Industrial Carpenters Local 721 Pension Trust Fund
1200 Wilshire Boulevard, Fifth Floor
Los Angeles, California 90017

Members of the Board:

Opinion

We have audited the accompanying financial statements of Industrial Relations Council of Furniture Manufacturers in Southern California and Cabinet Makers, Millmen and Industrial Carpenters Local 721 Pension Trust Fund (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), which comprise the statements of net assets in liquidation available for benefits as of December 31, 2024 and 2023, the related statements of changes in net assets in liquidation available for benefits for the years then ended, the statement of accumulated plan benefits as of December 31, 2023, the related statement of changes in accumulated plan benefits for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets in liquidation available for benefits of the Plan as of December 31, 2024 and 2023, and the changes in its net assets in liquidation available for benefits for the years then ended, and the accumulated plan benefits as of December 31, 2023, and the changes in its accumulated plan benefits for the year then ended, in accordance with the liquidation basis of accounting.

Emphasis of Matters

As discussed in Note 3 to the financial statements, the Board of Trustees of the Plan approved a plan of liquidation on October 31, 2011, and the Plan commenced liquidation shortly thereafter. As a result, the Plan has changed its basis of accounting for periods subsequent to October 31, 2011, to the liquidation basis.

As discussed in Note 5 of the financial statement, the Plan became insolvent as of February 1, 2020. The Plan signed a promissory note with the PBGC in January 2020 to provide financial assistance for guaranteed monthly payment of benefits.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the liquidation basis of accounting, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Board of Trustees
Industrial Relations Council of Furniture Manufacturers
in Southern California and Cabinet Makers, Millmen and
Industrial Carpenters Local 721 Pension Trust Fund

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS IN LIQUIDATION
DECEMBER 31, 2024 AND 2023

NOTE 1 - DESCRIPTION OF THE PLAN

The following brief description of the Industrial Relations Council of Furniture Manufacturers in Southern California and Cabinet Makers, Millmen and Industrial Carpenters Local 721 Pension Trust Fund (the "Plan") is provided for general information purposes only.

THE PLAN DOCUMENTS INCLUDE DETAILED RULES FOR EACH SITUATION. PARTICIPANTS SHOULD REFER TO THE PLAN AGREEMENT AND ANY AMENDMENTS REGARDING SPECIFIC PROVISIONS OF THE PLAN.

A. General

The Plan is a defined benefit pension plan covering substantially all participating members under the Cabinet Makers, Millmen and Industrial Carpenters, Local 721 Union's (the "Union") collective bargaining agreement. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The disbursements of the Plan are under the joint control of union and employer trustees.

B. Pension Benefits

The Plan provides normal retirement, early retirement, and disability retirement benefits. The monthly benefit amount shall be calculated by multiplying the pensioner's years of Pension Credit by the benefit rate. A participant earns one year of Pension Credit for each year in which a participant is credited with at least 1,600 hours of service with a signatory employer.

Unless otherwise elected by the participant and spouse, a married participant's retirement benefit will be paid in the form of an actuarially reduced joint and 50% survivor annuity. An unmarried participant's retirement benefit will be paid in the form of a life annuity. A married participant and his spouse may elect a life annuity benefit.

If at the time a normal retirement benefit is payable to participant or the beneficiary of a participant and the actuarial equivalent value of such retirement benefit is \$5,000 or less, the Plan shall pay to such participant or beneficiary the lump sum amount of such actuarial equivalent value, instead of the monthly retirement benefit otherwise due.

Benefits were reduced to the PBGC guaranteed benefit as a result of applying for financial assistance on February 1, 2020 (Note 5).

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The accounts of the Plan are maintained on the liquidation basis of accounting.

B. Estimates

The preparation of financial statements in conformity with the liquidation basis of accounting requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

INDUSTRIAL CARPENTERS LOCAL 721 PENSION TRUST FUND**
NOTES TO FINANCIAL STATEMENTS IN LIQUIDATION
DECEMBER 31, 2024 AND 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

C. Tax-Exempt Status

No provision for federal or state income tax is made. The Plan obtained its latest determination letter on February 7, 2011, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (the "IRC").

The liquidation basis of accounting requires management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

D. Actuarial Present Value of Accumulated Plan Benefits

Accumulated plan benefits are those future periodic payments, including lump-sum distributions that are attributable under the Plan's provisions to the service employees have rendered.

