## **INDEPENDENT AUDITORS' REPORT**

---

To the Plan Administrator and Trustees  
PACE Engineers, Inc. 401(k) Profit Sharing Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of the PACE Engineers, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

**Auditors' Responsibilities for the Audit** - continued

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matters**

*Supplemental Schedules Required by ERISA*

The supplemental schedules of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 and Schedule H, Line 4a - Schedule of Delinquent Participant Contributions for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

**Other Matters** - continued

*Supplemental Schedules Required by ERISA - continued*

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **PACE ENGINEERS, INC. 401(K) PROFIT SHARING PLAN**

Notes to Financial Statements

December 31, 2024 and 2023

---

### **NOTE A - DESCRIPTION OF PLAN**

The following brief description of PACE Engineers, Inc. 401(k) Profit Sharing Plan (the Plan) is provided for general information purposes only. Plan participants should refer to the plan document for a more complete description of the Plan's provisions.

#### General

The Plan is a defined contribution plan covering substantially all employees of PACE Engineers, Inc. (the Company) who have reached age 18 and completed six months of consecutive service for all contribution types. Effective October 1, 2024, the Plan was amended to reduce the eligibility requirements for participants to make salary deferrals to one month. Plan entry dates are the first day of each month coincident with or next following the date the eligibility requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### Contributions

Each year, participants may contribute up to 100% of their compensation, not to exceed the annual maximum deferral amount as defined by law. Catch-up contributions are permitted for eligible participants age 50 or older by the end of a calendar year. The Plan allows for Roth elective deferrals. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant.

The Company may make discretionary matching contributions. There were no discretionary matching contributions for the year ended December 31, 2024.

The Company may also make profit-sharing contributions. A participant must be employed on the last day of the plan year to be eligible for the profit-sharing contribution, with the exception of death, permanent disability, and retirement. There were no profit-sharing contributions for the year ended December 31, 2024.

Contributions are subject to certain Internal Revenue Service (IRS) limitations.

#### Participant Accounts

Each participant's account is credited with the participant's contribution and the participant's share of (a) the employer contributions, (b) an allocation of investment earnings or losses based on the participant's directed investment accounts and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined by the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investments for their account.

### NOTE A - DESCRIPTION OF PLAN - continued

#### Vesting and Forfeitures

A participant is 100% vested at all times in the participant's salary deferral amounts, rollover contributions and any earnings thereon regardless of the number of years of service. If a participant ceases participation except by retirement, death or permanent disability, the vested interest in the employer contributions and earnings thereon is dependent upon the years of credited service.

Each participant is vested in the employer's matching and profit-sharing contributions according to the following schedule based upon years of service:

<u>Years of Vesting Services</u>	
3 years or more	100%

Forfeitures shall be allocated to the participants, used for payment of plan expenses, or used towards employer contributions. At December 31, 2024 and 2023, there were no forfeited non-vested accounts.

#### Payment of Benefits

Upon termination of employment, if a participant's vested interest in their account exceeds \$7,000, no distribution shall be made to the participant before they reach the age of normal retirement or receipt of consent to pay out by the participant and their spouse, if applicable.

If the participant's vested account is less than \$7,000, the vested account balance is paid out in the form of a lump-sum distribution. In the event of a mandatory distribution greater than \$1,000, the Plan Administrator will pay the distribution in a direct rollover to an individual retirement arrangement designated by the Plan Administrator if the participant does not elect a direct rollover or lump sum distribution.

#### Legislative Changes

President Biden signed into law the Setting Every Community Up for Retirement Enhancement 2.0 (SECURE 2.0) Act on December 29, 2022. The SECURE 2.0 Act provisions aim to enhance retirement savings access and flexibility while helping participants manage financial needs. Plan management evaluated the key provisions available under the SECURE 2.0 Act, including: eliminating required minimum distributions for Roth accounts during a participant's lifetime, permitting penalty-free emergency withdrawals of up to \$1,000 per year with repayment options, allowing employer matching contributions for qualified student loan payments, offering non-highly compensated employees a Roth emergency savings account with a \$2,500 annual contribution limit and limited tax-free withdrawals, and continuing eligibility for long-term part-time employees with at least 500 hours of service for three consecutive years and age 21. The plan document is required to be amended by December 31, 2026, per IRS Notice 2024-2, to reflect the applicable provisions.

### **NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### Basis of Accounting

The financial statements are prepared on the accrual basis of accounting.

#### Payment of Benefits

Benefit payments to participants and beneficiaries are recorded when paid.

#### Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements are discussed in Note D. Purchases and sales are recorded on a trade date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis.

#### Risks and Uncertainties

The Plan provides for various investment options. Investment securities of the Plan are exposed to various risks, such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in value of investment securities, it is at least reasonably possible that changes in risks in the near-term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits. As of December 31, 2024 and 2023, two investment funds represented approximately 32% and 37% of the total investments, respectively.

#### Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP), requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

#### Transfers

During 2024, the Plan received \$32,498 from the Company's ESOP which represented a diversification distribution of an active participant who elected to transfer these funds to the Plan.

