INDEPENDENT AUDITOR'S REPORT

Plan Administrator  
ArtiFlex Manufacturing Gerstco Division  
Deferred Profit Sharing Plan  
Grand Rapids, Michigan

**Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the accompanying financial statements of *ArtiFlex Manufacturing Gerstco Division Deferred Profit Sharing*, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

## **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of *ArtiFlex Manufacturing Gerstco Division Deferred Profit Sharing Plan* and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about *ArtiFlex Manufacturing Gerstco Division Deferred Profit Sharing Plan's* ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due, or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of *ArtiFlex Manufacturing Gerstco Division Deferred Profit Sharing Plan's* internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about *ArtiFlex Manufacturing Gerstco Division Deferred Profit Sharing Plan's* ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

### **Auditor's Responsibilities for the Audit of the Financial Statements - Continued**

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matter - Supplemental Schedules Required by ERISA**

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2024, and the Schedule of Delinquent Participant Contributions for the year ended December 31, 2024, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2024 AND 2023

---

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of the *ArtiFlex Manufacturing Gerstco Division Deferred Profit Sharing Plan* ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

*General*

The Plan is a defined contribution plan covering all eligible employees of *ArtiFlex Manufacturing, Inc. Gerstco Division* ("Company") who have completed three months or more of service and are age 18 or older. Employees must also have worked a minimum of 6 months to be eligible for the 401(k) Company match and non-elective profit-sharing portions of the Plan. The Plan was amended during the year ended December 31, 2022, to comply with the provisions of the SECURE Act, CARES Act, and Consolidated Appropriations Act. The overall terms of the restated Plan remained relatively unchanged. The Plan is subject to the provisions of ERISA.

*Contributions*

Participants may contribute elective salary reductions up to 90 percent of their compensation as long as the total contribution does not exceed the legal dollar or percentage limitations for the Plan year. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contribution into various investment options offered by the Plan. The Company contributes 50 percent of the first 4 percent of base compensation that a participant contributes to the Plan. The Company also contributes an annual safe harbor non-elective contribution in the amount of 3 to 5 percent of each eligible participant's compensation for the Plan year.

*Participant Accounts*

Each participant's account is credited with the participant's elective salary reduction contribution, the Company's matching and non-elective contributions, and Plan earnings (losses) charged with an allocation of administrative expenses. Allocations are based on participant earnings (losses) or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that could be provided from the participant's account.

*Vesting*

Participants are immediately vested in their elective salary reduction contributions and the Company portion of elective and non-elective contributions plus actual earnings (losses) allocated thereon.

NOTE 1 - DESCRIPTION OF PLAN - CONTINUED

*Participant Loans*

Participants may borrow from their fund accounts as determined by the Plan administrator. Participants may borrow a minimum of \$1,000 or any amount that does not exceed 50 percent of the participant's vested account balance as of the end of the accounting period preceding the date on which the loan is approved or \$50,000, whichever amount is smaller. The loans are secured by assignment of 50 percent of the borrower's interest in their account and each loan will bear interest at a fixed rate for the life of the loan at a rate of 1 percent over the prime rate as published in the Wall Street Journal on the first business day of the month prior to the month of the loans origination. Loans for general purposes have terms ranging from 12 months to 60 months while loans related to principal residences have terms ranging from 61 months to 360 months.

*Payment of Benefits*

Upon termination of service due to disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in their account or payments in annual installments subject to certain rules as set by the Plan sponsor. Upon termination of service due to death, distributions from all accounts will be made either in the form of a single lump-sum payment of the entire value of the vested interest in the account or in annual installments at least equal to the required minimum distribution amount. Participants with account balances of less than \$7,000 and separated participants requesting payment prior to their normal retirement age, will be paid in a single lump-sum.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

*Basis of Accounting*

The accompanying financial statements are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan.

*Estimates*

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

*Notes Receivable from Participants*

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2024 and 2023, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

*Investment Valuation and Income Recognition*

The Plan's investments are stated at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

*Payment of Benefits*

Benefit payments to participants are recorded when paid.

*Plan Expenses*

Certain administrative expenses of the Plan are paid by the Plan in accordance with Plan provisions. All other administrative expenses, including compensation for officers and employees performing administrative functions, are paid by the Company and are excluded from these financial statements.

*Subsequent Events*

Management has evaluated subsequent events through October 8, 2025, the date on which the financial statements were available to be issued.

The Plan's independent auditor did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

NOTE 4 - INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan invests in the Commingled Pension Trust Fund (Stable Asset Income) of JPMorgan Chase Bank, N.A. ("Fund"). The Fund's primary objective is to seek to provide capital preservation, liquidity, and current income at levels that are typically higher than those provided by money market funds. The Fund seeks to achieve this objective by investing in other collective investment funds and separate accounts established, operated, and maintained by JPMorgan Chase Bank, N.A. and other third-party advisors.

Contract value is the relevant measurement attribute for that portion of the net assets of a fund attributable to fully benefit-responsive Wrap Contracts. The contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of their employer sponsored defined-contribution plans which invest in the Fund. The fair value of Wrap Contracts generally is reflected by market value at the close of business on the valuation date. The guaranteed investment contract is presented on the face of the statements of net assets available for benefits at contract value and reported with the investments at fair value under the principles of ASU 2015-12. Participating plans may terminate their interest in the Fund at any time. Withdrawals shall be paid at the lesser of book or market value, as defined in the Fund's Declaration of Trust.