Accumulated plan benefits include benefits expected to be paid to (a) retired or terminated employees or their beneficiaries, (b) beneficiaries of employees who have died, and (c) present employees or their beneficiaries. Benefits under the Plan are based on the employees' total credited service, which is the sum of (a) past service credits and (b) future service credits. Benefits payable under all circumstances - retirement, death, disability and termination of employment - are included, to the extent they are deemed attributable to employee service rendered to the valuation date. Benefits to be provided via annuity contracts excluded from plan assets are excluded from accumulated plan benefits.

As of December 31, 2023 and 2022, the Plan's unfunded accrued liability is approximately \$6.8 million and \$7.4 million, respectively. There are no projected employer contributions to fund the unfunded accrued liability.

The actuarial present value of accumulated plan benefits is determined by actuaries from NWPS and is that amount that results from applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money (through discounts for interest) and the probability of payment (by means of decrements such as for death, disability, withdrawal or retirement) between the valuation date and the expected date of payment. The significant actuarial assumptions used in the latest valuation date of December 31, 2023 were:

- | | | |
|----|-------------------------|--|
| 1. | Interest Discount Rate: | 5% compounded annually |
| 2. | Investment Yield: | 5% per annum, net of investment expenses |
| 3. | Mortality: | |
| | Healthy: | RP-2000 Combined Mortality Table |
| | Disabled: | RP-2000 Combined Mortality Table, set forward 10 years |

D. Actuarial Present Value of Accumulated Plan Benefits (Continued)

- | | |
|---------------------------|---|
| 4. Retirement Age: | 65 |
| 5. Missing Data: | If not specified, participants are assumed to be male |
| 6. Valuation of Assets: | Market valuation of assets plus present value of scheduled withdrawal liability payments |
| 7. Actuarial Cost Method: | Unit Credit |
| 8. Marriage: | 85% of the population is assumed to be married where female spouses are assumed to be five years younger than their husbands. |

E. Employer Withdrawal Liability Contributions

The Plan terminated due to a mass withdrawal of all employers on October 31, 2011. As of December 31, 2024 and 2023, employer withdrawal liability contributions are the only continuing contributions. One employer is paying \$199,664 per year through July 2036.

F. Risks and Uncertainties

The actuarial present value of accumulated plan benefits is calculated based on certain assumptions pertaining to interest rates, participant demographics and other assumptions which are subject to change. Due to the uncertainty of the assumption process it is at least reasonably possible that changes in these assumptions in the near term would be material to the financial statements.

NOTE 3 - PLAN TERMINATION

The Plan experienced a plan termination by mass withdrawal of all employers on October 31, 2011. As required under PBGC Regulations 29 C.F.R.4219.17 and 29 C.F.R. 4041A.11, the Plan filed a notice of the occurrence of a plan termination by mass withdrawal of all employers with the PBGC on November 30, 2011. In addition, also in accordance with PBGC Regulation 29 C.F.R.4041A.12(b), copies of all required Plan documents were submitted to the PBGC with the notice of plan termination.

The Plan's actuary determines if assets are sufficient to pay non-forfeitable benefits. When the Plan's available resources are not sufficient to pay benefits due for a plan year, the Plan will be considered insolvent. Plan benefits are guaranteed by the PBGC when the Plan is certified insolvent by the Plan's actuary. The PBGC will not guarantee benefits or benefit increases in effect for fewer than 60 months before the first day of the plan year in which a plan amendment to reduce benefits is taken into account in determining the minimum contribution requirement for the plan year in accordance with the provisions set forth in ERISA. The Plan became insolvent on February 1, 2020.

NOTE 4 - ADMINISTRATION FEES

Benefit administration fees were paid as follows:

- Effective February 1, 2020, a flat fee of \$1,347.41 per month plus \$2.01 per retiree in pay status per month.

NOTE 5 - PBGC FUNDING

The Plan became insolvent as of February 1, 2020 and signed a promissory note with the PBGC on January 17, 2020 to provide financial assistance for PBGC guaranteed benefits under the Plan and reasonable administrative expenses. The promissory note will accrue interest at a rate in effect under Section 6621 (a)(2) of the IRC, as amended, compounded daily. The PBGC may at any time demand payment of the financial assistance debt. The PBGC began providing financial assistance effective with February 2020 benefits and administrative expenses. As of December 31, 2024 and 2023, the Plan has received a total of \$4,142,500 and \$3,438,900 in financial assistance, respectively.

NOTE 6 - PLAN AMENDMENT

The Plan adopted Amendment Number 5 to increase the required minimum distribution age from 72 to age 73 to follow the Secure Act provision effective January 1, 2024.

NOTE 7 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through September 29, 2025, the date on which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements.
