INDEPENDENT AUDITOR'S REPORT

To the Administrator of
Coim USA, Inc. 401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Coim USA, Inc. 401(k) Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Coim USA, Inc. 401(k) Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from qualified institutions as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

(Cont.)

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Coim USA, Inc. 401(k) Profit Sharing Plan & Trust and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

(Cont.)

Responsibilities of Management for the Financial Statements (Continued)

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Coim USA, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

(Cont.)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Coim USA, Inc. 401(k) Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Coim USA, Inc. 401(k) Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

(Cont.)

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Delinquent Participant Contributions and Loan Repayments, and Assets Held for Investment Purposes as of and for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

(Cont.)

Supplemental Schedules Required by ERISA (Continued)

In our opinion:

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

b. The Company has elected to make a safe harbor matching contribution to the Plan in an amount equal to 100 percent on the first 4 percent of the participant's eligible compensation during the Plan year.

c. The Company may make qualified non-elective employer contributions. The amount contributed shall be allocated to all participants who were employed by the Company on the last day of the Plan Year, in the ratio which each such participant's compensation bears to the total of all such participants' compensation.

The Company may make a discretionary non-elective profit sharing contribution to the Plan that will be allocated to all employees eligible to participate as defined in the Plan.

A. DESCRIPTION OF THE PLAN (CONT.)

2. Contributions (cont.)

d. A participant or an employee, who has not satisfied the age or service eligibility requirements, may transfer funds in from other qualified plans. The transferred amount shall be invested and administered as a part of the trust fund and this transfer is 100% vested as defined in the Plan document. The Plan may accept such "rollovers" provided the "rollover" will not jeopardize the tax-exempt status of the Plan or create adverse tax consequences for the Company.

e. A participant who is projected to reach age fifty (50) before the close of a taxable year will be permitted to make a catch-up contribution at any time during that Plan year. Catch-up contributions are contributions that exceed either the statutory limit as defined by the IRC Rules and Regulations, or the limit as defined by the Plan or any restrictions on contributions for certain highly paid employees. The limit on catch-up contributions for year 2024 was \$7,500 per individual.

3. Participant accounts

Each participant's account is credited with his/her contributions and the Plan earnings (losses), and charged with an allocation of administrative expenses during the Plan year. Each participant will have full responsibility for the investment results of his/her investment choices as offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment options consist of mutual funds, guaranteed investment contracts, pooled separate accounts, and common/collective trusts.

4. Vesting

A participant is immediately 100% vested in his or her own deferral, rollover contributions and qualified non-elective contribution as well as the Company's safe harbor match contributions. Also, a participant will always be automatically 100% vested in his or her nonelective contribution account upon the earlier of reaching retirement age (65), at death or disability, or upon termination of the Plan. For the purpose of vesting, all years of service are credited from the date of hire to determine a participant's vesting service.

A. DESCRIPTION OF THE PLAN (CONT.)

4. Vesting (continued)

A participant shall be vested in his or her nonelective contribution account based on years of service as as determined under the schedule set forth below:

<u>Years of service</u>	<u>Vested percentage</u>
Less than 3	0%
3 or more	100%

5. Payment of benefits

A participant may elect to receive the full amount of his or her vested account balance in the event of normal retirement at age 65, termination of service, death or disability. In-service withdrawals are permitted at the request of a participant after the age of 59-1/2. All distributions of benefits under this plan shall be made by the company holding the investments in accordance with the terms and conditions set forth in the group contract. Hardship withdrawals are also permitted, as defined in the Plan document.

Benefits will be distributed by a single lump sum payment, substantially equal annual or more frequent installments, or partial withdrawals. Participants are permitted by the Plan to make distributions in the form of an annuity. Upon severance of employment, distributions of accounts may be made as soon as administratively feasible. Participant consent is required only for distributions over \$5,000, the cash-out limit.

6. Loans and withdrawals

A participant may elect to receive a loan in the amount that may not exceed the lesser of \$50,000 or one-half of the participant's vested amount. All loans bear a reasonable rate of interest as determined by the Plan administrator based on the prevailing interest rate charged by persons in the business of lending money. Each loan amount (principal and interest) must be completely paid within five (5) years with the exception of loans used for the purchase of a principal residence which may exceed five years. Loan repayments and interest are deducted ratably from the participant's compensation in each payroll period.

6. Loans and withdrawals (continued)

A participant may elect to withdraw from his or her account by demonstrating an immediate and heavy financial hardship and that the money can not be obtained from any other source. Immediate and heavy financial hardships are: post-secondary tuition payments for the education of the participant and immediate family members; the purchase of a principal residence; non-elective medical expenses; funeral or burial expenses; repair expense to a principal residence that would qualify as a casualty loss deduction, and payments to prevent the eviction of the participant from a principal residence.

