Significant Written Communications Between Management and Our Firm--Attached

REQUIRED COMMUNICATIONS

The following required communications summarize our responsibilities regarding the financial statement audit as well as observations from our audit that are significant and relevant to your responsibility to oversee the financial reporting process.

Area	Comments
Our Responsibilities	<p>We described our responsibilities under auditing standards generally accepted in the United States of America to you in our engagement letter dated February 6, 2025. Our audit of the financial statements does not relieve management or you of your responsibilities, which are also described in that letter.</p> <p>As management determined it is permissible in the circumstances and elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C), the audit did not extend to any certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the applicable financial reporting framework.</p>
Planned Scope and Timing of the Financial Statement Audit	<p>We previously issued a separate communication dated February 6, 2025, regarding the planned scope and timing of our audit and identified significant risks.</p>
Accounting Policies and Practices	<p>Preferability of Accounting Policies and Practices</p> <p>Under accounting principles generally accepted in the United States of America, in certain circumstances, management may select among alternative accounting practices. In our view, in such circumstances, management has selected the preferable accounting practice.</p> <p>Adoption of, or Change in, Accounting Policies</p> <p>Management has the ultimate responsibility for the appropriateness of the accounting policies used by the Plan. The Plan did not adopt any significant new accounting policies, nor have there been any changes in existing significant accounting policies during the current period.</p> <p>Significant Accounting Policies</p> <p>We did not identify any significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.</p>

REQUIRED COMMUNICATIONS

Area	Comments
	Significant Unusual Transactions We did not identify any significant unusual transactions.
Audit Adjustments	There were no audit adjustments made to the original trial balance presented to us to begin our audit.
Uncorrected Misstatements	We are not aware of any uncorrected misstatements other than misstatements that are clearly trivial.
Form 5500 Filing	GAAS requires that we obtain and read a draft of the Plan’s Form 5500 that is substantially complete prior to the dating of our auditor’s report in order to identify material inconsistencies, if any, with the Plan’s audited financial statements. We read the Plan’s draft Form 5500 filing for consistency with information in the financial statements. We did not identify material inconsistencies with the audited financial statements, other than appropriate reconciling items with the draft Form 5500 as disclosed in the notes to the financial statements.
ERISA-Required Supplemental Schedule	We subjected the information included in the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or the financial statements themselves, and other additional procedures in accordance with GAAS. The objective of these audit procedures was to determine whether the ERISA-required supplemental schedule, other than the certified investment information, is fairly stated in all material respects in relation to the financial statements as a whole, whether the form and content of the ERISA-required supplemental schedule is presented in conformity with the Department of Labor’s (DOL) Rules and Regulations for Reporting and Disclosure Under ERISA, and whether the certified investment information in the supplemental schedule agree to, or is derived from, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C). We will include an other-matter paragraph in our auditor’s report for the ERISA-required supplemental schedule(s). We did not identify inconsistencies with the audited financial statements or with the certified investment information.
Disagreements With Management	We encountered no disagreements with management over the application of significant accounting principles, the basis for management’s judgments on any significant matters, the scope of the audit, or significant disclosures to be included in the financial statements.

REQUIRED COMMUNICATIONS

Area	Comments
Consultations With Other Accountants	We are not aware of any consultations management had with other accountants about accounting or auditing matters.
Significant Issues Discussed With Management	No significant issues arising from the audit were discussed with or the subject of correspondence with management.
Significant Difficulties Encountered in Performing the Audit	We did not encounter any significant difficulties in dealing with management during the audit.
Significant Matters That Required Consultation	We did not encounter any difficult or contentious matters that required consultation outside the engagement team and that are, in our professional judgment, significant and relevant to your responsibility to oversee the financial reporting process.
Shared Responsibility: SEC Independence	The Securities and Exchange Commission (SEC) regularly emphasizes that auditor independence is a joint responsibility and is managed most effectively when management, audit committees (or their equivalents), and audit firms work together in considering compliance with the SEC's independence rules. For YHB to fulfill its professional responsibility to maintain and monitor independence, management, the audit committee (or equivalent) and YHB each play an important role.

Our Responsibilities

- SEC rules require that all services not related to the financial statement audit for which independence is being maintained be pre-approved by the audit committee (or equivalent) of the financial statement audit client.
- Maintain a system of quality management over compliance with independence rules and firm policies.

Your Responsibilities

- Timely inform YHB, before the effective date of transactions or other business changes, of the following:
 - New affiliates, directors, officers, or persons in financial reporting oversight roles.
 - New beneficial owners of the Plan Sponsor's equity securities that have significant influence.
 - Change in corporate structure impacting affiliates such as add-on acquisitions or exits.

This representation letter is provided in connection with your audit of the financial statements of Bank of Charles Town 401(k) Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA) sponsored by Bank of Charles Town (the Plan Sponsor). The Plan's financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023; the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

We elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. We acknowledge that the audit did not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier, that is regulated, supervised and subject to periodic examination by a state or federal agency, a qualified institution, that prepared and certified the investment information in accordance with 29 CFR 2520.103-5 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. We have determined that an ERISA Section 103(a)(3)(C) audit is permissible under the circumstances. We have also determined that the investment information is prepared and certified by a qualified institution as described by 29 CFR 2520.103-8, that the certification meets the requirements in 29 CFR 2520.103-5 and that the certified investment information is appropriately measured, presented and disclosed in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

The purpose of an ERISA Section 103(a)(3)(C) audit is to express an opinion on whether the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with U.S. GAAP and that the assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the certified investment information.

We confirm, to the best of our knowledge and belief, that as of the date of this letter:
