**Nationwide Mortgage Bankers Inc. 401(k) Profit Sharing Plan & Trust**

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of **Nationwide Mortgage Bankers Inc. 401(k) Profit Sharing Plan & Trust** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audits of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by Mid-Atlantic Trust Company, the Custodian and the Trustee of the Plan; an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audits of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audits of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audits.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audits in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings, and certain internal control-related matters that we identified during the audits.

***Other Matter - Supplemental Schedule Required by ERISA***

The supplemental schedule of Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## NOTES TO FINANCIAL STATEMENTS

---

For the Year Ended December 31, 2024

---

### 1. Description of the Plan

The following description of the Nationwide Mortgage Bankers Inc. (the "Company") 401(k) Profit Sharing Plan & Trust (the "Plan") provides only general information. The Plan was adopted by the Company on January 1, 2017. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### *General*

The Plan is a defined contribution plan covering all full-time employees of the Company who have completed at least three months of service. There is no minimum age requirement for the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Custodian and Trustee of the Plan is Mid-Atlantic Trust Company, and the record-keeper is Paychex, Inc. The Company and its respective management are responsible for the oversight of the Plan.

#### *Contributions*

Each year, participants may contribute up to 100% of pre-tax annual compensation, as defined in the Plan. Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. In no event may participant pre-tax and after-tax contributions exceed any statutory limitations. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

The Plan document provides the Company the option to make matching contributions in an amount equal to a percentage of elective deferrals that it determines each year. Furthermore, the Company may make a discretionary profit-sharing contribution at the option of the Company's management. There were no discretionary profit sharing or matching contributions for the year ended December 31, 2024. Contributions are subject to certain Internal Revenue Service ("IRS") limitations. Participants direct the investment of participant and employer contributions into various investment options offered by the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 1% of eligible compensation.

#### *Participant accounts*

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contributions and (b) Plan earnings and charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

#### *Vesting*

Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Company's portion of the participants accounts is based on years of continuous service.

# NATIONWIDE MORTGAGE BANKERS INC. 401(K) PROFIT SHARING PLAN & TRUST

## NOTES TO FINANCIAL STATEMENTS

For the Year Ended December 31, 2024

### 1. Description of the Plan (Continued)

#### *Vesting (continued)*

Vesting in the Company's matching and discretionary profit sharing contribution portion of their accounts, plus actual earnings thereon, is as follows:

<u>Years of Service</u>	<u>Vesting</u>
0-2 years	0%
2-3 years	20%
3-4 years	40%
4-5 years	60%
5-6 years	80%
6 or more years	100%

#### *Notes receivable from participants*

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years; however, terms may exceed five years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan Administrator. Interest rates on all outstanding loan balances were between 4.25% and 9.50% as of December 31, 2024 and 2023. Principal and interest are paid ratably through payroll deductions. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. Related fees are recorded as administrative expenses and are expensed when incurred.

#### *Payment of benefits*

On termination of service due to death, disability, or retirement, a participant or the beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or installment payments over a specified period of time (annually, quarterly or monthly). For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution, less applicable taxes. Hardship distributions are permitted upon demonstration of financial hardship. If, after termination, the vested portion of a participant's account balance is less than \$5,000, a lump-sum distribution may automatically be made without election on the part of the participant. All fully vested balances are available for distribution after the participant reaches the age of 59½.

#### *Forfeitures*

Forfeited nonvested accounts are used to reduce future employer contributions and pay Plan expenses. During the year ended December 31, 2024, there were no forfeitures noted. Accordingly, there were no forfeiture account balances available on December 31, 2024 and 2023.

## NOTES TO FINANCIAL STATEMENTS

For the Year Ended December 31, 2024

### 2. Summary of Significant Accounting Policies

#### *Basis of accounting*

The financial statements of the Plan have been prepared on the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP") as detailed in the Financial Accounting Standards Board's ("FASB") Accounting Standards Codification ("ASC").

#### *Use of estimates*

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and when applicable, disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

#### *Investment valuation and income recognition*

Investments held by a defined-contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined-contribution plan attributable to fully benefit-responsive investment contracts, because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the custodian (See Note 4 – Fair Value Measurements).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Additionally, investment related expenses are also included in the net appreciation (depreciation).

#### *Notes receivable from participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 or 2023. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded. During the year ended December 31, 2024, there were defaulted loans in the amount of \$52,559 that were recorded as benefit payments.

#### *Excess contribution payable*

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to contributions. As of December 31, 2024 and 2023, the Plan had excess contributions payable of \$93,770 and \$51,993, respectively.

### 2. Summary of Significant Accounting Policies (Continued)

#### *Payment of benefits*

Benefits are recorded when paid.

#### *Plan expenses*

Certain expenses in connection with the administration of the Plan are paid directly by the Company and are excluded from these financial statements. All other administration expenses related to the Plan are paid by the participants through the Plan. Fees related to the administration of notes receivable from participants and distributions, along with the participant's share of investment related expenses (including investment advisory fees) are charged directly to the participant's account and are included in administrative expenses.

