Independent Auditor's Report

To the Trustees and Plan Administrators of
Avetta, LLC 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of the Avetta, LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Part IV, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2024 is presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AVETTA, LLC 401(k) PLAN

Notes to the Financial Statements December 31, 2024 and 2023

1. Description of Plan

The following description of the Avetta, LLC 401(k) Plan (the “Plan”) provides only general information. Avetta, LLC is the Plan Sponsor (the “Plan Sponsor” and “Plan Administrator”). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of the Plan Sponsor. The Plan was established by the Plan Sponsor to provide retirement income for its employees and is subject to the provisions of the Employee Retirement Income Security Act of 1974 as amended (ERISA).

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security (“CARES”) Act was passed by Congress. The CARES Act contains several provisions that temporarily impact 401(k) plans, including the waiver of required minimum distributions, a new hardship withdrawal option, increased loan limits, and a pause option for the loan payments. The provisions of the CARES Act may be effective and operationalized immediately, prior to amending the plan document. The Company did not adopt any of the relief provisions included in the CARES Act.

In September 2020, the Plan was amended to reduce the length of service required to be eligible to participate in the Plan from 6 months of service to 3 months of service. This amendment was effective January 1, 2021.

On December 29, 2022, the Setting Every Community Up for Retirement Enhancement 2.0 Act (“Secure 2.0 Act”) was passed by Congress. The Secure 2.0 Act contains numerous provisions that impact employee benefit plans. Generally, the deadline for formally adopting any required plan amendments made pursuant to the Secure 2.0 Act is December 31, 2026; however, plans must be operated in accordance with the effective dates of each new provision. The Plan has administratively complied with and adopted all applicable provisions of the Secure 2.0 Act for the years ended December 31, 2024 and 2023. The Plan Sponsor expects the Plan to be formally amended prior to the Secure Act 2.0 deadlines.

Eligibility

Full time employees are eligible to participate in the Plan upon attaining the age of 21 and completing 3 months of service with the Plan Sponsor. Plan entry date is to be the first day of the Plan Year quarter coinciding with or next following the date the employee satisfies the eligible requirements.

Contributions

Participants may make pre-tax and/or Roth 401(k) contributions up to a maximum of 100% of eligible compensation, not to exceed the dollar limit set by law of \$23,000 for 2024. Participants age 50 or older may elect to defer up to an additional \$7,500 of “catch-up” contributions to the Plan. In addition, participants may also contribute amounts representing distributions from other qualified plans described in Code section 401(a) or 403(a), excluding after-tax employee contributions.

The Plan qualifies as a safe harbor plan as described in Internal Revenue Code (the “Code”). The Plan Sponsor may make safe harbor matching contributions to each participant in an amount equal to 100% of the participant’s deferral up to four percent (4%) of compensation. The Plan Sponsor made matching contributions of \$2,173,134 to the Plan for the year ended December 31, 2024.

1. Description of Plan (Continued)

Participant Accounts

Each participant's account is credited with participant contributions, the Plan Sponsor's contributions, and Plan investment earnings. Participants may choose to have their account balance deposited in various investment programs. Allocation of Plan investment earnings is based on the participant's account balance, as defined.

Vesting

Participants are immediately vested in their contributions and actual earnings thereon. Participants are also immediately vested in the Plan Sponsor safe harbor contributions.

Participant Notes Receivable

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from 1 year to a maximum of 5 years (a maximum of 12.5 years if used to purchase the participant's principal residence). The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the Plan Sponsor. Principal and interest are paid ratably through payroll deductions or participant payments. As of December 31, 2024 and 2023, notes receivable from participants amounted to \$417,910 and \$405,176, respectively, with annual interest rates ranging from 4.25% to 9.50% as of December 31, 2024.

Investment Options

Participants may self-direct employee and employer contributions into various investment options available for investment. The investment options include mixes of money market funds and mutual funds. Participants may change their investment options at any time.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as excess contributions owed to participants. As of December 31, 2024 and 2023, there were no excess contributions payable.

Payments of Benefits

Upon termination of service, a participant is eligible to receive as benefits a lump sum amount equal to the value of his/her account distributed in accordance with the Plan.

Forfeitures

Forfeitures are the non-vested portion of a participant's account that is lost upon termination of employment and uncashed withdrawals brought back into the Plan. Forfeitures may be used to pay allowable administrative expenses and reduce Plan Sponsor matching contributions. Uncashed withdrawal amounts remain in the forfeiture account until the amounts are reissued. As of December 31, 2024 and 2023, forfeiture balances were \$92,135 and \$185,900, respectively. For the year ended December 31, 2024, the Plan had \$84,623 in uncashed withdrawals, \$3,620 in forfeitures and reissued a \$182,008 withdrawal.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting. The Plan's investments are stated at fair market value. Quoted market prices are used to value investments. Shares of registered investment companies are valued at quoted market prices, which represent the net asset value of the shares held by the Plan at year-end.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the Plan Sponsor to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. The Plan Sponsor believes that the estimates utilized in preparing its financial statements are reasonable and prudent. Actual results could differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Net appreciation in fair value of investments consists of realized gains and losses and the change in unrealized gains and losses in the Plan's investments. Realized gains and losses from the sale of investments are computed using the participant's cost basis in the investment aggregated at the Plan level. Net changes in unrealized appreciation/depreciation in investments represent the difference between the fair value of investments held at year-end and the cost of investments purchased in the current fiscal year or the fair value of investments held at the end of the preceding year.

