Independent Auditor's Report

To the Plan Administrator
AHA Consulting Engineers, Inc.
401(k) & Profit Sharing Plan
Burlington, Massachusetts

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit

We have performed an audit of the financial statements of AHA Consulting Engineers, Inc. 401(k) & Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(c). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of AHA Consulting Engineers, Inc. 401(k) & Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(c), our audits need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (Qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024, and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section.

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(c).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of AHA Consulting Engineers, Inc. 401(k) & Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(c) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(c) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about AHA Consulting Engineers, Inc. 401(k) & Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(c) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the AHA Consulting Engineers, Inc. 401(k) & Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about AHA Consulting Engineers, Inc. 401(k) & Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(c) audit is not to express an opinion about whether financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedules Required by ERISA

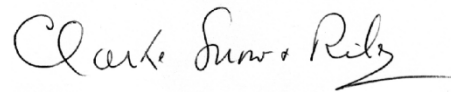

The supplemental schedule of Assets Held for Investment Purposes for the year ending December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(c).

NOTES TO FINANCIAL STATEMENTS**

Note 1. Description of plan

The following description of the AHA Consulting Engineers, Inc. 401(k) & Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of AHA Consulting Engineers, Inc. (the Company) who are 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year participants may contribute up to 60 percent of pretax annual compensation or the IRS limitation, whichever is less. The Company may make discretionary matching and profit sharing contributions.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in all Company contributions is as follows:

Years of Vesting Service	Contribution Vesting Percentage
1 year	25%
2 years	50%
3 years	75%
4 years	100%

Investment allocation

Participants may direct the investment of their account balances to any of the fund options offered by the Plan.

Withdrawals

Participants are allowed to withdraw certain portions of their account, as defined by the Plan, upon retirement, termination or determination of financial hardship.

Distributions of benefits

Upon retirement or termination of employment, the value of the vested portion of the participant's account will be distributed to the participant in a lump-sum payment unless the participant elects an alternative form of benefit payment allowable by the Plan.

NOTES TO FINANCIAL STATEMENTS**

Note 1. Description of plan (continued)

Plan administration

The Trustee is appointed by the Board of Directors of the Company. The Company serves as the Plan administrator. A portion of the Plan's administrative expenses are paid by the Company.

Loans to participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from 1 – 5 years, which may be extended for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. Principal and interest is paid ratably through payroll deductions.

Forfeited accounts

At December 31, 2024 and 2023, forfeitures were used to pay plan expenses or offset future employer contributions.

Note 2. Summary of significant accounting policies

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Reclassification

The Plan has adopted Accounting Standards Update No. 2010-25 "*Reporting Loans to Participants by Defined Contribution Pension Plans as Receivables and not as Investments*".

At December 31, 2024 and 2023, participant loans in the amount of \$280,973 and \$294,815, respectively, have been classified with receivables.

**AHA CONSULTING ENGINEERS, INC.
401(K) & PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS**

Note 2. Summary of significant accounting policies (continued)

Valuation of investments and income recognition

The Plan's investments are stated at fair value. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Payments of benefits are recorded when paid.

Fair value measurement

The Plan has adopted the criteria of FASB Accounting Standards Codification (ASC) 820, "*Fair Value Measurements and Disclosures*". ASC 820 defines fair value, establishes a framework for measuring fair value under generally accepted accounting principles, and expands disclosures about fair value measurements. ASC 820 establishes a fair value hierarchy that prioritizes the inputs and assumptions used to measure fair value:

A financial instrument's level within the framework is based upon the lowest level of any input that is significant to the fair value measurement.

The three levels of the fair value framework under ASC 820 are as follows:

Level I: Fair values are based on inputs that reflect quoted prices (unadjusted) in active markets for identical assets and liabilities that the Plan has the ability to access at the measurement date.

Level II: Fair values are based on inputs other than quoted prices that are observable for the asset or liabilities either directly or indirectly, including inputs in markets that are not considered to be active.

Level III: Fair values are based on inputs that are unobservable.

Note 3. Tax status

The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, is in compliance with the applicable requirements of the Internal Revenue Code. The Plan has not been amended since receiving the determination letter. However, the Plan administrator believes that the plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 4. Plan termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions and to terminate the Plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). In the event of Plan termination, and after payment of all expenses and proportional adjustment of accounts to reflect such expenses, participants will become 100% vested in the remaining balance of their accounts.

Total receivables per Form 5500	<u>\$ 358,683</u>	<u>\$ 321,991</u>

Note 9. Date of management review

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to disclose the date through which subsequent events have been evaluated for possible recognition or disclosure in the accompanying financial statements. Subsequent events are transactions or events that occur after the balance sheet date, but before the financial statements are issued or available to be issued. The accompanying financial statements include the evaluation of subsequent events that have occurred through October 1, 2025, which is the date the financial statements were available to be issued.

The Plan Sponsor was impacted by the COVID-19 Corona Virus pandemic. The CARES Act is an economic stimulus package in response to the Corona Virus outbreak, which among other things contains emergency funding and other provisions that alter certain retirement plan regulations. In April 2020, the plan authorized changing distribution, loan, and loan administration provisions as allowed by the CARES Act. The Internal Revenue Service has extended until December 31, 2025 the date by which retirement plans have to amend the plan documents to incorporate the changes authorized by the CARES Act.

Independent Auditor's Report

To the Plan Administrator
AHA Consulting Engineers, Inc.
401(k) & Profit Sharing Plan
Burlington, Massachusetts

Scope and Nature of the ERISA Section 103(a)(3)(c) Audit

We have performed an audit of the financial statements of AHA Consulting Engineers, Inc. 401(k) & Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(c). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of AHA Consulting Engineers, Inc. 401(k) & Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(c) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(c), our audits need not extend to any statements or information related to assets held for investment of the plan by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (Qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024, and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section.

