INDEPENDENT AUDITOR'S REPORT

Mr. Daniel L. Haeuser, Trustee
Neeb Kearney & Company, Inc. and Subsidiaries
401(k) Savings and Retirement Fund
New Orleans, Louisiana

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of Neeb Kearney & Company, Inc. and Subsidiaries 401(k) Savings and Retirement Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Neeb Kearney & Company, Inc. and Subsidiaries 401(k) Savings and Retirement Fund's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution, Ascensus Trust Company, the trustee, as of December 31, 2024 and 2023 and for the year ended December 31, 2024, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

**Mr. Daniel L. Haeuser, Trustee
Neeb Kearney & Company, Inc. and Subsidiaries
401(k) Savings and Retirement Fund**

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Neeb Kearney & Company, Inc. and Subsidiaries 401(k) Savings and Retirement Fund and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Neeb Kearney & Company, Inc. and Subsidiaries 401(k) Savings and Retirement Fund's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Mr. Daniel L. Haeuser, Trustee
Neeb Kearney & Company, Inc. and Subsidiaries
401(k) Savings and Retirement Fund

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Neeb Kearney & Company, Inc. and Subsidiaries 401(k) Savings and Retirement Fund's internal control. Accordingly, no such opinion is expressed.

**Mr. Daniel L. Haeuser, Trustee
Neeb Kearney & Company, Inc. and Subsidiaries
401(k) Savings and Retirement Fund**

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Neeb Kearney & Company, Inc. and Subsidiaries 401(k) Savings and Retirement Fund's ability to continue as a going concern for a reasonable period of time.

NEEB KEARNEY & COMPANY, INC. AND SUBSIDIARIES
401(k) SAVINGS AND RETIREMENT FUND
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

A. Description of the Plan

The following description of Neeb Kearney & Company, Inc. and Subsidiaries 401(k) Savings and Retirement Fund (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Neeb Kearney & Company, Inc., S. Jackson & Son, Inc., Coastal Cargo Company, Inc., Coastal Cargo of Texas, Inc., Coastal Cargo of Alabama, Inc., and Gulf Coast Cold Storage, Inc., except nonresident aliens and employees who are members of a union who bargained for retirement benefits during negotiations. In order to become a participant in the Plan, employees must attain age 20½ and complete two months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Neeb Kearney & Company, Inc. and Subsidiaries (the "Company") may contribute to the Plan a discretionary profit-sharing contribution determined by the Company's board of directors. Participants may defer an amount up to the amount allowed by law. The Company will match 50% of the first 6% of a participant's compensation, contributed as a salary deferral.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocation of (a) the Company's contribution, (b) Plan earnings, and (c) forfeitures of terminated participants' non-vested accounts. Allocations are based on participant earnings or account balances as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from a participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the remainder of their accounts was based on years of continuous service. A participant was 100% vested after six years of credited service. After the Company stated its intent to terminate the plan in 2023, all participant accounts became fully vested.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

Investment Options

All investment funds of the Plan are participant-directed.

Notes Receivable from Participants

The Plan allows loans to participants. Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan transactions are treated as transfers between the investment fund and the participant notes fund. The notes receivable are secured by the balance in the participant's account, and bear interest at a rate commensurate with local prevailing rates as determined by the plan administrator. Interest ranged between 5.25% and 9.75% per annum for the year ended December 31, 2024. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may receive 100% of his or her account balance as a lump-sum distribution. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Amounts

Forfeited non-vested accounts totaled \$2,658 and \$2,050 at December 31, 2024 and 2023, respectively. These balances may be reallocated to participant accounts or used to pay Plan administrative expenses in accordance with the plan documents. No forfeitures were used during the year ended December 31, 2024.

B. Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared using the accrual method of accounting from information supplied by the Company, the plan administrator and the trustee.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end. Participant loans are valued at their outstanding balances, which approximate fair value.

NEEB KEARNEY & COMPANY, INC. AND SUBSIDIARIES
401(k) SAVINGS AND RETIREMENT FUND
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2024 AND 2023

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Net appreciation or net depreciation in fair value of investments includes gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2024 and 2023, no allowance for credit losses has been recorded. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document. If a participant does not make loan payments and the plan administrator considers the participant loan to be in default, the loan balance is reduced and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Estimates

The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

For the year ended December 31, 2024, the Company paid part of the administrative expenses and does not intend to seek reimbursement for these expenses.

Date of Management's Review

Subsequent events were evaluated through October 9, 2025, which is the date the financial statements were available to be issued.

C. Fair Value Measurements

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 input consists of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs were not used.

Level 1 Fair Value Measurements:

The fair value of mutual funds is based on quoted net asset values of shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

Level 2 Fair Value Measurements:

The Plan has investments in a Collective Trust. A Collective Trust is a trust operated by a bank or trust company that holds a variety of investments including mutual funds, bonds, and money market investments. A Collective Trust is not registered with the Securities and Exchange Commission.

The fair value of the Collective Trust is based on inputs to the valuation methodology including:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data, by correlation, or other means.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023:

D. Information Prepared and Certified by a Qualified Institution

The following information included in the accompanying financial statements as of December 31, 2024 and 2023 and for the year ended December 31, 2024, was obtained from data that has been prepared and certified as complete and accurate by Ascensus Trust Company, the trustee, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure Under the Employee Retirement Income Security Act of 1974.

| <i>Total Certified Investments</i> | <u>\$706,839</u> | <u>\$1,294,103</u> |

Total investment gain for the year ended December 31, 2024 was \$75,709.

E. Tax Status

The Plan obtained its latest determination letter on April 30, 1996, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2021.

F. Excess Contributions

For the year ended December 31, 2024, there were no excess contributions.

G. Distributions Payable

At December 31, 2024 and 2023, there were no net assets for plan benefits included for distributions to participants who had withdrawn from the Plan prior to the end of the Plan year.

H. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the *Statements of Net Assets Available for Benefits*.

I. Partial Plan Termination

Under ERISA, a partial plan termination may occur if a significant percentage of the Plan participants are terminated due to actions taken by the Plan Sponsor. Partial plan termination results in affected participants becoming fully vested in employer contributions at the termination date. The remaining participants' vesting continues according to provisions outlined in the plan document.

In June 2020, the Company sold the assets of Coastal Cargo of Texas, Inc. and terminated all Coastal Cargo of Texas, Inc. employees, which resulted in a partial plan termination and affected all Plan participants who were employees of Coastal Cargo of Texas, Inc. These employees became fully vested in all employer contributions at the time of the partial plan termination.

J. Plan Termination

The Company has the right under the Plan to discontinue its contributions at any time, and to terminate the Plan.

In 2023, the Company stated its intentions to terminate the Plan. Plan termination will be conducted in accordance with applicable laws, regulations, and provisions in the Plan document. All participants are now fully vested in all employer contributions.

As of December 31, 2024, there are no longer any participants contributing to the Plan.
