## REPORT OF INDEPENDENT AUDITORS

To the Management Group  
WillowTree 401(k) Profit Sharing Plan  
Charlottesville, Virginia

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the accompanying financial statements of WILLOWTREE 401(k) PROFIT SHARING PLAN, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2024 and 2023, and the related statement of changes in net assets available for benefits for the year ended December 31, 2024, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of December 31, 2024 and 2023, and for the year ended December 31, 2024, stating that the certified investment information, as described in the **INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE** note to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section:

- the amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

WillowTree 401(k) Profit Sharing Plan

## **REPORT OF INDEPENDENT AUDITORS**

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the ***Auditor's Responsibilities for the Audit of the Financial Statements*** section of our report. We are required to be independent of WILLOWTREE 401(k) PROFIT SHARING PLAN and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Emphasis of Matter**

As explained in the ***General*** note to the financial statements, the Plan was merged into the Plan Sponsor's parent company's plan. Our opinion has not been modified with respect to this matter.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about WILLOWTREE 401(k) PROFIT SHARING PLAN's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

## REPORT OF INDEPENDENT AUDITORS

### *Auditor's Responsibilities for the Audit of the Financial Statements*

Except as described in the **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit** section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of WILLOWTREE 401(k) PROFIT SHARING PLAN's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about WILLOWTREE 401(k) PROFIT SHARING PLAN's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

## **REPORT OF INDEPENDENT AUDITORS**

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matters**

#### ***Plan Merger***

As discussed in the notes to the financial statements, the Management Group of the Plan determined that the Plan would be merged into the Plan Sponsor's parent company plan. The Trustee was notified on October 18, 2024. All Plan assets had been transferred as of December 31, 2024.

## **NOTES TO FINANCIAL STATEMENTS**

### **DESCRIPTION OF PLAN**

The following description of the WillowTree 401(k) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

#### ***General***

During 2024, the Management Group of the Plan determined that the Plan would be merged into the Plan Sponsor's parent company's plan. The trustee was notified on October 18, 2024. All Plan assets had been transferred as of December 31, 2024.

Prior to the merger, the Plan was a defined contribution plan covering all eligible employees of WillowTree, LLC and its subsidiary, Dynamit Technology (collectively, "the Company"). It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

#### ***Contributions***

Each year, participants could elect to defer up to 100% of their eligible compensation up to the elective deferral limit, which is set by law. Participants could also elect to designate their salary deferrals as Roth deferrals. The Plan had an automatic enrollment feature, which enrolled eligible participants at 3%. Participants could opt out of the automatic enrollment. Participants who had attained age 50 before the end of the Plan year were eligible to make additional "catch-up" contributions up to the limits prescribed by law. Participants could contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

The Company was able to elect to make discretionary matching contributions. For the years ended December 31, 2024 and 2023, the Company contributed discretionary matching contributions equal to 75% of each eligible participant's deferred compensation up to 6%. For any Plan year, the Company was able to contribute additional discretionary profit sharing amounts as determined by the Company. For the years ended December 31, 2024 and 2023, the Company did not make discretionary profit sharing contributions.

Contributions from participants and the Company were recorded in the year in which the employee contributions were withheld from compensation.

Participants directed the investment of both employee and employer contributions into various investment options offered by the Plan. Participants were able to change their investment options periodically. Contributions were subject to certain Internal Revenue Service limitations.

## NOTES TO FINANCIAL STATEMENTS

### *Participant Accounts*

Each participant's account was credited with the participant's contribution and the discretionary Company matching contributions, as well as an allocation of the Company's discretionary profit sharing contribution and Plan earnings. Participant accounts were charged with an allocation of administrative expenses that were paid by the Plan. Allocations were based on participants' earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

### *Vesting*

Participants were immediately vested in their voluntary contributions and rollover amounts, plus actual earnings thereon. Vesting in the Company's discretionary matching contribution and discretionary profit sharing contribution was based on years of continuous service. A participant became 25% vested after one year of service. The vesting percentage increased by 25% each year until the participant became fully vested in the Plan after four years of credited service. Dynamit Technology participants who merged into the Plan during 2020 followed a vesting schedule for the Company's discretionary matching contributions, whereby a participant became 25% vested after one year of service, 50% vested after two years of service, and 100% vested after three years of service. All Dynamit Technology participants were fully vested in employer contributions made prior to the merger.

### *Notes Receivable from Participants*

Participants could borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000, reduced by the highest outstanding loan balance during the one-year period ending on the day before the loan is made, or 50% of their vested account balance reduced by any outstanding loan balance. The loans were secured by the balance in the participant's account. The loans bore interest at a rate commensurate with local prevailing rates as determined by the Loan (Plan) Administrator. Principal and interest was paid ratably through bi-weekly payroll deductions.

### *Payment of Benefits*

Upon termination of service due to death, disability, retirement, or other reasons, a participant could elect to receive benefits as follows:

For participants with account balances of \$1,000 or less, the balance was paid out in a lump sum distribution.

For participants that had account balances of over \$1,000 to \$5,000, if the participant did not affirmatively elect to receive a distribution of the account, the account was automatically rolled over to an individual retirement account at the trustee as soon as administratively feasible following termination of employment.

