REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Plan Administrator
Hydroform USA, Inc.
Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Hydroform USA, Inc. Profit Sharing Plan & Trust, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024, and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Hydroform USA, Inc. Profit Sharing Plan & Trust's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024, and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section.

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Hydroform USA, Inc. Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Hydroform USA, Inc. Profit Sharing Plan & Trust's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Hydroform USA, Inc. Profit Sharing Plan & Trust's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — Supplemental Schedules Required by ERISA

The supplemental schedules of schedules of Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

DECEMBER 31, 2024 AND 2023**

NOTE 1. DESCRIPTION OF THE PLAN

The following description of the Hydroform USA, Inc. Profit Sharing Plan & Trust (the "Plan") provides only general information. Participants should refer to the Plan document description for a more complete description of the Plan's provisions.

General

The Plan was originally effective August 1, 1992, and restated January 1, 2022. The Plan is a defined contribution plan covering all eligible employees of Hydroform USA, Inc., the Plan Sponsor who have three months of service for elective deferrals and one year of service for matching and non-elective deferrals. The Plan excludes Union employees and leased employees. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants each year can contribute up to 100% of pretax annual compensation, as defined by the Plan, or the maximum allowed by law (\$23,000 for 2024). Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

Participants direct the investment of their contributions into various investment options offered by the plan. The plan currently offers various mutual funds as options for participants.

Participant Accounts

Each participant's account is credited with the participant's elective deferrals and allocations of (a) the Company contributions and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on each participant's earnings or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided by the participant's vested account balance. The Plan provides for automatic election of 5% of compensation for all new participants.

Forfeitures

Forfeited attributable to employer contributions shall be used to fund the employer contributions for the Plan year following the year the forfeiture occurs. At December 31, 2024 and 2023 forfeited non-vested accounts totaled \$0 and \$0, respectively.

Vesting

Participants are immediately vested in their contributions, rollover contributions plus actual earnings thereon. Vesting in the company's discretionary non-elective employer matching contributions is based on a six-year graded vesting schedule.

NOTE 1. DESCRIPTION OF THE PLAN (Continued)

Payment of Benefits

The Plan provides benefits for eligible participants upon retirement, death, termination, or permanent disability according to the form of payment elected by the participant within the limitations defined in the Plan. Participants who have reached the age of 59 1/2 are also eligible for distributions prior to termination. Distributions shall be made in the form of a lump sum, rollover or established Individual Retirement Account. The Plan allows hardship withdrawals of employee deferrals in accordance with Internal Revenue Service ("IRS") regulations.

Notes Receivable from Participant

Participants may borrow funds from their fund accounts subject to a minimum of \$1,000 up to a maximum of \$50,000, or 50% of their vested account balance. The notes receivable is secured by a balance in the participant's account and bear interest rates ranging from 4.25 to 9.25%. Principal and interest is paid ratably through monthly payroll deductions.

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Plan are prepared on the accrual basis of accounting and in accordance with generally accepted accounting principles. Employer contributions and income from investments are recorded when they are earned. Employee contributions are recorded when withheld from pay. Expenses are recorded in accounting period in which they are incurred.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit responsive investment contract (if any), which is reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded in the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investment bought and sold as well as held during the year.

NOTE 2. SIGNIFICANT ACCOUNTING POLICIES *(Continued)*

Notes Receivables from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024. As of December 31, 2024, \$427 was recorded as interest income on notes receivable from participants

Payments of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investments related expenses are included in net appreciation(depreciation) of the fair value of investments.

Subsequent Events

The plan has evaluated subsequent events through October 1, 2025, the date the financial statements were available to be issued.

NOTE 3. INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103 (a)(3)(C) pursuant to 29 CFR 2520.103-8 for the DOL’s Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock Trust Company, a qualified Institution, has certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete accurate:

- (a) Investments and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2024 and 2023;
- (b) Total investment income and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2024; and
- (c) All information included in the schedule H, Line 4i – Schedule of Assets (Held at End of Year), as shown in the ERISA-required supplemental schedule.

At the request of the Plan administrator, the Plan’s independent auditors did not perform auditing procedures with respect to this certified investment information, except for comparing such certified investment information to the related investment included in the financial statements and ERISA-related supplemental schedule.

NOTE 4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820 as described as follows:

<i>Level 1</i>	<i>Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.</i>
<i>Level 2</i>	<i>Inputs to the valuation methodology include</i> <ul style="list-style-type: none"> • <i>quoted prices for similar assets or liabilities in active markets;</i> • <i>quoted prices for similar assets or liabilities in inactive markets;</i> • <i>inputs other than quoted prices that are observable for the asset or liability;</i> • <i>inputs that are derived principally from or corroborated by observable market data by correlation or other means.</i> <i>If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.</i>
<i>Level 3</i>	<i>Inputs to the valuation methodology are unobservable and significant to the fair value measurement.</i>

The assets or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

The following is a description of the valuation methodologies used for asset measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023:

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common /Collective Trust : Valued at the net asset value (NAV) of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Where the plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2024 and 2023:

<u>Asset at Fair Value as of December 31, 2024</u>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual Funds	\$ 6,711,470			\$ 6,711,470

NOTE 4. FAIR VALUE MEASUREMENTS (Continued)

^ Common collective trusts are measured at fair value using the net asset value per share or its equivalent as a practical expedient and are therefore not required to be classified in the fair value hierarchy.

The following tables summarize investments measured at fair value based on NAV per share as of December 31, 2024 and 2023:

	2024 Fair Value	2023 Fair Value	Unfunded Commitments	Redemption Frequency (If currently eligible)	Redemption Notice Period
Common collective trusts	\$213	\$468	None	Immediate	None

NOTE 5. NON-PARTICIPANT DIRECTED INVESTMENTS

The Plan's participants direct all investments. There are no non-participant directed investments as of December 31, 2024.

NOTE 6. RELATED PARTY TRANSACTIONS

Certain Plan investments are managed by John Hancock Trust Company, the custodian of the Plan and, therefore, these transactions qualify as party in interest transactions. The Plan also made direct payments to third party administrator of \$37,193. The Plan Sponsor pays directly any other fees related to the plan's operations. The Plan Custodian and Trustee receives fees for administration and investment management.

NOTE 7. PLAN TERMINATION

Although it has not expressed any intent to do so, the company has the right under the plan to discontinue its operations at any time and to terminate the plan subject to the provisions of ERISA. In the event of the plan termination, participants will become 100 percent vested in their accounts. Any unallocated assets of the plan shall be allocated to participant accounts and distributed in such a manner as the company may determine.

NOTE 8. TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 9. RISK AND UNCERTAINTIES

The Plan invests in various securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
