INDEPENDENT AUDITORS' REPORT

October 3, 2025

Trustees of the
Five Star Equipment, Inc. Flexible Compensation Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Five Star Equipment, Inc. Flexible Compensation Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Five Star Equipment, Inc. Flexible Compensation Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023, and for the years ended December 31, 2024, and 2023, stating that the certified investment information, as described in Notes 3, 5 and 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Five Star Equipment, Inc. Flexible Compensation Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Five Star Equipment, Inc. Flexible Compensation Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Responsibilities of Management for the Financial Statements (Continued)

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Five Star Equipment, Inc. Flexible Compensation Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Five Star Equipment, Inc. Flexible Compensation Plan's ability to continue as a going concern for a reasonable period of time.

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule of Assets (Held at End of Year) and Schedule of Assets (Acquired and Disposed of Within the Year), as of or for the year ended December 31, 2024 are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter - Supplemental Schedules Required by ERISA (Continued)

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FIVE STAR EQUIPMENT, INC. FLEXIBLE COMPENSATION PLAN
NOTES TO FINANCIAL STATEMENTS

Note 1 Description of the Plan

Effective December 1, 1986, Five Star Equipment, Inc., a Company governed under Pennsylvania Corporate Law (“Sponsor” and “Company”), adopted a retirement plan known as the Five Star Equipment, Inc. Flexible Compensation Plan. The plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA). The Sponsor is responsible for the oversight of the Plan and determines the appropriateness of its plan’s investment offerings, monitors investment performance and reviews with the plan’s retirement consultants. The plan, as restated April 1, 2022, is a defined contribution plan which covers substantially all employees of the Company who have one month of service, except for employees covered by a Collective Bargaining Agreement and non-resident aliens with no U.S. source income. The plan provides for retirement, disability, and death benefits.

In December 2022, Securing a Strong Retirement Act (SECURE 2.0) was passed into law. For Plan years beginning January 1, 2023, the Plan is operating in accordance with the mandatory provisions. Secure 2.0 includes both mandatory and optional provisions, the Plan Administrator will determine the optional provisions to elect.

The Plan provides that a participant may elect to defer a specific percentage of their annual compensation not to exceed the dollar limit set by law, the limit for 2024 being \$23,000; \$30,500 for participants ages 50 or older. An eligible participant that has not affirmatively elected to defer a specific percentage will automatically be enrolled by the employer to defer an amount equal to 4% unless such participant affirmatively elects not to have the automatic deferral made on their behalf. The automatic deferral amount will increase each year by 1% of plan compensation up to a maximum of 10%, unless the participant affirmatively elects to defer a different percentage or elects not to defer. Participants direct the investment of their contributions into various investment options offered by the Plan.

In addition, Five Star Equipment, Inc. can contribute to the Plan for the following amounts to those eligible: 1) A discretionary employer matching contribution in a percentage determined by Five Star Equipment, Inc. on an annual basis in accordance with the Plan’s discretionary matching contribution formula. 2) Discretionary employer contribution to its employees in an amount determined each year and allocated to each participant in accordance with the Plan’s discretionary pro-rata employer contribution formula. Participants may also contribute amounts representing distribution from other qualified benefit or contribution plans (rollovers).

The aforementioned employers' contribution, along with the amount elected to be deferred, plan earnings (losses), and applicable expenses will be credited / debited to each participant's account. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

FIVE STAR EQUIPMENT, INC. FLEXIBLE COMPENSATION PLAN
NOTES TO FINANCIAL STATEMENTS

Note 1 Description of the Plan (Continued)

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 not to exceed 50% of participant's vested interest in the plan account balance. The notes are secured by the balance in the participant's account and bear a reasonable rate of interest when the loan is taken out. Principal and interest are paid ratably through payroll deductions.

Forfeitures of non-vested accounts were \$12,466 and \$11,839 during the years December 31, 2024 and 2023, respectively. Forfeited amounts will be used to offset other Employer and/or matching contributions under the Plan. In addition, forfeitures may be used to pay Plan expenses. In 2024 and 2023, employer contributions were reduced by \$9,000 and \$17,426, respectively. At December 31, 2024, forfeited non-vested accounts totaled \$9,330. At December 31, 2023 forfeited non-vested accounts totaled \$5,631. Forfeited nonvested accounts earned \$234 in 2024.