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(c).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of AHA Consulting Engineers, Inc. 401(k) & Profit Sharing Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(c) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(c) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about AHA Consulting Engineers, Inc. 401(k) & Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(c) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the AHA Consulting Engineers, Inc. 401(k) & Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about AHA Consulting Engineers, Inc. 401(k) & Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(c) audit is not to express an opinion about whether financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter

Supplemental Schedules Required by ERISA

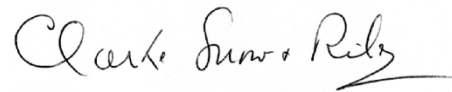

The supplemental schedule of Assets Held for Investment Purposes for the year ending December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(c).

NOTES TO FINANCIAL STATEMENTS**

Note 1. Description of plan

The following description of the AHA Consulting Engineers, Inc. 401(k) & Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of AHA Consulting Engineers, Inc. (the Company) who are 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year participants may contribute up to 60 percent of pretax annual compensation or the IRS limitation, whichever is less. The Company may make discretionary matching and profit sharing contributions.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in all Company contributions is as follows:

Years of Vesting Service	Contribution Vesting Percentage
1 year	25%
2 years	50%
3 years	75%
4 years	100%

Investment allocation

Participants may direct the investment of their account balances to any of the fund options offered by the Plan.

Withdrawals

Participants are allowed to withdraw certain portions of their account, as defined by the Plan, upon retirement, termination or determination of financial hardship.

Distributions of benefits

Upon retirement or termination of employment, the value of the vested portion of the participant's account will be distributed to the participant in a lump-sum payment unless the participant elects an alternative form of benefit payment allowable by the Plan.

**AHA CONSULTING ENGINEERS, INC.
401(K) & PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS**

Note 1. Description of plan (continued)

Plan administration

The Trustee is appointed by the Board of Directors of the Company. The Company serves as the Plan administrator. A portion of the Plan's administrative expenses are paid by the Company.

Loans to participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from 1 – 5 years, which may be extended for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. Principal and interest is paid ratably through payroll deductions.

Forfeited accounts

At December 31, 2024 and 2023, forfeitures were used to pay plan expenses or offset future employer contributions.

Note 2. Summary of significant accounting policies

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Reclassification

The Plan has adopted Accounting Standards Update No. 2010-25 "*Reporting Loans to Participants by Defined Contribution Pension Plans as Receivables and not as Investments*".

At December 31, 2024 and 2023, participant loans in the amount of \$280,973 and \$294,815, respectively, have been classified with receivables.

**AHA CONSULTING ENGINEERS, INC.
401(K) & PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS**

Note 2. Summary of significant accounting policies (continued)

Valuation of investments and income recognition

The Plan's investments are stated at fair value. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Payments of benefits are recorded when paid.

Fair value measurement

The Plan has adopted the criteria of FASB Accounting Standards Codification (ASC) 820, "*Fair Value Measurements and Disclosures*". ASC 820 defines fair value, establishes a framework for measuring fair value under generally accepted accounting principles, and expands disclosures about fair value measurements. ASC 820 establishes a fair value hierarchy that prioritizes the inputs and assumptions used to measure fair value:

A financial instrument's level within the framework is based upon the lowest level of any input that is significant to the fair value measurement.

The three levels of the fair value framework under ASC 820 are as follows:

Level I: Fair values are based on inputs that reflect quoted prices (unadjusted) in active markets for identical assets and liabilities that the Plan has the ability to access at the measurement date.

Level II: Fair values are based on inputs other than quoted prices that are observable for the asset or liabilities either directly or indirectly, including inputs in markets that are not considered to be active.

Level III: Fair values are based on inputs that are unobservable.

Note 3. Tax status

The Plan obtained its latest determination letter on June 30, 2020, in which the Internal Revenue Service stated that the Plan, as then designed, is in compliance with the applicable requirements of the Internal Revenue Code. The Plan has not been amended since receiving the determination letter. However, the Plan administrator believes that the plan is currently designed and operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Note 4. Plan termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions and to terminate the Plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). In the event of Plan termination, and after payment of all expenses and proportional adjustment of accounts to reflect such expenses, participants will become 100% vested in the remaining balance of their accounts.

Note 5. Information certified by the Trustee of the Plan's assets (unaudited)

The following is a summary of the 2024 and 2023 unaudited information regarding the Plan included in the Plan's financial statements. This information was prepared by the Trustee of the Plan.

The Plan administrator has obtained certification from Fidelity Management Trust Company, the Trustee, that the following information is complete and accurate:

- Statements of Net Assets Available for Benefits – Money market accounts and investments (mutual funds)
- Statement of Changes in Net Assets Available for Benefits – Dividends, interest income and net appreciation in fair value of investments in registered investment companies
- Supplemental Schedule Line 27A – Schedule H (Part IV Line 4i) - Assets held for investment purposes

Note 9. Date of management review

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to disclose the date through which subsequent events have been evaluated for possible recognition or disclosure in the accompanying financial statements. Subsequent events are transactions or events that occur after the balance sheet date, but before the financial statements are issued or available to be issued. The accompanying financial statements include the evaluation of subsequent events that have occurred through October 1, 2025, which is the date the financial statements were available to be issued.

The Plan Sponsor was impacted by the COVID-19 Corona Virus pandemic. The CARES Act is an economic stimulus package in response to the Corona Virus outbreak, which among other things contains emergency funding and other provisions that alter certain retirement plan regulations. In April 2020, the plan authorized changing distribution, loan, and loan administration provisions as allowed by the CARES Act. The Internal Revenue Service has extended until December 31, 2025 the date by which retirement plans have to amend the plan documents to incorporate the changes authorized by the CARES Act.
