## INDEPENDENT AUDITORS' REPORT

To the Board of Trustees  
Land O' Frost, Inc. 401(k) Retirement Savings Plan  
10109 Columbia Avenue  
Munster, IN 46321

### Opinion

We have audited the financial statements of Land O' Frost, Inc. 401(k) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the years then ended and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Land O' Frost, Inc. 401(k) Retirement Savings Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Land O' Frost, Inc. 401(k) Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Land O' Frost, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Land O' Frost, Inc. 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Land O' Frost, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### **Other Matter – Supplemental Schedules Required by ERISA**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) is presented for purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures, in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 - DESCRIPTION OF PLAN

The following description of Land O' Frost, Inc. 401(k) Retirement Savings Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provision.

A. General

The Plan is a defined contribution plan and was organized effective June 1, 1992 by Land O' Frost, Inc. (the Company). The Company encourages participation by matching a portion of the employees' contribution. It is subject to the provision of the Employee Retirement Income Security Act of 1974 (ERISA), and subsequent pension amendments.

All full-time non-collectively bargained employees, age 18 or older, who have at least 6 months of eligible service, and are not a member of a collective bargaining unit are eligible to enroll in the Plan on the first day of the month following completion of the service requirement.

Beginning December 1, 2023, all full time employees, age 18 or older, who have at least six months of eligible service, and are a member of a collective bargaining unit are eligible to enroll in the Plan. Individuals who meet the eligibility requirements enter the Plan on the first day of following month. This plan is subject to the collective bargaining contract. The current contract is set to expire February 28, 2026.

B. Contributions - Non Collectively Bargained Participants

Participants are allowed to make contributions up to 100% of compensation under the provision of Section 401(k) of the Internal Revenue Code. The Plan sponsor may also automatically enroll eligible participants in the Plan. Automatically enrolled participants will contribute at a rate of 6% of compensation. For automatically enrolled participants, contributions will increase annually by 1% of compensation until the rate reaches 10% of compensation. The participant may revoke the automatic enrollment. Company contributions are made at the discretion of the Board of Directors. The Plan specifies that the Plan sponsor match 50% of the first 5% of compensation contributed by the participant. The Plan sponsor may also make discretionary non-elective contributions. Discretionary non-elective contributions are allocated based on the ratio of the participant's eligible compensation to the total of all eligible compensation paid to all employees.

With approximately 60% of its assets, the fund seeks to track the investment performance of the CRSP U.S. Total Market Index. With approximately 40% of its assets, the fund seeks to track the investment performance of the Bloomberg Barclays U.S. Aggregate Float Adjusted Index.

Vanguard Mid-Cap Index Fund Admiral Shares provides broad mid-capitalization U.S. equity exposure. The fund seeks to track an index of medium-sized companies, whose stocks tend to be more volatile than those of larger companies. This potential volatility is one of the fund's key risks. NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

B. Use of Estimates in Preparation of Financial Statements

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

C. Tax Status

The Trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code, and, accordingly, the Trust's net investment income is exempt from income taxes. The Plan was established under the provisions of a prototype plan developed by Fidelity Management & Research Co. D. Administrative Expenses

A quarterly fee based on a percentage of each account balance invested in Fidelity Management & Research Co. on the last day of each Plan quarter will be withdrawn the following month for administrative expenses. Other administrative expenses are being paid by the Plan's sponsor.

E. Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make loan payments, the Plan administrator will deem the participant loan to be a distribution in accordance with applicable legal requirements, and the participant's account balance will be reduced at the earliest permitted date. The Plan has loans receivable from participants as of December 31, 2024 and 2023 of \$1,470,216 and \$1,304,204, respectively.

F. Uncertain Income Tax Positions

When applicable, changes in benefits arising from current and prior tax positions taken by the Company are recognized in the period in which the change occurs. Changes resulting from settlements with taxing authorities are recognized in the period that settlement occurs. Reductions in unrecognized tax benefits as a result of a lapse of the applicable statute of limitations are recognized in the period the statute lapses. Projected penalties and interest recognized on tax positions where it is reasonably possible that the Company's tax position will not prevail in a review by taxing authorities is recognized as part of current period income tax expense. Management believes that the current and three prior tax periods remain subject to examination by taxing jurisdictions.

G. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

Bargaining Unit Retirement Savings Plan became participants in the Land O'Frost, Inc. 401(k) Retirement Savings Plan effective December 1, 2023, and remain subject to the Plan provisions negotiated in collective bargaining agreement with the plan sponsor.

