INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
IAVI 401(a) Retirement Plan
New York, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed the audits of the financial statements of IAVI 401(a) Retirement Plan (the Plan), an employee benefit Plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a State or Federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from the qualified institutions as of December 31, 2024 and 2023, and for the years then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section —

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, is presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by the qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by the institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule is presented for purposes of additional analysis and is not a required part of the financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion —

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by the qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by the institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

IAVI 401(A) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

1. DESCRIPTION OF THE PLAN

The following description of IAVI 401(a) Retirement Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General -

The Plan is a defined contribution Plan covering all eligible employees of International AIDS Vaccine Initiative, Inc. (the Plan Sponsor). The Plan was established on January 1, 2022, and qualifies under the Internal Revenue Code as a 401(a) Retirement Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act (ERISA).

Eligibility -

An employee is eligible to participate in the employer non-elective contributions to the Plan on the first of the month following the completion of six consecutive months of employment.

Contributions -

Under the terms of the Plan, the Plan Sponsor may decide to provide a discretionary non-elective contribution. A participant's portion of the employer contributions is allocated based on the participant's annual compensation. All contributions to the Plan are employer discretionary non-elective contributions.

Vesting -

A participant will become fully vested in the portion of their individual account derived from the employer contributions after three years of vesting service. For each year of service (minimum 1,000 hours worked in a calendar year), one-third of the employer contribution will become vested.

Participant accounts -

Each participant's account includes (a) investment earnings and losses and (b) the employer's contributions. Participants' accounts are also charged with an allocation of administrative fees that are paid by the Plan. Allocations of investment earnings and losses, and administrative fees are based on either a participant's account balance or specific participant transactions, as defined in the Plan document.

Investment elections -

Contributions to the Plan are invested according to participant instructions. The Plan Sponsor has selected a list of investment options and has provided participants with information describing these investment options.

Payment of benefits -

Participants are entitled to receive a distribution of their vested account in the Plan upon termination of their employment; retirement; death or disability and termination of the Plan without the establishment of a successor Plan. A participant may elect to receive a lump sum amount equal to the value of his or her account, or a series of cash payments, in substantially equal installments. Hardship distributions are not permitted.

IAVI 401(A) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

1. DESCRIPTION OF THE PLAN (Continued)

Forfeited non-vested accounts -

Forfeited balances of terminated participants' non-vested accounts may be used to reduce the employer contributions. The unallocated forfeiture balance that is held by the Plan for future use totaled \$12,475 and \$1,241 as of December 31, 2024 and 2023, respectively. The employer did not use any of the forfeiture balance to reduce employer contributions during the years ended December 31, 2024 and 2023.

Notes receivable from participants -

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the remaining balance in the participant's account and bear interest at prime plus one percent, which is commensurate with prevailing rates as determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions. Interest rates on the notes receivable from participants ranged from 9.25% to 9.50% for the years ended December 31, 2024 and 2023, with maturity dates through June 15, 2038.

Plan termination -

Although it has not expressed any intent to do so, the employer has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would become 100% vested in their accounts.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting -

The financial statements are prepared on the accrual basis of accounting and in accordance with FASB ASC 962, *Plan Accounting Defined Contribution Pension Plans*.

Use of estimates -

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Valuation of investments -

Investments in registered investment companies are stated at fair value, which is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for discussion on fair value measurements.

Investments in the pooled separate account are stated at net asset value. Under the pooled investment concept, investment managers account for the Plan's share of the total portfolio on a unit basis, which is the net asset value.

IAVI 401(A) RETIREMENT PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Valuation of investments (continued) -

Investments in the guaranteed investment contract that is non benefit-responsive are stated at fair value, which is determined by the insurance carrier by discounting the related cash flows based on current yields of similar instruments with comparable durations and considering the creditworthiness of the issuers. Participants transact at contract value during the year, but fair value is determined annually for financial statement reporting purposes.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains on investments bought and sold as well as held during the year.

Notes receivable from participants -

Notes receivable from participants are measured at their unpaid principal balance, plus accrued interest. Delinquent loans are treated as distributions based upon the terms of the Plan document. Delinquent loans include loans for which any scheduled repayment remains unpaid at the end of the period specified in the loan documents and loans for which there is an outstanding principal balance existing after the last scheduled repayment date.

Benefit payments -

Benefits are recorded when paid.

Administrative fees -

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and some are paid out of the Plan, which are included in these financial statements. Investment-related expenses are included as a reduction in the net appreciation of fair value of investments presented in the accompanying Statements of Changes in Net Assets Available for Benefits. Expenses that are paid by the Plan Sponsor are excluded from these financial statements.

