Independent Auditors' Report

To the Trustees of the
Media Advocates 401(k) Plan
Washington, DC

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2024 Financial Statements

We have performed an audit of the financial statements of Media Advocates 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2024 Media Advocates 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2024 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2024 Financial Statements section:

- the amounts and disclosures in the accompanying 2024 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2024 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Media Advocates 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements for the 2024 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Media Advocates 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements for the 2024 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Media Advocates 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Media Advocates 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2023 Financial Statements

Predecessor auditors performed an audit of the 2023 financial statements of Media Advocates 401(k) Plan. In accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the prior year audit did not extend to any statements or information related to assets held for investment of the plan that were certified by a qualified institution. Their report dated September 25, 2024, indicated that (a) the amounts and disclosures in the 2023 financial statements, other than those agreed to or derived from the certified investment information, were presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America, and (b) the information in the 2023 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). Their report also indicated that the form and content of the 2023 supplemental schedule, other than the information in the 2023 supplemental schedule that agreed to or is derived from the certified investment information, was presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA; and the information in the 2023 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determines meets the requirements of ERISA Section 103(a)(3)(C).

MEDIA ADVOCATES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

Note 1. Plan Description

The following description of the Media Advocates 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

Effective January 1, 2014, the Plan was amended and restated to a multiple-employer discretionary matching plan pursuant to the provisions of Section 401(k) of the Internal Revenue Code (the Code) established for the benefit of all employees (participants). The participating employers are Media Matters for America (MMFA), AB PAC (AB), The American Independent Foundation (TAIF) and AB Foundation, collectively referred to as "the Employer". The Plan was most recently amended and restated on June 1, 2023 to include TAIF as a participating employer in the Plan.

The SECURE 2.0 Act of 2022 was signed into law on December 29, 2022. The legislation includes a vast array of provisional changes to retirement plans, effective in 2023 and subsequent years.

Contributions

Participant contributions consist of pretax elective deferrals and Roth contributions, subject to statutory annual limitations. Participants expected to reach age 50 before the end of the Plan year are eligible to make additional catch-up contributions. Participants may rollover contributions from other qualified plans. AB, TAIF and AB Foundation contributions include both discretionary matching contributions and profit sharing contributions. During the years ended December 31, 2024 and 2023, AB, TAIF and AB Foundation matched eligible employees contributions up to 3%. There were no profit sharing contributions in either year. MMFA contributes a non-elective safe harbor contribution of 3% to all eligible employees.

Participant Accounts

Individual accounts are maintained for each participant. Each participant's account is credited with the participant's contribution, including amounts rolled over from other qualified plans, Employer matching contributions, as well as allocations of the Company's profit sharing contributions, if applicable, and Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account at the time of retirement, total disability, or death.

Investments elections

Contributions to the Plan are invested by the Custodian, Voya Retirement Insurance and Annuity Company (Voya), according to participant instructions. The Plan Administrator will provide participants with current copies of the prospectus describing each investment option.

MEDIA ADVOCATES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

Note 1. Plan Description (Concluded)

Vesting

Participants are immediately 100% vested in their contributions and rollover contributions plus actual earnings thereon. Employer contributions for AB, AB Foundation, and TAI are 100% vested after 90 days of service. MMFA participants are immediately vested in their employer contributions. Participants also become fully vested in their employer contributions at the normal retirement age of 65, or in the event of death or total disability.

Notes Receivable – Participant Loans

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum of 50% of the participant's vested interest in the Plan or \$50,000, whichever is less. Participants may only have one loan outstanding. Loans are repayable over terms not longer than five years unless it is for the purchase of a principal residence. Principal and interest is paid ratably through semimonthly payroll deductions. Interest rates on loans to participants range from 4.25% to 9.50%.

Forfeited Accounts

Forfeited balances of terminated participants' non-vested accounts may be used to reduce the Plan's administrative expenses and employer contributions. During the years ended December 31, 2024 and 2023, forfeitures of \$14,563 and \$5,274 were used. The ending balance of forfeitures at December 31, 2024 and 2023 was \$7,792 and \$9,244, respectively.

Benefit Payments

On termination of service due to death, disability, or retirement, a participant may elect to be paid as a lump-sum distribution or a rollover to a qualified plan or the participant may purchase an annuity. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. If the value of a participant account is less than \$5,000, all distributions from the Plan will be made in one lump sum payment.

Hardship distributions to employees are permitted if certain conditions are met.

The Plan also provides for minimum required distributions per IRS regulations. In addition, participants may elect in-service withdrawals of their vested account balances after reaching age 59½.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan's financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires the Plan's management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Certain Plan assets are invested in pooled separate accounts. Under this investment concept the Custodian accounts for the Plan's share of the total portfolio on a unit basis and reports the pooled separate accounts at net asset value (NAV).

Contract value is the relevant measurement attributable to the fully benefit-responsive investment contract because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Statements of Net Assets Available for Benefits present, for the fully benefit-responsive contracts held by the Plan, the investments at contract value.

