## Independent Auditors' Report

To the Administrative Committee of Tata Chemicals  
Soda Ash Partners LLC Salaried Employees' Savings Plan

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit***

We have performed an audits of the financial statements of Tata Chemicals Soda Ash Partners LLC Salaried Employees' Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### ***Opinion***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section.

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditors' Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Administrative Committee of Tata Chemicals  
Soda Ash Partners LLC Salaried Employees' Savings Plan

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matters***

*Supplemental Schedule Required by ERISA*

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

To the Administrative Committee of Tata Chemicals  
Soda Ash Partners LLC Salaried Employees' Savings Plan

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

1. Description of Plan

The following description of the Tata Chemicals Soda Ash Partners LLC Salaried Employees' Savings Plan (the "Plan"), formerly known as the General Chemical (Soda Ash) Partners Salaried Employees' Savings Plan, provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General Information

The Plan was established on July 1, 1992 by Tata Chemicals (Soda Ash) Partners (the "Company") and is subject to the requirements of the Employee Retirement Income Security Act of 1974 ("ERISA") and the Internal Revenue Code of 1986, as amended.

The Plan is a defined contribution 401(k) savings plan, which is designed to assist employees in a long-range program of savings and to be used as a means of adding to their retirement income.

Administration of the Plan

The general administration of the Plan and the responsibility for carrying out its provisions shall be placed on the Tata Chemicals Soda Ash Partners LLC Administrative Committee (the "Administrative Committee"). The Administrative Committee shall be the Plan administrator and has the authority to appoint or remove the trustee. The Administrative Committee has engaged the services of an independent profit sharing and pension plan administration firm to assist it with the performance of its duties.

The Administrative Committee has entered into a trust agreement with Principal Trust Company (the "Trustee") providing for the establishment of a trust to which all employee contributions shall be contributed and from which all benefits under the Plan shall be paid. The Trustee values all accounts on each accounting date.

Certain administrative costs of the Plan have been assumed by the Company.

Participation

Each non-collectively bargained employee of the Company or TATA Chemicals North America, Inc., with certain limitations, is eligible for the plan. Leased employees are not eligible to participate. An employee shall become a participant in the Plan effective as of his or her employment commencement date (the date on which the employee first performs service for the Company or Tata Chemicals North America Inc.).

To the extent any employee who is a participant under this Plan becomes a participant under Tata Chemicals Soda Ash Partners LLC Hourly Employees' Savings Plan on account of a change in job classification, his or her account shall be transferred to Tata Chemicals Soda Ash Partners LLC Hourly Employees' Savings Plan.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Participants vest in Company contributions and actual earnings thereon at a rate of 20% for each year of service completed. A participant will become fully vested if termination occurs as a result of death, retirement, disability, or reduction in workforce resulting in a partial termination.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to the lesser of \$50,000 or 50% of their account balance. Loan transactions are treated as a transfer between the investment fund and the loan fund. Loan terms may not exceed five years, unless the loan is made for the purchase of a principal residence, in which case the repayment period may exceed five years. The loans are secured by the balance in the participant's account and bear interest rates that commensurate with local prevailing rates as determined by the plan administrator. Principal and interest are paid ratably through payroll deductions. The interest rates for outstanding loans ranged from 4.25% to 9.50% as of December 31, 2024 and 2023.

Participant Accounts

Each participant's account is credited with the participant's contributions and withdrawals, as applicable, and allocations of: (a) Company contributions and (b) Plan earnings and debited with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. Each participant's account is valued on a daily basis, separately for each fund, to reflect the effect of earnings (consisting of all investment income collected or accrued, and all realized or unrealized gains and losses), plus all contributions, distributions, forfeitures, interfund transfers, and withdrawals.

Forfeitures

Forfeitures are created when participants terminate employment before becoming fully vested in their benefits under the Plan. Forfeitures are used to reduce employer contributions and shall be allocated among the accounts of participants who are employed as of the date forfeitures are allocated, in equal dollar amounts, on an annual basis. For the years ended December 31, 2024 and 2023, forfeited amounts totaled \$134,938 and \$46,850 respectively.