3. INCOME TAX STATUS

The Plan has a volume submitter opinion letter dated October 7, 2020, in which the Internal Revenue Service (the IRS) indicated that the prototype Plan document, as then designed, was in compliance with the applicable requirements of the IRC and was qualified and tax-exempt. Management believes the Plan is currently designed and operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

IAVI 401(A) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

4. INFORMATION CERTIFIED BY THE QUALIFIED INSTITUTIONS

The Plan Sponsor has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan's Administrator instructed the Plan's independent auditors not to perform, and they did not perform, such auditing procedures with respect to the information certified by the qualified institutions.

Teachers Insurance and Annuity Association of America (TIAA) and College Retirement Equities Fund (CREF), the qualified institutions, issued Certification Statements certifying the completeness and accuracy of the investment information presented in the Schedule of Assets (Held at End of Year) and the investment income in the Statements of Changes in Net Assets Available for Benefits as of and for the years ended December 31, 2024 and 2023.

5. PARTY-IN-INTEREST TRANSACTIONS

The Plan's investments are held by TIAA and CREF, the qualified institutions, which provide record keeping, Plan management, and day-to-day support to the Plan. Therefore, transactions with TIAA and CREF qualify as party-in-interest transactions.

6. RISKS AND UNCERTAINTIES

The Plan invests in investment securities, which are exposed to various risks such as interest rates, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

7. GUARANTEED INVESTMENT CONTRACT

The Plan has a non benefit-responsive investment contract with TIAA, which maintains the contributions in a general account. The general account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative fees. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. There are no reserves against contract value for credit risk of the contract issuer or otherwise. This fund option is referred to as a guaranteed investment contract in the Plan's financial statements.

Contract Information - TIAA Traditional

TIAA Traditional is an annuity option that can provide a guarantee because it is a form of an insurance contract. Like all insurance products, the ability to satisfy guarantees is subject to what is referred to as the "claims-paying ability" of the insurance company that issues the contract. Thus, TIAA Traditional is a fixed annuity product backed by the claims-paying ability of TIAA, an insurance carrier.

TIAA guarantees a participant's principal and a contractually specified minimum interest rate. Any additional amounts that may be earned beyond the guaranteed minimums are not guaranteed beyond the period for which they are declared.

IAVI 401(A) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2024 AND 2023

7. GUARANTEED INVESTMENT CONTRACT (Continued)

On March 1, the interest rates for all existing time periods (referred to as “renewal rates”) are reviewed for possible reset. Rates are then guaranteed until the end of the following February (i.e., through the “declaration year”). TIAA’s Board of Trustees determines the interest rate in excess of the guaranteed minimum rates for a particular time period based on various factors.

TIAA provides a guarantee of principal, a guaranteed minimum rate of interest (generally 3%, but in some recent contracts, between 1% and 3%), and the potential for additional interest if declared by TIAA. Additional interest, when declared, remains in effect for the “declaration year,” which begins each March 1. Additional interest is not guaranteed for future years. The TIAA Traditional insurance contracts do not permit the insurance carrier to terminate the agreements prior to their scheduled maturity dates.

Fair Value

Fair value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the non benefit-responsive contracts. Fair value, as reported by TIAA to the Plan, represents the discounted cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuers. The fair value of the non benefit-responsive contract totaled \$100,421 and \$49,598 as of December 31, 2024 and 2023, respectively.

Interest Rates

For TIAA Traditional, the average yield and crediting interest rates was 4.75% and 6.00% for the years ended December 31, 2024 and 2023, respectively.

8. FAIR VALUE MEASUREMENTS

In accordance with FASB ASC 820, *Fair Value Measurement*, the Plan has categorized its financial instruments, based on the priority of the inputs to the valuation technique, into a three-level fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure the financial instruments fall within different levels of hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement of the instrument.

Investments recorded in the Statements of Net Assets Available for Benefits are categorized based on the inputs to valuation techniques as follows:

Level 1. These are investments where values are based on unadjusted quoted prices for identical assets in an active market the Plan has the ability to access.

Level 2. These are investments where values are based on quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, or model-based valuation techniques that utilize inputs that are observable either directly or indirectly for substantially the full-term of the investments.

Level 3. These are investments where inputs to the valuation methodology are unobservable and significant to the fair value measurement.

IAVI 401(A) RETIREMENT PLAN

**NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023**

8. FAIR VALUE MEASUREMENTS (Continued)

Following is a description of the valuation methodologies used for investments.

