The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in the light of surrounding circumstances, make it probable that, individually or in the aggregate, that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

We have reviewed such report, including the complementary user controls. We have implemented the relevant user controls, and they were in operation for the year ended December 31, 2024.
- The Plan’s Form 5500 returns for 2021 - 2024, which include the Plan’s audited financial statements, are subject to examination by the IRS and the DOL, generally for three to four years after they were filed. The Plan Sponsor recognizes tax positions on the Form 5500 only to the extent that we believe it is “more likely than not” that those tax positions will be sustained upon IRS/DOL examination.
- Plan management has properly evaluated and implemented all required aspects of SECURE Act 2.0 as intended. We have informed you of any optional aspects of SECURE Act 2.0 which we have elected to implement.

Very truly yours,

FEDA MASSEUD  
President & CEO
