INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Florida Digestive Health Specialists, LLP 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Florida Digestive Health Specialists, LLP 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Ascensus Trust Company as of December 31, 2024 and for the period from May 15, 2024 to December 31, 2024, and Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company (Principal) as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in **Note C** to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

CONTINUED

INDEPENDENT AUDITOR'S REPORT - CONTINUED

- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Florida Digestive Health Specialists, LLP 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Florida Digestive Health Specialists, LLP 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

CONTINUED

INDEPENDENT AUDITOR'S REPORT - CONTINUED

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Florida Digestive Health Specialists, LLP 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Florida Digestive Health Specialists, LLP 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audits.

Other Matters - Supplementary Schedules Required by ERISA

The supplementary information of Schedule H, line 4a – Schedule of Delinquent Participant Contributions and Schedule of Assets Schedule H, line 4i – Schedule of Assets at December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

CONTINUED

INDEPENDENT AUDITOR'S REPORT - CONTINUED

For information included in the supplementary schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplementary schedules, we evaluated whether the supplementary schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplementary schedules, other than the information in the supplementary schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplementary schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

FLORIDA DIGESTIVE HEALTH SPECIALISTS, LLP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE A - DESCRIPTION OF PLAN

Plan Description: The following description of the Florida Digestive Health Specialists, LLP 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is classified as a defined contribution plan covering employees of Florida Digestive Health Specialists, LLP (the Company) who meet the eligibility requirements. Employees are eligible to participate in the Plan upon completion of one year of service and having attained age twenty-one, as defined in the Plan Document. An employee shall have completed one year of service if during the 12-month period immediately following their date of hire or during any Plan year beginning after their date of hire, he or she works at least 1,000 hours of service. In determining the safe harbor contribution, only compensation earned while an employee is a participant in the Plan will be considered. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Contributions: Participants may contribute, through payroll reductions, from 1% to 100% of their eligible compensation on a pre-tax basis or as a Roth contribution up to the maximum allowable deferral per the Internal Revenue Service (IRS). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans or IRAs.

The Company may make a discretionary contribution, which is determined annually and is allocated based on a percentage of Plan compensation or a uniform dollar amount. Eligible employees who have less than 1,000 hours or who terminated employment prior to the end of the Plan year will not share in the discretionary contribution unless the termination was due to death, disability or retirement. The Company made discretionary contributions of \$1,368,728 and \$1,483,818 for the years ended December 31, 2024 and 2023, respectively. The Company is required to make safe harbor contributions to all eligible participants equal to 3% of each participant's Plan compensation. The Company made safe harbor contributions of \$780,993 and \$799,141 for the years ended December 31, 2024 and 2023, respectively. Additionally, the Company can also make qualified non-elective contributions (QNEC) to all employees who are defined as non-highly compensated employees and are allocated based on a percentage of Plan compensation. Participants direct the investment of their contributions into various investment options offered by the Plan. Plan participants may also have the option of self-directed investment accounts, in which the participants act as their own asset manager, selecting different investments at their discretion.

Participant Accounts: Each participant's account is credited with the participant's contribution, allocations of the Company's contribution, Plan earnings (losses), and charged with an allocation of any administrative expenses paid by the Plan. The Company's contributions are allocated to participant accounts based on a percentage of Plan compensation. Allocations of earnings (losses) and administrative expenses are based on the participant's account balances or an equal dollar amount based on the number of participants in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

FLORIDA DIGESTIVE HEALTH SPECIALISTS, LLP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE A - DESCRIPTION OF PLAN - CONTINUED

Forfeited accounts: Forfeitures are created when participants terminate employment prior to becoming entitled to full benefits. Forfeitures will be used first to pay Plan administrative expenses and then to reduce Company contributions except for QNEC and safe harbor contributions and will be applied in the Plan year following the Plan year in which the forfeitures occur. At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$13,941 and \$60,983, respectively. Forfeitures of \$107,022 were used to reduce the Plan's administration fees and the Company's discretionary contributions during 2024.

Vesting: Participants are immediately vested in their contributions, safe harbor contributions and QNEC plus actual earnings thereon. Vesting in the Company's discretionary contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after 6 years of credited service at a rate of 20% per year that begins after one year of service. To receive vesting service for a Plan year, a participant must have completed at least 1,000 hours of service during the Plan year. Participants are fully vested in their accounts upon death, disability, or upon reaching their retirement date.