7. Forfeiture accounts

The portion of a participant's account balance that is not vested upon termination of employment will be forfeited. Any forfeitures occurring during a Plan year may be used for any permissible manner, such as to reduce subsequent employer contributions or to pay administrative expenses. During 2024, \$35,965 of forfeitures were used for employer contributions.

At December 31, 2024 and 2023, forfeited non-vested accounts totaled \$0 and \$0, respectively.

B. SUMMARY OF ACCOUNTING POLICIES

Basis of accounting

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Estimates

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

COIM USA, INC. 401(K) PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

B. SUMMARY OF ACCOUNTING POLICIES (CONT.)

Investment valuation and income recognition

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurement. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan. The guaranteed investment contract is presented on the face of the statement of net assets available for benefit at contract value. See Note D for discussion of the investment contract.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Loans to participants are reported at their unpaid principal balances plus accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2024 and 2023, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Administrative expenses

The Plan permits the payment of Plan expenses to be made from the Plan's assets, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. The Plan may assess against an individual participant's account certain Plan expenses that are incurred by or attributable to a particular participant.

Payment of benefits

Benefits are recorded when paid. However, as of December 31, 2024, \$2,006,136 of allocated balances for terminated participants was not paid because the participants did not request the withdrawal of their balances.

B. SUMMARY OF ACCOUNTING POLICIES (CONT.)

Date of management's review

Subsequent events were evaluated through September 25, 2025 which is the date the financial statements were available to be issued.

C. FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The method used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement hierarchy established under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820 prioritizes the inputs to valuation techniques. This hierarchy consists of three broad levels:

- Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority,
- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the assets or liabilities, either directly or indirectly, including quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in markets that are not active; inputs other than quoted prices that are observable for the assets and liabilities; and inputs that are derived principally from or corroborated by observable market data by correlation or other means, and
- Level 3 inputs are unobservable and have the lowest priority.

The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 and 2 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

C. FAIR VALUE MEASUREMENTS (CONT.)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

Level 1 Fair Value Measurements

Mutual Funds - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Level 2 Fair Value Measurements

Pooled Separate Accounts and Common/Collective Trusts - The pooled separate accounts and common/collective investment trusts are with Principal Life Insurance Company and Principal Trust Company and are valued using the net asset value ("NAV"), which is deemed by the Plan to be readily determinable fair value. The underlying securities in the pooled separate accounts are listed on national securities exchanges and valued on the basis of year-end closing prices. The investments are redeemable at the adjusted NAV under agreements with Principal. The NAV is a quoted price in a market that is not active and classified within Level 2 of the valuation hierarchy.

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023:

		Fair value measurements using:	
		Quoted prices in active markets for identical assets	Other observable inputs
	Fair value	(Level 1)	(Level 2)

NOTES TO FINANCIAL STATEMENTS

D. INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has a group annuity contract with Principal Life Insurance Company. Principal Life Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the contract. The contract is presented on the face of the statements of net assets available for benefits at the contract value.

Contract value, as reported to the Plan by Principal Life Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the contract at December 31, 2024 and 2023 was \$256,886 and \$339,191, respectively. The crediting interest rate is based on a formula agreed upon with the issuer. The crediting interest rate for 2024 ranged from 1.90% - 2.55% and the 2023 rate ranged from 2.05% - 1.90%. Such interest rates are reviewed on a semi-annual basis for resetting.

Certain events limit the Plan's ability to transact at contract value with Principal Life Insurance Company. Such events include the following: (a) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan); (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan; or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan Administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

The contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

Total investment income	<u>\$ 1,537,369</u>	<u>\$ 1,605,081</u>

F. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its non-elective contributions, if any, at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

G. TAX STATUS

The Internal Revenue Service has informed the Company by a letter dated June 30, 2020 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

COIM USA, INC. 401(K) PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

G. TAX STATUS (CONT.)

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2021.

H. PARTY-IN-INTEREST TRANSACTIONS

The Plan engages Principal Life Insurance Company and Principal Trust Company as the Plan's Trustees and accordingly invests in funds managed by them. Transactions in such investments qualify as party-in-interest transactions, however, they are exempt from the prohibited transaction rules under ERISA.

The Plan engages Legacy Retirement Solutions LLC as the Plan's Third Party Administrator and 5500 preparer.

The Plan engages Merrill Lynch for Group Annuity services.

The Plan engages Morgan Stanley Global as an investment advisor.

The Plan issues loans to participants that are secured by participants' account balances. These transactions qualify as party-in-interest transactions, however, they are exempt from the prohibited transaction rules under ERISA.

The Company pays for most of the expenses incurred in the administration of the Plan. Certain fees, to the extent not paid by the Company, are paid by the Plan. These transactions are not deemed prohibited party-in-interest transactions because they are covered by statutory and administrative exemptions from the IRC and ERISA rules on prohibited transactions.

I. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