Notes Receivable – Participant Loans

Notes receivable – participant loans are measured at the unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent loans are treated as distributions based upon the terms of the Plan document. Delinquent loans are loans for which any scheduled repayment remains unpaid at the end of the period specified in the loan documents and any loans for which there is an outstanding principal balance existing after the last scheduled repayment date.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable – participant loans are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the net appreciation of fair value of investments.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

Note 3. Information Certified by the Custodian

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Voya Retirement Insurance and Annuity Company, the plan custodian, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

	2024	2023
Pooled separate accounts	\$ 10,420,377	\$ 8,608,908
Unallocated insurance contracts	1,083,787	753,107
Notes receivable – participant loans	66,382	2,664
Interest and dividends	373,711	8,781
Interest income on notes receivable- participants	2,009	750
Other income	19,608	-
Net appreciation in fair value of investments	1,128,780	1,444,658

Note 4. Investment Contract with Insurance Company

As of December 31, 2024 and 2023, certain Plan assets were held in a guaranteed insurance contract related investment option, the Voya Fixed Account. The contract underlying the Voya Fixed Account is considered to be fully-benefit responsive in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 962.

The unallocated insurance contracts are reported at contract value which is the relevant measurement attributable to unallocated insurance contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan. The contract value of the contracts represents contributions plus earnings, less participant withdrawals and administrative expenses. In determining the reasonableness of the methodology, a number of factors are considered, such as economic conditions, industry and market developments and overall credit ratings. Certain unobservable inputs are assessed through review of contract terms, while others are substantiated utilizing available market data.

As of December 31, 2024 and 2023, the contract value of the investment in the Voya Fixed Account was \$1,083,787 and \$753,107, respectively. The contract is issued by Voya Retirement Insurance and Annuity Company (VRIAC), the Plan's Custodian. The account is an obligation of VRIAC's general account, which supports all of VRIAC's insurance and annuity commitments. The Voya Fixed Account guarantees principal and a minimum guaranteed interest rate for the life of the contract, as well as two declared interest rates: a current rate, determined at least monthly, and a guaranteed minimum floor rate declared for a defined period, currently one calendar year.

VRIAC's determination of credited interest rates reflects a number of factors, including mortality and expense risks, interest rate guarantees, the investment income earned on invested assets, and the amortization of any capital gains and/or losses realized on the sale of invested assets. A market value adjustment may apply to amounts withdrawn at the request of the contract holder. The underlying contract has no restrictions on the use of Plan assets and there are no valuation reserves recorded to adjust contract amounts.

MEDIA ADVOCATES 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

Note 4. Investment Contract with Insurance Company (Concluded)

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: Amendments to the Plan documents (including complete or partial Plan termination or merger with another plan); changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions; or the failure of the trust to qualify for exemption from Federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that the occurrence of any such event, which would limit the Plan's ability to transact at contract value with participants, is probable. The Voya Fixed Account does not permit the insurance company to terminate the agreements prior to the scheduled maturity date.

Note 5. Investments at Net Asset Value

The fair value of investments within the scope of FASB Accounting Standards Update (ASU) 2009-12, Investment in Certain Entities that Calculate Net Asset Value per Share, can be determined using NAV per share as a practical expedient when the fair value is not readily determinable, unless it is probable that the investment will be sold at something other than NAV. The ASU requires disclosure of certain attributes by major category for investments within the scope of the ASU, regardless of whether the practical expedient was used. The Plan Administrator has determined that the Pooled Separate Accounts can be measured using the practical expedient.

The Pooled Separate Accounts are valued at the number of participation units held at year-end multiplied by the current participation-unit value (net asset value). Investments in pooled separate accounts represent ownership of units of participation in various funds, and not ownership of specific assets. The value of a unit of participation is the total value of each fund within the separate accounts divided by the number of units outstanding. Net asset values of pooled separate accounts are not publicly quoted. Pooled Separate Accounts, at net asset value, totaled \$10,420,377 and \$8,608,908 at December 31, 2024 and 2023, respectively.

Note 6. Tax Status

The Plan was established as a qualified plan under Section 401(k) of the Internal Revenue Code (IRC). The prototype Plan obtained its latest opinion letter dated June 30, 2020, in which the Internal Revenue Service (the IRS) indicated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC and was qualified and tax-exempt. On June 1, 2023, the Plan adopted its most recent Plan amendment. Management of the Plan, in consultation with its legal counsel, believes that the Plan continues to meet the requirements of Section 401 of the IRC. Therefore, the Plan Administrator believes that the Plan was qualified and tax-exempt as of the financial statement date.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service.

The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, no further contributions may be made to the Plan and participants would become fully vested in their accounts.

Note 8. Related Party and Party-In-Interest Transactions

Certain transactions that are considered party-in-interest transactions relate to normal management and administrative services, and the payment of expenses related thereto. Certain Plan investments are managed by Voya, the custodian of the Plan and a party-in-interest to the Plan. Certain fees paid by the Plan for investment management services are included in net appreciation in fair value of investments.

Note 9. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 10. Subsequent Events

The Plan has evaluated events through October 8, 2025, the date that the financial statements were available to be issued and has determined that no event occurred subsequent to December 31, 2024 that would require recognition or disclosure in these financial statements.