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan has implemented accounting standards related to fair value measurements which establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the standards are described below:

Basis of Fair Value Measurement

- Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;
- Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instruments level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following is a description of the valuation techniques and inputs used as of December 31, 2024 and 2023 for assets measured at fair value:

*Mutual Funds:* Valued at quoted market prices.

The following tables present by level, within the fair value hierarchy, the Plan investment assets at fair value, as of December 31, 2024 and 2023. As required by generally accepted accounting principles, investment assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.

## INDEPENDENT AUDITORS' REPORT

To the Board of Trustees  
Land O' Frost, Inc. 401(k) Retirement Savings Plan  
10109 Columbia Avenue  
Munster, IN 46321

### Opinion

We have audited the financial statements of Land O' Frost, Inc. 401(k) Retirement Savings Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the years then ended and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the net assets available for benefits of Land O' Frost, Inc. 401(k) Retirement Savings Plan as of December 31, 2024 and 2023, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Land O' Frost, Inc. 401(k) Retirement Savings Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Land O' Frost, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Land O' Frost, Inc. 401(k) Retirement Savings Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Land O' Frost, Inc. 401(k) Retirement Savings Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### **Other Matter – Supplemental Schedules Required by ERISA**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) is presented for purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures, in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 - DESCRIPTION OF PLAN

A. General

All full-time non-collectively bargained employees, age 18 or older, who have at least 6 months of eligible service, and are not a member of a collective bargaining unit are eligible to enroll in the Plan on the first day of the month following completion of the service requirement.

Beginning December 1, 2023, all full time employees, age 18 or older, who have at least six months of eligible service, and are a member of a collective bargaining unit are eligible to enroll in the Plan. Individuals who meet the eligibility requirements enter the Plan on the first day of following month. This plan is subject to the collective bargaining contract. The current contract is set to expire February 28, 2026.

B. Contributions - Non Collectively Bargained Participants

Participants are allowed to make contributions up to 100% of compensation under the provision of Section 401(k) of the Internal Revenue Code. The Plan sponsor may also automatically enroll eligible participants in the Plan. Automatically enrolled participants will contribute at a rate of 6% of compensation. For automatically enrolled participants, contributions will increase annually by 1% of compensation until the rate reaches 10% of compensation. The participant may revoke the automatic enrollment. Company contributions are made at the discretion of the Board of Directors. The Plan specifies that the Plan sponsor match 50% of the first 5% of compensation contributed by the participant. The Plan sponsor may also make discretionary non-elective contributions. Discretionary non-elective contributions are allocated based on the ratio of the participant's eligible compensation to the total of all eligible compensation paid to all employees.

NOTES TO THE FINANCIAL STATEMENTS  
DECEMBER 31, 2024 AND 2023

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES CONTINUED

D. Administrative Expenses

A quarterly fee based on a percentage of each account balance invested in Fidelity Management & Research Co. on the last day of each Plan quarter will be withdrawn the following month for administrative expenses. Other administrative expenses are being paid by the Plan's sponsor.

E. Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023. If a participant ceases to make loan payments, the Plan administrator will deem the participant loan to be a distribution in accordance with applicable legal requirements, and the participant's account balance will be reduced at the earliest permitted date. The Plan has loans receivable from participants as of December 31, 2024 and 2023 of \$1,470,216 and \$1,304,204, respectively.

F. Uncertain Income Tax Positions

When applicable, changes in benefits arising from current and prior tax positions taken by the Company are recognized in the period in which the change occurs. Changes resulting from settlements with taxing authorities are recognized in the period that settlement occurs. Reductions in unrecognized tax benefits as a result of a lapse of the applicable statute of limitations are recognized in the period the statute lapses. Projected penalties and interest recognized on tax positions where it is reasonably possible that the Company's tax position will not prevail in a review by taxing authorities is recognized as part of current period income tax expense. Management believes that the current and three prior tax periods remain subject to examination by taxing jurisdictions.

G. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits.

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan has implemented accounting standards related to fair value measurements which establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under the standards are described below:

Basis of Fair Value Measurement

- Level 1: Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- Level 2: Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly;
- Level 3: Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instruments level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following is a description of the valuation techniques and inputs used as of December 31, 2024 and 2023 for assets measured at fair value:

*Mutual Funds:* Valued at quoted market prices.

The following tables present by level, within the fair value hierarchy, the Plan investment assets at fair value, as of December 31, 2024 and 2023. As required by generally accepted accounting principles, investment assets are classified in their entirety based upon the lowest level of input that is significant to the fair value measurement.
