Independent Auditor's Report

Plan Sponsor
AH Facilities 401(k) Plan

Opinion

We have audited the accompanying financial statements of the AH Facilities 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in net assets available for benefits for the years ended December 31, 2024 and 2023 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental information on pages 14 through 16 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedules is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

AH FACILITIES 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2024 AND 2023

Note 1 - Description of Plan and Significant Accounting Policies

The following description of the AH Facilities 401(k) Plan (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan first became effective August 1, 2000 as a defined contribution plan covering eligible employees of Advantage Rehabilitation Services, LLC (the "Company" or "Plan Sponsor"). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Management has evaluated subsequent events through the date of the auditor's report, the date the financial statements were available to be issued.

Purpose

The purpose of the Plan is to enable and encourage retirement savings for eligible participants.

Participation

Non-collectively bargained employees of the Company who are at least 21 years of age are eligible to participate at the beginning of the calendar quarter following completion of 1 full calendar month of employment during which the employee is credited with at least 83 hours of service. An employee failing to work 83 hours in the first month of employment will be eligible to participate in the Plan after 1 year of service, defined as at least 1,000 hours in a 12 month period.

Collectively bargained employees of the Company who are at least 21 years of age and whose retirement benefits are collectively bargained through an agreement between Alaris Health at Rochelle Park and 1199 SEIU United Healthcare Workers East, are eligible to participate after 90 days of continuous employment in which the employee regularly works at least 22.5 hours per week.

AH FACILITIES 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2024 AND 2023

Note 1 - Description of Plan and Significant Accounting Policies (cont'd)

Vesting

Participants are 100% vested in the contributions they make to the Plan including salary deferrals and rollover contributions, plus actual earnings thereon. Participants covered by the collective bargaining agreement are immediately 100% vested in employer matching contributions.

Participants are vested in profit sharing contributions subject to a 5 year schedule as follows:

<u>Years of Credited Service</u>	<u>Vested Percentage</u>
1	20%
2	40%
3	60%
4	80%
5	100%

In addition, a participant whose retirement benefits are collectively bargained will become 100% vested in profit sharing contributions if they are employed on or after their normal retirement age.

Benefits

A participant, or the participant's beneficiary, is entitled to receive benefits, if the participant:

1. Attains age 65 or is a participant for 5 years, whichever is later
2. Dies
3. Becomes disabled
4. Attains age 59 1/2, and is an active participant of the Plan
5. Terminates employment

Plan regulations mandate that the distribution of a participant's benefit commences when the participant attains age 73, or retires, whichever occurs later.

Active participants may take withdrawals from their rollover contributions at any time.

AH FACILITIES 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2024 AND 2023

Note 1 - Description of Plan and Significant Accounting Policies (cont'd)

Benefits (cont'd)

Benefits are recorded when paid.

A participant may elect any one of the following methods of payment:

- a. One lump sum
- b. Partial withdrawals
- c. Direct rollover

In accordance with IRS Regulations, minimal account balances may be distributed in one lump sum payment without consent of the participant.

Hardship withdrawals

In the event of certain financial hardships, as defined in the Plan, a participant may apply for a distribution from their account upon satisfying certain conditions.

Participant accounts

Individual accounts are maintained for each participant of the Plan and are "participant directed" for investment purposes. Under this approach, each participant directs the investment of their account into various investment options offered by the Plan. Each participant's account is credited with contributions made on their behalf. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeitures

Participants that terminate service prior to being fully vested in their employer profit sharing contributions will forfeit the amount in which they are not vested at the earlier of the date they receive a distribution of their vested account balance or the date they incur five consecutive one year breaks in service.

The Plan may elect to allocate forfeitures to reduce employer contributions, as additional contributions, or pay Plan expenses. For the years ended December 31, 2024 and 2023, there were no forfeitures available to be allocated.

AH FACILITIES 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2024 AND 2023

Note 1 - Description of Plan and Significant Accounting Policies (cont'd)

Notes receivable from participants

A participant may generally borrow up to 50% of the amount in their individual account not to exceed \$50,000, and may not have more than one loan outstanding at any time and may not apply for more than one loan every three years. The loans are secured by the balance in the participants' accounts. Loans are limited to purposes defined in the Plan and bear interest at the prime interest rate plus one percentage point. In general, loans must be repaid at least quarterly over a period of five years. Loans relating to the purchase of a principal residence must be repaid in accordance with terms set by the Plan Sponsor.

