INDEPENDENT AUDITOR'S REPORT

To the Trustees of the
DUTCH BROS. 401(K) PLAN

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Dutch Bros. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2023 and 2024, and the related statement of changes in net assets available for benefits for the years then ended December 31, 2023 and 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Dutch Bros. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2023 and 2024, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Dutch Bros. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Dutch Bros. 401(k) Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Dutch Bros. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Dutch Bros. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedule H, Form 5500, Line 4i, Schedule of Assets (held at end of year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying

accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Dutch Bros 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a Safe harbor defined contribution plan created in 2019 and is subject to the provisions of Section 401(c) of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan's Administrator, Dutch Mafia LLC, manages participation for all employees of Dutch Mafia LLC and its related entities, who have also adopted the Plan (including Boersma Bros LLC, Boersma Family Farm LLC, DB Franchising USA LLC, Dutch Bros LLC, and Dutch Wear LLC) (Company). All employees of the Company who have completed twelve months (1 year) of service are eligible to participate in the Plan, provided they are at least twenty-one years of age and have completed 1,000 Hours of Service during said period.

Contributions – Each year, participants elect to have the Company contribute a portion of their compensation to the plan. Upon reaching eligibility, all employees are offered enrollment in the Plan at a contribution level of a selected percentage or dollar amount of compensation per pay period in the plan year, with the option to decline enrollment. The contributions made by the company under the election are employee elective deferrals. For any calendar year, the elective deferrals may not exceed a specific dollar amount determined by the Internal Revenue Service.

For each plan pay period in the year, the Company contributes to the Plan an amount of company matching contributions equal to 100% of the elective deferrals per employee, not to exceed 4% of annual compensation (excluding bonuses). The Company contributed 100% of each participant's deferral contributions per pay period for the year ended December 31, 2024.

Participant Accounts – Participants direct the investment of contributions into various investment options offered by the Plan. In the event an employee does not direct the investment of contributions, the accounts will be invested in accordance with specific rules under investment alternatives established under the Plan. Each participant's account is credited with the participant's contribution and allocations of the Company's contribution and the plan earnings less an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Vesting – Participants are immediately vested in their contributions plus actual earnings thereon, as well as the Company's matching portion of their accounts plus actual earnings.

Participant Loans – Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. Participants may only have one loan outstanding at any time, unless one loan is a principal residence loan amortized for a period greater than five years. Loan terms range from 1 to 5 years or up to 10 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest commensurate with the rate of interest charged on similar commercial loans by persons or institutions in the business of lending money in the same geographic area as the Employer. Loan installment payments must be made through Employer payroll deductions with equal installments made each pay period.

Payment of Benefits – Upon termination of service, a participant may elect to receive the benefits as follows: If the vested account balance is $5,000 or less, it will be paid in a lump sum or paid as a "direct rollover" to an individual retirement account or individual retirement annuity (an "IRA") within a reasonable time. If the participant's vested account balance is in excess of $5,000, a participant may still elect to receive either a lump sum or direct rollover; however, the participant may also choose partial withdrawals of at least $1,000 or deferment of payments until age 70 ½. If the participant had reached normal retirement age as defined by the Plan (65), the plan must make this distribution as soon as administratively feasible.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value. Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year end. Participant notes receivable are valued at cost which approximates fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits – Benefits are recorded when paid.

Administrative Costs – The significant administrative costs of the Plan are paid by the Company.

NOTE 3 – INVESTMENTS

The following represents the fair value of investments. Investments that represent 5% or more of the Plan's net assets are separately identified.

	For the year ended	
	2024	2023
Registered investment companies		
PGIM TOTAL RETURN BOND Z	$ 4,302,705	$ 3,071,900
VANGUARD VALUE INDEX ADM	$ 3,062,598	$ 2,167,878
FIDELITY 500 INDEX	$ 6,687,130	$ 4,692,151
HARBOR CAPITAL APPRECIATION I	$ 3,326,474	$ 2,176,484
VANGUARD SMALL CAP IDX ADM	$ 1,886,944	$ 1,368,385
VANGUARD DEV MKTS IDX ADM	$ 5,091,574	$ 3,660,544

During 2024 the Plan's mutual funds increased in value by $3,098,834.

