Plan Administrator for The Restated Thrift/Profit
Sharing Plan for Cooperatives and Participants
(Participating Employer – Farm Service Cooperative, Harlan, Group 232)

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed audits of the financial statements of The Restated Thrift/Profit Sharing Plan for Cooperatives and Participants (Participating Employer – Farm Service Cooperative, Harlan, Group 232) (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the Statements of Net Assets Available for Benefits – Modified Cash Basis as of December 31, 2024 and 2023, and the related Statements of Changes in Net Assets Available for Benefits – Modified Cash Basis for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certifications from a qualified institution as of and for the years ended December 31, 2024 and 2023, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.
- The information in the accompanying financial statements related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Restated Thrift/Profit Sharing Plan for Cooperatives and Participants (Participating Employer – Farm Service Cooperative, Harlan, Group 232) and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter – Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Restated Thrift/Profit Sharing Plan for Cooperatives and Participants (Participating Employer – Farm Service Cooperative, Harlan, Group 232)'s ability to continue as a going concern for one year after the date the financial statements are available for issuance.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Restated Thrift/Profit Sharing Plan for Cooperatives and Participants (Participating Employer – Farm Service Cooperative, Harlan, Group 232)'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Restated Thrift/Profit Sharing Plan for Cooperatives and Participants (Participating Employer – Farm Service Cooperative, Harlan, Group 232)'s ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedule Required by ERISA

The supplemental schedule of assets held at the end of the year, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Notes to Financial Statements – Modified Cash Basis

December 31, 2024 and 2023

1. Description of the Plan

The Restated Thrift/Profit Sharing Plan for Cooperatives ("Thrift/Profit Sharing Plan") is a prototype defined contribution plan administered by Associated Benefits Corporation ("Plan Administrator"). The participating employer, Farm Service Cooperative, Harlan, Group 232, has adopted the Thrift/Profit Sharing Plan with 401(k) provisions ("Plan"). The following description of the Plan provides only general information. Participants should refer to the Plan document for more complete information.

General – The Plan is a defined contribution plan available to all full-time employees. There is no service or age requirement. Principal Trust Company ("Trustee") serves as the trustee of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions – Each year, participants may contribute up to 80 percent of their compensation on a pre-tax basis, as defined in the Plan, subject to certain Internal Revenue Code ("IRC") limitations. In addition, Roth and after-tax contributions to the Plan are permitted up to the limits allowed by law.

Participant Accounts – Individual accounts are maintained for each Plan participant. Each participant's account is credited with the participant's and an allocation of the Plan's earnings (losses) and charged with withdrawals and an allocation of administrative expenses. Allocations are based on participant account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments – Participants direct the investment of their contributions into any combination of the investment alternatives offered by the Plan in multiples of one percent. Plan participants may transfer funds from one investment fund to another. Transfers are effective the day made or the next business day.

Vesting – Participants are immediately vested in employee contributions and actual earnings (losses) thereon.

Notes Receivable from Participants – Participants may borrow from their fund accounts, subject to balance limitations. Participants may have a maximum of two loans outstanding at any time. The repayment period for the loans is not to exceed five years, or fifteen years if the loan is for the purchase of the participant's principal residence. The loans are secured by the balance in the participant's account. The interest rate charged on the loans is one percentage point above the prime rate. Principal and interest is paid ratably through payroll deductions. As of December 31, 2024, notes receivable have maturities through 2029 at interest rates of 4.25-9.50%.

Payment of Benefits – On termination of service, a participant may elect to receive either a lump-sum payment equal to the value of his or her vested account, or installment payments over various periods as elected by the participant.

2. Summary of Significant Accounting Policies

Basis of Accounting – The accompanying financial statements have been prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America (“GAAP”). Under the modified cash basis of accounting, transactions are recorded in the financial statements on the cash receipts and disbursement basis; however, investments are adjusted to fair value. Accordingly, these statements are not intended to present the Plan’s financial position or changes to financial position in conformity with GAAP. The principal differences in the Plan’s statement relate to investment income and contributions, which are not recorded until received on the financial statements.

Use of Estimates – The preparation of financial statements in conformity with the modified cash basis of accounting, which is a comprehensive basis of accounting other than GAAP, requires Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties – The Plan through its investment in the Thrift and Profit Sharing Trust for Cooperatives (“Trust”) utilizes various investment securities, including U.S. government securities, corporate debt instruments, mutual funds, and common collective trust funds. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Investment Valuation and Income Recognition – The Plan’s investments are stated at fair value. The value of each account is based on the market value of the securities in the account. Net earnings on investments include realized and unrealized gains and losses and interest and dividends recorded on a modified cash basis. The Plan’s investment contract (guaranteed interest accounts) are not fully benefit-responsive and are stated at fair value as determined by the custodian of the Plan’s assets.

