a) of the Internal Revenue Code (“IRC”), which includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of Chelsea Groton Bank (the “Bank”), the Plan Sponsor. Generally, employees of the Bank are eligible to become a participant in the Plan on the first of the month coinciding with or next following date of hire. Employees must be age 21 years or older to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Effective November 1, 2024, the age requirement was reduced to age 18 or older to participate in the Plan.

Contributions

Participants of the Plan may elect to contribute a percentage of their respective compensation, limited by the requirements of the IRC, as defined by the Plan document. In addition to pre-tax salary deferrals, participants are permitted to make Roth deferral and rollover contributions to the Plan. Newly eligible participants in the Plan, unless they elect otherwise, will automatically be enrolled in the Plan, and a percentage of their salary will be automatically deducted each pay period as a pre-tax salary deferral contribution. The default automatic deferral percentage at the time of automatic enrollment is 2%, with an annual 1% contribution increase until the Plan’s maximum automatic deferral percentage of 10% is reached. The Bank may make discretionary matching contributions every year. For the years ended December 31, 2024 and 2023, the Bank matched 50% of a participating employee’s contributions, up to a maximum of 5% of eligible earnings.

The Bank also makes a guaranteed non-elective contribution to each participant equal to 4% of eligible participant earnings, and can make a discretionary profit sharing contribution for each eligible participant, determined annually by the Board of Trustees of the Plan Sponsor. The discretionary profit sharing contribution in both 2024 and 2023 was equal to 2.50% of eligible earnings.

Participant Accounts

Each participant’s account is credited with (1) voluntary participant contributions; (2) matching contributions made by the Bank (3) guaranteed non-elective contributions made by the Bank and (4) any discretionary profit sharing contributions. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their salary deferral, Roth deferral, catch-up, rollover and guaranteed non-elective contributions, plus Plan earnings thereon. For matching and profit sharing contributions, a participant generally becomes fully vested after 3 years of service, or upon retirement, death or disability. A year of service is defined as the applicable computation period which an employee has completed at least 1,000 hours of service or three consecutive years of service where the employee completes at least 500 hours of service. Service completed before an employee’s 18th birthday is excluded for vesting purposes.

Payment of Benefits

Generally, active employees age 59½ or older can annually elect to receive a non-hardship withdrawal of any portion of their vested interest in their account. Also, an active employee may elect to receive a hardship withdrawal of any portion of their vested interest in their account, provided all hardship withdrawal criteria and Plan restrictions are satisfied.

NOTES TO FINANCIAL STATEMENTS

Upon termination of the participant's employment as a result of (1) retirement, (2) death, or (3) disability, the participant's account will be paid to the participant or beneficiary in the case of death, in a lump-sum amount equal to the value of the participant's account. If the participant's account balance exceeds \$5,000, the participant can elect either a lump sum or annuity option.

Forfeitures

Upon termination of the participant's employment for other reasons, the portion of the participant's account which has not become vested is forfeited and may be used to offset Plan expenses and reduce future Bank contributions. At December 31, 2024 and 2023, \$27,321 and \$29,022, respectively, of forfeited benefits have accumulated in a cash reserve fund which is not a participant directed investment and not allocated to participants' accounts. During 2024 and 2023, \$28,000 and \$30,529, respectively, of forfeited benefits were used to reduce the Bank's contributions. There was \$26,299 and \$24,668 in forfeiture additions during 2024 and 2023, respectively.

Notes Receivable from Participants

Except for loans permitted under the CARES Act, participants may borrow from their account an amount ranging from a minimum of \$1,000 to a maximum of 50% of the participant's vested account balance or \$50,000, whichever is less. Each loan bears interest at 2% above the prime interest rate, as defined, and generally is payable in weekly or biweekly installments over a period not to exceed five years with the exception of primary residence loans, which are payable not to exceed ten years.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting policies generally accepted in the United States of America ("GAAP").

Subsequent Events

Management has evaluated subsequent events through August 19, 2025, the date upon which the Plan's financial statements were available to be issued, and there were no subsequent events requiring adjustment to the financial statements or disclosures.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Delinquent loans are reclassified as distributions.

Payment of Benefits

Benefits are recorded when paid by the Plan.

NOTES TO FINANCIAL STATEMENTS

Risk and Uncertainties

The Plan provides for various investment options which are exposed to various risks, including interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances, the amounts reported in the statements of net assets available for benefits, and the amounts reported in the statements of changes in net assets available for benefits.

Use of Estimates

The preparation of financial statements in conformity with GAAP and the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA requires management of the Plan to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Plan's Sponsor as provided by the Plan document. Investment related expenses and fees are included in net appreciation/depreciation in fair value of investments.

3. PLAN TERMINATION

The Bank has the right under the Plan to terminate the Plan at any time, subject to the provisions of ERISA. In the event of Plan termination, participants become fully vested and are entitled to receive their respective shares of the Plan's net assets after payment of all liabilities and expenses. At December 31, 2024, the Plan had not expressed any intention to terminate the Plan and expects to continue the Plan indefinitely.

4. PARTIES-IN-INTEREST TRANSACTIONS

Certain administrative functions, including plan administration, are performed by officers or employees of the Bank. Certain plan investments are shares of mutual funds managed by Transamerica Retirement Solutions Corporation ("Transamerica"). Transamerica is the record-keeper of the Plan and is an agent of State Street Bank and Trust Company, who is the Trustee of the Plan. Therefore, these transactions qualify as party-in-interest transactions. Notes receivable from participants also qualify as party-in-interest transactions.

5. INCOME TAX STATUS

The Company has adopted a volume submitter plan document and is relying on the volume submitter sponsor's opinion letter from the Internal Revenue Service dated June 30, 2020. The letter states that the form of the plan is acceptable under section 401 of the IRC. Although the volume submitter plan has been amended and restated since receiving the opinion letter, the Plan Sponsor and the Plan Administrator believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2021.

NOTES TO FINANCIAL STATEMENTS

6. CERTIFIED INVESTMENTS

Information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including all investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividend income, and interest income on notes receivable from participants for the years ended December 31, 2024 and 2023, was obtained by management and agreed to or derived from information certified as complete and accurate by State Street Bank and Trust Company, the trustee of the Plan.

7. FAIR VALUE MEASUREMENTS

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the input to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or 3 inputs for the periods presented and there were no changes in the methods used to measure fair value at December 31, 2024 and 2023.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The fair value of exchange traded funds is based on the closing price reported on the active market where the individual securities are traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023:

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 42,358,892</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 42,358,892</u>

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 38,998,526</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 38,998,526</u>
