FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

## INDEPENDENT AUDITOR'S REPORT

Plan Administrator  
San Manuel Band of Mission Indians  
401(k) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of San Manuel Band of Mission Indians 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and

Plan Administrator  
San Manuel Band of Mission Indians

certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**SAN MANUEL BAND OF MISSION INDIANS**  
**401(k) PLAN**  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

**NOTE 1 - DESCRIPTION OF THE PLAN**

The following brief description of the San Manuel Band of Mission Indians 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for more specific provisions.

**A. General**

The Plan is a defined contribution plan established on January 1, 2000 to provide benefits to eligible employees of the San Manuel Band of Mission Indians, a federally recognized tribal government, and its affiliates (the “Tribe”). The plan administrator believes the Plan is designed and operated in compliance with applicable requirements of the Internal Revenue Code (the “Code”) and provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

**B. Administration and Expenses**

The Tribe designated Fidelity Management Trust Company (“Fidelity”) to serve as directed trustee and third party administrator responsible for maintaining participant records.

Plan expenses may be paid by the Plan or the Tribe as provided in the Plan document. Approximately \$97,000 of administrative expenses were paid by the Plan. In addition, certain investment related expenses are charged directly by the funds and are thereby factored into each fund as a reduction in investment return.

**C. Eligibility**

Employees of the Tribe of age 21 or older are eligible to make elective contributions and to receive employer matching contributions upon commencement of employment. An eligible employee must complete one year of service (1,000 hours) to be eligible for employer non-elective contributions. Non-resident aliens, leased employees and temporary employees who work less than 1,000 hours per year are specifically excluded from the Plan.

**D. Participant Contributions**

Participants may elect to have the Tribe contribute their eligible pre-tax and/or Roth after-tax compensation, as defined in the Plan, up to the maximum amount allowable under provisions of the Code. Participants of age 50 and older are permitted to make up to \$7,500 of additional catch-up contributions in 2024. Participants who elect to have the Tribe contribute a portion of their pre-tax compensation to the Plan agree to accept an equivalent reduction in taxable compensation.

Participants are also allowed to make rollover contributions of amounts received from other tax-qualified retirement plans. Such contributions are deposited in the appropriate investment funds in accordance with participant investment directions.

**E. Employer Contributions**

In 2024, the Tribe matched 100% of participants’ elective contributions up to 3% of compensation, plus 50% of participants’ elective contributions up to the next 2% of compensation.

**SAN MANUEL BAND OF MISSION INDIANS**  
**401(k) PLAN**  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

**NOTE 1 - DESCRIPTION OF THE PLAN (Continued)**

**E. Employer Contributions (Continued)**

The Business Committee may authorize additional employer non-elective contributions (“Core Contributions”) on behalf of eligible participants equal to a uniform percentage of participants’ eligible compensation. For the 2024 Plan year, the Business Committee authorized Core Contributions equal to 1.6% of participants’ eligible 2024 compensation.

**F. Vesting and Forfeitures**

A participant is fully vested immediately as to voluntary contributions, rollover contributions and related earnings. Participants are immediately 100% vested in their accounts attributable to matching contributions and become vested in their accounts attributable to Core contributions after three years of service on a cliff vesting schedule.

Forfeitures of terminated participants’ non-vested accounts may be used to reduce future contributions made by the Tribe or to pay Plan expenses (Note 1-B). In 2024, forfeitures totaled \$432,753; Approximately \$763,000 of available forfeitures were used to offset funding of employer contributions and administrative expenses. The balance of unapplied forfeitures was approximately \$1,132,000 and \$1,396,000 at December 31, 2024 and 2023, respectively.

**G. Participant Accounts**

Plan assets are invested based solely on instructions received from participants. Each participant’s account is credited with the participant’s contributions, rollover contributions, Tribe contributions and the participant’s allocation of investment earnings or losses and expenses. The accounts of participants who decline to make an investment election are invested in the Vanguard Target Date Retirement Fund appropriate for their age and projected date of retirement.

**H. Notes Receivable from Participants**

Participants may borrow not less than \$1,000 and up to the lesser of \$50,000 or 50% of their vested account balance. A loan is secured by a participant’s account balance, bears interest at a fixed rate based on available market financing rates at loan inception and must be repaid to the Plan within a five-year period, unless a loan is used for the purchase of a principal residence in which case the maximum repayment period may be extended. The plan administrator approves the specific terms and conditions of each loan. Principal and interest are paid ratably through payroll deductions. Participant loans outstanding at December 31, 2024 carry interest rates ranging from 5.25% to 10.50%. Notes receivable are measured at their unpaid principal balance plus accrued interest. Delinquent notes are recorded as distributions based on the terms of the Plan document.

**I. Payment of Benefits**

Normal retirement age under the Plan is age 65. Upon termination of service, attainment of age 59 ½, death, disability or retirement, a participant or beneficiary may maintain his or her account in the Plan or elect to receive benefits in a lump sum. Hardship withdrawals are permitted from participants’ elective deferral accounts under limited circumstances subject to approval of the plan administrator. Benefits are recorded when paid.