NOTE 4 – FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

Level 2: Inputs to the valuation methodology include

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets at fair value under FASB ASC 157 with comparative amounts for 2024 and 2023 presented.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net assets values of the shares held by the Plan at year-end. The fair values of common stocks, corporate bonds, and U.S. Government securities are based on the closing price reported on the active market where the individual securities are traded.

Level 2 Fair Value Measurements

Investment contract with Standard Insurance Company: Valued at fair value by discounting the related cash flows based on current yields of similar instruments with the comparable durations considering the credit-worthiness of the issuer (NOTE 5). Funds under the investment contract that have been allocated and applied to purchase annuities (that is, Standard is obligated to pay the related pension benefits) are excluded from the Plan's assets.

NOTE 4 – FAIR VALUE MEASUREMENTS (Continued)

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain instruments could result in a different fair value measurement at the reporting date.

The following tables set for by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023.

	Assets at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Investment contract with Standard Insurance Company	$ -	$ 27,323,061	$ 1,894,731	$ 29,217,792
Total assets	$ -	$ 27,323,061	$ 1,894,731	$ 29,217,792

	Assets at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Investment contract with Standard Insurance Company	$ -	$ 19,265,894	$ 1,495,359	$ 20,761,253
Total assets	$ -	$ 19,265,894	$ 1,495,359	$ 20,761,253

NOTE 5 – CONTRACT WITH INVESTMENT COMPANY

The Plan has a contract with Standard Insurance Company. Standard maintains the contributions in a pooled account. The account is credited with actual earnings on the underlying investments and charged for Plan withdrawals and administration expenses. The contract is included in the financial statements at contract value, with approximate fair value, as reported to the Plan by Reliance. Contract value represents contributions made under the contract, plus earnings, less Plan withdrawals and administrative expenses.

NOTE 5 – CONTRACT WITH INVESTMENT COMPANY (CONTINUED)

The investment contract with Standard Insurance Company had a balance of assets at fair value as of December 31, 2024 and 2023, as follows:

Investment category	Fair Value	Level 2 Inputs	Level 3 Inputs
Separate account			
2024	$ 29,217,792	$ 27,323,061	$ 1,894,731
2023	$ 20,761,253	$ 19,265,894	$ 1,495,359

NOTE 6 – RELATED PARTY TRANSACTIONS

Certain plan investments are managed by Standard Insurance Company, the plan's custodian, and therefore represent party in interest transactions. Assets managed by Standard included on the Schedule of Assets (Held at End of Year) also disclose the party in interest relationship.

NOTE 7 – INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the custodian.

	December 31,	
	2024	2023
Investments at fair value:		
Mutual funds	$ 27,323,061	$ 19,265,894
Unallocated Contracts	$ 1,894,731	$ 1,495,359
Investment Income (loss)	$ 3,144,903	$ 2,751,386

NOTE 8 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will continue to be 100% vested in their accounts, and the Employer will direct distribution of the accounts in a manner permitted by the Plan as soon as practicable.

NOTE 9 – TAX STATUS

The Plan's sponsor, The Standard Retirement Services, Inc., obtained its latest determination letter on March 31, 2014 in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The letter indicates that all employers who subsequently adopt the Plan, as designed, will be qualified under Code section 401(a). The Plan design accepted and adopted by Dutch Bros was amended on October 1, 2019, with the caveat that should said amendment invalidate the IRS' Determination Letter, the Amendment shall be considered void and of no effect. The Plan's sponsor believes that the Plan is currently being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 10 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 11 – RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2024 and 2023, to Form 5500:
