RADNET 401(k) PLAN

FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

INDEPENDENT AUDITOR'S REPORT

To the Participants and Plan Administrator
of the Radnet 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Radnet 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Participants and Plan Administrator
of the Radnet 401(k) Plan

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

To the Participants and Plan Administrator
of the Radnet 401(k) Plan

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared

To the Participants and Plan Administrator
of the Radnet 401(k) Plan

and certified by an institution that management determined meets the requirements of ERISA
Section 103(a)(3)(C).

RADNET 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the Radnet 401(k) Plan (the “Plan”) is provided for general information purposes only. PARTICIPANTS SHOULD REFER TO THE PLAN DOCUMENT AND ANY AMENDMENTS REGARDING SPECIFIC PROVISIONS OF THE PLAN.

A. General

The Plan is a defined contribution plan covering all employees of Radnet, Inc., Beverly Radiology Medical Group, Radiologix, Inc., Rolling Oaks Radiology Medical Group, American Radiology Services, CML Health Care Rhode Island, Lenox Hill Radiology and Medical Imaging Associates, P.C., Delaware Imaging Partners, Inc., New Jersey Imaging Partners, Inc., Erad, IOC, Manhattan Diagnostic Radiology, Garden State Radiology Associates, Medical Imaging of Manhattan LLC, West Side Radiology Associates and Calvert Medical Imaging Center (collectively, the “Company”) who meet the eligibility requirements of the Plan.

Eligible employees must have at least three months of service and be age 21 or older. Upon satisfying these requirements, participants are eligible on the first day of each month. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

B. Contributions

Participants may contribute through salary deductions of up to 90% of their compensation, as defined by the Plan, subject to Internal Revenue Code (“IRC”) limitations. The Company may, at its discretion, make a matching contribution to the Plan on behalf of the participants. For the years ended December 31, 2024 and 2023, the Company matched 25% of the first 4% for plan participants meeting the eligibility requirements. The Plan allows rollovers from other qualified plans.

All contributions made on a participant’s behalf are deposited in the Plan and allocated among investment funds in accordance with the participant’s investment elections.

C. Participant Accounts

Each participant’s account is credited with the participant’s contributions, rollover contributions and allocations of (a) the Company’s contributions and (b) plan earnings. Allocations are based on participants’ earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

D. Vesting

Participant contributions, rollover contributions and related earnings vest immediately. Vesting in the Company’s contributions and related earnings is based on years of service. Participants vest at 20% per year after the first year and accordingly are 100% vested after five years.

E. Forfeitures

If a participant terminates prior to vesting 100% in Company contributions and related earnings, the forfeited balance will be used to offset administrative expenses or reduce Company matching contributions. Forfeitures of \$287,661 were used during the year ended December 31, 2024. Forfeitures available for future use as of December 31, 2024 and 2023 totaled \$520,345 and \$337,747, respectively.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 1 - DESCRIPTION OF THE PLAN (Continued)

F. Administrative Expenses

Certain administrative expenses of the Plan are paid directly by the Company. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

G. Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum of 50% of their vested account balance subject to a \$50,000 limit, reduced by the highest outstanding balance of their total loans during the preceding twelve months. Loan terms range from one to five years, except for the purchase of a primary residence where the term shall be no greater than 12 years. The loans are secured by the balance in the participant's account. Principal and interest are paid over the term of the loan with payments made through payroll deductions. Only two loans per participant may be outstanding at a time.

H. Benefits and Distributions

Benefits are recorded when paid. On termination of service due to death, disability, or retirement, a participant will receive a lump sum amount equal to the value of the participant's vested interest in his or her account.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

C. Investments

The trustee manages the Plan's funds on behalf of the Plan and is responsible for keeping the related records. Upon enrollment in the Plan, participants may direct contributions to any investment in accordance with the available investment options and may change their investment options daily.

D. Investment Valuation and Income Recognition

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, requires additional disclosures about fair value measurement and establishes a framework for measuring fair value.

RADNET 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. Investment Valuation and Income Recognition (Continued)

The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (level 1 measurements) and lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 – Inputs are based on quoted prices in active markets.

Level 2 – Inputs are based on quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

The following tables summarize the Plan's investments at December 31, 2024 and 2023 based on the inputs used to value them:

Description	2024			
	Totals	Level 1	Level 2	Level 3
Mutual Funds	\$ 93,210,291	\$ 93,210,291	\$ -	\$ -
Total Assets in Fair Value Hierarchy	93,210,291	\$ 93,210,291	\$ -	\$ -
Investments Measured at Net Asset Value ^A	326,056,835			
Investments Measured at Contract Value ^B	7,434,319			
	<u>\$ 426,701,445</u>			
Description	2023			
	Totals	Level 1	Level 2	Level 3
Mutual Funds	\$ 74,440,025	\$ 74,440,025	\$ -	\$ -
Total Assets in Fair Value Hierarchy	74,440,025	\$ 74,440,025	\$ -	\$ -
Investments Measured at Net Asset Value ^A	274,304,591			
Investments Measured at Contract Value ^B	9,431,598			
	<u>\$ 358,176,214</u>			

^A In accordance with ASC 820, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

^B The contract value amount presented in this table is intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Mutual funds are classified as Level 1 and are valued at their quoted prices in an active market.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2024 and 2023, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. Investment Valuation and Income Recognition (Continued)

There are no participant redemption restrictions for these investments; the 30-day redemption notice period is applicable only to the Plan.

