We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

LOGS Employee Benefit Plan

Notes to Financial Statements

Note 1. Plan Description

The following description of LOGS Employee Benefit Plan (the Plan), provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General: The Plan was established in March 1986 for the benefit of eligible employees of LOGS, Inc. and participating employers (collectively, the Sponsor). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Sponsor is the administrator of the Plan and utilizes a trust for funding.

Benefits: The Plan provides medical, dental, pharmacy, vision, health care and dependent care reimbursement, group critical illness, group accident, short-term and long-term disability and life insurance benefits to those participating in the Plan. All employees of the Sponsor are eligible for coverage on the first of the month following or coinciding with 30 days of active full-time employment. Terminated employees are offered benefits as a temporary extension of coverage under the Plan as required by the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) enacted by the Department of Labor (DOL). The cost of continuation coverage is paid by the individual choosing such coverage. Medical coverage, including prescription drug coverage, is offered to participants either through a High Deductible Health Plan (HDHP) paired with a Health Savings Account (HSA) or a Preferred Provider Option (PPO). The Plan is self-insured for medical, pharmacy and dental coverage.

Stop loss coverage: The Plan maintains excess liability medical insurance covering claims in excess of \$125,000 per individual and approximated \$4,897,621 in the aggregate for the year ended December 31, 2024. There is no lifetime limit in the Plan. Recovered amounts are recorded as a reduction against claims paid.

Insured benefits: The Plan fully insures the vision, group critical illness, group accident, short-term and long-term disability, long term care and life insurance benefits. The Sponsor purchases annual insurance contracts for the insured benefits and the premiums are paid from the assets of the trust.

Self-insured benefits: All other Plan benefits are self-insured. The Plan offers self-insured medical and dental benefits for all full-time employees. Employees eligible for the self-insured medical and dental benefits select their benefits under the self-insured medical or dental benefit. The claims for most self-insured benefits are processed by the Plan's third-party claims processors under administrative services only arrangements. The claims processors pay claims directly to or on behalf of participants and are then reimbursed by the Plan's trust. The Plan utilizes a pharmacy benefit manager (PBM) which periodically makes refunds to the Plan based on the Plan's actual utilization pattern of specific drugs.

Contributions: Participating employees or former employees who maintain coverage upon termination of employment in accordance with the provisions of COBRA contribute a set amount as determined by their coverage choices. The Sponsor contributes such additional amounts to provide benefits under provisions of the Plan and to pay plan expenses. Participant contributions are deducted from their compensation as Cafeteria Plan Benefit Dollars, as defined, and become available to purchase benefits pursuant to the Plan. The Plan's flexible spending benefit allows employees to contribute on a pretax basis into health or dependent care flex spending accounts (FSA) subject to certain annual limitations. The accounts allow employees to be reimbursed for out-of-pocket medical, dental, vision and dependent care expenses by the participant and their dependents. Participants may submit reimbursement requests up to the earlier of 90 days after the end of the plan year or 90 days after the date of termination. Any amounts remaining in the FSA after all claims have been processed are forfeited. Forfeited amounts are used to offset the Sponsor's contributions in the year forfeited.

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, benefit obligations, and changes therein, and disclosures of contingent assets and liabilities in the financial statements and accompanying notes. Actual results could differ from those estimates.

Estimates that are particularly susceptible to significant change in the near-term are the obligation for estimated health claims incurred but not reported and postemployment benefit obligations. In estimating these obligations, management utilizes information about claims paid and claims reported subsequent to the end of the year.

Payment of benefits: Premiums paid by the Plan are recorded as premium payments in the accompanying statement of changes in net assets available for benefits.

Claim payments are recorded when paid by the third-party claims processor. Amounts due to claims processors that have yet to be reimbursed by the Plan are recorded as payable to claims administrators in the accompanying statements of net assets available for benefits.

Stop loss: Premiums for stop loss insurance are included in premium payments in the accompanying statement of changes in net assets available for benefits. Stop loss refunds totaling \$813,688 have been netted with claims paid in the accompanying statement of changes in net assets.

Refunds: Refunds due from the Plan's PBM are recorded when earned. Refunds due as of the financial statement date have been reported as a receivable, with the offset being netted against claims paid. Pharmacy rebates totaling \$392,104 have been netted with claims paid in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2024.

Administrative expenses: Certain expenses of maintaining the Plan are paid directly by the Sponsor and are excluded from these financial statements. Administrative expenses include fees related to health insurance administrative and management fees, trust fees and professional fees.

Estimated health claims incurred but not reported: The liability for claims incurred but not reported (IBNR) at December 31, 2024 and 2023, was estimated based on claims data provided to the Sponsor by the Plan's third-party administrator.

Postemployment benefit obligations: The postemployment benefit obligation represents the Plan's estimated benefit obligations for the terminated employees that elect COBRA coverage and was estimated based on claims data provided to the Sponsor by the Plan's third-party administrator.

Risks and uncertainties: Investment securities, in general, are exposed to various risks such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Subsequent events: The Plan has evaluated subsequent events (events occurring after December 31, 2024) through October 9, 2025, the date the financial statements were available to be issued.

LOGS Employee Benefit Plan

Notes to Financial Statements

Note 3. Cash

The Plan's noninterest bearing cash is on deposit at a financial institution. Cash on deposit with the financial institution is in excess of the Federal Deposit Insurance Corporation limits or has been at some point during the year. The Plan has not suffered any financial loss related to such deposits.

Note 4. Tax Status

The trust, which funds certain benefits under the Plan, received an exemption letter from the Internal Revenue Service (IRS) dated April 24, 2014, stating that the trust is tax-exempt under the provisions of Section 501(c)(9) of the Internal Revenue Code (IRC). No federal or state income taxes have been recorded in 2024 for unrelated business taxable income.

In addition, the Plan and the trust are required to operate in conformity with the IRC to maintain the tax-exempt status of the trust. The Plan Administrator believes that the Plan is being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the related trust is tax-exempt.

U.S. GAAP require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if it has taken any significant uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 5. Related Party and Party-In-Interest Transactions

Certain administrative functions are performed by officers or employees of the Sponsor. No such officer or employee receives compensation from the Plan. Certain plan expenses are paid by the Sponsor on behalf of the Plan. Expenses that are paid directly by the Sponsor are excluded from these financial statements.

Note 6. Plan Termination

Although the Sponsor has not expressed any intention to do so, under certain conditions the Plan may be terminated. Upon termination, the assets that remain shall be subject to the provisions of the Plan and shall be used until exhausted to pay benefits for participants. No assets of the Plan may revert to the Sponsor or be used for purposes other than for the exclusive benefit of the Plan's participants.

Note 7. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2024 and 2023:
