## INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees  
Baldwin & Sons, LLC 401(k) Plan  
Newport Beach, CA

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed audits of the financial statements of the Baldwin & Sons, LLC 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the years ended December 31, 2024 and 2023, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Baldwin & Sons, LLC 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Baldwin & Sons, LLC 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Baldwin & Sons, LLC 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Baldwin & Sons, LLC 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Baldwin & Sons, LLC 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter — Supplemental Schedules Required by ERISA***

The supplemental schedule, Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**BALDWIN & SONS, LLC 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023**

**NOTE 1 – DESCRIPTION OF THE PLAN**

The following brief description of the Baldwin & Sons, LLC 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan agreement for more detailed information of the Plan’s provisions.

**General**

The Plan is a defined contribution plan which covers substantially all full-time employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Trustee is responsible for oversight of the Plan, determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

According to the Plan, participants direct the investment of their accounts into various investment options offered by the Plan. Participants are immediately vested in their voluntary contributions, plus actual earnings thereon. Additionally, participants are 100% vested in their account and full benefits are available upon retirement at age sixty-five, early retirement, death, total disability, or in the event of complete discontinuance of contributions or termination of the Plan.

The Plan provides that forfeitures, if any, shall be used to reduce the Plan's ordinary and necessary administrative expenses and/or employer contributions. Expenses and employer contributions in excess of the forfeitures are generally paid by the Plan Sponsor.

**Eligibility**

Employees who have completed 60 days of service and are age twenty-one or older can elect to participate in the Plan. Employees meeting the eligibility requirements can enter the Plan on the first day of the following month after eligibility is met.

**Employee Contributions**

Each year, participants may contribute up to 80% of their pretax annual compensation, as defined in the Plan. In addition, participants may elect to make after-tax contributions to the Plan of up to 80% of eligible compensation. Participants who are age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Elective contributions in any year may not exceed the dollar limit for the year set by the Internal Revenue Service.

The Plan includes auto-enrollment provisions whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

**BALDWIN & SONS, LLC 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023**

**NOTE 1 – DESCRIPTION OF THE PLAN (Continued)**

**Employer Contributions**

For each Plan year, the employer may contribute a non-elective amount to each eligible participant equal to the ratio of the individual participant's compensation for the Plan year over the total compensation of all eligible participants for the Plan year. Additional discretionary amounts may be contributed at the option of the Plan Sponsor's management. For the years ended December 31, 2024 and 2023, the Plan Sponsor made no discretionary contributions to participants.

**Participant Accounts**

Each participant's account is credited with the participant's contributions and an allocation of (a) the Plan Sponsor's discretionary contributions (b) the Plan Sponsor's non-elective contributions and (c) Plan earnings which are charged with an allocation of certain administrative expenses. Allocations of plan earnings and administrative expenses are based on participant balances or specific participant transactions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested interest in his or her account.

**Vesting**

Participants are immediately vested in their contributions plus actual earnings less losses thereon. Vesting in the Plan Sponsor's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after five years of credited service in accordance with the following schedule:

0-1 year of service	0%
1-2 years of service	20%
2-3 years of service	40%
3-4 years of service	60%
4-5 years of service	80%
5+ years of service	100%

**Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance and may have no more than one loan outstanding at a time. The loans are secured by the balance in the participant's account and bear interest at 200 basis points above the Prime Rate (7.50% at December 31, 2024). As of December 31, 2024, interest rates on loans to participants ranged from 5.25% to 10.50%. Principal and interest are paid ratably through monthly payroll deductions.

**BALDWIN & SONS, LLC 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023**

**NOTE 1 – DESCRIPTION OF THE PLAN (Continued)**

**Benefit Payments**

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account; or may elect installments subject to lifetime required minimum distributions, as provided in the plan agreement. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. All vested accounts not exceeding \$5,000 will be distributed in a single lump-sum payment.

**In-Service Withdrawals**

Participants who are at least 59-<sup>1/2</sup> years of age are entitled to receive a distribution of all or any portion of their vested account balance. Hardship withdrawals, which meet a hardship purpose of immediate and heavy financial need, are permitted as provided in the plan agreement. Such amounts may be drawn from a participant's deferral contributions only and may be subjected to certain income tax penalties.

