## INDEPENDENT AUDITORS' REPORT

To Plan Management and Trustees  
Maryland Management Company 401(k) Profit Sharing Plan  
Hanover, Maryland

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Maryland Management Company 401(k) Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Maryland Management Company 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Maryland Management Company 401(k) Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Maryland Management Company 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

## Maryland Management Company 401(k) Profit Sharing Plan

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Maryland Management Company 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Maryland Management Company 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control - related matters that we identified during the audit.

### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedule of assets held for investment purposes at end of year December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

Maryland Management Company 401(k) Profit Sharing Plan

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTES TO FINANCIAL STATEMENTS

---

December 31, 2024 and 2023

---

### **Note 1: Description of the Plan**

The following description of Maryland Management Company 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

#### **General**

The Plan is a defined contribution plan covering all employees of Maryland Management Company and participating employers (collectively, the Company), except union employees, nonresident aliens, and leased employees. The Plan was established on August 1, 1988, and restated and amended July 1, 2022. The Plan is subject to the provisions of ERISA. Plan management is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

#### **Eligibility**

Eligible employees who have at least one year of service, defined as 1,000 hours, and have attained the age 18 years are eligible to participate and receive employer discretionary matching contributions. Entry dates for the Plan are the first of January or July coinciding with, or next following, the date on which the employee meets the eligibility requirements.

#### **Contributions**

Each year, participants may contribute pretax compensation, as defined by the Plan, up to the maximum limit established by the Internal Revenue Code (IRC). Participants who have attained age 50 prior to the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Participants direct their contributions into various investment options offered by the Plan.

The Plan provides for discretionary matching contributions equal to 25% of participant salary deferrals, not to exceed the first 6% of compensation, as defined by the Plan. For the year ended December 31, 2024, the Company made \$126,602 in discretionary matching contributions.

The Plan also allows the Company to make a non-elective contribution to be determined annually. For the year ended December 31, 2024, the Company made no such contributions.

#### **Participant Accounts**

Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's contributions and allocations of: (a) the Company's contribution, and (b) Plan earnings (losses). Each account is also charged with an allocation of administrative expenses. Allocations are based on participant earnings (losses) or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### **Hardship Withdrawals**

Hardship withdrawals are permitted in accordance with the Plan Agreement.

**Note 1: Description of the Plan (Continued)**

**Vesting**

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company contributions portion of their account is based on years of continuous service. Participants vest 20% after two years of service and each year thereafter, over a six year schedule, to become 100% vested. Participants shall become fully vested upon death, total and permanent disability and upon attainment of normal or early retirement, as defined.

**Payment of Benefits**

Upon termination of service due to death, disability or retirement, a participant or beneficiary may elect to receive a lump-sum amount equal to the vested value of their account. If the account balance is less than \$5,000, the balance will be distributed in a lump sum payment. For termination of service due to other reasons, a participant may elect to receive the value of the vested interest in their account as a lump-sum distribution. Active participants who become totally disabled or die will become fully vested on that date, and a benefit equal to the participant's vested account balance will be paid to the participant or beneficiary. In-service distributions may be made to a participant who has not separated from service, provided the participant has attained age 59 ½.

**Forfeitures**

Forfeitures related to Company contributions are to be used to reduce future Company contributions and pay Plan expenses. At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$13,073 and \$8,467, respectively. During 2024, no forfeitures were used to reduce Company contributions or pay Plan expenses.

**Note 2: Summary of Accounting Policies**

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

**Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Contributions**

Contributions from Plan participants and the matching contributions from the Company are recorded in the year in which the employee contributions are withheld from compensation.

**Investment Valuation and Income Recognition**

Investments are reported at fair value, except for direct investments in fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset, or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisers, custodian and insurance issuer. See Note 3 for discussion of fair value measurements.

**Note 2: Summary of Accounting Policies (Continued)**

**Investment Valuation and Income Recognition (Continued)**

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

**Excess Contributions Payable**

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions and net appreciation (depreciation) in fair value of investments. The Plan distributed 2024 excess contributions to the applicable participants prior to March 15, 2025.

**Payment of Benefits**

Benefits are recorded when paid.