Contributions – Contributions from Plan participants are recorded when received by the Plan.

Notes Receivable from Participants – Notes receivable from participants are valued at unpaid principal balance plus accrued but unpaid interest. Delinquent notes receivable from participants are recorded as distributions based on the terms of the Plan document.

Administrative Expenses – Administrative expenses of the Plan are paid by the Plan Sponsor as provided in the Plan document.

Payment of Benefits – Benefit payments to participants are recorded upon distribution. As of December 31, 2024 and 2023, net assets available for benefits included no benefits due to participants who had withdrawn from participation in the Plan but have not yet been paid.

Plan Transfers – Transfers into and out of the Plan represent the participant accounts of employees who have moved between participating employers of the Thrift/Profit Sharing Plan during the years ended December 31, 2024 and 2023

Reclassifications - Certain reclassifications to the December 31, 2023, financial statements may have been made to conform to the December 31, 2024, presentation.

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair values hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at December 31, 2024 and 2023.

Mutual Funds: Valued at the daily closing price as reported by the fund. These funds are actively traded and are required to publish their daily net asset value and to transact at that price.

Common/Collective Trusts: The collective investment trusts invest in varying collective trust funds in addition to a variety of separate accounts and mutual funds. The fair value of the collective investment trust and the separate accounts are not publicly quoted pricing inputs. The individual fair values of each segment of investment assets are used to determine the net asset value (NAV) of the investment trusts and are the amount at which investments may be redeemed as of measurement date.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, a summary of the Plan's investments measured at fair value on a recurring basis at December 31, 2024 and 2023:

Fair Value Measurements at December 31, 2024, Using				
	Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Mutual Funds	\$ 851,664	--	--	\$ 851,664
Common/Collective Funds	9,394,614	--	--	9,394,614
	<u>\$ 10,246,278</u>	<u>--</u>	<u>--</u>	<u>\$ 10,246,278</u>

Fair Value Measurements at December 31, 2023, Using				
	Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	Total
Mutual Funds	\$ 689,383	--	--	\$ 689,383
Common/Collective Funds	8,339,141	--	--	8,339,141
	<u>\$ 9,028,524</u>	<u>--</u>	<u>--</u>	<u>\$ 9,028,524</u>

The Plan's investments are reported at fair value in the accompanying Statements of Net Assets Available for Benefits. The method used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

4. Exempt Party-In-Interest Transactions

Certain Plan investments are shares of mutual funds managed by Principal Trust Company. Principal Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for the investment management services are included as a reduction of the return earned on each fund.

5. Plan Termination

Although it has not expressed any intention to do so, the participating employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA.

6. Federal Income Tax Status

The Internal Revenue Service has determined and informed the Plan Administrator by a letter dated July 12, 2017, that the Plan and related Trust were designed in accordance with applicable regulations of the IRC. The Plan has been amended since receiving the determination letter; however, the Plan Administrator believes that the Plan is currently designed and operated in compliance with the applicable requirements of the IRC. The Plan and related Trust continue to be tax exempt, therefore, no provision for income taxes has been included in the Plan's financial statements.

The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. Information Certified by the Trustee

The following is a summary of the unaudited information regarding the Plan as of December 31, 2024 and 2023, and for the years then ended, included in the Plan's financial statements and supplemental schedule, that was prepared by or derived from information prepared by Principal Trust Company, the trustee of the Plan, and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee that such information is complete and accurate.

	<u>2024</u>	<u>2023</u>
Statements of Net Assets Available for Benefits - Modified Cash Basis		
Participant-Directed Investments at Fair Value as Determined by Quoted Market Price	\$ 851,664	\$ 689,383
Participant-Directed Investments at Estimated Fair Value	9,394,614	8,339,141
Notes Receivable from Participants	74,201	81,240

During the years ended December 31, 2024 and 2023, investment income, as certified by Principal Trust Company, includes interest and dividend income and net appreciation (depreciation) on investments. Net appreciation (depreciation) on investments includes gains and losses on investments bought and sold, as well as held during the year. Investment income is as follows:

	<u>2024</u>	<u>2023</u>
Statements of Changes in Net Assets Available for Benefits - Modified Cash Basis		
Investment (Loss) Income of The Thrift and Profit Sharing Trust for Cooperatives	\$ 1,291,891	\$ 1,437,256
Interest Income on Notes Receivable from Participants	7,810	4,036

Supplemental schedule: All investment balances and information included in the supplemental schedule of assets (held at end of year).

8. Subsequent Events

The Company has evaluated events and transactions occurring after December 31, 2024, for potential items required to be recognized or disclosed in the financial statements. Subsequent events were evaluated through September 23, 2025, the date the financial statements were issued.