- *Registered Investment Companies (Mutual Funds)* - Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. Mutual funds are required to publish their daily value and to transact at that price. Mutual funds held by the Plan are deemed to be actively traded.
- *Pooled Separate Account* - Valued at the number of participation units held at year-end multiplied by the current participation-unit value. Investments in the pooled separate account represent ownership of units of participation rather than ownership of specific assets. The value of a unit of participation is the total value of the separate account divided by the number of units outstanding, which is the net asset value.
- *Guaranteed Investment Contract (Non Benefit-Responsive)* - Valued at fair value and includes the non benefit-responsive option of the TIAA Traditional guaranteed insurance contract. Fair value is determined by TIAA, the insurance carrier, by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuers. Because the participants transact at contract value, fair value is determined annually for financial statement reporting purposes. Benefits under the non benefit-responsive options have liquidity restrictions. Distributions, withdrawals, and transfers out of the non benefit-responsive options are made in accordance with the terms of the contract.

The fair value of the Plan's investments in pooled separate accounts have been determined using net asset value (NAV) per share as a practical expedient because the fair value is not readily determinable. In accordance with GAAP, NAV may be used unless it is probable that the investment will be sold at a price other than NAV. GAAP also requires disclosure of certain attributes by major category for investments allowed to elect the practical expedient, regardless of whether the practical expedient was used.

The Plan's investments that were measured at net asset value have not been categorized in the fair value hierarchy. However, the net asset value amounts presented in the tables below are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Changes in Net Assets Available for Benefits.

The table below summarizes, by level within the fair value hierarchy, the Plan's investments as of December 31, 2024:

Asset Class:	Level 1	Level 2	Level 3	Investments Measured at NAV	Investments Measured at Contract Value	Total
Registered investment companies, at fair value	\$ 7,169,631	\$ -	\$ -	\$ -	\$ -	\$ 7,169,631

8. FAIR VALUE MEASUREMENTS (Continued)

The table below summarizes, by level within the fair value hierarchy, the Plan's investments as of December 31, 2023:

Asset Class:	Level 1	Level 2	Level 3	Investments Measured at NAV	Investments Measured at Contract Value	Total
Registered investment companies, at fair value	\$ 3,953,947	\$ -	\$ -	\$ -	\$ -	\$ 3,953,947
Pooled separate account, at net asset value	-	-	-	34,849	-	34,849
Guaranteed investment contract (non benefit-responsive), at fair value	-	-	49,598	-	-	49,598
TOTAL INVESTMENTS	\$ 3,953,947	\$ -	\$ 49,598	\$ 34,849	\$ -	\$ 4,038,394

Transfers between levels are recorded at the end of the reporting period, if applicable. The following table provides a summary of changes in fair value of the Plan's investments valued using Level 3 inputs as of and for the years ended December 31, 2024 and 2023:

	2024	2023
Balance, beginning of year	\$ 49,598	\$ 10,277
Contributions	22,764	15,211
Investment income	4,364	1,595
Distributions	(4)	(1)
Net transfers	23,699	22,516
BALANCE, END OF YEAR	\$ 100,421	\$ 49,598

The following is a summary of the Plan's investments valued using Level 3 inputs, the valuation techniques used to measure fair value, and the significant unobservable inputs and the ranges of values for those inputs as of December 31, 2024 and 2023:

	2024 Fair Value	2023 Fair Value	Principal Valuation Technique	Significant Unobservable Inputs	Range
TIAA Traditional	\$ 100,421	\$ 49,598	Discounted Cash Flow	Risk Adjusted Discount Rate Applied	4.75% to 6.00%

Certain participant investment transactions are restricted by TIAA and CREF. Withdrawals from the TIAA Traditional Annuity are required to be made in the form of a TIAA Transfer Payout Annuity, which pays the account balance in 10 equal installments plus interest over a 10-year period.

8. FAIR VALUE MEASUREMENTS (Continued)

The following is a summary of the Plan's investment in the pooled separate account which is valued using NAV as a practical expedient and the related unfunded commitments and redemption restrictions as of December 31, 2024 and 2023:

	<u>2024 Net Asset Value</u>	<u>2023 Net Asset Value</u>	<u>Redemption Frequency</u>	<u>Full Redemption Notice Period</u>
TIAA Real Estate	\$ <u>63,870</u>	\$ <u>34,849</u>	Daily	30 Days

There were no unfunded commitments as of December 31, 2024 and 2023.

9. SUBSEQUENT EVENTS

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through October 1, 2025, the date the financial statements were issued.