DEFERRED PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS - CONTINUED

YEARS ENDED DECEMBER 31, 2024 AND 2023

NOTE 4 - INVESTMENT CONTRACT WITH INSURANCE COMPANY - CONTINUED

The contract value of the investment contract at December 31, 2024 and 2023, was \$2,068,762 and \$1,654,739, respectively. The crediting interest rate of a particular Wrap Contract is generally adjusted quarterly and is tied to the changing yields on its respective portfolio as well as the performance of its underlying investments. In addition, the interest rate at which return is credited to the Fund can change as the difference between market value and book value of the covered assets changes. As a result, the crediting rate will generally reflect, over time, movements in prevailing interest rates and the performance of the underlying investments. Under each of the Wrap Contracts, the crediting rate of that particular contract will not be less than zero percent.

The existence of certain conditions can limit the Fund's ability to transact at contract value with the issuers of its Wrap Contracts. Specifically, any event outside of the normal operation of the Fund which causes a withdrawal from the Wrap Contracts may result in a negative market value adjustment with respect to such withdrawal. Example of such events include, but are not limited to, layoffs, bankruptcy, plan termination, mergers, early retirement incentives, and competing fund transfers or violations of equity wash or equivalent rules and changes of employer or plan qualification status. If the likelihood of such a non-book value withdrawal is imminent, it may be necessary to consider a revaluation of those particular fund contracts. The occurrence of an event outside the normal operating of the Fund which would cause withdrawals from Wrap Contracts is not considered to be probable.

In addition to the limitations noted above, issuers of Wrap Contracts have certain rights to terminate a contract and settle at an amount which differs from contract value. For example, certain breaches by the Fund of its obligations, representations, or warranties under the terms of Wrap Contracts can result in its termination at market value, which may differ from contract value. Wrap Contracts may also provide for termination with no payment obligation from the issuer if the performance of the contract constitutes a prohibited transaction under ERISA or other applicable law. Wrap Contracts may also provide issuer with the right to reduce contract value in the event an underlying security suffers a credit event or the right to terminate the contract in the event certain investment guidelines are materially breached and not cured.

NOTE 5 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods were appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 or Level 3 inputs were available to the Plan.

*Level 1 Fair Value Measurements*

The fair value of interests in registered investment companies is based on quoted net asset values of the shares held by the Plan at year-end.

For the years ended December 31, 2024 and 2023, the Plan's investment in the Fund (see Note 4) was valued using the net asset value (NAV) as a practical expedient which represents the price at which the Plan is able to initiate a transaction. This investment is excluded from the fair value hierarchy. The inputs or methodology used for valuing securities are not necessarily an indication of the risk associated with investing in those securities. The Plan's investments calculated at the NAV, per share, may be redeemed on a daily basis at the NAV as of the measurement date. There are no unfunded commitments.

NOTE 5 - FAIR VALUE MEASUREMENTS - CONTINUED

The following table sets forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2024 and 2023:

	Fair Value Measurements at Reporting Date Using		
	Quoted Prices in Active Markets for Identical Assets  Fair Value	Significant Other Observable Inputs  (Level 1)	(Level 2)
<u>December 31, 2024:</u>			
Registered investment company funds	\$ 32,379,748	\$ 32,379,748	\$ - 0 -
<u>December 31, 2023:</u>			
Registered investment company funds	\$ 30,583,892	\$ 30,583,892	\$ - 0 -

As of December 31, 2024 and 2023, an investment of \$2,068,762 and \$1,654,739, respectively, in a collective trust fund has not been categorized in the fair value hierarchy as the underlying fund was measured using the NAV practical expedient.

Gains and losses (realized and unrealized) included in the statements of changes in net assets available for benefits for the years ended December 31, 2024 and 2023, are reported in net appreciation in fair value of investments.

NOTE 6 - TAX STATUS

The Plan was restated effective February 2, 2021, under a new Great-West Trust Company, LLC Defined Contribution Pre-Approved Plan which has received an opinion letter from the Internal Revenue Service (IRS) dated June 30, 2020, stating that the form of the Plan was designed in accordance with applicable sections of the Internal Revenue Code (IRC) and, therefore, the Plan is qualified and the related trust is tax exempt. The Plan was amended during the year ended December 31, 2022, to comply with the provisions of the SECURE Act, CARES Act, and Consolidated Appropriations Act. The Plan administrator and the Plan's tax counsel believe that the Plan is designed and is being operated in compliance with the applicable provisions of the IRC.

DEFERRED PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS - CONTINUED

NOTE 6 - TAX STATUS - CONTINUED

GAAP requires the Plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing authorities; however, there are currently no audits for any tax periods in progress.

NOTE 7 - RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of registered investment companies and collective trust funds managed by JPMorgan Chase Bank, N.A., the recordkeeper, and Morgan Stanley, the investment advisor. The Plan investments are held by Empower Trust Company, LLC, trustee and custodian of the Plan, for the year ended December 31, 2024, and for the period of April 1, 2023 through December 31, 2023, and Reliance Trust Company, trustee and custodian of the Plan, for the period of January 1, 2023 through March 31, 2023. Therefore, these transactions qualify as party-in-interest transactions. The party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 8 - NONEXEMPT PARTY-IN-INTEREST TRANSACTIONS

During the years ended December 31, 2024 and 2023, it was discovered that certain participants' amounts withheld were not timely remitted to the Plan. The total amount of late remittances contributed to the Plan during the years ended December 31, 2024 and 2023, was \$49,536 and \$167,948, respectively. The Plan sponsor remitted lost earnings to the Plan related to these late remittances.

NOTE 9 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to provisions of ERISA.

NOTE 10 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 11 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

There were no reconciling items between the financial statements and Schedule H of the Form 5500 for the years ended December 31, 2024 and 2023.
