## INDEPENDENT AUDITOR'S REPORT

The Plan Administrative Committee of  
Kyocera Retirement Savings Plan

***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements***

We have performed an audit of the financial statements of Kyocera Retirement Savings Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2024, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2024 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of December 31, 2024, and for the year then ended stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

***Opinion on the 2024 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section

- the amounts and disclosures in the accompanying 2024 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2024 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

### ***Basis for Opinion on the 2024 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2024 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2024 financial statements.

### ***Responsibilities of Management for the 2024 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2024 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2024 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

---

(Continued)

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2024 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Other Matters**

#### *2024 Supplemental Schedules Required by ERISA*

The supplemental schedule of Schedule H, Line 4(i) - Schedule of Assets (Held at End of Year) as of December 31, 2024, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### *Auditor's Report on the 2023 Financial Statements*

The 2023 financial statements of Kyocera Retirement Savings Plan were audited by predecessor auditors whose report dated August 13, 2024, expressed an unmodified opinion on those financial statements.

**1. Description of Plan**

The following description of the Kyocera Retirement Savings Plan (the “Plan”) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan’s provisions. The Plan is subject to the provisions of Employee Retirement Income Security Act of 1974 (“ERISA”).

**General**

The Plan is a defined contribution plan covering employees of Kyocera International, Inc. (“KII”) and participating subsidiaries (the “Plan Sponsor”). Each current employee who has reached the age of 21 years is eligible to participate as of the date coincident with or immediately following his/her employment commencement date.

**Plan Administration**

Transamerica Retirement Solutions (“Transamerica”) is the Plan recordkeeper. Transamerica maintains and invests Plan assets on behalf of the Plan. State Street Bank and Trust Company serves as the Plan’s directed institutional trustee.

**Contributions**

Employees may contribute from 1% to 100% of pre-tax compensation or post-tax annual compensation, as defined by the Plan, subject to an annual limitation as provided in Internal Revenue Code (“IRC”) Section 415(d). The Plan Sponsor may make discretionary matching contributions in such amounts as may be determined by the Plan Sponsor’s Retirement Committee each Plan year. The Plan Sponsor made discretionary matching contributions of 50% of participant contributions to all investment choices up to 5% of the participant’s eligible compensation in 2024 and 2023. The Plan also contains a default automatic enrollment feature that automatically enrolls participants at a 5% deferral rate, with annual 1% contribution increases up to a maximum of 12%.

**Participant Accounts**

Each participant’s account is credited with (a) the participant’s contribution, (b) the Plan Sponsor’s contributions, and (c) an allocation of the Plan’s investment income or losses. Allocations of investment income or losses within each fund are based on account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

**Vesting**

Participants are immediately vested in their own contributions and earnings thereon. Plan Sponsor matching contributions are vested as follows:

<b>Years of Service</b>	<b>% Vested</b>
Less than 1 year	0%
1 year but less than 2 years	20%
2 years but less than 3 years	40%
3 years but less than 4 years	60%
4 years but less than 5 years	80%
5 years or more	100%

**1. Description of Plan (continued)**

**Notes Receivable from Participants**

The Plan provides that participants may obtain loans from their participant account. The minimum loan amount is \$1,000 and the maximum is 50% of their account balance up to \$50,000. The term of the loan is not to exceed 20 years for mortgage loans or 5 years for nonmortgage loans. The loans are collateralized by the balance in the participant's account. Loans bear interest at a rate commensurate with local prevailing rates as determined quarterly by the Plan administrator. The range of rates within the loan portfolio was 4.25% to 9.5% during 2024 with maturities through February 2042. As of December 31, 2024, the loan rate was 8.5%. Principal and interest are paid ratably through payroll deductions.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of December 31, 2024 or 2023.

**Payment of Benefits**

The payment of benefits can be made upon retirement, termination of the Plan, death, termination of employment, or financial hardship. Benefits to which participants are entitled are limited to the vested amount accumulated in each participant's account.

Distributions from the Plan are based on vested account values as of the earliest valuation date following a participant's separation from service date. Normal withdrawals can be made after age 59-1/2. Withdrawals before age 59-1/2 can be made for reasons of disability, termination of employment, severe financial hardship, or in the event of the employee's death. Withdrawals other than normal withdrawals are subject to excise taxes, as defined by IRC section 72(t).

**Forfeited Accounts**

Forfeitures are the nonvested portion of a participant's account that are lost upon termination of employment. Forfeited, nonvested account balances are first used to reduce the Plan Sponsor's contributions. Forfeited, nonvested accounts included in Investments in the Statements of Net Assets Available for Benefits totaled \$89,513 and \$25,947 as of December 31, 2024 and 2023, respectively.

For 2024 and 2023, employer contributions were reduced by \$34,876 and \$117,750, respectively, from forfeited accounts.

**Plan Termination**

Although it has not expressed any intent to do so, the Plan's Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. Upon termination, the entire adjusted amount of each participant's account value, including that portion attributable to the Plan Sponsor's contributions which would not otherwise be vested, becomes fully vested.

**1. Description of Plan (continued)**

**Risks and Uncertainties**

The Plan provides for various investment options in any combination of stocks, bonds, mutual funds, and other investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near term could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statements of Changes in Net Assets Available for Benefits.

**2. Summary of Significant Accounting Policies**

**Basis of Accounting**

The Plan uses the accrual basis of accounting and the financial statements are prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

**Valuation of Investments**

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset in an orderly transaction between market participants at the measurement date. Purchases and sales of investments are recorded on a trade-date basis. See Note 3 for discussion of fair value measurements.

**Income Recognition**

Interest income is earned on an accrual basis and dividend income is recorded on the ex-dividend date.

The Plan presents in the Statements of Changes in Net Assets Available for Benefits the net appreciation or depreciation in the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation and depreciation of those investments.

**Payment of Benefits**

Benefits are recorded when paid.

**Administrative Expenses**

Certain expenses for maintaining the Plan are paid directly by the Plan Sponsor and are excluded from the Plan's financial statements. Recordkeeping, custodial, and other expenses relating to Plan administration are paid by the Plan and are included in administrative expenses in the accompanying Statements of Changes in Net Assets Available for Benefits. Investment-related expenses are included in net appreciation/depreciation in fair value of investments in the accompanying Statements of Changes in Net Assets Available for Benefits.

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expense during the reporting period. Actual results could differ from estimates.

**3. Fair Value Measurements**

Accounting guidance has been issued that establishes a framework for measuring fair value. Such framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The three levels of the fair value hierarchy are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Classification within the hierarchy is determined based on the lower-level input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used on December 31, 2024 and 2023:

- Mutual funds – Valued at fair value based on quoted market prices on the last business day of the year. The mutual funds held by the fund are deemed to be actively traded.
- Collective Trusts – The Invesco Stable Value Fund is a collective trust (CT) that holds synthetic guaranteed investment contracts and short-term securities. Units held in CTs are valued using the net asset value practical expedient (NAV practical expedient) of the CTs as reported by the CT managers. The NAV practical expedient is based on the fair value of the underlying assets owned by the CTs, minus its liabilities, and then divided by the number of units outstanding. The NAV practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the NAV practical expedient.

**4. Certified Investments**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2024, and net appreciation in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended December 31, 2024, was obtained by management and agreed to or derived from information certified as complete and accurate by State Street Bank and Trust Company (the Trustee of the Plan).

**5. Tax Status**

The Internal Revenue Service has informed the Company by an opinion letter dated June 30, 2020 that the Plan is designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The Plan is subject to routine audits by taxing jurisdiction; however, there are currently no audits for any tax period in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2021.

**6. Related Party and Party-in-Interest Transactions**

Certain expenses of the Plan are paid for by the Plan Sponsor. The most significant of these costs paid by the Plan Sponsor are the salaries for the employees responsible for Plan administration. Fees paid to Transamerica by the Plan for administrative expenses amounted to \$50,898 and \$47,436 for the years ended December 31, 2024 and 2023, respectively. Fees paid to Moss Adams by the Plan for audit services were \$20,000 and \$19,300 for the years ended December 31, 2024 and 2023, respectively. Loans made to employees of the Plan Sponsor also qualify as party-in-interest transactions.

Employees of the Plan Sponsor serve as named fiduciaries and Plan administrator, and are participants in the Plan. These employees qualify as party-in-interest.

Certain Plan assets are issued by State Street Bank and Trust Company and since State Street Bank and Trust Company is a service provider of the Plan, these Plan assets qualify as party-in-interest to the Plan.

**7. Subsequent Events**

Subsequent events are events or transactions that occur after the Statements of Net Assets Available for Benefits date but before the financial statements are available to be issued. The Plan recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the Statements of Net Assets Available for Benefits, including the estimates inherent in the process of preparing the financial statements. The Plan's financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the Statements of Net Assets Available for Benefits but arose after the Statements of Net Assets Available for Benefits date and before the financial statements are available to be issued.

**Kyocera Retirement Savings Plan**  
**Notes to Financial Statements**  
**As of and for the Years Ended December 31, 2024 and 2023**
