## INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of  
DelMonte Hotel Group 401(k) Plan  
Rochester, New York

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of DelMonte Hotel Group 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of DelMonte Hotel Group 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of DelMonte Hotel Group 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about DelMonte Hotel Group 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatements of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of DelMonte Hotel Group 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about DelMonte Hotel Group 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

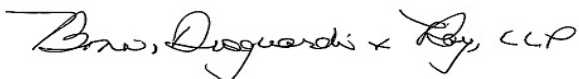

## Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of Form 5500 - Schedule H - Line 4i schedule of assets held as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

## **NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2024 AND 2023

### **NOTE 1: DESCRIPTION OF THE PLAN**

The following description of DelMonte Hotel Group 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan covering all employees of DelMonte Hotel Group (the Company) who have six months of service and 500 hours and are age 21 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan became effective on January 1, 1998.

Auto Enrollment - All new employees, on their initial entry date into the Plan, will be automatically participating in the Plan with a 5% deferral unless the employee enters into a Salary Savings Agreement indicating a different percentage (or no deferral), in accordance with the Plan limits on elective deferrals.

Employee Contributions - Participants of the Plan may contribute up to 100% of their annual compensation to the Plan. The total deferral in each taxable year may not exceed a dollar limit, which is set by law. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

Employer Contributions - Beginning January 1, 2022, the Company reinstated employer matching contributions of 50% on the first 5% of salary elected to be deferred by the participant.

Participant Accounts - An account is maintained for each participant. The market value of each participant's account is determined daily. The change in the market value of each participant's account includes the effect of contributions, income collected or accrued, realized and unrealized appreciation or depreciation of assets, distributions, withdrawals, expenses, and all other transactions affecting the assets since the preceding valuation date.

Plan income is allocated on a pro-rata basis to participant accounts based on the value of their respective accounts to the value of all accounts.

Vesting - A participant's interest in the employer contributions becomes 20% vested after 1 year of service, 40% vested after 2 years, 60% vested after 3 years, 80% vested after 4 years, and 100% vested after 5 years of service.

## **NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2024 AND 2023

### **NOTE 1: DESCRIPTION OF THE PLAN (CONTINUED)**

Payments of Benefits - Upon termination of employment, the participant's attainment of normal retirement age, participant's disability or termination of the Plan, the vested portion of a participant's individual account shall be distributed to the participant in a lump sum payment as soon as administratively feasible, following the date on which a distribution is requested or is otherwise payable.

Termination Rights - The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan termination, participants will become 100% vested in the employer contributions allocated to their accounts.

Forfeitures - Forfeitures of non-vested employer contributions will occur in the Plan year when a terminated participant receives a distribution of his entire vested account. Forfeitures are retained by the Plan and will be used to reduce trustee and advisory fees under the Plan. During the 2024 Plan year, forfeitures totaled \$60,805. Forfeitures of \$43,242 were used to pay fees and \$7,061 of employer contributions. At December 31, 2024, \$44,124 of forfeitures remained and will be used to reduce future trustee and advisory fees and/or future employer contributions. During the 2023 Plan year, forfeitures totaled \$42,816 and were used to pay fees of \$13,396. At December 31, 2023, \$34,422 of forfeitures remained and were used to reduce future trustee and advisory fees.

Administrative Expenses - Administrative expenses are paid by the trustee from the Plan assets if such amounts are not paid directly by the Company.

### **NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Presentation - The accompanying financial statements have been prepared on the accrual basis of accounting which recognizes income when earned and expenses when incurred.

Investment Held in Trust - Newport Trust Company is the trustee for the Plan and holds the Plan's investment portfolio.

Fair Value Measurements - Purchases and sales of securities are recorded on a trade-date basis. Investments are valued at the closing prices on national exchanges while unlisted investment assets are valued at the mean of the closing bid and asked quotations. Interest-bearing cash equivalents are valued at cost, which approximates market value. Realized gains and losses are accounted for on the specific identification method.

Payments of Benefits - Benefits are recorded when paid.

## **NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2024 AND 2023

### **NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

Information Certified by the Trustee - The Plan administrator has elected the compliance permitted by 29 CFR 2520.103-8 of the Department of Labor (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, as amended. Accordingly, as permitted under the election, no audit procedures have been performed with respect to information certified as complete and accurate by the Trustee except for comparing such information to that included in the Plan's financial statements. Amounts included in the accompanying financial statements that are certified by the Trustee are listed in Note 5.

Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Subsequent Events - In preparing these financial statements, the Company has evaluated events and transactions for potential recognition and disclosure through September 22, 2025, the date the financial statements were available to be issued.

### **NOTE 3: FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 - "Fair Value Measurements and Disclosures," establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

# ***DELMONTE HOTEL GROUP 401(K) PLAN***

## **NOTES TO FINANCIAL STATEMENTS**

DECEMBER 31, 2024 AND 2023

### **NOTE 3: FAIR VALUE MEASUREMENTS (CONTINUED)**

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2024 and 2023:

Mutual Funds - Valued at net asset value (NAV) of shares held by the Plan at years end.

Common Collective Trusts - Common Collective trust funds are classified as Level 2 assets in the fair value hierarchy. Common Collective Trust funds have the characteristics of a structure similar to a mutual fund and are valued based on the readily determinable quoted market price that each fund publishes at the end of each day. While the underlying assets are actively traded on an exchange, the common collective trust funds are not and , therefore, are classified as Level 2 assets in the fair value hierarchy.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with the other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

#### Assets at Fair Value as of December 31, 2024

|                           | <u>Level 1</u>       | <u>Level 2</u>    | <u>Level 3</u> | <u>Total</u>         |

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by Newport Trust Company, LLC at December 31, 2024 and 2023:

|  | <u>2024</u>   | <u>2023</u>   |

### **NOTE 6: TAX STATUS**

The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code, and, accordingly, the trust's net investment income is exempt from income taxes. The Plan has obtained a favorable tax determination letter from the Internal Revenue Service dated March 31, 2014.

Accounting principles generally accepted in the United States of America requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

### **NOTE 7: RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.
