## Independent Auditor's Report

### The Plan Administrator Roman Empire Living Skills, Inc. 401(k) Plan

#### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of Roman Empire Living Skills, Inc. 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate to the best of their knowledge and belief.

#### Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter – Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, have been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**NOTE 1      DESCRIPTION OF THE PLAN**

The following description of the Roman Empire Living Skills, Inc. 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions. Roman Empire Living Skills, Inc. is the Plan Sponsor and Plan Administrator.

**General**

The Plan is a defined contribution retirement plan, as defined under Section 401(k) of the Internal Revenue Code (IRC), which covers all eligible employees of the Plan Sponsor and Roman Empire ABA Services, Inc., its affiliate. The Plan's purpose is to provide cash or a deferred benefit arrangement for participants and their beneficiaries. John Hancock Life Insurance Company (U.S.A.) (John Hancock) serves as the current custodian of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Eligibility**

Employees who attain the age of 21 and have completed three months of service are eligible to participate in salary and non-salary reduction contributions.

Each eligible employee shall become a participant in the Plan on the first day of the month following the completion of the eligibility requirements.

**Contributions**

Eligible participants may elect to make pre-tax or Roth contributions. They may contribute to the Plan each payroll period up to the maximum amount allowable under the Internal Revenue Code. Participants who have attained the age of 50 before the end of the plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan Sponsor provides a matching contribution to the Plan that is equal to 100% of an eligible participant's contributions that do not exceed 3% of his or her compensation for the allocation period. The Plan Sponsor may decide to make a non-elective contribution to the Plan, although the Plan Sponsor is not required to do so. The non-elective contribution will be allocated to all employees eligible to participate in the Plan.

Participants may also rollover amounts representing distributions from other eligible retirement plans.

Other contributions amounting to \$3,071 and \$2,428 for the years ended December 31, 2024 and 2023, respectively, pertain to unallocated cash contributions made by the Plan Sponsor for administrative expenses.

**NOTE 1 DESCRIPTION OF THE PLAN (CONTINUED)**

**Participant Accounts**

Each participant's account is credited (charged) with (a) the participant's contributions, (b) investment earnings or losses, (c) expenses and (d) rollover contributions. Earnings or losses are allocated to the participants' accounts based on the proportion each account bears to the total of all account balances within each investment fund.

The Plan offers the participants the opportunity to exercise control over their account by allowing them to choose from a wide range of investments, determine the manner in which assets will be invested, and receive and access information necessary to make informed decisions with respect to the investment options under the Plan.

**Vesting**

Participants are immediately vested for their entire contributions plus actual earnings thereon. Employer matching contributions and nonelective contributions, as defined in the Plan document, are vested as follows:

Years of Service	Percentage Vested
Less than 2 years	0%
At least 2 years, but less than 3	20%
At least 3 years, but less than 4	40%
At least 4 years, but less than 5	60%
At least 5 years, but less than 6	80%
6 years or more	100%

**Forfeitures**

Forfeited accounts are used to reduce future employer matching contributions and to pay administration fees of the Plan. The changes in the Plan's forfeiture account balance for the years ended December 31, 2024 and 2023 are as follows:

	2024	2023
Balance, January 1	\$ -	\$ -
Forfeitures during the year	7,405	2,146
Forfeitures used during the year to reduce employer contributions	(7,405)	(2,146)
Balance, December 31	\$ -	\$ -

**Payment of Benefits**

Upon retirement or termination of service, a participant may elect to receive either a lump-sum amount equal to the value of his or her vested account or, if the balance is over \$5,000, payment in installments as described in the Plan Document. If the participant elects to postpone receiving benefits, the Plan provides for distributions to be made after the participant attains the age of 70 ½. Upon death, the beneficiary will be entitled to receive 100% of the participant's account.

A participant may be eligible to withdraw contributions from his or her account to meet a financial hardship or, upon reaching the age of 59 ½, make a lump-sum withdrawal of all or part of his or her account.