### **NOTE C - INVESTMENTS**

The Plan's investments were held in trust and administered by Matrix Trust Company, the custodian, as of December 31, 2024 and 2023 and for the year ended December 31, 2024. The investments, investment income, notes receivable from participants, and interest income on notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule (schedule of assets) were obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by the custodian.

**NOTE D - FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board Accounting Standards Codification 820, *Fair Value Measurements and Disclosures*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs consist of unobservable inputs for identical assets and have the lowest priority. The Plan uses valuation techniques based on the available inputs to measure the fair value of its investment. When available, the Plan measures fair value using Level 1 inputs because they provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 and Level 2 inputs are not available.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value:

	Investments at Fair Value as of December 31, 2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 14,723,140	\$ -	\$ -	\$ 14,723,140
Total investments in the fair value hierarchy	14,723,140	-	-	14,723,140
Investment measured at NAV*	-	-	-	165,570
Total investments at fair value	<u>\$ 14,723,140</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 14,888,710</u>
	Investments at Fair Value as of December 31, 2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 13,044,544	\$ -	\$ -	\$ 13,044,544
Total investments in the fair value hierarchy	13,044,544	-	-	13,044,544
Investment measured at NAV*	-	-	-	279,850
Total investments at fair value	<u>\$ 13,044,544</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 13,324,394</u>

\* In accordance with Subtopic 820-10, certain investments that were measured at net asset value (NAV) per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line item presented in the statements of net assets available for benefits.

Gains and losses (realized and unrealized) are reported in net appreciation in fair value of investments in the statement of changes in net assets available for benefits.

### NOTE D - FAIR VALUE MEASUREMENTS - continued

The following is a description of the valuation methodologies used for investments measured at fair value. There have been no changes to the methodologies used as of December 31, 2024 and 2023.

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The funds held by the Plan are deemed to be actively traded.

*Common Collective Trust Fund (CCT):* The CCT is valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure the securities liquidations will be carried out in an orderly business manner.

The following table summarizes investments for which fair value is measured using NAV per share practical expedient. There are no participant redemption restrictions for these investments; the redemption notice is only applicable to the Plan.

	<u>Fair Value</u>	<u>Unfunded Commitments</u>	<u>Redemption Frequency (if currently eligible)</u>	<u>Redemption Notice Period</u>
<u>December 31, 2024</u>				
Common Collective Trust Fund	\$ 165,570	\$ -	Daily	12 Months
<u>December 31, 2023</u>				
Common Collective Trust Fund	\$ 279,850	\$ -	Daily	12 Months

### NOTE E - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Should the Plan terminate at some future time, participants would become fully vested in their employer contributions.

## **PACE ENGINEERS, INC. 401(K) PROFIT SHARING PLAN**

Notes to Financial Statements

December 31, 2024 and 2023

---

### **NOTE F - PLAN TAX STATUS**

The Plan's prototype non-standardized document obtained its latest opinion letter on June 30, 2020, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable sections of the Internal Revenue Code (IRC). The prototype has been amended since receiving the opinion letter for various amendments. However, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable sections of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2021.

### **NOTE G - TRANSACTIONS WITH PARTIES-IN-INTEREST**

Certain plan investments are managed by the custodian of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Transactions resulting in plan assets being transferred to or used by a related party are prohibited under ERISA unless a specific exemption exists. The custodian is a party-in-interest as defined by ERISA as a result of investing plan assets in its funds and accounts and providing investment management services. However, these transactions are exempt under Section 408(b)(8) and are not prohibited by ERISA.

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in administrative expenses.

### **NOTE H - CONCENTRATION OF CASH AND SECURITIES RISK**

The Plan maintains its balances in a brokerage institution, which at times may exceed the Securities Investor Protection Corporation limits up to \$500,000 for balances (with a limit of \$250,000 for cash). The Plan has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and securities.

Notes to Financial Statements

December 31, 2024 and 2023

### **NOTE I - NOTES RECEIVABLE FROM PARTICIPANTS**

Notes receivable from participants are reported at unpaid balances plus any unpaid accrued interest. Participants may borrow a minimum of \$1,000 up to a maximum of \$50,000 under the Plan's loan provision. The loans may not exceed one-half of the employee's vested account balance and are generally limited to five years, unless the loan is used to acquire a principal residence, in which case the repayment term may be up to 10 years. Interest rates are determined by the Plan Administrator in accordance with the Plan's loan provisions. Loan repayments are made through payroll deductions. There is no credit risk involved with these loans as any defaults are then deemed taxable distributions to the participant. Loans are considered in default when they are not paid within the terms stated on the agreement, typically within 90 days. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. These loans satisfy the statutory exemption from the prohibited transaction rules.

### **NOTE J - PROHIBITED TRANSACTIONS**

During 2023, the Company failed to transmit certain participant contributions totaling \$519 within the period prescribed by the Department of Labor regulations. These late participant contributions were remitted to the Plan in 2024. The Company has implemented control procedures to ensure all future remittances are within the Department of Labor regulations.

### **NOTE K - SUBSEQUENT EVENTS**

Management has evaluated subsequent events through October 8, 2025, the date the financial statements were available to be issued.
