INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator of
Independence Blue Cross Blue Chip Retirement Savings Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Independence Blue Cross Blue Chip Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan’s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENCE BLUE CROSS BLUE CHIP RETIREMENT SAVINGS PLAN

NOTES TO FINANCIAL STATEMENTS AS OF AND FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023

1. DESCRIPTION OF THE PLAN

The following brief description of the Independence Blue Cross Blue Chip Retirement Savings Plan (“the Plan”) is provided for general information purposes only. Participants should refer to the plan document for more complete information.

Effective January 1, 1983, the Plan was established for the benefit of employees of Independence Blue Cross, LLC (“IBC LLC”), the Plan sponsor. The Board of Directors has appointed the Pension Committee to control and manage the operation and administration of the Plan. The Vanguard Fiduciary Trust Company (“VFTC”) served as the trustee of the Plan through September 30, 2024. Effective October 1, 2024, IBC LLC entered into an agreement with Empower Trust Company, LLC (“Empower”) to serve as the Plan’s trustee, succeeding VFTC. The Plan is a defined contribution plan and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Contributions — Employees may elect to contribute 1% to 50% of their gross compensation to the Plan, as defined in the plan document, and subject to certain Internal Revenue Code (“IRC”) limitations. Highly compensated employees are invited to join the excess plan, a separate plan that provides employees the opportunity to make contributions that exceed the limitations. Employees who participate in the excess plan had their Plan contributions limited to \$21,500 for 2024 and \$20,500 for 2023. Employees over age 50 who participate in the excess plan were limited to \$29,000 for 2024 and \$28,000 for 2023. For employees hired prior to January 1, 2010, IBC LLC contributes an amount equal to 50% of the first 6% of salary deferral contributed by the employee (see Note 9). For all employees hired on or after January 1, 2010, IBC LLC makes an automatic contribution equal to 3% of eligible earnings regardless of whether the employee contributes to the Plan and IBC LLC will make an additional contribution equal to 50% of the first 8% of salary deferral contributed by the employee. For all employees hired on or after January 1, 2011, employer contributions are made after a ninety-day waiting period.

Investments — On January 5, 2024, the investment funds options offered under the Plan were updated. Upon enrollment in the Plan, a participant may allocate contributions among a selection of collective trust funds. In 2023, a participant was able to allocate contributions among a variety of mutual funds.

Interest and dividends earned by the participants’ investment choices are reinvested. Fair value appreciation or depreciation is reflected in the participants’ quarterly statements.

Vesting — Participants are immediately 100% vested in their elective deferral accounts and earnings. All employer contributions beginning in 2014 are 100% vested. Employer contributions in the Plan prior to 2014 were not fully vested until 60 months of service. Unvested employer contributions prior to 2014 are not forfeited until the participant withdraws their funds from the Plan.

Forfeited Accounts — When terminations of participation in the Plan occur, the non-vested portion of the participant’s account as defined by the Plan, represents a forfeiture. The plan document permits forfeited amounts to be used first to pay reasonable expenses relating to the administration of the Plan, and then to

be used to reduce future employer contributions. However, if a participant is reemployed and fulfills certain requirements, as defined in the plan document, the account will be reinstated. The Plan used forfeited amounts to pay expenses totaling \$44,849 and \$93,056 during the years ended December 31, 2024 and 2023, respectively. At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$272,141 and \$261,870, respectively.

Rollovers — The Plan offers the option of allowing any qualified participant to roll over any funds invested in other qualified 401(k) plans into the Plan. Such rollovers include pre-tax and designated Roth contributions and are subject to Plan approval.

Participant Accounts — Individual accounts are maintained for each participant of the Plan. Each participant's account is credited with the participant's contribution and related matching and the employer contributions (if applicable) and Plan earnings. Participant accounts are also charged with withdrawals, allocation of plan losses and administrative fees. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes Receivable from Participants — Participants may borrow up to 50% of their vested account balance up to a maximum of \$50,000. The minimum loan request is \$1,000 and no more than one loan is permitted in a twelve-month period. The maximum number of outstanding loans at any time is two. Loans bear interest at the prevailing market rates for similarly secured personal loans as determined by the Plan sponsor. Principal and interest are paid ratably through payroll deductions or through lump sum or partial direct payments. Loans mature in one to five years unless used for the purchase of a principal residence, in which case the maturity can extend to thirty years. As of December 31, 2024, participant loans outstanding have maturities through 2054 and bear interest rates between 4.25% and 9.50%. As of December 31, 2023, participant loans outstanding had maturities through 2053 with interest rates between 4.25% and 9.50%.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation — The Plan's financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Valuation of Investments and Income Recognition — The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. All earnings from the collective trust funds are reinvested directly into the funds.

Payment of Benefits — Benefits are recorded when paid. There were no participants who elected to withdraw from the Plan but had not yet been paid at December 31, 2024 and 2023.

Notes Receivable from Participants — Notes receivable from participants are measured at their unpaid principal balance. Delinquent participant loans are recorded as distributions based on the terms of the plan document.

Administrative Expenses — Administrative expenses are first paid by any forfeited employer contribution amounts (see Note 1). The amounts reported as administrative expenses in the accompanying financial statements include investment management and other loan related fees. Any remaining administrative

expenses incurred in the operation of the Plan are paid by IBC LLC and are not reflected in the accompanying financial statements.