Contributions

Each year participants, other than highly compensated employees, may contribute before-tax or after-tax earnings from 1% up to 100% of base pay, as defined in the Plan; however, no amount in excess of \$23,000 and \$22,500 for 2024 and 2023, respectively may be deferred for the plan year. Participants may make a contribution which qualifies as a rollover from another qualified plan, provided the amount is not less than \$500. Effective January 1, 2024, if hired before September 6, 2016, the Company will match 50% of each participant's contributions, for contributions of up to of 8% of eligible compensation. The total amount of matching contributions made for any participant shall not exceed 4% of the participant's compensation for the payroll period. If hired on or after September 6, 2016, the Company will match 100% of each participant's contributions, for contributions of up to 8% of eligible compensation. The total amount of matching contributions made for any participant shall not exceed 8% of the participant's compensation for the payroll period.

Company contributions made on behalf of each participant will be limited, if necessary, to comply with limits set by the Internal Revenue Service. The maximum amount which may be added to the participant's account for the years ended December 31, 2024 and 2023, in accordance with Section 415(c) of the Internal Revenue Code, is the lesser of \$69,000 and \$66,000, respectively or 100% of the participant's compensation for the year.

Retirement Benefits

Normal Retirement Benefits - The normal retirement date is the date on which the participant attains age 65.

Deferred Distribution - A participant who separates from service prior to the required beginning date, as defined by the Internal Revenue Code, may request that the Plan administrator direct the Trustee to defer commencement of his distribution.

Benefit Payments - On termination of service, a participant is entitled to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Payment shall be in cash. If a participant's nonforfeitable account balance is \$1,000 or less, the Plan administrator shall automatically distribute it in a lump sum without the participant's consent upon the termination of employment (or if the participant is deceased, to the participant's beneficiary without the beneficiary's consent).

Plan Amendment and Termination

The Plan may be amended at any time by the Company provided, however, that no such modification or amendment shall cause or permit any portion of the Plan assets (other than the part required to pay taxes and administration expense) to be used for or diverted to purposes other than for the exclusive benefit of participants or their beneficiaries or estates.

**Tata Chemicals Soda Ash Partners LLC Salaried Employees' Savings Plan**  
**Notes to Financial Statements**  
**December 31, 2024 and 2023**

---

The Company has established the Plan with the bona fide intention and expectation that it will be able to make its contributions indefinitely, but the Company is not and shall not be under any obligation or liability whatsoever to maintain the Plan for any given length of time and may in its sole and absolute discretion permanently discontinue contributions to the Plan or terminate the Plan at any time without any liability whatsoever for such discontinuance or termination.

In the event of full or partial termination of the Plan, an affected participant's right to the amount standing to the credit of his or her account at such time shall become nonforfeitable.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts of assets and liabilities, revenues and expenses and changes therein, and disclosures of contingent assets and contingent liabilities and accompanying notes. It is reasonably possible that the Plan's estimates may change in the near term.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants on the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisors and custodians. See Note 3 for discussion of fair value measurements.

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowance for credit losses has been recorded as of December 31, 2024 or 2023.

#### Payment of Benefits

Benefits are recorded when paid.

#### Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

#### Transfers

Along with the Plan, the Company also sponsors a 401(k) plan for hourly employees. If employees change their hourly or salary status during the year, their account balances are transferred into the corresponding plan.

#### Subsequent Events

The Plan administrator has evaluated subsequent events and transactions that occurred after December 31, 2024 through the date of the independent auditors' report and the date the financial statements were available to be issued, September 30, 2025. The financial statements include all events or transactions, including estimates, required to be recognized in accordance with generally accepted accounting principles. The Plan administrator has determined that there are no unrecognized subsequent events that require additional disclosure.

### 3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to measurements involving significant unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

**Tata Chemicals Soda Ash Partners LLC Salaried Employees' Savings Plan**  
**Notes to Financial Statements**  
**December 31, 2024 and 2023**

---

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024 and 2023.

*Mutual funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Common collective funds:* Valued at the NAV of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchased and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2024 and 2023.

4. Information Certified by Trustees (Unaudited)

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants held at December 31, 2024 and 2023, and net appreciation in fair value of investments, interest, dividends, and other income for the years ended December 31, 2024 and 2023, was obtained and derived from information supplied to the plan administrator and certified as complete and accurate by Principal Trust Company:

5. Party-In-Interest Transactions

Certain Plan investments are common collective funds managed by the trustee of the Plan. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund. Certain administrative fees related to the administration of the Plan were paid by the Plan or by the Company. These transactions qualify as exempt party-in-interest transactions.

6. Plan Termination

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA. In the event that the Plan is terminated, participants would become 100% vested in their employer contributions.

7. Tax Status

The Internal Revenue Service has determined and informed the Company by letter dated July 22, 2013, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirement of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed due to various risks, such as interest rates, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
