| Part I | Asset and Liability Statement |
|---------------|--------------------------------------|

1 Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

INDEPENDENT AUDITORS' REPORT

To the Trustees
C.I. Banker Wire and Iron Works, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audits

We have performed audits of the accompanying financial statements of C.I. Banker Wire and Iron Works, Inc. 401(k) Plan ("the plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor ("DOL")'s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and the procedures performed as described in the Auditors' Responsibilities for the Audits of the Financial Statements section,

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audits of the Financial Statements section of our report. We are required to be

independent of the plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's elections of the ERISA Section 103(a)(3)(C) audits does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audits of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audits section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgment and maintain professional skepticism throughout the audit.
- identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of the ERISA Section 103(a)(3)(C) audits is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audits, significant audit findings and certain internal control related matters that we identified during the audits.

ERISA-Required Supplementary Information

The supplemental schedule of assets (held at end of year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and is derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2024 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion,

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

C.I. Banker Wire and Iron Works, Inc. 401(k) Plan

Notes to Financial Statements
December 31, 2024 and 2023

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Method of accounting – The C.I. Banker Wire and Iron Works, Inc. 401(k) Plan ("the plan") follows the accrual method of accounting wherein additions and deductions are reflected in the period earned or incurred.

Accounting estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

Subsequent events - The financial statements include management's evaluation of the events and transactions occurring subsequent to December 31, 2024 through October 6, 2025, which is the date the financial statements are available to be issued.

Risks and uncertainties - The plan invests in various investments. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Key parties of the plan – CIB Wire & Iron Works, LLC is the plan sponsor, employer and the plan administrator. PPG Retirement Plan Services Ltd. is the third party administrator and performs various compliance tests as tax counsel. John Hancock Life Insurance Company (U.S.A.) ("John Hancock") is the investment agent that maintains investment and participant records and is the custodian of plan assets. Goldstein Advisors is the plan's investment advisor. Two officers of the plan sponsor are the plan trustees.

Investments - The plan sponsor/employer determines the investments available to plan participants. The participants allocate their contributions and transfer existing balances among the available investment options. Participants should refer to the investment account summaries and prospectuses for more information.

At the end of each business day, John Hancock determines the fair value of the investments held in its sub-accounts and allocates the fair value to the participants. The net appreciation (depreciation) in the fair value of the investments, including investments bought, sold or held during the years is reflected in the accompanying statements of changes in net assets available for benefits.

Fair value measurements - GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical investments (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described as follows:

- Level 1 - Valuation is based upon quoted prices in active markets for identical investments.
- Level 2 - Valuation is based upon other significant observable inputs (including quoted prices for similar investments).
- Level 3 - Valuation is based upon significant unobservable inputs (including the plan's assumptions in determining the fair value of investments).

Following is a description of the valuation methodology used for investments measured at fair value.

John Hancock sub-accounts - The sub-accounts are valued at net asset value ("NAV") as provided by John Hancock. The NAV is generally based on the fair value of the underlying investments held by the sub-account less its liabilities. The NAV is used as a practical expedient to estimate fair value. This practical expedient is not used when it is determined to be probable that the sub-account will sell the investment for an amount different than the reported NAV.

C.I. Banker Wire and Iron Works, Inc. 401(k) Plan

Notes to Financial Statements

December 31, 2024 and 2023

The plan administrator determines by level, within the fair value hierarchy, the plan's investments at fair value as set forth below.

Investments at fair value as of December 31, 2024

| | Level 1 | Level 2 | Level 3 | Total |
|---|---------|---------|---------|--------------|
| Total investments in the fair value hierarchy | \$ - | \$ - | \$ - | \$ - |
| Investments measured at NAV (a) | | | | 13,112,694 |
| Total investments at fair value | | | | \$13,112,694 |

Investments at fair value as of December 31, 2023

| | Level 1 | Level 2 | Level 3 | Total |
|---|---------|---------|---------|--------------|
| Total investments in the fair value hierarchy | \$ - | \$ - | \$ - | \$ - |
| Investments measured at NAV (a) | | | | 11,395,479 |
| Total investments at fair value | | | | \$11,395,479 |

(a) In accordance with GAAP, certain investments that are measured at NAV have not been classified in the fair value hierarchy. The fair value amounts presented in the above table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using NAV as a practical expedient. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the plan.

- (a) The objective of these funds is to seek capital appreciation and current income utilizing a risk profile that is consistent with the target date of the funds.
- (b) The objective of these funds is to provide for capital appreciation and/or income consistent with the risk and return of the fund type summarized above. These funds utilize various U.S. and foreign equity market segments to accomplish their objectives. Certain funds included in these fund types summarized above are considered specialty funds that accomplish their objectives by investing in specific market segments. The specific market segments include investments in real estate investment trusts and real estate companies, science and technology, federal and other government bonds, corporate bonds and floating rate loans.

2. DESCRIPTION OF PLAN

The following brief description of the plan is provided for general information purposes only. Participants should refer to the plan documents for a more complete description of the plan's provisions.

General - The plan was adopted effective January 1, 2007 as a defined contribution plan with a 401(k) salary deferral arrangement. It is subject to provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and subsequent amendments.

Eligibility - Employees are eligible for elective deferrals and matching contributions once they have completed 3 months of service and have reached age twenty-one. An employee will be deemed a participant and allowed to enter the plan on the first day of the month immediately following the completion of the eligibility requirements.

For purposes of employer discretionary non-elective contributions, employees are eligible to receive such contributions if they have worked at least 500 hours of service during the plan year or are employed on the last day of the plan year.