**SAN MANUEL BAND OF MISSION INDIANS**  
**401(k) PLAN**  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

**NOTE 1 - DESCRIPTION OF THE PLAN (Continued)**

**J. Plan Termination**

Although it has not expressed any intent to do so, the Tribe has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to provisions of ERISA. Accounts of participants affected by a partial or complete termination of the Plan are non-forfeitable and will be determined as of the termination date.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

**B. Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect reported amounts and disclosures. Actual results may differ from those estimates.

**C. Risks and Uncertainties**

Investments are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in value of investment securities will occur in the near term and such changes could materially affect participant accounts and amounts reported in the financial statements.

**NOTE 3 - INCOME TAX STATUS**

The Tribe adopted an approved prototype plan document that has received a favorable opinion letter from the Internal Revenue Service stating that the form of the Plan qualifies for tax-exempt status. The plan administrator believes the Plan is designed and operated in compliance with applicable requirements of the Code and related state statutes and the trust, which forms a part of the Plan, is exempt from federal income and state franchise taxes.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 4 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEES**

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule including investments held as of December 31, 2024 and 2023, and investment income for the year ended December 31, 2024, was obtained or derived from information provided to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company, trustee of the Plan, for the year ended December 31, 2024 and 2023.

**NOTE 5 - FAIR VALUE MEASUREMENTS**

Accounting guidance establishes a hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Under the fair value hierarchy Level 1 inputs are quoted prices for identical securities in an active market. Level 2 inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. Level 3 inputs are generally unobservable and typically reflect management estimates of assumptions market participants would use in pricing the asset or liability. The following tables summarize Plan investments at December 31 based on the inputs used to value them:

Purchases and sales of investments are recorded on the trade-date basis. Common/collective trusts are measured at net asset value. Shares may be redeemed any time at net asset value. There are no restrictions on redemptions and no unfunded commitments to purchase additional shares. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Mutual funds' capital gains distributions are included in dividend income.

Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**NOTE 6 - RELATED PARTY TRANSACTIONS**

Payments of direct and indirect administrative fees to Plan service providers by the Plan are considered party-in-interest transactions under ERISA regulations. Such transactions are permitted under provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

FINANCIAL STATEMENTS

DECEMBER 31, 2024 AND 2023

## INDEPENDENT AUDITOR'S REPORT

Plan Administrator  
San Manuel Band of Mission Indians  
401(k) Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of San Manuel Band of Mission Indians 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section –

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Supplemental Schedule Required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and

Plan Administrator  
San Manuel Band of Mission Indians

certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**SAN MANUEL BAND OF MISSION INDIANS**  
**401(k) PLAN**  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

**NOTE 1 - DESCRIPTION OF THE PLAN**

The following brief description of the San Manuel Band of Mission Indians 401(k) Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for more specific provisions.

**A. General**

The Plan is a defined contribution plan established on January 1, 2000 to provide benefits to eligible employees of the San Manuel Band of Mission Indians, a federally recognized tribal government, and its affiliates (the “Tribe”). The plan administrator believes the Plan is designed and operated in compliance with applicable requirements of the Internal Revenue Code (the “Code”) and provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

**B. Administration and Expenses**

The Tribe designated Fidelity Management Trust Company (“Fidelity”) to serve as directed trustee and third party administrator responsible for maintaining participant records.

Plan expenses may be paid by the Plan or the Tribe as provided in the Plan document. Approximately \$97,000 of administrative expenses were paid by the Plan. In addition, certain investment related expenses are charged directly by the funds and are thereby factored into each fund as a reduction in investment return.

**C. Eligibility**

Employees of the Tribe of age 21 or older are eligible to make elective contributions and to receive employer matching contributions upon commencement of employment. An eligible employee must complete one year of service (1,000 hours) to be eligible for employer non-elective contributions. Non-resident aliens, leased employees and temporary employees who work less than 1,000 hours per year are specifically excluded from the Plan.

**D. Participant Contributions**

Participants may elect to have the Tribe contribute their eligible pre-tax and/or Roth after-tax compensation, as defined in the Plan, up to the maximum amount allowable under provisions of the Code. Participants of age 50 and older are permitted to make up to \$7,500 of additional catch-up contributions in 2024. Participants who elect to have the Tribe contribute a portion of their pre-tax compensation to the Plan agree to accept an equivalent reduction in taxable compensation.

Participants are also allowed to make rollover contributions of amounts received from other tax-qualified retirement plans. Such contributions are deposited in the appropriate investment funds in accordance with participant investment directions.

**E. Employer Contributions**

In 2024, the Tribe matched 100% of participants’ elective contributions up to 3% of compensation, plus 50% of participants’ elective contributions up to the next 2% of compensation.