**Forfeitures**

Amounts forfeited from terminating participants' non-vested portion of their Plan Sponsor's contributions and earnings on Plan Sponsor contributions are used to pay administrative expenses of the Plan or to reduce future employer contributions. Forfeitures available at December 31, 2024 and 2023 were \$1 and none, respectively. During the years ended December 31, 2024 and 2023 none and \$419 of forfeited funds were used to reduce employer contributions, respectively. During the years ended December 31, 2024 and 2023 none and \$26 of forfeited funds were used to pay Plan expenses, respectively.

**Administrative Expenses**

The expenses necessary to administer the Plan, including, but not limited to, retaining necessary professional assistance from an attorney, an accountant, an actuary, or an investment advisor, are paid by the Plan Sponsor or through excess forfeitures. All expenses except for account maintenance fees, transaction fees, and investment fund management fees have been paid by the Plan Sponsor. Participants are charged service fees for any distribution transactions they request. Management and investment advisory fees paid by and for the Plan amounted to \$42,547 and \$36,131, respectively for the years ended December 31, 2024 and 2023, and are included in administrative fees on the statement of changes in net assets. Audit expenses are absorbed by the Plan Sponsor. In addition, certain investment-related expenses have been offset with net investment income and are not readily determinable.

NOTES TO FINANCIAL STATEMENTS  
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023**

**NOTE 1 – DESCRIPTION OF THE PLAN (Continued)**

**Investment Options**

Participants direct the allocation of their contributions and employer contributions to any of the investment options offered by the Plan at their discretion. Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Presentation**

The financial statements have been prepared in compliance with the Department of Labor Rules and Regulations for reporting and disclosure under ERISA.

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis.

**Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

**Investment Valuation and Income Recognition**

Investments are measured at quoted prices in an active market and have been certified complete and accurate by Great West Life & Annuity Insurance Company, the Plan's custodian (Note 4). Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Payment of benefits**

Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS  
FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023**

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

**Risk and Uncertainties**

The Plan provides for various investment options in any combination of investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statements of Changes in Net Assets Available for Benefits.

**NOTE 3 – FAIR VALUE MEASUREMENTS**

FASB ASC 820, Fair Value Measurements, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include: (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

**NOTE 3 – FAIR VALUE MEASUREMENTS (Continued)**

Fair value estimates are made at a specific point in time, based on available market information and judgments about the financial asset, including estimates of timing, amount of expected future cash flows, and the credit standing of the issuer. In some cases, the fair value estimates cannot be substantiated by comparison to independent markets. In addition, the disclosed fair values may not be realized in the immediate settlement of the financial asset. In addition, the disclosed fair values do not reflect any premium or discount that could result from offering from sale at one time an entire holding of a particular financial asset. Potential taxes and other expenses that would be incurred in an actual sale or settlement are not reflected in amounts disclosed.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common/Collective Trusts:* Contract value of the common collective trusts represents contributions made under the contract, plus earnings, less Plan withdrawals and administration expenses. Investments in wrapper contracts are reported at fair value as determined using a discounted cash flow model, which considers recent fee bids as determined by recognized dealers, discount rate, and the duration of the underlying portfolio securities. NAV of the underlying funds is reported by the investment advisor using the audited financial statements of the common/collective trust at year-end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023.

<sup>(a)</sup> In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statements of Net Assets Available for Benefits.

The Plan's mutual funds and common/collective trusts are valued at NAV which is based on the fair value of the underlying investments of the mutual funds and common/collective trusts, less any liabilities. The underlying investments of the mutual funds and common/collective trusts are mainly equity and fixed income securities and short-term investments. The investment strategies of the Plan's mutual funds and common/collective trusts vary generally based on the investment objectives of the asset class of which they are a part. Such investment strategies include investments in fixed income securities and investments in equity securities in domestic and international markets for growth and value objectives as well as to replicate market indexes and to invest in emerging markets. The Plan had no unfunded commitments related to its mutual funds and common/collective trusts. The redemption of mutual funds and common/collective trusts is subject to the preference of individual Plan participants and contains no restrictions on the timing of redemption.

