## **INDEPENDENT AUDITORS' REPORT**

To the Administrative Committee of  
San Gabriel Transit & Affiliates 401(k) Retirement Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of San Gabriel Transit & Affiliates 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of San Gabriel Transit & Affiliates 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of San Gabriel Transit & Affiliates 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about San Gabriel Transit & Affiliates 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of San Gabriel Transit & Affiliates 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about San Gabriel Transit & Affiliates 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter—Supplemental Schedules Required by ERISA**

The supplemental schedule of assets held at end of year is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS.

For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTE 1. DESCRIPTION OF THE PLAN**

The following description of the San Gabriel Transit & Affiliates 401(K) Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering substantially all employees of the San Gabriel Transit, Inc. and other participating companies under common control, as listed in the Plan document (collectively, the Company), except for leased employees and non-resident aliens. There is no age or service requirement for an employee to participate in the Plan. To receive discretionary Company matching contributions, a participant must have attained the age of 21 and must have completed a year of service.

The Plan is a defined contribution plan and is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

*Employee Contributions:*

Participants may contribute up to 90% of their eligible pre-tax compensation, as defined in the Plan. Participants may also make a separate election to defer up to 100% of any bonus. Total participant contributions are subject to annual limits under the IRC. The maximum participant deferral limit was \$23,000 for the year ended December 31, 2024. Employees who had attained age 50 or older as of December 31, 2024 may elect to make catch-up contributions in accordance with the Internal Revenue Code. The catch-up contribution is limited to \$7,500 for the year ended December 31, 2024. The Plan allows rollover contributions.

*Matching Contributions:*

The Company may make a discretionary matching contribution equal to a discretionary percentage determined by the Company. The Company may also make annual discretionary profit-sharing contributions to the Plan. The Company did not make any discretionary matching or profit-sharing contributions to the Plan for the year ended December 31, 2024.

In 2022, one of the participating companies within the Company entered into a collective bargaining agreement that is effective for the period October 1, 2022 to September 30, 2025. Employees covered under this Agreement shall be eligible to participate in the 401(k) retirement plan offered by the collective bargaining agreement. Employees may contribute a percentage of their earnings to the 401(k), and the Company will match the employee contribution for full time employees up to five percent (5%) of earnings.

Participant Accounts

Each participant’s account is credited with the participant’s contribution, the Company’s matching contribution, if any. Plan earnings are charged with an allocation of administrative expenses. Allocations are made by the Plan Administrator in a manner which recognizes each participant’s account balance, investment selection and timing of contributions and withdrawals. The benefit a participant is entitled to is the benefit that can be provided from the participant’s vested account.

Investment Options

Participants direct the investment of their contributions and their share of the Company’s matching contributions, if any, into any variety of investment options held by Matrix Trust Company.

**NOTE 1. DESCRIPTION OF THE PLAN (continued)**

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in discretionary Company matching contributions and profit-sharing contributions is based on years of continuous service as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years or more	100%

In addition, certain special contributions that are made to the Plan will always be 100% vested.

Forfeitures

Forfeitures of terminated participants' nonvested amounts are used to reduce administrative expenses under the Plan, if any. The forfeiture balance was nominal for the years ended December 31, 2024 and 2023.

Notes Receivable from Participants

Participants may borrow from their vested accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of (i) 50% of their vested account balance or (ii) \$50,000. Two loans may be outstanding at any time by a participant. Participant loans are secured by the participant's vested account balance and bear interest on the prime rate plus 1 percentage point on the date of the loan. Interest rates were 8.00% to 9.50% and 4.25% to 9.50% for loans outstanding as of December 31, 2024 and 2023, respectively. There was a balance of \$5,658 and \$4,685 for the years ended December 31, 2024 and 2023, respectively. Principal and interest are paid ratably through payroll deductions over a term not to exceed five years or extend beyond the participant's normal retirement.

Payment of Benefits

Upon retirement, death, disability or other termination of employment, a participant or beneficiary is entitled to receive a lump-sum amount equal to the value of the participant's vested interest in his or her own account. Account balances of \$1,000 or less can be distributed whether or not requested.

In-service distributions are allowed when a participant either attains age 59-1/2 or experiences a financial hardship as defined by the Internal Revenue Code. Such withdrawals are subject to applicable excise and income taxes and may only be made with the approval of the Plan Administrator. Benefit payments and distributions were \$42,054 for the year ended December 31, 2024.