Participant Notes Receivable

Participant notes receivable are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on participant notes receivable is recorded when earned. Delinquent notes receivable from participants are recorded as a distribution based on the terms of the Plan document. Related fees are recorded as administrative expenses and are expensed when incurred.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Plan administrative expenses are paid by either the Plan Sponsor or the Plan, as provided in the Plan agreement. Fees paid by the Plan for certain administrative fees amounted to \$7,732 for the year ended December 31, 2024. Fees paid by the Plan Sponsor are excluded from these financial statements. The fees paid by the Plan Sponsor amounted to \$107,204 for the year ended December 31, 2024.

Subsequent Event

The Plan evaluated subsequent events through October 9, 2025, the date these financial statements were issued. There were no subsequent events that required recognition or additional disclosure in these financial statements.

3. Fair Value Measurements

Fair value is defined as the price that would be received from selling an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. When determining the fair value measurements for assets and liabilities required to be recorded at fair value, the Plan considers the principal or most advantageous market in which it would transact and considers assumptions that market participants would use when pricing the asset or liability, such as inherent risk, transfer restrictions, and risk of nonperformance.

The Plan maximizes the use of observable inputs and minimizes the use of unobservable inputs when measuring fair value. A financial instrument's categorization within the fair value hierarchy is based upon the lowest level of input that is significant to the following fair value measurement.

- Level 1: quoted prices in active markets for identical assets or liabilities;
- Level 2: inputs other than Level 1 that are observable, either directly or indirectly, such as quoted prices in active markets for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities; or
- Level 3: unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

Following is a description of the valuation methodologies used for assets measured at fair value.

- Registered investment companies: Investments in shares of registered investment companies are valued based on quoted market prices, which represent the net asset values of shares held by the Plan at year-end (Level 1 inputs).

The following table below sets forth by level, within the fair value hierarchy, the Plan's assets and fair value as of December 31, 2024.

| Investments | Level 1 | Level 2 | Level 3 | Total |
|----------------------------------|----------------------|-------------|-------------|----------------------|

Notes to the Financial Statements December 31, 2024 and 2023

4. **Party-in-Interest Transactions**

Certain Plan investments are shares of mutual funds managed by Capital Bank and Trust Company, the Plan's Custodian. Certain Plan investments are shares of mutual funds managed by American Funds. The Plan allows participants to borrow from their vested balances. These transactions qualify as party-in-interest transactions. All of these transactions are exempt from prohibited transaction rules under ERISA.

5. **Information Certified by the Custodian**

The Plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Capital Bank and Trust Company ("the Custodian"), a qualified institution, has certified that the following investment information included in the accompanying financial statements and supplemental schedule is complete and accurate: investments in the statements of net assets available for benefits as of December 31, 2024 and 2023; net appreciation in the value of investments and interest and dividends in the statement of changes in net assets available for benefits for the year ended December 31, 2024; and the investment information included in the supplemental Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024.

6. **Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

The Plan may be adversely affected by health epidemics. Due to pandemics, the equity and bond markets, in which Plan assets are invested, could experience unusually high volatility and uncertainty. Although the Plan sponsor is continuing to monitor and assess the effects of potential pandemics on the Plan and its investments, the ultimate impact of the outbreak or a similar health epidemic is highly uncertain and subject to change.

7. **Plan Termination**

Although they have not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan at any time by resolution of its Board of Directors subject to the provisions of ERISA. In the event of Plan termination, the respective accounts of the participants under the Plan shall become fully vested and non-forfeitable.

8. **Prohibited Transactions**

There were no prohibited party-in-interest transactions during the year ended December 31, 2024.

Notes to the Financial Statements December 31, 2024 and 2023

9. Tax Status

Effective August 1, 2010, the Plan adopted a prototype standardized cash or deferred profit-sharing plan with CODA provided by Rita Kalra & Associates Inc., DBA Benefit Consulting Group. The Internal Revenue Service has determined and informed Benefit Consulting Group by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. Effective September 1, 2015, the Plan was restated to meet the requirements of various regulatory changes. Effective April 1, 2016, the Plan was amended to change the name to Avetta, LLC 401(k) Plan. In December 2016, the Plan was amended to change certain excluded class of employees, the definition of compensation, and the forms of distributions allowed under the Plan. These changes were effective January 1, 2017. Effective January 1, 2019, the Plan was amended to change the eligibility requirements from one month of service to six months of service. The Plan Sponsor and Benefit Consulting Group believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Service. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statements date.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. The financial statement effects are recognized when the Plan has taken an uncertain position that more likely than not would be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2024, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
