REPORT OF INDEPENDENT AUDITORS

TO THE BOARD OF TRUSTEES
SHEET METAL, AIR, RAIL AND TRANSPORTATION ASSOCIATION
LOCAL UNION NO. 33 YOUNGSTOWN DISTRICT ANNUITY FUND

Opinion

We have audited the accompanying financial statements of Sheet Metal, Air, Rail and Transportation Association Local Union No. 33 Youngstown District Annuity Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Sheet Metal, Air, Rail and Transportation Association Local Union No. 33 Youngstown District Annuity Fund as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Sheet Metal, Air, Rail and Transportation Association Local Union No. 33 Youngstown District Annuity Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Sheet Metal, Air, Rail and Transportation Association Local Union No. 33 Youngstown District Annuity Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sheet Metal, Air, Rail and Transportation Association Local Union No. 33 Youngstown District Annuity Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sheet Metal, Air, Rail and Transportation Association Local Union No. 33 Youngstown District Annuity Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to

the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedules, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
December 31, 2024 and 2023

NOTE A – DESCRIPTION OF PLAN

The following description of the Sheet Metal, Air, Rail and Transportation Association Local Union No. 33 Youngstown District Annuity Fund (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a multi-employer defined contribution plan with a joint union-management Board of Trustees. The Plan was established June 1, 1986, for the benefit of members of the Sheet Metal Workers International Association Local Union in the Youngstown, Ohio area. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan offers a participant-directed investment program. Under this program, participants are allowed to invest their funds in various investment funds currently administered by John Hancock.

Benefits

The purpose of the Plan is to provide retirement, disability, hardship, death and severance pay benefits for eligible employees and their beneficiaries.

Vesting

Participants are immediately 100% vested in the contributions made on their behalf and the related earnings.

Contributions

The Plan is funded by contributions from participating employers at hourly rates specified in the collective bargaining agreements. The following table sets forth the hourly rates in effect for 2024 and 2023:

Specified Rates Per Hour Worked by Participants

Period When Service Was Earned	Class “A” Journeyman, Leadmen, Foremen, Service Techs	Class “B”	Residential	Apprentices In Program After June 2012	
				Second & Third Year	Fourth & Fifth Year
June 1, 2024 – December 31, 2024	5.41	2.99	3.31	1.35	2.71
June 1, 2023 – May 31, 2024	5.11	2.99	3.21	1.28	2.56
June 1, 2022 – December 31, 2022	5.01	2.99	3.08	1.25	2.51

Effective December 1, 2022, Participants working under the Residential or Service Technicians and Residential Applications of the Youngstown District Local Union No. 33 Collective Bargaining Agreements may elect through a payroll deduction to contribute to the Plan.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Participant Accounts

The Plan maintains an individual investment account for each participant. Contributions made are directly allocated to each account along with an allocation of earnings and administrative expenses. Allocations of the Plan's earnings and losses are based on the proportion that each participant's account bears to the total of all participant accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. The individual participating employee accounts are adjusted quarterly for investment earnings and losses and administrative expenses.

Plan Termination

Although it has not expressed any intention to do so, the Plan has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants become fully vested in their accounts.

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with the U.S. generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contributions Receivable

Employer receivables as of December 31 are accrued based on analysis of subsequent employer and reciprocal reports and remittances.

Administrative Expenses

Generally all administrative and recordkeeping fees are paid in whole by the Plan.

Payment of Benefits

Benefit payments to participants are recorded when paid.

Asset Transfer

During 2023, the accounts of Residential, and Service Technicians & Residential Application members previously participating in the Sheet Metal Workers 33 Profit Sharing Annuity Fund were transferred into the Plan.

NOTE C – FAIR VALUE MEASUREMENTS

Financial accounting standards establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1 fair values are based on unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2 fair value inputs are based on inputs other than quoted prices within Level 1 that are observable for the asset, either directly or indirectly. Observable inputs include quoted market prices in active markets for similar assets, quoted prices in markets that are not active for identical or similar assets and other market observable inputs such as interest rate, credit spread and foreign currency exchange rates observable in the marketplace or derived from market transactions.

Level 3 fair values are based on at least one significant unobservable input for the asset. Level 3 securities contain unobservable market inputs and as a result considerable judgment may be used in determining the fair values.

Certain investments are measured at fair value using the net asset value (NAV) per share, or its equivalent, as a practical expedient. These investments include commingled funds which may include money market funds, common collective trusts and pooled separate accounts which are typically valued using the NAV provided by the administrator of the fund. The Plan assets include money market funds. In accordance with accounting guidance, these investments have not been classified in the fair value hierarchy.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Mutual funds: Valued at quoted market prices on the last business day of the Plan year.

Money market: As a practical expedient, valued at the NAV of shares held by the Plan at year end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE C – FAIR VALUE MEASUREMENTS (continued)

The following table set forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of:

Assets Measured at Fair Value at December 31, 2024 on a Recurring Basis				
Description	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 37,768,385	\$ -	\$ -	\$ 37,768,385
Subtotal, investments measured at fair value	-	-	-	37,768,385
Money market funds measured at NAV				1,462,176
Total				<u>\$39,230,561</u>

Assets Measured at Fair Value at December 31, 2023 on a Recurring Basis				
Description	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 33,916,751	\$ -	\$ -	\$ 33,916,751
Subtotal, investments measured at fair value	-	-	-	33,916,751
Money market funds measured at NAV				1,389,271
Total				<u>\$35,306,022</u>

NOTE D – TAX STATUS

The Plan obtained its latest determination letter on March 23, 2012, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE E – RISKS AND UNCERTAINTIES

The Plan provides various investment options which are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with investments, it is at least reasonably possible that changes in the values of the investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

December 31, 2024 and 2023

NOTE F – CONCENTRATION OF RISK

The Plan maintains deposits in a financial institution that at times exceed amounts covered by insurance provided by the U.S. Federal Deposit Insurance Corporation. The Plan believes that there is no significant risk with respect to these deposits.

For the Plan year ended December 31, 2024, the Plan received 65% of its contributions from four employers. For the Plan year ended December 31, 2023, the Plan received 75% of its contributions from four employers. Loss of employment to Union members at these employers would result in a significant reduction in contributions to the Plan.

NOTE G – PARTY-IN-INTEREST AND RELATED PARTIES

Certain parties provide services or have fiduciary responsibilities to the Plan, including the Plan Sponsor. These services are parties-in-interest transactions. The Plan pays fees and has amounts owed to the Sheet Metal, Air, Rail and Transportation Association Local Union No. 33 Youngstown District Collection and Administration Agency, Inc. Total fees paid to the Collection and Administration Agency during the years ended December 31, 2024 and 2023 was \$14,068 and \$3,100, respectively. Amounts owed to the Collection and Administration Agency as of December 31, 2024 and 2023 was \$775 and \$9,571, respectively, and is included within accounts payable on the Statement of Net Assets.

NOTE H – RECIPROCITY

The Plan has entered into reciprocity agreements with most Sheet Metal, Air, Rail and Transportation Association local unions in the United States. Individuals meeting the requirements of the reciprocity agreement can request to have contributions to the Plan sent to another local union fund, or to direct other local union funds to send contributions to the Plan.

NOTE I – SUBSEQUENT EVENTS

The Plan evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through October 1, 2025, which is the date the financial statements were available to be issued.