A more detailed explanation of the Plan, including but not limited to automatic enrollment, vesting and benefit provisions is provided in the Five Star Equipment, Inc. Flexible Compensation Plan Summary Plan Description.

Note 2 Summary of Significant Accounting Policies

Date of Management's Review: Pursuant to FASB ASC 855 Subsequent Events were evaluated through October 3, 2025, which is the date the financial statements were available for issue.

Basis of Accounting: The financial statements of the plan are prepared using the accrual method of accounting.

Investment Contract with Insurance Companies: Investment contracts held by a defined-contribution plan are required to be reported at fair value, except for fully Benefit-Responsive Investment Contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for plan benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. See Note 5 for discussion of the investment contract.

Investment Valuation and Income Recognition: The Plan's investments are Administered under a trust agreement with Empower Trust Company, LLC. The Plan's investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

FIVE STAR EQUIPMENT, INC. FLEXIBLE COMPENSATION PLAN
NOTES TO FINANCIAL STATEMENTS

Note 2 Summary of Significant Accounting Policies (Continued)

The Plan's management determines the Plan's valuation policies are determined utilizing information provided by Empower Trust Company, LLC (Empower). The pooled separate account and registered investment companies (mutual funds) are as follows. See Note 6 for further discussion on Fair Value measurements.

Investments in mutual funds are valued based on quoted Net Asset Values (NAV) of the shares held by the Plan at year end. The mutual funds held by the Plan are registered with the U.S. Securities and Exchange Commission. The Fund must publish their daily net assets value and to transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Investments in pooled separate accounts are valued on a Net Asset Value (NAV) per unit basis which approximates their fair value. The pooled separate accounts are credited with earnings on the underlying investments and charged for Plan benefits paid and deductions for investment expenses, risk, profit, and annual administrative fees. Redemptions may occur on a daily basis. The use of NAV as fair value is deemed appropriate as the pooled separate accounts do not have a finite life, unfunded commitments related to investments, or significant restrictions on redemptions.

Interest Income: Interest Income is recorded on the Guaranteed Interest Account and loan amounts on the accrual basis.

Dividend Income: Dividend Income is recorded based on the ex-dividend date and is reported by Empower.

Net Appreciation/(Depreciation) in Fair Value of Investments: Realized and unrealized gains for the underlying funds are factored into the value of the pooled separate accounts and mutual funds reported by Empower.

Employer Contributions: Discretionary contributions by Five Star Equipment, Inc. are made on a voluntary basis and are accrued based upon amounts actually computed.

Notes Receivable from Participants: Notes receivable from participants is measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2024, and 2023 no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

FIVE STAR EQUIPMENT, INC. FLEXIBLE COMPENSATION PLAN
NOTES TO FINANCIAL STATEMENTS

Note 2 Summary of Significant Accounting Policies (Continued)

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent asset and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Payment of Benefits: Benefits are recorded when paid.

Administrative Expenses: Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. In 2024 and 2023, investment related expenses are included in net appreciation of fair value of investments.

Note 3 ERISA Section 103(a)(3)(c) – Certification of Investments

Certain information related to the investments at fair value and at contract value disclosed in the accompanying financial statements and supplemental schedules, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years ended December 31, 2024 and 2023 was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Empower Annuity Insurance Company of America and Empower Trust Company, LLC ("Empower").

Note 4 Notes Receivable from Participants

The following represents the change in Notes Receivable from Participants at December 31, 2024:

Participant Loans Advanced	\$ 61,844
Participant Loans Repaid	(65,670)
Interest Income from Participant Loans	6,829
Transfers to Participant Directed Investments	(6,829)
	<u>\$ (3,826)</u>

FIVE STAR EQUIPMENT, INC. FLEXIBLE COMPENSATION PLAN
NOTES TO FINANCIAL STATEMENTS

Note 5 Investment Contract with Insurance Company

Through the group annuity contract, the Plan offers a guaranteed interest account (GIA) as an investment option. Participant accounts invested in the GIA are paid out at contract value for participant-initiated transactions such as transfers to other investment options, loans, and other distributions. The GIA account balances are maintained in Empower's general investment account and there are no reserves against the contract value of this account for credit risk of Empower.