Contributions - Contributions are recorded in the year in which the eligible compensation is paid. Contributions to the plan can be made in the following ways:

- a. Participants may contribute a percentage of their compensation subject to certain limitations (elective deferral contributions). The plan also permits Roth elective deferral contributions.
- b. Rollover contributions are accepted by the plan from other qualified plans.
- c. Employer discretionary matching contributions may be made. No such contributions were made in 2024 and 2023.

C.I. Banker Wire and Iron Works, Inc. 401(k) Plan

Notes to Financial Statements
December 31, 2024 and 2023

- d. Employer safe harbor matching contributions equal to 100% of the first 3% of compensation that a participant contributes to the plan as elective deferral contributions and 50% of the next 2% of compensation that a participant contributes to the plan as elective deferral contributions were made in 2024 and 2023.
- e. Employer discretionary non-elective contributions can be made. No such contributions were made in 2024 and 2023.
- f. Additional qualified nonelective contributions may be made at the employer's discretion. No such contributions were made in 2024 and 2023.

Participant accounts - Earnings, including the fair value appreciation (depreciation), are allocated to participant accounts on a daily basis based upon the performance of the investment options selected. Each participant's account is credited with the participant's elective deferral and rollover contributions and an allocation of the employer's contributions. Participants are allowed to change their investment options on a daily basis and change their deferral percentage each pay period.

Vesting - Participant elective deferral contributions, rollover contributions, employer safe harbor matching contributions and related earnings are immediately 100% vested. Participants are not vested in any portion of the employer discretionary matching contributions, employer discretionary profit-sharing contributions, qualified nonelective contributions and related earnings until they are credited with two years of service defined as working 1,000 hours, at which time they are 100% vested. Upon death, disability or attainment of qualified retirement age while employed participants become 100% vested.

Payment of benefits - Benefits are recorded when paid. Benefit payments may commence upon termination of employment, death, disability or attainment of normal retirement age. Distributions are made in the form of a single lump sum. Hardship withdrawals are not permitted under the plan. In-service withdrawals can commence upon attaining the age of 59 ½.

Administrative expenses - Certain administrative expenses of the plan are paid by the employer. Certain other expenses are paid using plan assets and recorded as administrative expenses in the accompanying financial statements. Such expenses include participant directed charges for distribution and loan fees, and non-participant directed charges for service, administrative and advisory fees. Nonparticipant directed charges are allocated to the participants on an account value basis.

Forfeitures - Forfeited nonvested accounts, which are held in a noninterest-bearing cash account, are used to reduce the amount of the employer's contributions or pay plan fees. There were \$1,734 and \$0 of forfeitures used in 2024 and 2023. There were no unapplied forfeitures as of December 31, 2024 and 2023.

Notes receivable from participants - Participants may obtain loans from their accounts with the approval of the plan administrator. Each participant may only have one loan outstanding at any time. The minimum loan amount is \$1,000 and the loan cannot exceed the lesser of one-half of the participant's vested account balance or \$50,000. Loans must generally be paid back over a period not to exceed five years, unless used to purchase a primary residence. As of December 31, 2024, the notes receivable from participants had various repayment schedules through May 2041, with interest rates from 4.25% to 9.50%. The notes receivable from participants are valued at their unpaid principal balances plus any accrued but unpaid interest, which approximates fair value.

3. PARTY-IN-INTEREST TRANSACTIONS

The plan investments are managed by John Hancock. John Hancock provides certain administrative services to the plan pursuant to a services agreement between the plan sponsor and John Hancock. John Hancock receives indirect compensation from mutual fund service providers for services John Hancock provides to the funds. This indirect compensation is used to offset certain amounts owed by the plan to John Hancock for its administrative services to the plan. John Hancock is the investment agent as defined by the plan and, therefore, these transactions qualify as party-in-interest transactions. Direct fees paid to John Hancock by the plan were \$31,000 in 2024 and \$25,000 in 2023.

C.I. Banker Wire and Iron Works, Inc. 401(k) Plan

Notes to Financial Statements
December 31, 2024 and 2023

Notes receivable from participants also qualify as party-in-interest transactions.

All of the above party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

4. TERMINATION OF PLAN

Although it has not expressed any intent to do so, the employer has the right to terminate the plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their employer contributions and related earnings.

5. INCOME TAX STATUS

The plan adopted a PPG Retirement Plan Services pre-approved profit-sharing plan. The pre-approved profit-sharing plan received its most recent favorable opinion on June 30, 2020, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan administrator has not obtained a separate Internal Revenue Service opinion or determination letter for the plan. However, the plan administrator and tax counsel believe the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and, therefore, believes the plan is qualified, and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the plan and recognize tax liabilities (or assets) if the plan has taken any uncertain tax positions that more likely than not would not be sustained upon examination by the applicable authorities. Plan management analyzed the requirements for accounting for uncertain tax positions taken and determined the plan was not required to recognize any tax liabilities (or assets) related to uncertain tax positions taken as of December 31, 2024 and 2023. The plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits in progress.

6. INFORMATION CERTIFIED BY THE JOHN HANCOCK

Management has obtained certifications from John Hancock, a qualified institution under the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, that state the following information with respect to assets held for investment of the plan is complete and accurate.

- a. Investments held and the fair values of such and the notes receivable from participants as of December 31, 2024 and 2023;
- b. Net appreciation (depreciation) in fair values of investments and interest income on notes receivable from participants during 2024 and 2023;
- c. Contributions to, withdrawals from, purchases, sales and inter-fund transfers between accounts during 2024 and 2023; and
- d. The report of individual participant accounts as of and for the years ended December 31, 2024 and 2023.