Notes Receivable from Participants: The Plan provides for loans to participants from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. Note terms range from one to five years. If the purpose of the note is to purchase a primary residence, the term of repayment may exceed five years, but in no event shall exceed the usual repayment period permitted by commercial lenders for similar loans. The note is secured by the balance in the participant's vested account and bear interest at the prime rate, at time of issuance. Loans bear interest rates ranging from 3.25% - 9.50% at December 31, 2024. Principal and interest are paid ratably through payroll deductions and are reinvested in the participant accounts according to individual investment elections. The Plan had outstanding loans of \$161,881 and \$143,251 at December 31, 2024 and 2023, respectively. Interest income of \$7,741 for the year ended December 31, 2024 has been recorded in the accompanying statement of changes in net assets available for benefits.

Payment of Benefits: On termination of service due to death, disability, retirement or separation of service, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump sum amount, a partial lump sum amount or in installment payments. If the value of a terminated participant's vested benefit does not exceed \$5,000, the entire amount shall be paid to the participant in a single lump sum or rolled over to another qualified plan and be distributed immediately. Participants make take in-service withdrawals from their vested accounts upon reaching age 59 ½. Hardship withdrawals are permitted by the Plan in the event of immediate and heavy financial need. Any hardship withdrawal is limited to the amount needed to meet the financial needs or employee deferrals, whichever is less, and meet the qualification requirement under the Plan.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract, which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See **NOTE D** for discussion of fair value measurements.

Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain professional and administrator fees are paid by the Plan. Loan and distribution fees are paid by the participant. Other Plan administrative expenses are paid by the Company and are excluded from these financial statements. For the year ended December 31, 2024, expenses paid by the Plan amounted to \$84,799. Investment fees and commissions are netted against the net appreciation (depreciation) in fair value of investments.

NOTE D - FAIR VALUE MEASUREMENT OF FINANCIAL INSTRUMENTS

The financial statements are prepared in accordance with an accounting standard which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

FLORIDA DIGESTIVE HEALTH SPECIALISTS, LLP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE D - FAIR VALUE MEASUREMENT OF FINANCIAL INSTRUMENTS - CONTINUED

The three levels of the fair value hierarchy under the standard are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024 and 2023.

Mutual funds: Valued at the daily closing quoted market price as reported by the fund. Mutual funds held in the Plan are open-end mutual funds that are registered with the SEC. The mutual funds held by the Plan are deemed to be actively traded.

Pooled separate account: Unit value calculated based on the net asset value (NAV) of the underlying investments held by the Plan at year end. The underlying investments are mutual funds.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE D - FAIR VALUE MEASUREMENT OF FINANCIAL INSTRUMENTS - CONTINUED

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023:

<u>Description</u>	<u>Fair Value Measurements at Reporting Date Using:</u>			
	<u>Total Value 12/31/2024</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Registered investment companies	\$ 33,300,486	\$ 33,300,486	\$ -	\$ -

<u>Description</u>	<u>Fair Value Measurements at Reporting Date Using:</u>			
	<u>Total Value 12/31/2023</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>

Total assets at fair value	<u>\$ 32,433,265</u>	<u>\$ 28,047,546</u>	<u>\$ 4,385,719</u>	<u>\$ -</u>

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended December 31, 2024 and 2023, there were no transfers between Levels 1 and 2 and no transfers into or out of Level 3.

NOTE E - GROUP FIXED ANNUITY CONTRACT WITH INSURANCE COMPANY

The Plan held a traditional fully benefit-responsive guaranteed investment contract with Principal Life Insurance Company (Principal Life) totaling \$1,529,031 and \$1,512,828 for December 31, 2024 and 2023, respectively. The insurance company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on a formula agreed upon with the issuer but may not be less than one and a half percent. The crediting rate is reviewed semi-annually for resetting. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE E - GROUP FIXED ANNUITY CONTRACT WITH INSURANCE COMPANY - CONTINUED

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Principal Life represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with Principal Life. Such events include: (a) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA, (e) premature termination of the contract. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Such events include (a) an uncured violation of the Plan's investment guidelines, (b) a breach of material obligation under the contract, (c) a material misrepresentation, or (d) a material amendment to the agreement without the consent of the issuer.

NOTE F - TAX STATUS

The Company adopted a Non-Standardized Pre-Approved Profit Sharing Plan with CODA through Ascensus, LLC, effective May 15, 2024 to December 31, 2024 and Principal Life Insurance Company, effective April 1, 2022 to May 15, 2024. The Pre-Approved Plans received favorable opinion letters dated June 30, 2020, from the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the opinion letters. The Company believes the Plan, as adopted and amended, is designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

NOTE F - TAX STATUS - CONTINUED

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the accompanying financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan's federal returns are generally open for examination for three years following the date filed.

NOTE G - RELATED PARTY

Certain Plan investments are units of a cash equivalent account or shares of mutual funds managed by Ascensus Trust Company and Principal, the trustees of the Plan. These transactions are party-in-interest transactions that qualify as exempt prohibited transactions as defined by the Department of Labor.

NOTE H - RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities can occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE I - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.
