Independent Auditor's Report

Plan Administrator and Plan Trustee
Best-One Tire O-K-T Employee Benefit Plan
Monroe, Indiana

Opinion

We have audited the financial statements of Best-One Tire O-K-T Employee Benefit Plan (Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), which comprise the statements of net assets available for benefits (cash basis) as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits (cash basis) for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan (cash basis) as of December 31, 2024 and 2023, and the changes in net assets available for benefits (cash basis) for the years then ended, in accordance with the cash basis of accounting described in Note 2.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the cash basis of accounting described in Note 2, and for determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances.

Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

On the following authorization page, please select an option, sign and date where indicated, and return the form and signed pages one through three, if appropriate, to us as soon as possible. If the signed copy you return to us is in electronic form, you agree that such copy shall be legally treated as a “duplicate original” of this agreement.

Independent Auditor's Report

Plan Administrator and Plan Trustee
Best-One Tire O-K-T Employee Benefit Plan
Monroe, Indiana

Opinion

We have audited the financial statements of Best-One Tire O-K-T Employee Benefit Plan (Plan), an employee benefit plan subject to the *Employee Retirement Income Security Act of 1974* (ERISA), which comprise the statements of net assets available for benefits (cash basis) as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits (cash basis) for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of the Plan (cash basis) as of December 31, 2024 and 2023, and the changes in net assets available for benefits (cash basis) for the years then ended, in accordance with the cash basis of accounting described in Note 2.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the cash basis of accounting described in Note 2, and for determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances.

Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Best-One Tire O-K-T Employee Benefit Plan
Notes to Financial Statements (Cash Basis)
December 31, 2024 and 2023**

Note 1. Description of the Plan

The following description of Best-One Tire O-K-T Employee Benefit Plan (Plan), provides only general information. Participants should refer to the Plan Document and *Summary Plan Description* for a more complete description of the Plan's provisions, which are available from the Plan Administrator.

General

The Plan, which became effective September 1, 2009, provides health, life, disability, and other benefits covering certain employees of Best One Tire and Service Employees Association, LLC (Association) and eligible dependents. The Plan is subject to the provisions of the *Employee Retirement Income Security Act of 1974* (ERISA), as amended. Best One Tire and Service Employees Association, LLC Benefits Committee is the trustee of the Plan.

Effective January 1, 2008, an original plan was established to provide health, life, disability, and other benefits covering certain employees of Best One Tire and Service Employees Association, LLC (Association) and eligible dependents. Effective September 1, 2009, in accordance with guidance from the Internal Revenue Service the Association elected to spin-off a second voluntary employee beneficiary association (VEBA) trust pursuant to a Plan of Spin-Off and Reallocation. The original plan, now known as the Best-One Tire I-I-M Employee Benefit Plan (I-I-M Trust), was modified to provide certain welfare plan benefits for those employees of the employers who own the Association and who are located within, or related to a controlled group based within, Illinois, Indiana, or Michigan who become participants in the Plan. The Plan, a second VEBA trust, was adopted to provide certain welfare plan benefits for those employees of the employers who own the Association and who are located within, or related to a controlled group based within, Ohio, Kentucky, or Tennessee who become participants in the Plan.

Stop-Loss Coverage

The Plan has entered into a stop-loss insurance arrangement in an effort to limit its exposure for self-insured benefits (individual participant claims over a specific dollar amount, as well as its aggregate exposure for all claims). The Plan carries a stop-loss coverage (paid by the Plan) of \$400,000 per eligible participant.

Payment of Benefits and Premiums

The Plan provides health benefits for both basic and major medical expenses and prescription drugs to eligible full-time employees (who satisfy an eligibility period of 90 consecutive days of full-time employment) and to covered dependents. The Plan also provides continuation of certain benefits upon termination of employment through the *Consolidated Omnibus Budget Reconciliation Act* (COBRA). The Plan collects and remits health savings account deposits for eligible participants.

