Opinion

We have audited the accompanying financial statements of Saratoga Homes Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Saratoga Homes Profit Sharing Plan & Trust as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Saratoga Homes Profit Sharing Plan & Trust and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Saratoga Homes Profit Sharing Plan & Trust’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

(Continued)

Responsibilities of Management for the Financial Statements (Continued)

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not absolute assurance, and therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Saratoga Homes Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Saratoga Homes Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS

DESCRIPTION OF PLAN

The following description of Saratoga Homes Profit Sharing Plan & Trust (“the Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General – The Plan was adopted January 1, 1998. The Plan is a defined contribution plan that covers substantially all employees of Saratoga Corporate Management Group, LLC (“the Company”) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Plan Administration – Pinnacle Plan Design, LLC is the third-party administrator for the Plan. Cetera Advisors, LLC is the investment manager for the Plan. The Plan administrator, an employee of the Company, administers the Plan. The Trustees of the Plan provide oversight of the Plan by determining the appropriateness of Plan provisions and investment offerings and monitoring investment performance.

Eligibility – All employees of the Company, excluding independent contractors and participants in the Saratoga United LLC 401(k) Plan, who have reached 21 years of age, completed one year and 1,000 hours of service are eligible to participate in the Plan.

Nonparticipant-Directed Investments – All investments of the Plan are nonparticipant-directed investments, participant-directed investments are not allowed. Information about net assets available for benefits and significant components of the changes in net assets available for benefits for nonparticipant-directed investments are disclosed in the accompanying statements of net assets available for benefits and statement of changes in net assets available for benefits.

Contributions – The Company may make a non-elective discretionary contribution to the Plan on behalf of each participant eligible to share in the allocation of the contribution during each Plan year. In 2024, the Company made a non-elective discretionary contribution of \$200,000 to the Plan. Employee contributions are not permitted.

The Company directs the investment of non-elective discretionary contributions into the various investment options offered by the Plan. Contributions are subject to certain IRS limitations.

Participant Accounts – Each participant's account is credited with the Company's non-elective discretionary contribution, if any, and an allocation of the Plan's earnings and administrative expenses as applicable. Allocations are based on the participant's proportionate share of units held of the applicable investment options during each Plan year. The benefit to which a participant is entitled is the benefit that can be provided from that participant's vested account.

Vesting – Vesting in the Company's non-elective discretionary contributions, plus actual earnings thereon, is according to a graduated schedule based on years of service. Participants are fully vested in these contributions after five years of service.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits – On retirement, death, disability, or termination of service, a participant (or participant's beneficiary in the event of death) may elect to receive a lump-sum distribution equal to the participant's vested account balance.

Forfeited Accounts – Forfeitures of the Company's contributions, and earnings thereon, resulting from participants leaving the Company prior to vesting, are retained in a forfeiture account. Forfeitures of Company contributions may be applied to payment of Plan administration expenses or to reduce the Company's contributions. There was no balance in the Plan's forfeiture account as of December 31, 2024 and 2023. Forfeitures used to reduce Company contributions were \$2,617 during the year ended December 31, 2024. There were no amounts applied to pay administrative expenses during 2024.

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting – The financial statements of the Plan are prepared using the accrual method of accounting.

Accounting Estimates – The preparation of the Plan's financial statements in conformity with generally accepted accounting principles in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and the changes in net assets available for benefits during the reporting period and, when applicable, disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition – Exchange-traded funds are stated at fair value as determined by quoted market prices, which represents the net asset value of shares held by the Plan at year-end. Money market funds are stated at amortized cost, which approximates fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Net Appreciation (Depreciation) in Fair Value of Investments – Net appreciation (depreciation) consists of the unrealized appreciation (depreciation) of the investments and the excess (deficiency) of net proceeds over market value of the related investment at the beginning of the year.

Payment of Benefits – Benefits are recorded when paid.

Administrative Expenses – Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses paid by the Company are excluded from these financial statements. Fees related to the administration of benefit payments are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation (depreciation) of fair value of investments. For the year ended December 31, 2024, administrative expenses amounting to \$33,123 were paid by the Plan.

FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

FASB ASC 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. In general, fair value determined by Level 1 inputs utilize quoted prices (unadjusted) in active markets the Plan has the ability to access for identical assets or liabilities. Fair value determined by Level 2 inputs utilize inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly or indirectly. Level 2 inputs include quoted prices for similar assets and liabilities in active markets and inputs other than quoted prices observable for the asset or liability, such as interest rate and yield curves observable at commonly quoted intervals. Level 3 inputs are unobservable inputs for the asset or liability, and include situations where there is little, if any, market activity for the asset or liability.

In instances in which the inputs used to measure fair value may fall into different levels of the fair value hierarchy, the level in the fair value hierarchy within which the fair value measurement in its entirety has been determined is based on the lowest level input significant to the fair value measurement in its entirety. The Plan's assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment and considers factors specific to the asset or liability.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value on a recurring basis as of December 31, 2024 and 2023:

	<u>Level 1</u>	<u>Total</u>
<u>December 31, 2024</u>		
Exchange-traded funds	\$2,262,171	\$2,262,171
Investments measured at net asset value	<u> </u>	<u>65,251</u>
Total	<u>\$2,262,171</u>	<u>\$2,327,422</u>
<u>December 31, 2023</u>		
Exchange-traded funds	\$2,133,802	\$2,133,802
Investments measured at net asset value	<u> </u>	<u>126,181</u>
Total	<u>\$2,133,802</u>	<u>\$2,259,983</u>

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

FAIR VALUE MEASUREMENTS (CONTINUED)

Level 1 Fair Value Measurements – The fair value of the exchange-traded funds is based on quoted net asset values of the shares held by the Plan at year-end. The exchange-traded funds held by the Plan are registered within the U.S. Securities and Exchange Commission and are considered to be actively traded. The funds must publish their daily net asset value and transact that price.

Investments Measured at Net Asset Value - Certain investments that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient, which include money market funds, have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented on the statements of net assets available for benefits. These investments have no unfunded commitments as of December 31, 2024 and 2023 and can be redeemed daily with no redemption notice period or other redemption restrictions.

EXEMPT PARTY-IN-INTEREST TRANSACTIONS

All Plan investments are maintained in a brokerage account under a managed portfolio agreement with Cetera Advisors, LLC (“Cetera”). Cetera is the investment manager as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan to Cetera for investment advisory and management services amounted to \$30,848 during the year ended December 31, 2024. There were no fees paid by the Company to Cetera related to the Plan during 2024.

SBNG, PC, the auditor of the Plan and Company, charges fees for the audit and attest services it provides, which may be paid by the Plan or Company. These transactions qualify as exempt party-in-interest transactions. The Plan’s audit fees during the year ended December 31, 2024 were paid by the Company and are excluded from these financial statements.

Certain Plan transaction processing, year-end compliance testing and Form 5500 preparation is performed by Pinnacle Plan Design, LLC (“Pinnacle”). Pinnacle is the third-party administrator as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for these services amounted to \$2,275 for the year ended December 31, 2024. Additional fees paid to Pinnacle for the year ended December 31, 2024 were paid by the Company and are excluded from these financial statements.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

INCOME TAX STATUS

The Plan has not requested determination from the Internal Revenue Service as to the Plan's tax-exempt status. The IRS has determined and informed Pinnacle Plan Design, LLC by a letter dated June 7, 2021 that the volume submitter plan from which the Plan was drafted is designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the letter, Plan management believes that the Plan is designed to operate in accordance with all applicable provisions of the Internal Revenue Code. Therefore, Plan management believes that the Plan is qualified and that the related trust is exempt from taxation under the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain tax position that more likely than not would not be sustained upon examination by the IRS. As of December 31, 2024, there were no uncertain tax positions. The Plan files a Form 5500. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan is no longer subject to U.S. federal and state income tax examinations by authorities for the years before December 31, 2021.

PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

RISKS AND UNCERTAINTIES

The Plan provides for various investment options in any combination of investment securities based upon participant requests. Investment securities are exposed to various risks such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near-term, and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

SUBSEQUENT EVENTS

Subsequent events were evaluated through October 06, 2025, which is the date the financial statements were available to be issued.