**NOTE 1      DESCRIPTION OF THE PLAN (CONTINUED)**

**Notes Receivable from Participants**

Participants may borrow against their vested account a minimum of \$500 up to the lesser of 50% of their vested account balance or \$50,000, reduced by the highest outstanding loan balance within the previous 12 months. The participant is required to repay a loan through payroll deductions within 5 years unless the loan is used for the purchase of a primary residence. Loans made to help purchase a primary residence of the participant may be repaid within a period of no more than 30 years. The participants have to repay any outstanding loans before a new loan can be made.

The interest rate is the prime rate as published in The Wall Street Journal on the 14th of each month, plus two percentage points. This interest rate is effective for any loan processed as of the 16th day of the month.

**NOTE 2      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan are prepared using the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

**Concentration of Risk**

The Plan's investments have exposure to risk to the extent that the investments are subject to market and interest rate fluctuations that may materially affect the value of the investment balances.

**Investment Options**

Participants may direct participant and employer contributions, as desired, in any of several investment options held by the custodian and may change their investment options daily.

**Valuation of Investments and Income Recognition**

Investments are stated at fair value as reported to the Plan by John Hancock. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on accrual basis. Dividends are recorded on the ex-dividend date.

**Net Appreciation (Depreciation) in Fair Value of Investments**

Realized and unrealized appreciation (depreciation) in the fair value of investments is calculated based on the difference between the fair value of the assets at the beginning of the year, or at the time of purchase for assets purchased during the year, and the related fair value on the day investments are sold with respect to realized appreciation (depreciation), or on the last day of the year for unrealized appreciation (depreciation).

Realized and unrealized appreciation (depreciation) is recorded in the accompanying Statements of Changes in Net Assets Available for Benefits as net appreciation (depreciation) in fair value of investments.

**NOTE 2      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Use of Estimates**

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Benefits Paid to Participants**

Benefits are recorded when paid.

**Administrative Fees**

The Plan Sponsor's employees perform certain administrative functions for the Plan. Neither the Plan Sponsor nor its employee receives compensation from the Plan. Certain administrative or investment fees of the Plan are paid out of the assets of the Plan. Annual audit fees are paid and reported separately by the Plan Sponsor.

**NOTE 3      FAIR VALUE MEASUREMENT**

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurement*, provides the framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

*Level 1* - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access, quoted prices for similar assets or liabilities in active markets and/or quoted prices for identical or similar assets or liabilities in inactive markets.

*Level 2* Inputs to the valuation methodology include inputs other than quoted prices that are observable for the asset or liability and/or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

**NOTE 3 FAIR VALUE MEASUREMENT (CONTINUED)**

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2024 and 2023.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact purchases and sales at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common collective trust:* Common collective trust is valued at fair value using the net asset value (NAV) as provided by the custodian. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is used as a practical expedient to estimate fair value. The common collective trust is not classified within the fair value hierarchy; however, the amount measured using NAV is disclosed to permit reconciliation of the fair value of investments to the Statements of Net Assets Available for Benefits.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth, by level within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2024 and 2023:

Investment Category	2024			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 1,393,657	\$ -	\$ -	\$ 1,393,657
Investments measured at NAV				123
Total investments at fair value				\$ 1,393,780

Investment Category	2023			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 1,074,544	\$ -	\$ -	\$ 1,074,544
Investments measured at NAV				83
Total investments at fair value				\$ 1,074,627

**NOTE 4 INCOME TAX STATUS**

The Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. No provision for income taxes has been included in the Plan's financial statements.

