INDEPENDENT AUDITOR'S REPORT

VEBA Committee
USW/Crucible Retirees Health and Welfare Trust
Pittsburgh, PA

Opinion

We have audited the accompanying financial statements of USW/Briggs & Stratton Retirees Health Care Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits and the statements of plan benefit obligations as of December 31, 2024 and 2023 and the related statements of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of USW/Briggs & Stratton Retirees Health Care Plan as of December 31, 2024 and 2023 and the changes in its net assets available for benefits and the statements of changes in plan benefit obligations for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of USW/Briggs & Stratton Retirees Health Care Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about USW/Briggs & Stratton Retirees Health Care Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of

internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of USW/Briggs & Stratton Retiree Health Care Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about USW/Briggs & Stratton Health Care Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2024 Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets held for investment purposes as of December 31, 2024 and reportable transactions for the year then ended are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

USW/BRIGGS & STRATTON RETIREE HEALTH CARE PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the USW/Briggs & Stratton Retirees Health Care Plan (the “Plan”) provides limited information. Participants should refer to the Summary Plan Description for a more complete description of the Plan’s provisions.

General

The Plan was established effective April 1, 2022 to provide certain health and welfare benefits to eligible retirees of Briggs and Stratton, LLC (the “Company”). It is governed by the USW/Crucible Health and Welfare Trust Agreement effective October 15, 2012 between the United Steel, Paper and Forestry, Rubber, Manufacturing, Energy, Allied Industrial and Service Workers International Union, PNC Bank, N.A., as the Trustee, and the individual VEBA Committee Members.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

The Plan

The Plan’s benefits offered are comprised of two types of reimbursements. The first is for claims incurred 10/1/20 to 3/31/22. This is a one-time reimbursement however the money rolls over (if not used). The second type of reimbursement involves current claims incurred 4/1/22 through 12/31/24 through a Health Reimbursement Account (HRA). Reimbursements will be limited to the HRA balance in which for 2023 the committee funded each HRA with an additional \$2,000.00.

For a more comprehensive description of coverage and benefits, see the summary plan description.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements have been prepared using the accrual basis of accounting, in accordance with accounting principles generally accepted in the United States of America. Significant accounting policies are summarized below:

Date of Management’s Review of Subsequent Events - Subsequent events were evaluated through the date of the Independent Auditor’s Report, which is the date the financial statements were available to be issued, and it was determined that there were no subsequent events that require disclosure.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain amounts and disclosures. Accordingly, actual results may differ from those estimates.

USW/BRIGGS & STRATTON RETIREE HEALTH CARE PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Committee determines the appropriateness of the Plan's investment offerings and monitors investment performance. The Committee also determines the Plan's valuation policies. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the period.

Income Tax Status – The Internal Revenue Service (“IRS”) has determined and informed the Committee by a letter dated March 31, 2015, that the Trust, as then designed, was in accordance with applicable sections of the Internal Revenue Code (“IRC”). The assets of the Plan are held in a trust that, as then designed, satisfied and operated in accordance with the requirements that would permit the Trust to constitute a voluntary employees’ beneficiary association, exempt from federal income tax under section 501(c)(9) of the IRC. The Trust has not been amended since receiving the determination letter. The administrators of, and legal counsel for, the Plan are unaware of any defect in design or operations of the Plan or its related Trust that would preclude the Trust from being treated as exempt from federal income tax under section 501 (c)(9) of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Postretirement Benefits - The Committee has complete discretionary authority to interpret this Plan and determine eligibility for participation and entitlement to benefits.

Neither the participant nor any other person has or will have a vested or non-forfeitable right to receive benefits under the Plan.

The Committee reserves the right to amend, modify, discontinue and/or terminate all or any part of the Plan at any time and for any reason and without the consent of any Plan Participant.

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurements accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest

USW/BRIGGS & STRATTON RETIREE HEALTH CARE PLAN
NOTES TO THE FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

NOTE 3 - FAIR VALUE MEASUREMENTS (Continued)

priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs were used only when Level 1 inputs were not available.

Level 1 Fair Value Measurements - The fair value of mutual funds is based on quoted net asset values of the shares held by the Fund at year-end. The fair values of common stocks are based on the closing price reported on the active market where the individual securities are traded.

Level 2 Fair Value Measurements - The fair values of certain corporate bonds and U.S. government securities for which quoted market prices are not available are based on yields currently available on comparable securities of issuers with similar credit ratings.

Level 3 Fair Value Measurements - For those assets with fair value measured using Level 3 inputs, the Fund determines the fair value measurement using available current market conditions and other applicable third party information.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024.

NOTE 4 - CONCENTRATION OF CREDIT RISK

The Plan maintains its cash account at a financial institution in which balances may, at times, exceed federally insured limits.

NOTE 5 - RISKS AND UNCERTAINTIES

Investments are exposed to various risks such as interest rate, market, liquidity, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of certain Plan investments will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits as of December 31, 2024.

NOTE 6 – PRIORITIES UPON TERMINATION

It is the intention of the Committee to continue the Plan until the plan's assets are exhausted. If the Plan were to be terminated by the Committee, the assets of the Trust Fund would be used for the exclusive benefit of eligible employees to provide benefits and pay fund expenses until exhausted.