For participants that had account balances greater than \$5,000, the participant could elect to receive the balance of his or her account as a lump sum or direct rollover, or to retain the balance in the Plan.

## NOTES TO FINANCIAL STATEMENTS

### *Forfeited Accounts*

At December 31, 2024, there were no forfeited nonvested accounts. At December 31, 2023, forfeited nonvested accounts totaled \$4,355. Those accounts could be used to reduce future employer contributions or administrative costs. During 2024, employer contributions were reduced by \$489,414 from forfeited nonvested accounts.

## SUMMARY OF ACCOUNTING POLICIES

### *Basis of Accounting*

The financial statements of the Plan are prepared on the accrual basis of accounting.

### *Use of Estimates*

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and the disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### *Investment Valuation and Income Recognition*

Investments were reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See the **FAIR VALUE MEASUREMENTS** note for further discussion of fair value measurements.

Purchases and sales of investments were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

### *Notes Receivable from Participants*

Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income was recorded on an accrual basis. Related fees were recorded as administrative expenses and were expensed when they were incurred. No allowance for credit losses has been recorded as of December 31, 2024 and 2023.

### *Payment of Benefits*

Benefits were recorded when paid.

# WILLOWTREE 401(k) PROFIT SHARING PLAN

## NOTES TO FINANCIAL STATEMENTS

### *Expenses*

Certain expenses of maintaining the Plan were paid by the Plan, unless otherwise paid by the Company. A portion of the administrative expenses were paid by the Company on behalf of the Plan and are excluded from these financial statements. The administrative expenses paid by the Company were not reimbursed by the Plan. Fees related to the administration of notes receivable from participants and recordkeeping fees were charged directly to the participant's account and were included in administrative expenses. Investment-related expenses were included in net appreciation in fair value of investments.

### *Subsequent Events*

The Plan has evaluated subsequent events through October 2, 2025, the date the financial statements were available to be issued.

### **INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE**

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the following information was certified by Fidelity Management Trust Company (the trustee) and was not subjected to any auditing procedures performed:

1. Total investments, as shown in the accompanying statements of net assets available for benefits, of \$0 as of December 31, 2024 and \$61,642,660 as of December 31, 2023.
2. Notes receivable from participants, as shown in the accompanying statements of net assets available for benefits, of \$0 as of December 31, 2024 and \$193,469 as of December 31, 2023.
3. Net investment income and interest income on notes receivable from participants, as shown in the accompanying statement of changes in net assets available for benefits, of \$11,330,683 and \$15,018, respectively, for the year ended December 31, 2024.

### **FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 are described as follows:

- |         |   |
|---------|---|
| Level 1 | Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access. |
|---------|---|

# WILLOWTREE 401(k) PROFIT SHARING PLAN

## NOTES TO FINANCIAL STATEMENTS

Level 2 Inputs to the valuation methodology include:

Quoted prices for similar assets or liabilities in active markets;

Quoted prices for identical or similar assets or liabilities in inactive markets;

Inputs other than quoted prices that are observable for the asset or liability;

Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2024 and 2023.

Investments in the registered investment companies and the money market fund are stated at fair value as reported by Fidelity Management Trust Company (the Plan's trustee), and are based on the fair value of the underlying securities. The fair value of the underlying securities is based on quotations from national exchanges.

There were no Plan assets as of December 31, 2024.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2023:

	<b>ASSETS AT FAIR VALUE AS OF DECEMBER 31, 2023</b>			
	<b>LEVEL 1</b>	<b>LEVEL 2</b>	<b>LEVEL 3</b>	<b>TOTAL</b>
Money market .....	\$ 700,167	\$ ....	\$ ....	\$ 700,167
Registered investment companies ...	<u>60,942,493</u>	<u>....</u>	<u>....</u>	<u>60,942,493</u>
Total assets at fair value .....	<u>\$61,642,660</u>	<u>\$ ....</u>	<u>\$ ....</u>	<u>\$61,642,660</u>

# **WILLOWTREE 401(k) PROFIT SHARING PLAN**

## **NOTES TO FINANCIAL STATEMENTS**

### **RELATED-PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS**

Company contributions to the Plan or benefits accrued or paid by the Plan for participants were not considered party in interest transactions.

The Plan allowed for transactions with certain parties who may have performed services for or had fiduciary responsibilities to the Plan, including the Company. Fidelity Management Trust Company (Fidelity) is the trustee as defined by the Plan and, therefore, transactions with Fidelity qualify as party in interest transactions. Fees paid by the Plan to Fidelity for the investment management and recordkeeping services amounted to \$21,513 for the year ended December 31, 2024.

### **TAX STATUS OF THE PLAN**

The Plan was a Fidelity non-standardized pre-approved plan for which a favorable opinion letter from the Internal Revenue Service, dated June 30, 2020, had been received. Although the Plan had been amended since receiving the opinion letter, the Plan Administrator and the Plan's tax counsel believe that the Plan was designed and was being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan was qualified, and the related trust was tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### **RISKS AND UNCERTAINTIES**

The Plan invested in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it was at least reasonably possible that changes in the values of investment securities would occur and that such changes could have materially affected participants' account balances and the amounts reported in the statement of net assets available for benefits.