Administrative Expenses

The Company incurs certain expenses in administering the Plan which are not passed on as expenses of the Plan. Administrative expenses charged to the Plan consist of charges related to investment transactions, benefit payments and loan processing. Administrative expenses were \$4,331 for the year ended December 31, 2024.

See accompanying independent auditors' report.

**NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”), except for benefits paid to participants, which are recorded when paid.

Managements’ Estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, as well as disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan’s investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year. See note 4 for discussion of fair value measurements.

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest.

Benefit Payments

Benefits are recorded when paid.

**NOTE 3. INFORMATION CERTIFIED BY THE PLAN’S INSURANCE COMPANY AND TRUSTEE**

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosures under ERISA. Accordingly, Matrix Trust Company, have certified as being complete and accurate the investments on the statement of net assets available for benefits as of and for the years ended December 31, 2024 and 2023, and the investment activity reflected in the statement of changes in net assets available for benefits and the investment information included in the supplemental schedule for the year ended December 31, 2024.

**NOTE 4. FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC 820), *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and is measured according to a hierarchy that includes: “Level 1” inputs, such as quoted prices in an active market for identical assets or liabilities; “Level 2” inputs, which are observable inputs for similar assets; or “Level 3” inputs, which are unobservable inputs.

The asset or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

See accompanying independent auditors’ report.

**NOTE 4. FAIR VALUE MEASUREMENTS (continued)**

Following is a description of the valuation methodologies used for assets measured at fair value. There has been no changes in the methodologies used at December 31, 2024 and 2023 for mutual funds.

*Money Market Funds:* the carrying value approximates fair value.

*Mutual funds:* Share Prices/Net Asset Values (NAVs) reported on the Plan Summary Reports for NAV mutual funds are generally obtained from a file feed from the National Securities Clearing Corporation, and/or directly from the fund house, or a secondary pricing source, such as Interactive Data Corporation (IDC). Mutual funds are reported as a level 1 asset.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Although the Plan Administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments may result in a different fair value measurement as of the reporting date.

The following are the major categories of assets and liabilities measured at Level 1 fair value on a recurring basis during the years ended December 31, 2024 and 2023, respectively, using quoted prices in active markets for identical assets:

	<u>2024</u>	<u>2023</u>
Money market funds	\$ 234,440	\$ 246,699
Mutual funds		
Allocation	100,031	63,808
International equity	87,029	87,933
Sector equity	21,291	20,941
Taxable bond	143,008	127,172
U.S. Equity	445,149	364,823
Total mutual funds	<u>796,508</u>	<u>664,677</u>
Total investments at fair value	<u>\$ 1,030,948</u>	<u>\$ 911,376</u>

**NOTE 5. TRANSACTIONS WITH RELATED PARTIES AND PARTIES-IN-INTEREST**

As of December 31, 2024 and 2023, the Company was the Plan Sponsor, and Matrix Trust Company was the custodian and record-keeper as defined in the Plan document and, therefore, these transactions qualify as allowable party-in-interest transactions. Participant loans also qualify as exempt party-in-interest transactions.

Additionally, the Plan Sponsor is a party-in-interest to the Plan; however, there were no transactions with the Plan Sponsor other than the funding of contributions to the Plan and payment of certain administrative expenses of the Plan.

**NOTE 6. ADMINISTRATION OF PLAN ASSETS**

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

See accompanying independent auditors' report.

**NOTE 7. TAX STATUS**

The Plan has adopted a volume submitter plan sponsored by July Services, Inc., (formerly Digital Retirement Solutions, Inc.). The volume submitter plan provider has received an advisory letter dated June 30, 2020, from the Internal Revenue Service as to the volume submitter plan's qualified status. The volume submitter plan advisory letter has been relied upon by the Plan. The Plan has been amended since the volume submitter plan received the advisory letter. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate certain tax positions taken by the plan and recognize a tax liability (asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The plan is subject to routine audits by taxing jurisdictions, however there are currently no audits for any tax period in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to December 31, 2020.

**NOTE 8. RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Plan Benefits and the Statement of Changes in Net Assets Available for Plan Benefits.

**NOTE 9. PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

**NOTE 10. SUBSEQUENT EVENTS**

The Plan has evaluated subsequent events through September, 29, 2025, the date which the financial statements were available to be issued.