**NOTE 4 INCOME TAX STATUS (CONTINUED)**

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that, as of December 31, 2024 and 2023, there are no uncertain positions taken or expected to be taken that would require recognition of liability (or asset) or disclosure in these financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 5 FINANCIAL INFORMATION CERTIFIED BY CUSTODIAN**

The Plan's asset information as of December 31, 2024 and 2023, and for the years then ended, included throughout the Plan's financial statements and ERISA-required supplemental schedule, were obtained by management and agreed to or derived from information certified by John Hancock, the custodian of the Plan. The Plan Administrator has obtained certifications from the custodian that information provided to the Plan Administrator by the custodian related to the Plan's assets is complete and accurate to the best of their knowledge and belief. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedule related to the following:

- Investments, as reflected in the Statements of Net Assets Available for Benefits, as of December 31, 2024 and 2023;
- Investment activity, as reflected in the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2024 and 2023;
- Investment information disclosed in Note 3 to the Plan's financial statements; and
- Investments, as reflected in Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2024.

**NOTE 6 RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS**

Certain Plan investments are mutual funds and common collective trusts managed through John Hancock. John Hancock is the custodian and recordkeeper of the Plan and, therefore, these transactions qualify as party-in-interest transactions that are exempt under ERISA. Fees paid by the Plan for investment management services were included as a reduction of the return earned on these investments. Fees paid by the Plan to the custodian and recordkeeper for administrative fees amounted to \$36,261 and \$32,401 for the years ended December 31, 2024, and 2023, respectively.

**NOTE 7      PLAN TERMINATION**

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, the participants will become 100% vested in their accounts and the net assets of the Plan will be allocated among the participants and their beneficiaries after payment of any expenses properly chargeable to the Plan, in accordance with the provisions of ERISA.

**NOTE 8      RISKS AND UNCERTAINTIES**

The Plan invests in various types of investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

**NOTE 9      NONEXEMPT TRANSACTIONS**

During 2023, the Plan Sponsor inadvertently failed to deduct from the payroll and deposit to the custodian the correct participant deferral due to the use of a deferral rate which was not updated during the year. The corrective employee deferral of \$800 and lost earnings of \$217 were remitted to the Plan in January and February 2024, respectively.

**NOTE 10     NEW LAWS AND REGULATIONS**

On December 29, 2022, the Setting Every Community Up for Retirement Enhancement 2.0 Act of 2022 (SECURE 2.0) became law. The new law makes changes to include provisions intended to expand coverage, increase retirement savings, and simplify and clarify retirement plan rules. SECURE 2.0 changed the retirement plan rules for long-term, part-time employees. The 401(k) plan requirement to allow employees to contribute elective deferral was expanded to 403(b) plans.

For plan years beginning in 2024, if an employee has three consecutive 12-month periods with more than 500 hours of service in each, the employee must be eligible to enter the plan, and the period of service was reduced from three to two consecutive 12-month periods, for plan years beginning after December 31, 2024.

The IRS issued proposed regulations in February 2023 addressing the use and timing of forfeitures in qualified retirement plans. These regulations apply to plan years beginning on or after January 1, 2024. The regulation states that forfeitures must be used no later than 12 months after the end of the plan year in which the forfeitures were incurred. However, the transition rule also provides that any forfeitures that were incurred in any plan year beginning before 2024 are treated as having been incurred in the first plan year that begins on or after January 1, 2024, and, thus, must be used no later than December 31, 2025, for a calendar year plan.

**NOTE 10      NEW LAWS AND REGULATIONS (CONTINUED)**

For plan years beginning in 2026, catch-up contributions for participants age 50 or older earning more than \$145,000 annually will be required to be made on a Roth (after-tax) basis. Management is monitoring regulatory guidance and evaluating administrative updates required to comply with this provision.

The Plan will implement the above legislative changes and intends to formally execute the required plan amendments reflecting their implementation by the deadline of December 31, 2026.

**NOTE 11      SUBSEQUENT EVENTS**

The Plan Administrator has evaluated subsequent events for the Plan through October 9, 2025, which is the date the financial statements were available to be issued. There were no subsequent events that would require recognition or additional disclosure in the Plan's financial statements.