Elevance Health (Elevance), formerly Anthem Insurance Companies, Inc., processes claims of participants and dependents. Anthem is also responsible for payments to participants and providers.

Premiums paid by the Plan for dental, vision, and life insurance benefits are recorded as premium payments in the accompanying statement of changes in net assets available for benefits (cash basis).

Contributions

The Association makes contributions to the Plan as required to provide for payment of claims and administrative expenses. Active employees are required to make weekly or biweekly contributions to the Plan through payroll deductions.

**Best-One Tire O-K-T Employee Benefit Plan
Notes to Financial Statements (Cash Basis)
December 31, 2024 and 2023**

Plan Termination

Although it has not expressed an intention to do so, the Association has the right under the Plan to modify the benefits provided to active employees, discontinue its contributions at any time, and to terminate the Plan, subject to the provisions of ERISA. In the event of termination of the Plan, remaining assets will be applied in a uniform and nondiscriminatory manner toward the provision of benefits for or on account of the participants. No assets of the Plan may revert to the Association or be used for purposes other than for the exclusive benefit of the Plan's participants.

Note 2. Summary of Significant Accounting Policies

Basis of Accounting

The Plan maintains its accounts on the cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Consequently, certain revenue and the related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations and changes therein, claims incurred but not reported (IBNR), and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Plan obligations for health claims incurred but not reported are estimated based upon historic claims experience and actual claims reported subsequent to the Plan year-end.

Cash

At December 31, 2024, the Plan's cash accounts did not exceed federally insured limits.

At December 31, 2024, the Plan had approximately \$1,355,204 on deposit in an overnight cash sweep account which is collateralized by fixed income securities, but is not subject to FDIC insurance.

Payment of Benefits

Premiums paid by either the Association or the VEBA trust are recorded as premium payments in the accompanying statement of changes in net assets available for benefits.

Claim payments are recorded when paid by the third-party claims processor. The third-party claims processor processes health benefits for both basic and major medical expenses and prescription drugs of active participants, dependents, and beneficiaries, but the responsibility for payments to participants and providers is retained by the Plan. Short-term disability payments are processed through the Association's payroll system and paid from the general assets of the Association. These payments are recorded as claims paid in the accompanying statements of changes in net assets available for benefits.

**Best-One Tire O-K-T Employee Benefit Plan
Notes to Financial Statements (Cash Basis)
December 31, 2024 and 2023**

Stop-Loss

Premiums for stop-loss insurance are included in administrative expenses in the accompanying statements of changes in net assets available for benefits. Stop-loss refunds have been netted with claims paid in the accompanying statements of changes in net assets available for benefits.

Refunds

Refunds due from the Plan’s PBM are recorded when earned. Pharmacy rebates totaling \$1,577,330 have been netted with claims paid in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2024.

Administrative Expense

Administrative expenses may be paid by the Association or the Plan, at the Association’s discretion.

Note 3. Party-in-Interest Transactions

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons.

Fees for general administration, record keeping, and premiums paid by the Plan to third-party administrators were \$2,791,528 and \$3,732,448 for the years ended 2024 and 2023, respectively. Fees for certain administrative services paid to the Association were \$273,669 and \$285,743 for the years ended 2024 and 2023, respectively.

Note 4. Benefit Obligations

The Plan’s benefit obligations as of December 31, 2024 and 2023, and changes in the benefit obligation for the years then ended are as follows:

	2024	2023

Note 5. Tax Status

The VEBA trust funding certain benefits of the Plan received an exemption letter from the Internal Revenue Service dated September 9, 2009, stating that the trust, as then designed, was tax-exempt under the provisions of Section 501(c)(9) of the Internal Revenue Code. However, as a result of the Plan's funding policy, from time to time the trust may be subject to income taxes. No federal or state income taxes have been recorded in the financial statements. The Plan Administrator believes that the Plan and related trust are currently being operated in compliance with the applicable requirements of the Internal Revenue Code.

Note 6. Subsequent Events

Subsequent events have been evaluated through October 7, 2025, which is the date the financial statements were available to be issued.
