Betten Baker Auto Family 401(k) Retirement Plan
Coopersville, Michigan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Betten Baker Auto Family 401(k) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Betten Baker Auto Family 401(k) Retirement Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 8 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section:

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Betten Baker Auto Family 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Betten Baker Auto Family 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Betten Baker Auto Family 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Betten Baker Auto Family 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Matter – Supplemental Schedule Required by ERISA

The supplemental Schedule of Assets Held at End of Year as of December 31, 2024 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Baker Ludington, Inc.	Baker Hudsonville, Inc.
Baker Ithaca, Inc.	

To be eligible to participate in the Plan, an employee must attain one year of service as defined by the Plan and be at least 21 years of age. The entry date will be the first day of the plan year quarter coinciding with or following the date the eligibility requirements are satisfied.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participant and Employer Contributions

Contributions to the Plan are made as follows:

Participants

Each year, participants may contribute up to 100% of base compensation up to the statutory limit, as defined by the Plan. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and common collective trust funds as investment options for participants.

Employer Matching Contributions

Each participating employer may make a discretionary matching contribution to the Plan in an amount determined by management. There was no such contribution made in 2024 and 2023.

See independent auditors’ report.

NOTE 1 – DESCRIPTION OF PLAN – Continued

Employer Discretionary Profit-Sharing Contributions

Each participating employer may make a discretionary profit-sharing contribution equal to a uniform percentage of each participant's annual compensation. There was no such contribution made in 2024 and 2023.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's matching contribution, the Company's discretionary contribution, as well as allocations of plan earnings, and is charged with an allocation of any administrative expenses paid by the Plan. Allocations are based on investment earnings on account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are 100% vested in their compensation deferrals plus earnings thereon at all times.

Participants are vested in employer matching and discretionary contributions according to the following schedule:

0% up to 2 years of service
20% after 2 years of service
40% after 3 years of service
60% after 4 years of service
80% after 5 years of service
100% after 6 years of service

Participants become fully vested in the Company's contributions in the event of total and permanent disability, death, attainment of retirement age during employment, or termination of the Plan.

Payment of Benefits

Upon termination of services, a participant may elect to receive their vested interest as a lump sum payment. In-service and hardship distributions are permitted pursuant to the terms of the Plan.

Forfeiture Accounts

At December 31, 2024 and 2023, forfeited nonvested accounts totaled \$2,473 and \$-0-, respectively. These accounts will be used to reduce future employer contributions or pay certain administrative expenses. During 2024 and 2023, the Company applied forfeitures of \$10,257 and \$184, respectively, to administrative expenses.

See independent auditors' report.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the excess contributions to the applicable participants prior to March 15 of the following year for both years ended December 31, 2024 and 2023.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments.

Date of Management's Review of Subsequent Events

Effective May 1, 2025, the employers listed below spun off into a new plan; Baker Auto Family 401(k) Retirement Plan (Baker Plan). Participant balances of \$8,644,355 were transferred into the Baker Plan on May 8, 2025.

CMB Coopersville, Inc.	Baker Ludington, Inc.	Baker Coopersville, Inc.
Baker Lowell II, Inc.	Baker Ithaca, Inc.	Baker Ford of Coopersville, Inc.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Date of Management’s Review of Subsequent Events – Continued

Management has evaluated subsequent transactions and events through September 25, 2025, the date these financial statements were available to be issued, and has determined other than the issue noted above, no items require additional disclosure.

NOTE 3 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual Funds: The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Common Collective Trust Fund: These investments are public investment securities valued using the Net Asset Value (NAV) provided by Great Gray Trust Company, Northern Trust Investments, and Reliance Trust Company. The NAV is quoted on a private market that is not active; however, the unit price is based on underlying investments which are traded on an active market. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following tables set forth by level, within the fair value hierarchy, the Plan’s assets as fair value:

Assets Measured at Fair Value on a Recurring Basis at December 31, 2024

	Level 1 Quoted Prices in Active Markets for Identical Assets	<u>Total</u>

Mutual Funds	\$ 225,683	\$ 225,683

Assets in the Fair Value Hierarchy:

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the years ended December 31, 2024 and 2023, are reported in the net appreciation in fair value of investments.

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following tables set forth additional disclosures for the fair value measurement of investments in certain entities that calculate net asset value per share (or its equivalent) as of:

NOTE 4 – PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of mutual funds and common collective trusts held by Charles Schwab Trust Bank. Charles Schwab Trust Bank is the custodian as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the custodial services are included in net appreciation in fair value of investments.

Administrative expenses include payments made to Captrust Investment Advisors, LLC for investment advisory services and Milliman, Inc. for recordkeeping services. Captrust Investment Advisors, LLC is the Plan's investment advisor and Milliman, Inc. is the record keeper, therefore these transactions qualify as party-in-interest transactions.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 5 – PLAN TERMINATION

Although it has not expressed any intent to do so, the plan sponsor has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, participants would become 100% vested in their employer contributions.

NOTE 6 – TAX STATUS

The Company has adopted Milliman, Inc.'s pre-approved profit-sharing plan. It has been determined to be acceptable under the Internal Revenue Code (IRC) by a letter dated June 30, 2020. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The plan administrator believes the Plan is no longer subject to income tax examinations for years prior to December 31, 2021.

NOTE 7 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events such as a pandemic or international conflict, which could impact the value of investment securities. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for benefits.

See independent auditors' report.