Notes receivable from participants are measured at their unpaid principal balance. As of December 31, 2024 and 2023 no allowance for credit losses has been recorded. If a participant does not make loan repayments in accordance with the terms of the loan and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Plan termination

The Plan Sponsor expects and intends to continue the Plan indefinitely, but reserves the right to amend or terminate it as provided for by the applicable Trust Agreement and Plan provisions. If the Plan is terminated, the rights of all affected participants and beneficiaries, to the value of the amounts credited to participants' accounts, shall be non-forfeitable and the Plan assets will be allocated to pay all obligations of the Plan and to provide benefits to those eligible under the terms of the Plan and as otherwise required by law.

Basis of accounting

The financial statements are presented on the accrual basis of accounting.

Investment valuation and income recognition

The Plan's investments are stated at fair value except for fully benefit-responsive investment contracts, which are reported at contract value. See "Fair value measurements" footnote for additional information.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from these estimates.

AH FACILITIES 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2024 AND 2023

Note 1 - Description of Plan and Significant Accounting Policies (cont'd)

Administrative costs

The Plan Sponsor has agreed to assist in the administration of the Plan and absorb certain administrative costs related to the Plan.

Note 2 - Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). Certain investments that are measured at fair value using the net asset value per share (or its equivalent practical expedient) have not been classified in the fair value hierarchy. As of December 31, 2024 and 2023 all of the Plan's investments at fair value are measured using net asset value per share.

Note 3 - Pooled separate accounts

The Plan invests in numerous Transamerica Life Insurance Company Separate Accounts ("TLIC-SA") with reported unit values and no quoted market prices. They are invested in pools of assets in which the primary underlying investment is the named mutual or collective trust fund. Investment gains and losses for the TLIC-SAs are reflected by net increases/decreases in investment unit values.

Blackrock's Transamerica LifeGoal 2025, Transamerica LifeGoal 2030, Transamerica LifeGoal 2035, Transamerica LifeGoal 2040, Transamerica LifeGoal 2045, Transamerica LifeGoal 2050, Transamerica LifeGoal 2055, Transamerica LifeGoal 2060, Transamerica LifeGoal 2065 and Transamerica LifeGoal Retirement ("BlackRock-SA") are TLIC-SAs that invest exclusively in the underlying collective trust fund with a similar name. The investment objective seeks to provide for retirement outcomes consistent with investor preferences throughout the savings and drawdown phase based on quantitatively measured risk that investors, on average, may be willing to accept. The BlackRock-SAs are diversified across global asset classes, with allocations changing over the investment horizon to become more conservative and heavily oriented toward debt and debt-like securities as the target retirement date approaches. The estimated fair value of the Plan's investment as of December 31, 2024 and 2023 was \$4,062,533 and \$3,729,532, respectively.

AH FACILITIES 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2024 AND 2023

Note 4 - Unallocated insurance contract

The Transamerica Stable Value Core Option is a fully benefit-responsive investment contract with Transamerica Life Insurance Company. This investment contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. The interest crediting rate is set semi-annually. The contract value of the investment contract as of December 31, 2024 and 2023 was \$160,316 and \$139,574, respectively.

The Plan's ability to receive amounts due in accordance with the fully benefit-responsive investment contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments. Certain events may limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants. In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers, which would also limit the ability of the Plan to transact at contract value with the participants.

Note 5 - Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Note 6 - Party-in-interest transactions

Certain Plan investments are held by the manager of the investment; therefore, transactions relating to those investments qualify as exempt party-in-interest transactions and are identified as such on the supplemental schedules of investments. Notes receivable from participants also qualify as exempt party-in-interest transactions and are identified as such on the supplemental schedules.

Note 7 - Employer and participant contributions

Participants may elect salary deferrals of up to the annual maximum established by the IRS during any plan year. Participants who are age 50 at the end of any calendar year may make "catch up" contributions up to the annual maximum established by the IRS during any plan year. The Plan also accepts rollover contributions or transfers to the Plan with the approval of the Plan Sponsor. The Company may make discretionary matching contributions and profit sharing contributions for eligible union members if the collective bargaining agreement specifically calls for inclusion in the Plan.