**NOTE 4 – INFORMATION CERTIFIED BY THE PLAN’S CUSTODIAN**

No auditing procedures were performed by the independent auditor as permitted by ERISA Section 103(a)(3)(C) with respect to information certified as complete and accurate by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC (the “custodian”), except for comparing such information with the information reported in the financial statements. Accordingly, as permitted under such election, the plan administrator instructed the Plan’s independent auditors not to perform any auditing procedures with respect to the following information certified by Great West Life & Annuity Insurance Company, as complete and accurate to the best of their knowledge, except for comparing such information certified by the custodian to information included in the Plan’s financial statements and supplemental schedule:

- Investments and notes receivable from participants reflected on the accompanying Statements of Net Assets Available for Benefits as of December 31, 2024 and 2023.
- Net appreciation/(depreciation) in fair value of investments, interest and dividends reflected on the accompanying Statements of Changes in Net Assets Available for Benefits for the year ended December 31, 2024 and 2023.
- Investments and notes receivable from participants reflected in the Schedule of Assets (Held at End of Year).

**NOTE 5 – FULLY BENEFIT RESPONSIVE INVESTMENT CONTRACT**

The Plan holds an investment contract with Great West Life & Annuity Insurance Company. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The investment contract held by the Plan is summarized as follows:

	<b>2024</b>	<b>2023</b>
Traditional investment contract	\$ <u>1,183,197</u>	\$ <u>623,763</u>

The traditional investment contract held by the Plan is a deposit liability of Great West Life & Annuity Insurance Company. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but may not be less than zero percent. The crediting rate is reviewed on a semiannual basis for resetting. There is no set maturity date for the investment contract.

FOR THE YEARS ENDED DECEMBER 31, 2024 AND 2023**

**NOTE 5 – FULLY BENEFIT RESPONSIVE INVESTMENT CONTRACT (Continued)**

The Plan's ability to receive amounts due in accordance with fully benefit-responsive investment contract is dependent on the third-party issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the contract issuer. These events may be different under each contract. Examples of such events include the following:

- The Plan's failure to qualify under Section 401(k) of the Internal Revenue Code or the failure of the trust to be tax-exempt under Section 501(a) of the Internal Revenue Code
- Premature termination of the contract
- Plan termination or merger
- Changes to the Plan's prohibition on competing investment options
- Bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that significantly affect the Plan's normal operations

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuer and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

- An uncured violation of the Plan's investment guidelines
- A breach of material obligation under the contract
- A material misrepresentation
- A material amendment to the agreements without the consent of the issuer.

**NOTE 6 – TAX STATUS**

The Employer adopted a volume submitter profit sharing plan with CODA ("volume submitter plan") which received a favorable opinion letter from the Internal Revenue Service (IRS) dated March 31, 2014, which stated that the volume submitter plan, as then designed, was in compliance with applicable requirements of the IRC. The Plan has been amended since receiving the opinion letter. However, the plan administrator believes that the Plan is currently designed and operated in compliance with applicable requirements of the IRC. Administration errors, if any, that are insignificant or operational in nature, are handled by the plan administrator in accordance with applicable IRS correction policies. Therefore, the plan administrator believes that the Plan was qualified, and the related trust was tax-exempt as of the financial statement date. being operated in compliance with the applicable requirements of the Internal Revenue Code.

**NOTE 6 – TAX STATUS (Continued)**

The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2020.

**NOTE 7 – PLAN TERMINATION**

Although it has not expressed any intent to do so, the Plan Sponsor has the right to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event the Plan terminates, the net assets of the Plan will be allocated, as prescribed by ERISA and its related regulations, so that each participant receives 100% of his or her account balance as of the date of termination.

**NOTE 8 – PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are shares of mutual funds managed by Great West Life & Annuity Insurance Company. Great West Life & Annuity Insurance Company is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Notes receivable from the Plan participants and the related interest income and administrative expenses are also considered party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to \$2,474 and \$2,333 for the years ended December 31, 2024 and 2023, respectively. The records of the Plan indicate no party-in-interest transactions, which are prohibited by ERISA and for which no statutory or administrative exemption exists.

**NOTE 9 – SUBSEQUENT EVENTS**

The Plan evaluated subsequent events through September 17, 2025, the date these financial statements were issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.