### 3. Investment Certification (Unaudited)

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, Mid-Atlantic Trust Company, the Custodian and Trustee, of the Plan, has certified to the completeness and accuracy of all investments and related investment activity and related activity in the accompanying statements of net assets available for benefits as of December 31, 2024 and 2023, the statement of changes in net assets available for benefits for the year ended December 31, 2024 and the accompanying supplemental schedule of assets (held at end of year) as of December 31, 2024.

### 4. Fair Value Measurements

ASC Topic 820, *Fair Value Measurement*, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value (ASC Topic 820). The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements), and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 - Inputs to the valuation methodology include: (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; or (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

# NATIONWIDE MORTGAGE BANKERS INC. 401(K) PROFIT SHARING PLAN & TRUST

## NOTES TO FINANCIAL STATEMENTS

For the Year Ended December 31, 2024

### 4. Fair Value Measurements (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs

Following is a description of the valuation methodologies used for investment assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024 and 2023.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable value collective trust fund: A stable value fund that is composed primarily of fully benefit-responsive investment contracts and that is valued at the net asset value of units of the bank collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31:

	December 31, 2024			Total
	Level 1	Level 2	Level 3

Total investments, at fair value	<u>\$ 8,202,292</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 8,225,348</u>

(a) Certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statement of net assets available for benefits.

#### Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. There were no transfers in or out of Levels 1, 2 or 3 during the years ended December 31, 2024.

The following tables for December 31, 2024 and 2023 sets forth a summary of the Plan's investments reported at NAV as a practical expedient to estimate fair value:

Investment	December 31, 2024			
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption notice period

### 4. Fair Value Measurements (Continued)

- (a) The Fund invests mainly in the MetLife Group Annuity Contracts which consists of separately managed investment portfolios directed by Reliance Trust Company. The fair value of each Contract is determined using Level 2 inputs. The fair value of the investments is each Contract's pro-rata share of the fair value of the securities in the underlying separate accounts in which the Contracts participate. There is no redemption notice period unless funds are being transferred to competing funds, at which point there is a 90 day wait period to withdraw funds.

### 5. Tax Status

The Plan has adopted a Prototype Non-Standardized Profit-Sharing Plan sponsored by Paychex, Inc. On August 31, 2020, the Internal Revenue Service ("IRS") stated in an opinion letter that the prototype adopted by the Plan, as then designed, was in compliance with applicable requirements of the Internal Revenue Code ("IRC") and therefore, the related trust is exempt from taxation. The Plan has been amended since receiving the letter. However, the Plan's Administrator and the tax advisor believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, the Plan Administrator believes that the Plan is qualified, and the related trust is tax-exempt.

GAAP require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine examinations by taxing jurisdictions; however, there are currently no examinations for any tax periods in progress.

### 6. Related Party and Party-in-Interest Transactions

Certain Plan investments are shares of funds managed by Mid-Atlantic Trust Company. Mid-Atlantic Trust Company is the custodian and trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Furthermore, there are certain fees paid to Paychex, Inc. for various administrative services. Paychex, Inc. is the record-keeper as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

The Plan made direct payments to the third-party administrators (including investment advisory services) totaling \$72,914 during the year ended December 31, 2024. These fees are included in administrative expenses on the Statement of Changes in Net Assets Available for Benefits. The plan sponsor pays directly any other fees related to the Plan's operations.

### 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a Plan termination, the participants would become 100% vested in the employer contributions, if applicable.

# NATIONWIDE MORTGAGE BANKERS INC. 401(K) PROFIT SHARING PLAN & TRUST

## NOTES TO FINANCIAL STATEMENTS

For the Year Ended December 31, 2024

### 8. Mutual Funds Fees

Investments in mutual funds are subject to sales charges in the form of front-end loads, back-end loads or 12b-1 fees. 12b-1 fees are ongoing fees allowable under Section 12b-1 of the Investment Company Act of 1940. These annual fees are used to pay for marketing and distribution costs of the funds. These fees are deducted prior to the allocation of the Plan's investment earnings activity, and thus not separately identifiable as an expense.

### 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Volatility in the financial markets may significantly impact the subsequent valuation of the Plan's investments. Accordingly, the valuation of investments on December 31, 2024 may not necessarily be indicative of amounts that could be realized in a current market exchange.

### 10. Concentrations

As of December 31, 2024, the Plan invests in two mutual funds that approximates 24% of the Plan's investments. As of December 31, 2023, the Plan invested in one mutual fund that approximated 15% of the Plan's investments.

The Plan had one note receivable from a Participant that approximated 10% of the notes receivable as of December 31, 2024.

### 11. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Form 5500:

	<u>2024</u>	<u>2023</u>
Net assets available for benefits per the financial statements	\$ 11,596,328	\$ 8,594,618
Participant contributions receivable	(162,464)	(116,406)
Excess contributions payable	93,770	51,993