As described in Note 2, because the investment contract agreement is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for plan benefits attributable to the investment contract. The investment contract is presented on the face of the statement of net assets available for plan benefits at contract value. Contract value, as reported to the Plan by Empower represents contributions made under the contract, plus credited interest earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The contract value of the investment contract at December 31, 2024 and 2023 was \$2,874,972 and \$3,076,785, respectively. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than three percent (3%). Such interest rates are reviewed semiannually for resetting on February 1 and August 1 of each year. As of December 31, 2024, and 2023, the guaranteed interest rate was 3.00% and 3.00%, respectively.

Certain events limit the ability of the Plan to transact at contract value with Empower. Such events include but may not be limited to the following: (1) removal of a group of participants from Plan coverage as a result of temporary absence; (2) change in position or other occurrence qualifying as a temporary break in service under the plan; (3) transfer or other change of position resulting in employment by an entity controlling, controlled by, or under other common control with the employer; (4) cessation of an employment relationship resulting from a reorganization, merger, layoff or the sale or discontinuance of all or any part of the plan sponsor's business; (5) removal from the plan of one or more groups or classifications or participants; (6) partial or complete plan termination.

The Plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

In addition, certain events, as set forth in the Investment Contract Agreement, allow the issuer to terminate the contract with the Plan.

Note 6 Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for Investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. As of December 31, 2024, and 2023, the Plan did not have any Level 2 or 3 inputs.

The valuation methodologies used for assets measured at fair value are discussed further in Note 2. There have been no changes in the methodologies used at December 31, 2024 and 2023.

The following tables set forth, by level within the Fair Value hierarchy, the Plan's investing at Fair Values as of December 31, 2024 and 2023:

	Fair Value Measurements at Reporting Date Using:	
	Total Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)
<u>December 31, 2024</u>		
Registered Investment Companies (Mutual Funds):	\$ 6,702,520	\$ 6,702,520

Pooled Separate Accounts:	<u>4,434,554</u>	<u>0</u>
Total Assets at Fair Value	<u>\$ 11,137,074</u>	<u>\$ 6,702,520</u>
<u>December 31, 2023</u>		
Registered Investment Companies (Mutual Funds):	\$ 3,410,293	\$ 3,410,293

Pooled Separate Accounts:	<u>5,859,171</u>	<u>0</u>
Total Assets at Fair Value	<u>\$ 9,269,464</u>	<u>\$ 3,410,293</u>

*Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in this footnote are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statement of Net Assets Available for Benefits.

Note 6 Fair Value Measurements (Continued)

Fair Value of Investments in Entities that use NAV:

The following table summarizes investments measured at fair value based on net asset value per share as of December 31, 2024 and 2023, respectively.

2024				
<u>Investment</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>

<u>Investment</u>	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency</u>	<u>Redemption Notice Period</u>
Pooled Separate Accounts	\$ 5,859,171	None	Daily	None

Note 7 Risks and Uncertainties

The Plan invests in various investments through Empower. Investments are exposed to various risks such as interest rates, market, and credit risk. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes should materially affect participants' account balances and amounts reported in the statement of net assets available for plan benefits.

Note 8 Related Party Transactions

The Plan's investments are maintained under an investment contract agreement with Empower. Empower is considered a party-in-interest, therefore these transactions qualify as party-in-interest transactions.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 9 Reconciliation of Financial Statements to Schedules H of Form 5500

The Five Star Equipment, Inc. Flexible Compensation Plan financial statements are prepared using the accrual basis of accounting, while the tax return is prepared using the cash basis of accounting. Therefore, timing differences exist.

Note 10 Income Tax Status

The Non-standardized Pre-approved Plan, Empower Retirement LLC, has received a favorable opinion letter dated November 14, 2022 in which the Internal Revenue Service states that their Non-standardized Pre-approved Plan, as adopted by the plan sponsor, is acceptable under the applicable requirement of the Internal Revenue Code. Although the plan has been amended since adopting the pre-approved plan document, the Plan Administrator believes the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC, and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2021.

NOTES TO FINANCIAL STATEMENTS

Note 11 Plan Benefits and Termination

Although not under obligation to make contributions to the fund, the plan's sponsor has not expressed any intent to discontinue contributions thereto or terminate the plan subject to the Provisions of ERISA. In the event of termination of the Plan all amounts credited to employee accounts will be fully vested and paid after expenses of termination have been paid. Depending on the facts and circumstances, a partial termination may occur where a significant number of employees are terminated by the employer or excluded from plan participation. In case of a partial termination only those affected employees will become 100% vested.