	Fair Value at December 31,		Unfunded Commitments	Redemption Frequency	Redemption Notice Period
	2024	2023			
Common/Collective Trusts	\$ 326,056,835	\$ 274,304,591	None	Daily	None

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation of investments includes the Plan's gains and losses on investments purchased and sold and unrealized appreciation or depreciation in the fair value of investments. Investment related expenses are included in net appreciation of fair value of investments.

NOTE 3 - INCOME TAX STATUS

The Plan utilizes a nonstandard prototype plan document, which received an opinion letter from the Internal Revenue Service indicating that the form of the prototype plan is acceptable under applicable sections of the IRC. The plan administrator believes that the Plan qualifies under Section 401(a) and 401(k) of the IRC and the trust is exempt from income taxes under Section 401(a) of the IRC. The plan administrator also believes the Plan is being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified, and the related trust is tax exempt. Subsequent amendments have been structured to, and are intended to, maintain the Plan's tax-qualified status. Therefore, no provision for income taxes has been made in the accompanying financial statements.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 4 - TERMINATION OF THE PLAN

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts and related earnings. Net assets would be distributed based upon participants' account balances at that time.

NOTE 5 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. All of the information regarding investments held at December 31, 2024 and 2023, and investment gain or loss for the year ended December 31, 2024 that is disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Principal Trust Company, the trustee of the Plan.

RADNET 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 6 - GROUP ANNUITY CONTRACT

The Plan maintains a fully benefit-responsive group fixed annuity contract with Principal Life Insurance Company ("Principal") that guarantees a fixed rate of interest. The credited interest rate may be based on an index rate specified in the contract or a declared rate, either or which may be changed during the year and will never be below the guaranteed rate.

The Group Annuity Contracts are backed by the general account assets of the issuing company.

Due to the nature of these contracts, they do not have specific underlying assets assigned. The value of the group fixed annuity contracts that Principal reports is at contract value, which approximates fair value. Contract value represents the amount participants would receive if they were to initiate a benefit-responsive transaction under the terms of the ongoing Plan. Principal believes that it is reasonable to conclude that the Group Annuity Contracts meets the requirements for the fully benefit-responsive investment contracts and as such are shown at contract value.

The crediting rate is based on a formula established by Principal but may not be less than 0.05%. The crediting rate is reviewed on a quarterly basis for resetting. The crediting rates of the 2024 Plan year were 4.85% and 1.90%.

The plan administrator does not believe that any events limiting the Plan's ability to transact at contract value are probable of occurring.

NOTE 7 - RECONCILIATION OF FINANCIAL STATEMENTS TO THE FORM 5500

The following is a reconciliation of the net assets available for benefits per the financial statements to the Form 5500:

	December 31, 2024	December 31, 2023
Net Assets Available for Benefits per the Financial Statements	\$ 440,890,390	\$ 370,259,656
Less: Employer Contributions Receivable	(4,317,696)	(3,849,168)
Net Assets per the Form 5500	\$ 436,572,694	\$ 366,410,488
		January 1, 2024 to December 31, 2024
Net Increase per the Financial Statements		\$ 70,630,734
Add: Employer Contributions Receivable as of December 31, 2023		3,849,168
Less: Employer Contributions Receivable as of December 31, 2024		(4,317,696)
Net Income per the Form 5500		\$ 70,162,206

NOTE 8 - RISKS AND UNCERTAINTIES

Plan investments are exposed to various risks, such as interest rate, market fluctuations and credit risks. Due to the level of risk associated with investments and the level of uncertainty with respect to changes in the value of investments, it is at least reasonably possible that changes in risk in the near term would materially affect participants' account balances and the amounts reported in the financial statements.

RADNET 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 9 - RELATED PARTY TRANSACTIONS

Certain Plan investments may be issued or managed by Principal Trust Company, who serves as trustee. Any purchases and sales of these funds are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

NOTE 10 - FEE REIMBURSEMENT

The Plan participates in a plan expense agreement provided by Principal. Under the plan expense agreement, Principal shares a portion of the revenue generated by certain investment vehicles with the Plan; this is often referred to as administration fees offset (AFO) or revenue sharing. Principal then collects any fees owed from these AFOs. During the year ended December 31, 2024, the Plan received \$5,819 in AFO.

NOTE 11 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 2, 2025, the date on which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements.