**Administrative Expenses**

Certain expenses of maintaining the Plan are paid directly by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of the Plan, including administration of payment of benefits, are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

**Date of Management's Review**

The Plan has evaluated events and transactions that occurred during the period from the date of the financial statements through October 8, 2025, the date the Plan's financial statements were available to be issued. There were no events or transactions that occurred during the period that materially impacted the amounts or disclosures in the Plan's financial statements.

**Note 3: Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

*Level 1 Fair Value Measurements*

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

MARYLAND MANAGEMENT COMPANY 401(K) PROFIT SHARING PLAN  
NOTES TO FINANCIAL STATEMENTS

---

December 31, 2024 and 2023

---

**Note 3: Fair Value Measurements (Continued)**

*Level 2 Fair Value Measurements*

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from, or corroborated by, observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3 Fair Value Measurements*

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023:

	Investments at Fair Value:	
	Fair Value	Level 1
DECEMBER 31, 2024		
Mutual Funds	\$ 14,602,754	\$ 14,602,754
DECEMBER 31, 2023		
Mutual Funds	\$ 13,044,986	\$ 13,044,986

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2024 are reported in net appreciation (depreciation) in fair value of investments.

**Note 4: Information Prepared and Certified by the Plan’s Custodian and Insurance Issuer**

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan’s independent auditors not to perform any auditing procedures with respect to the following information certified as complete and accurate by Empower Trust Company, LLC (the custodian of the Plan), and Empower Annuity Insurance Company of America (the insurance issuer), except for comparing such information certified by both parties to information included in the Plan’s financial statements as of December 31, 2024 and 2023, and the supplemental schedule of assets held for investment purposes at end of year December 31, 2024.

	2024	2023
Funds Held in Registered Investment Companies - Mutual Funds - at Fair Value	\$ 14,602,754	\$ 13,044,986
Funds Held in Insurance Company General Account - Unallocated Contracts - at Contract Value	1,967,964	2,050,030
TOTAL INVESTMENTS	\$ 16,570,718	\$ 15,095,016

The custodian and insurance issuer also certified to the completeness and accuracy of \$1,752,831 of net appreciation (depreciation) in fair value of investments and \$801,065 of interest and dividends during the year ended December 31, 2024.

**Note 5: Guaranteed Investment Contract with Insurance Company**

The Plan has a fully benefit-responsive investment contract option with Empower Annuity Insurance Company of America. Empower maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer, with a 1% minimum rate established. The crediting rate is reviewed on a semi-annual basis for resetting.

This contract meets the direct fully benefit-responsive investment contract criteria and therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Empower, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

---

**Note 5: Guaranteed Investment Contract with Insurance Company (Continued)**

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include: (1) amendments to the Plan's documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan's sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, and (5) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include: (1) an uncured violation of the Plan's investment guidelines, (2) a breach of material obligation under the contract, (3) a material misrepresentation, and (4) a material amendment to the agreement without the consent of the issuer.

**Note 6: Related Party and Party-in-Interest Transactions**

Certain Plan investments are managed by Empower Trust Company, LLC and Empower Annuity Insurance Company of America, the custodian and insurance issuer, respectively, as defined by the Plan and therefore, these transactions qualify as party-in-interest transactions. Additionally, any transactions with Pollard & Associates, Inc., the third-party administrator, also qualify as party-in-interest transactions. Certain fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investment, as they are paid through revenue sharing rather than a direct payment. During the year ended December 31, 2024, the Plan made direct payments for certain administrative expenses of \$44,287.

Some trustees of the Plan are participants in the Plan.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

**Note 7: Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their Company contributions.

**Note 8: Income Tax Status**

The Plan is a qualified non-standardized pre-approved profit sharing plan under the Internal Revenue Code (IRC) as per opinion letter dated November 30, 2020. The Plan has since been amended. However, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and therefore, that the Plan is qualified and is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and to recognize a tax liability for any uncertain position that more likely than not, would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The previous three tax years remain subject to examination by the IRS.

**Note 9: Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and amounts reported in the statements of net assets available for benefits.

**Note 10: Reconciliation of Financial Statements to Schedule H of Form 5500**