**SAN MANUEL BAND OF MISSION INDIANS**  
**401(k) PLAN**  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

**NOTE 1 - DESCRIPTION OF THE PLAN (Continued)**

**E. Employer Contributions (Continued)**

The Business Committee may authorize additional employer non-elective contributions ("Core Contributions") on behalf of eligible participants equal to a uniform percentage of participants' eligible compensation. For the 2024 Plan year, the Business Committee authorized Core Contributions equal to 1.6% of participants' eligible 2024 compensation.

**F. Vesting and Forfeitures**

A participant is fully vested immediately as to voluntary contributions, rollover contributions and related earnings. Participants are immediately 100% vested in their accounts attributable to matching contributions and become vested in their accounts attributable to Core contributions after three years of service on a cliff vesting schedule.

Forfeitures of terminated participants' non-vested accounts may be used to reduce future contributions made by the Tribe or to pay Plan expenses (Note 1-B). In 2024, forfeitures totaled \$432,753; Approximately \$763,000 of available forfeitures were used to offset funding of employer contributions and administrative expenses. The balance of unapplied forfeitures was approximately \$1,132,000 and \$1,396,000 at December 31, 2024 and 2023, respectively.

**G. Participant Accounts**

Plan assets are invested based solely on instructions received from participants. Each participant's account is credited with the participant's contributions, rollover contributions, Tribe contributions and the participant's allocation of investment earnings or losses and expenses. The accounts of participants who decline to make an investment election are invested in the Vanguard Target Date Retirement Fund appropriate for their age and projected date of retirement.

**H. Notes Receivable from Participants**

Participants may borrow not less than \$1,000 and up to the lesser of \$50,000 or 50% of their vested account balance. A loan is secured by a participant's account balance, bears interest at a fixed rate based on available market financing rates at loan inception and must be repaid to the Plan within a five-year period, unless a loan is used for the purchase of a principal residence in which case the maximum repayment period may be extended. The plan administrator approves the specific terms and conditions of each loan. Principal and interest are paid ratably through payroll deductions. Participant loans outstanding at December 31, 2024 carry interest rates ranging from 5.25% to 10.50%. Notes receivable are measured at their unpaid principal balance plus accrued interest. Delinquent notes are recorded as distributions based on the terms of the Plan document.

**I. Payment of Benefits**

Normal retirement age under the Plan is age 65. Upon termination of service, attainment of age 59 ½, death, disability or retirement, a participant or beneficiary may maintain his or her account in the Plan or elect to receive benefits in a lump sum. Hardship withdrawals are permitted from participants' elective deferral accounts under limited circumstances subject to approval of the plan administrator. Benefits are recorded when paid.

**SAN MANUEL BAND OF MISSION INDIANS**  
**401(k) PLAN**  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

**NOTE 1 - DESCRIPTION OF THE PLAN (Continued)**

**J. Plan Termination**

Although it has not expressed any intent to do so, the Tribe has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to provisions of ERISA. Accounts of participants affected by a partial or complete termination of the Plan are non-forfeitable and will be determined as of the termination date.

**NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

**B. Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect reported amounts and disclosures. Actual results may differ from those estimates.

**C. Risks and Uncertainties**

Investments are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in value of investment securities will occur in the near term and such changes could materially affect participant accounts and amounts reported in the financial statements.

**NOTE 3 - INCOME TAX STATUS**

The Tribe adopted an approved prototype plan document that has received a favorable opinion letter from the Internal Revenue Service stating that the form of the Plan qualifies for tax-exempt status. The plan administrator believes the Plan is designed and operated in compliance with applicable requirements of the Code and related state statutes and the trust, which forms a part of the Plan, is exempt from federal income and state franchise taxes.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 4 - FINANCIAL INFORMATION CERTIFIED BY THE TRUSTEES**

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule including investments held as of December 31, 2024 and 2023, and investment income for the year ended December 31, 2024, was obtained or derived from information provided to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company, trustee of the Plan, for the year ended December 31, 2024 and 2023.

**NOTE 5 - FAIR VALUE MEASUREMENTS**

Accounting guidance establishes a hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market. Under the fair value hierarchy Level 1 inputs are quoted prices for identical securities in an active market. Level 2 inputs are quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data. Level 3 inputs are generally unobservable and typically reflect management estimates of assumptions market participants would use in pricing the asset or liability. The following tables summarize Plan investments at December 31 based on the inputs used to value them:

Mutual funds, cash, common stock, preferred stock, government bonds, rights are valued at their quoted market prices. Certificate of deposits, warrants and options are valued at their quoted price of estimated fair values which are based on trades for similar instruments. Purchases and sales of investments are recorded on the trade-date basis. Common/collective trusts are measured at net asset value. Shares may be redeemed any time at net asset value. There are no restrictions on redemptions and no unfunded commitments to purchase additional shares. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Mutual funds' capital gains distributions are included in dividend income.

Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**NOTE 6 - RELATED PARTY TRANSACTIONS**

Payments of direct and indirect administrative fees to Plan service providers by the Plan are considered party-in-interest transactions under ERISA regulations. Such transactions are permitted under provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.