Use of Estimates — The preparation of the Plan’s financial statements in conformity with GAAP requires Plan management to make estimates and assumptions. These estimates and assumptions, which may differ from actual results, could affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the Plan’s financial statements, as well as the reported amounts of changes in assets available for benefits.

Risks and Uncertainties — The Plan invests in collective trust funds and mutual funds that, in turn, invest in securities including U.S. Government securities, corporate debt instruments, and corporate stocks. Investment securities, in general, are exposed to various risks such as interest rate, credit, and overall market volatility. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statements of assets available for benefits.

Concentrations of Investments — Included in investments at December 31, 2024 is State Street S&P 500 Index Securities Lending Series Fund Class II of \$240,302,531 which represents 26.58% of total investments. Included in investments at December 31, 2023 are Vanguard Institutional Index Fund of \$159,070,686 and Vanguard Wellington Fund of \$106,034,095. Vanguard Institutional Index Fund and Vanguard Wellington Fund represent 16.84% and 11.23% of total investments at December 31, 2023, respectively. A significant decline in the market value of these investments could significantly affect the net assets available for benefits.

3. FAIR VALUE MEASUREMENTS

In accordance with the Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 820-10, the Plan classifies its investments into Level 1, which refers to securities valued using quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measurement.

Collective Trust Funds — These funds are not publicly traded, and value is based on observable inputs including share price or net asset value obtained directly from the fund manager.

Mutual Funds — Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth, by level within the fair value hierarchy, a summary of the Plan’s investments measured at fair value at December 31, 2024 and 2023.

	Fair Value Measurements at December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 525,232	\$ -	\$ -	\$ 525,232
Collective trust funds	<u>-</u>	<u>903,527,866</u>	<u>-</u>	<u>903,527,866</u>
Total investments	<u>\$ 525,232</u>	<u>\$ 903,527,866</u>	<u>\$ -</u>	<u>\$ 904,053,098</u>

	Fair Value Measurements at December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 944,615,023</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 944,615,023</u>
Total investments	<u>\$ 944,615,023</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 944,615,023</u>

4. BENEFITS PAID TO PARTICIPANTS

The Plan establishes the conditions a participant must meet in order to make withdrawals, such as attainment of age 59-1/2 or hardship as defined in the IRC. The Plan provides for distribution of the participant's account upon termination, retirement, disability or death of the participant.

5. RELATED-PARTY TRANSACTIONS

In 2023 and through January 5, 2024, the Plan invested in shares of mutual funds managed by VFTC. VFTC acted as trustee for only those investments as defined by the Plan. Transactions in such investments qualify as party-in-interest transactions that are exempt from the prohibited transactions rules. The Plan also issues loans to participants, which are secured by the vested balances in the participants' accounts.

6. TERMINATION OF THE PLAN

While IBC LLC has expressed its intent to continue the Plan for an indefinite period of time, IBC LLC reserves the right to terminate the Plan at any time. In the event of Plan termination or the complete discontinuation of employer contributions, participants would become 100% vested in their employer contributions.

7. TAX STATUS

The Plan obtained its latest determination letter dated July 27, 2017, in which the Internal Revenue Service stated that the Plan and related trust, as then designed, were in compliance with the applicable requirements of the IRC, and the Plan and related trust continued to be tax exempt. The Plan has been amended since receiving the determination letter, however, the plan administrator believes that the Plan is currently designed and being operated in substantial compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. INFORMATION CERTIFIED BY TRUSTEE

The following is a summary of the information regarding the Plan's investments as of and for the years ended December 31, 2024 and 2023, included in the Plan's financial statements and supplemental schedule, which was prepared by the Plan's trustee. As of December 31, 2024 and for the period of October 1, 2024

through December 31, 2024, Empower prepared and certified that such information is complete and accurate. As of December 31, 2023 and for the year then ended, and for the period of January 1, 2024 through September 30, 2024, VFTC prepared and certified that such information is complete and accurate. This certification also certifies the accuracy and completeness of the fair value measurements included within Note 3 (excluding the determination of level within the fair value hierarchy), as well as the accompanying supplemental schedule:

	2024	2023
Investments at fair value	<u>\$904,053,098</u>	<u>\$944,615,023</u>
Notes receivable from participants	<u>\$ 13,083,370</u>	<u>\$ 11,898,519</u>
Interest and dividend income	<u>\$ 1,419,323</u>	<u>\$ 28,511,523</u>
Interest income on participant loans	<u>\$ 945,157</u>	<u>\$ 670,832</u>
Net appreciation in fair value of investments	<u>\$119,465,568</u>	<u>\$115,213,152</u>

9. SUBSEQUENT EVENTS

The Plan's management evaluated subsequent events through September 23, 2025, the date the financial statements were available to be issued. With the exception of the below, there have been no subsequent events that impacted the Plan's financial statements or required disclosure in the notes.

Beginning January 1, 2026, for employees hired prior to January 1, 2010, IBC LLC will make an automatic contribution equal to 3% of eligible earnings regardless of whether the employee contributes to the Plan. IBC LLC will also increase the additional contribution equal to 50% of the first 6% of salary deferral contributed by the employee to 50% of the first 8% of salary deferral contributed by the employee.
